Certificate of Appropriateness (C of A; Requires Historic Preservation Commission Hearing)

**PRIMARY FACADES**

Adding Solar Panels
No C of A: To install solar panels.

Rooftop Equipment (Not visible)
No C of A: If rooftop equipment is not visible from a public right-of-way within the district and is installed in a manner that may be easily removed in the future without disturbing any historic fabric.

Roof Replacement
No C of A: Provided that the proposed work does not change the roof materials, character, form or structure.

Window Repair & Replacement
No C of A: To repair or correct deterioration, decay, or damage to existing windows.

Skylights
No C of A: Proposed skylights (not including over second floor interior open patio), shall only occur on the flat portion of the roof, have a low profile, are mounted flush with the roof, and are set back from the perimeter walls of the building. Skylight frames shall have a powder-coated or painted finish and the glazing shall be non-reflective.

Second Floor Interior Open Patio
No C of A: Retention of second floor interior open patio is encouraged. Skylights installed over second floor open patios shall be compatible, made of clear, non-reflective glass, and not visible from the public right of way.

Repair Historic Ornament
No C of A: To repair existing historic ornament (including, but not limited to porticos, porches, cornices, plaster work, tympanum, roofline, and eaves) regardless of visibility from the public right-of-way.

Garage Door Replacement
No C of A: To replace a non-historic garage door provided that the new garage door is compatible in terms of material, pattern, and fenestration and minimizes its visual impacts on the character-defining features of the existing building and front yard setting.

Seismic Work
No C of A: For seismic work that complies with Section 100S of the Planning Code. Seismic upgrades that minimize the alteration of character-defining features of a structure are encouraged.

Ordinary Maintenance and Repair
No C of A: If the sole purpose and effect is to correct deterioration, decay, and / or damage to existing material, including repair of damage caused by fire or other disasters.

Rooftop Equipment (Visible) / Excludes Cellular Installation
Admin C of A: Provided that proposed rooftop equipment is:
(a) Installed in a manner that it may be easily removed in the future without disturbing any historic fabric; and,
(b) Is placed on the flat portion of the roof, is set back a beyond the high point of the gabled roof portion; and is set in from the perimeter walls of the building.

Security Measures
Admin C of A: For installation or replacement of metal security doors, window grilles, or security gates on primary façades provided that these measures are installed in a reversible manner that avoids obstructing or damaging exterior character-defining features of the building.

Replace Historic Ornament
Admin C of A: For the in-kind replacement of historic ornament (including, but not limited to porticos, porches, cornices, plaster work, roofline, and eaves) that has been previously removed, provided that replacement ornament is determined to be compatible with documented designs and ornament found on the subject building or within the district.

Cladding
Admin C of A: For the replacement of historic/non-historic cladding, provided that the replacement cladding is determined to be compatible with documented historic cladding (extant or not) found on the subject building or within the district.

Door Replacement
Admin C of A: Provided that the proposed door matches the historic door (extant or not) in terms of opening size, door type, glazing, material, and all exterior profiles, dimensions and detailing.

Front Stairway & Railings
Admin C of A: For the replacement of historic or non-historic stairways and/or railings with compatible stairways and/or railings provided that the proposal is based on physical or documented evidence and is found to be compatible with the character-defining features of the building and/or district.

Exploratory Work
Admin C of A: For the removal of a limited amount of non-historic material to conduct exploratory investigation regarding structural systems and/or to determine the existence of concealed historic material. This work will be limited to no more than 20% of the surface area (excluding window openings) as a primary façade.

Doors
Admin C of A: For replacement of historic front doors on primary façades, doors shall be replaced with a door that matches the historic door (extant or not) in terms of opening size, door type, glazing, material, and all exterior profiles, dimensions and detailing.
Levels of Review: Rear Facades (Visible and Not Visible)

* Definition of Visibility:
A building, feature, or alteration is considered “visible” when it can be seen from a public right-of-way within the District. Visibility from Kirkham Street and Lawson Street is limited to the highly visible façades of the first three buildings adjacent to Kirkham Street and Lawson Street.

Rear Facades: NOT VISIBLE*

**Window Replacement**
No C of A: For window replacement on non-visible rear façades within the existing openings.

**New or Enlarged Window or Door Openings**
