*P3a. Description: (Describe resource and its major elements. Include design, materials, condition, alterations, size, setting, and boundaries.)
263 Rose Street is located on a 35.5' x 120' lot on the south side of Rose Street, between Laguna and Octavia Streets. It is one of two buildings on the parcel; the other building being a single-family residence at 160 Haight St. Built ca. 1910, the two-story garage features a brick perimeter wall foundation, wood-frame structural system, horizontal drop wood siding, and a side-facing asphalt shingle gable roof. The garage features three multi-panel wood garage doors on the primary façade facing Rose Street. On the second floor are three window openings that have been infilled with wood boards and siding. The primary facade terminates in an ornate cornice, supported by modillion blocks and vertical molding. The building appears to be in good condition.
