Plan Goals and Outcomes

- **Prioritize and Coordinate**: The Plan will identify and prioritize projects to better inform funding decisions.
- **Safer Crossings**: The Plan will provide a platform for coordination between agencies and nonprofits to address critical linkages between parks, the waterfront, and other open spaces.
- **Better Connections**: The Plan will ensure that all public space projects, large and small, receive attention that produces a high standard of design and execution.
- **Estimate Costs**: Provide robust estimates for each of the projects identified in the plan.
