The Bayview Hunters Point PAC Land Use Committee invites you to attend two Open House meetings about the India Basin shoreline area of the Bayview Hunters Point community (Area C).

The India Basin/Hunters Point Shoreline area is located between Heron's Head Park and the entrance to Hunters Point Shipyard. The goal of the planning effort is to develop a set of new land use controls and a redevelopment plan amendment to ensure that future development benefits the Bayview community and enhances the character of the shoreline.

On **Wednesday, March 3, 2010** between 6:00 and 8:00 PM staff will be available to discuss pedestrian, bicycle and vehicular circulation issues. On **Wednesday, March 24, 2010** between 6:00 and 8:00 PM staff will be available to discuss building heights.
