Public Workshop #2: Open Space & Parks

Help us make long-range decisions about open space and park programming in Dogpatch! The neighborhood has some beautiful and highly used open spaces and parks. At this workshop we'll begin to re-vision these assets and how they can better serve community needs. We'll focus on three open spaces that were prioritized by the public at our last workshop in March. Refreshments will be provided!

Take the Open Space & Park Survey!

We need your feedback on parks and open spaces in Dogpatch! The Planning Department, Recreation and Parks Department, Port of SF and others would like you to take this brief survey of seven questions. The responses will help guide planning, design, and funding in Dogpatch and surrounding neighborhoods.
