PREAMBLE

On February 22, 2013, Barbara Armstrong (hereinafter “Project Sponsor”) made an application for Conditional Use authorization for the property at **2701-2703 Folsom Street, Lot 035 in Assessor’s Block 3640** (hereinafter “Subject Property”), to allow two vacant ground floor commercial tenant spaces at 2701 and 2703 Folsom Street to establish an approximately 2,400 square-foot religious institution and an approximately 400 square-foot retail use within the RH-2 (Residential, House, Two-Family) Zoning District, the Mission Alcoholic Beverage Special Use District, and a 40-X Height and Bulk designation, in general conformity with plans submitted May 10, 2013, and labeled “Exhibit B” (hereinafter “Project”). The proposal will involve interior tenant improvements to the ground floor commercial tenant spaces. There will be no expansion of the existing building envelope.

On **September 12, 2013**, the San Francisco Planning Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting on **Conditional Use Application No. 2013.0282C**.

The Project is exempt from the California Environmental Quality Act ("CEQA") as a Class 1 categorical exemption.

The Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of the applicant, Department staff, and other interested parties.

MOVED, that the Commission hereby authorizes the Conditional Use requested in Application No. 2013.0282C, subject to the conditions contained in "EXHIBIT A" of this motion, based on the following findings:

FINDINGS

Having reviewed the materials identified in the recitals above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

1. The above recitals are accurate and constitute findings of this Commission.
2. **Site Description and Present Use.** The project site at 2701–2703 Folsom Street is on the southeast corner of Folsom and 23rd Streets; Assessor's Block 3640; Lot 035. It is located within the RH-2 (Residential, House, Two-Family) Zoning District, the Mission Alcoholic Beverage Special Use District, Fringe Financial Service Restricted Use District, and 40-X Height and Bulk District. It is also located within ¼ mile of the 24th Street- Mission Neighborhood Commercial District. The subject lot is approximately 3,150 square feet (35 feet wide by 90 feet) in size and is occupied by a two story mixed-use building. The commercial tenant spaces located on the ground floor of the building had previously been occupied by a Neighborhood Legal Aid, Mission Reading Clinic, a church, book store, music store, and church again. The 2701 Folsom Street space was vacated in 2008 and the 2703 Folsom Street space was vacated in 2010. There are currently two residential units on the second floor of the building.
3. **Surrounding Properties and Neighborhood.** The project site is located within the Mission Neighborhood. The surrounding development consists primarily of single and multi-family residential buildings. The scale of development in the area consists of a mix of low-and mid-rise buildings (one- to three-story structures), most of which were built in the early 1900s. The adjacent property located west of the subject building is an industrial use. There is a cultural arts establishment located across the intersection from the subject property at the northwest corner of Folsom and 23rd Street occupied by arts entertainment space d.b.a. Red Poppy Art House. The surrounding zoning districts are RH-2 (Residential, House, Two-Family) District, UMU (Urban Mixed Use) District, and 24th Street – Mission Neighborhood Commercial Transit District.
4. **Project Description.** The proposal is a request for Conditional Use authorization pursuant to Planning Code Sections 303, 209.3(j), and 186(g) to allow an approximately 2,400 square foot

religious institution at 2701 Folsom Street and reactivate an approximately 400 square foot retail use at 2703 Folsom Street within two vacant commercial tenant spaces within an RH-2 (Residential-House, Two Family) Zoning District, the Mission Alcoholic Beverage Special Use District, and a 40-X Height and Bulk designation.

The proposal will involve interior tenant improvements to the ground floor commercial tenant space. The proposed religious institution will be a Buddhist Meditation Center associated with Spirit Rock specializing in silent meditation instruction. The tenant spaces were last occupied in 2008 and 2010, and have been vacant since then. There will be no expansion of the existing building envelope.

5. **Public Comment.** As of September 5, 2013, the Department has not received any phone calls, letters, or emails.
6. **Planning Code Compliance:** The Commission finds that the Project is consistent with the relevant provisions of the Planning Code in the following manner:

- A. **Establishment of a religious institution use within the RH-2 Zoning District.** Planning Code Section 209.3(j) permits a religious institution which has a tax-exempt status as a religious institution granted by the United States Government, and which institution is used primarily for collective worship or ritual or observance of common religious beliefs within RH, RM, RTO, and RC Districts with Conditional Use authorization.

The current proposal is a request for Conditional Use authorization pursuant to Planning Code Sections 303 and 209.3(j), to allow an approximately 2,400 square foot religious institution at 2701 Folsom Street. There will be no expansion of the existing building envelope. The proposed religious institution will be a Buddhist Meditation Center associated with Spirit Rock specializing in silent meditation instruction. The tenant space was last occupied in 2008 and has been vacant since then.

- B. **Reactivation of a Limited Commercial Use within the RH-2 Zoning District.** Planning Code Section 186(g) states that limited commercial uses in RH, RM, RTO, and RED Districts that have been discontinued or abandoned, as defined in Section 183, may be reactivated with Conditional Use authorization.

The current proposal is a request for Conditional Use authorization per Planning Code Section 303 and 186(g) to reactivate an approximately 400 square foot retail use at 2703 Folsom Street. The tenant space was last occupied in 2010 and has been vacant since then.

- C. **Conditions on Limited Conforming Uses.** Planning Code Section 186(b) states that limited nonconforming uses shall meet the following conditions:

- (1) The building shall be maintained in a sound and attractive condition, consistent with the general appearance of the neighborhood;

The proposed project involves interior tenant improvements to the ground floor commercial tenant spaces. There will be no expansion of the existing building envelope.

- (2) Any signs on the property shall be made to comply with the requirements of Article 6 of this Code applying to nonconforming uses;

All proposed project signage and projections will comply with Article 6 of the Planning Code.

- (3) The hours during which the use is open to the public shall be limited to the period between 6:00 a.m. and 10:00 p.m.;

The project sponsor intends to operate the proposed religious institution and retail use within the permitted hours of operation.

- (4) Public sidewalk space may be occupied in connection with the use provided that it is only occupied with tables and chairs as permitted by this Municipal Code;

The proposed project will not occupy the public sidewalk space with tables and chairs.

- (5) Truck loading shall be limited in such a way as to avoid undue interference with sidewalks, or with crosswalks, bus stops, hydrants and other public features;

The proposed project does not involve truck loading which would interfere with sidewalks, crosswalks, bus stops, hydrants and other public features.

- (6) Noise, odors and other nuisance factors shall be adequately controlled; and

Noise, odors, and other nuisance factors shall be adequately controlled under the Conditions of Approval for the proposed project under Exhibit A.

- (7) All other applicable provisions of this Code shall be complied with.

- D. **Formula Retail Use.** All uses meeting the definition of "formula retail" use per Section 703.3(b) shall not be permitted except by conditional use authorization under the procedures of Section 303 of this Code.

The proposed retail establishment has not been specified as Formula Retail use under Section 703.3 of the Planning Code.

- E. **Off-Street Parking and Loading.** Planning Code Section 151 requires religious institution uses provide one off-street parking space for each 20 seats by which the number of seats in the main auditorium exceeds 200. Section 151 requires retail uses provide on off-street parking space for each 500 square feet of occupied floor area.

The subject main meditation hall of the religious institution yields a capacity of 160 occupants and will not require any off-street parking or loading spaces. The commercial tenant space, with approximately 400 square feet of floor area, will not require any off-street parking or loading spaces.

7. **Planning Code Section 186(g)(c)** establishes criteria for the Planning Commission to consider when reviewing applications for Conditional Use approval. On balance, the project does comply with said criteria in that:

- A. The subject space is located on or below the ground floor and was in commercial or industrial use prior to January 1, 1960; and

The proposed 400 square foot retail space at 2703 Folsom Street is located on the ground floor of a commercial mixed use building. Prior to 1960 the tenant space at 2703 Folsom Street was a neighborhood serving beauty parlor. The tenant space was last occupied in 2010 and has been vacant since then.

- B. The proposed commercial use meets all the requirements of this section and other applicable sections of this Code.

The proposed retail use is within ¼ mile of the 24th Street – Mission NCT (Neighborhood Commercial Transit) District and complies with the most restrictive use limitations specified for first story uses in the District.

8. **Planning Code Section 303(c)** establishes criteria for the Planning Commission to consider when reviewing applications for Conditional Use approval. On balance, the project does comply with said criteria in that:

- A. The proposed new uses and building, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable, and compatible with, the neighborhood or the community.

The proposed project is to allow the establishment of a religious institution and retail uses on the ground floor of the building. There will be tenant improvements made to the existing tenant space with no expansion of the existing building envelope. The uses are compatible with other small scale LCUs (Limited Commercial Uses) and institutional uses located in residential area.

- B. The proposed project will not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity. There are no features of the project that could be detrimental to the health, safety or convenience of those residing or working the area, in that:

- i. Nature of proposed site, including its size and shape, and the proposed size, shape and arrangement of structures;

The size and shape of the site and the arrangement of the structures on the site are adequate for the proposed project. There will be no physical expansion of the existing building envelope.

- ii. The accessibility and traffic patterns for persons and vehicles, the type and volume of such traffic, and the adequacy of proposed off-street parking and loading;

Existing traffic patterns will not be significantly affected by the proposed project. Public transit that is in close proximity to the proposed religious institution and retail uses includes BART and Muni Lines 12, 67, 14, 14L, 49, 27, and 48. There is on-street parking in front of the subject property and in the surrounding neighborhood.

- iii. The safeguards afforded to prevent noxious or offensive emissions such as noise, glare, dust and odor;

No noxious or offensive emissions such as glare, dust, or odor are expected to be produced by the proposed project.

- iv. Treatment given, as appropriate, to such aspects as landscaping, screening, open spaces, parking and loading areas, service areas, lighting and signs;

There will be no addition of off-street parking spaces, loading facilities, open space or service areas. Project signage will be consistent with the controls of the Planning Code.

- C. That the uses as proposed will comply with the applicable provisions of the Planning Code and will not adversely affect the General Plan.

The proposed project complies with all relevant requirements and standards of the Planning Code and is consistent with objectives and policies of the General Plan as detailed below.

- D. That the use as proposed would provide development that is in conformity with the purpose of the applicable Neighborhood Commercial District.

Although the proposed project is located within the RH-2 Zoning District, it is located ¼ mile from the 24th Street Mission Neighborhood Commercial District and the intended use will be a neighborhood-serving use.

- 9. **General Plan Compliance.** The Project is consistent with the Objectives and Policies of the General Plan in that:
