Final Green Connections Open House

Date: Wednesday, December 4, 2013

Time: 5:30 – 7:30 p.m.

Location: LGBT Community Center, Rainbow Room, 1800 Market Street

Please join the Planning Department for the final Green Connections open house, where we will feature the final Green Connections plan. Over the last two years, we've collected input from residents on the route they take to parks, their vision for a green connection and various ways San Francisco streets can be improved to calm traffic and integrate urban ecology.

Join us in celebrating the work that has taken place and find out how to bring a Green Connection to your neighborhood. For more information about Green Connections, visit <http://greenconnections.sfplanning.org>.
