Recommendation: **Approve Planning Code Amendments with Modifications**

The action before the Historic Preservation Commission (hereinafter "HPC") is to make a recommendation to the Board of Supervisors of proposed amendments to the Planning Code that are described below. Pursuant to Charter Section 4.135, any proposed ordinance concerning historic preservation issues must be submitted to the Historic Preservation Commission ("HPC") for review and recommendation to the Board of Supervisors. The Planning Commission initiated these proposed amendments on July 8, 2010.

PLANNING CODE AMENDMENTS

The proposed Ordinance would amend several sections of the Planning Code as detailed in Attachment B: *2010 Planning Code Clean Up Amendments* and incorporated herein.

The proposed changes are minor in scope - typographical errors, updating and consolidating definitions, and correcting errors that were inadvertently made by subsequent code changes and/or by the publisher. This proposal contains non-substantive changes not changes in policy.

REQUIRED COMMISSION ACTION

The proposed Ordinance is before the Commission so that it may approve, disapprove, or approve with modifications the proposed Planning Code amendments.

RECOMMENDATION

The Department recommends that the Commission recommend *approval of the amendments with modifications* to the Planning Code and adopt the attached Draft Resolution to that effect. Specifically, the proposed modifications are:

1. Amendments to Articles 10 and 11 that incorporate additional Charter Section 4.135 language, as detailed in Attachment G;
2. Clarification to Section 311(c) of the Code that outlines the notice process, as detailed in Attachment H;
3. Clarification and deletion to Section 309 of the Code, as detailed in Attachment H; and
4. Additional minor amendments to Code Sections 134, 201, 209, and Article 7 as detailed in Attachment H.

BASIS FOR RECOMMENDATION

The Planning Code has been amended dozens of times over the past three years. In addition to the Eastern Neighborhoods, Balboa Park, and Ocean Avenue plans being created (among others), the Board of Supervisors has regularly amended Code sections. Many factors contribute to the errors that need fixing by this legislation. First, there is a delay between the effective date of a Ordinance and when the online Planning Code is updated to reflect the change. In addition, amendments from the Planning Code are proposed by many sources including the Planning Department, the Board of Supervisors, the Mayor and private parties. Legislation does not march in an orderly manner through the approvals process. An Ordinance considered by the Planning Commission in the spring may sit at the Board for months before it is called to hearing before a Committee. In the meantime, other pieces of legislation may move ahead that were not considered in the original ordinance. The most recent Code changes not yet visible online may not be used as a basis for new Code amendments. As a result, many code amendments were inadvertently removed and controls were amended or omitted. The majority of this legislation addresses these issues. Attachment B details the Code sections that are being amended and the specific changes being made.

The Department supports these changes, as the existing errors lead inconsistent application of the Code, cause confusion among staff and the public, and will bring the Code up to date.

In addition to the clean up amendments, below are a few proposed amendments to Code sections/topics that the Department would like to highlight.

ARTICLES 10 & 11

The Historic Preservation Commission ("HPC") was created in the fall of 2008. Articles 10 and 11 are the Planning Code chapters that outline the designation and permit review processes for historic buildings and have not been updated and do not conform to Charter Section 4.135. At the request of the Planning Commission and the HPC, the Department is proposing amendments to these two Articles. These revisions will simply make them consistent with Charter Section 4.135. There will not be any substantive changes to the Planning Code; the amendments will only remove references to the former Landmarks Preservation Advisory Board and where appropriate, the Planning Commission, to reflect the Charter.

The proposed additional modifications to Articles 10 and 11 were brought to the Department after the Commission initiated the Code changes. These modifications are minor in scope and incorporate additional language from Charter Section 4.135.

FORMULA RETAIL CONTROLS

The main definition of a formula retail use is located in Article 7: Neighborhood Commercial Districts. The formula retail controls originated in the neighborhood commercial districts. However, over time, these controls have been placed on other use districts, such as Residential-Commercial Districts. There is not one consolidated location for the definition of what qualifies as a formula retail use, what controls apply, and which districts require a Conditional Use Authorization or are not permitted. The Department is proposing to amend Section 303(i) to incorporate these controls. Section 303 deals with Conditional Use Authorizations and has sections for specific topics, such as hotels, general advertising signs, and gas stations. Currently formula retail is briefly mentioned in subsection (i), but it points to Article 7 (703.3) for the controls, as does formula retail controls in Article 2 and Article 8. The Department would like Section 303 to be the main location for formula retail controls and have drafted the amended section to clearly list out what areas in the City require a Conditional Use Authorization, which are not permitted, and the definitions and requirements for formula retail uses. This amendment will help the public and staff understand the requirements of formula retail controls.

MEDICAL MARIJUANA DISPENSARIES ("MCD")

In 1992 California voters passed the Compassionate Use Act, legalizing marijuana for medical use. Locally, San Francisco's Medical Cannabis Act became effective on December 30, 2005. The Act, set forth in Board of Supervisors Ordinance 275-05 (BOS File No. 05-1250) and supported by Ordinances 271-05 (BOS File No. 05-1747) and 273-05 (BOS File No. 05-1748), amended the Planning, Health, Traffic, and Business and Tax Regulation Codes in order to establish a comprehensive regulatory framework for medical cannabis dispensaries ("MCDs") in San Francisco. All MCDs that were in existence prior to April 1, 2005 have either received City permits or have closed.

The 'definition' of an MCD was amended four times to accommodate the final permitting of the City's existing dispensaries. The result is definitions and controls that are extremely confusing to understand – both for the public and for Department staff. It does not clearly lay out the restrictions for new MCDs. The Department is not amending the definition of an MCD; rather the amendments are streamlining existing controls and processes and making them consistent throughout the Planning Code (Articles 2, 7, and 8 all have MCD definitions). As with the formula retail controls described above, the Department believes that the MCD amendments will create certainty for the public and for staff.

SECTION 309

Section 309 regulates permit review in downtown districts. It was placed in the Code when the Downtown Element and Plan were adopted in 1985. Reading through this Code section, it is apparent that it is long overdue for a 'clean-up': certain processes are not regularly followed and considered to be excessive, such as notification of when a 309 permit is filed with the Department, references to the City Planning Commission proliferate, and several sections are extremely confusing to read. There are no substantive amendments to the requirements of Section 309 – all of the exceptions and design criteria are remaining unchanged. The focus of the amendments clarifies the role between the Director and the Zoning Administrator when reviewing these applications, as well as when a Planning Commission

hearing is required. The Department believes that these amendments will bring Section 309 up to date while making the requirements and processes clearer.

RECOMMENDATION: Approve Proposed Planning Code Amendments with Modifications

ENVIRONMENTAL REVIEW

The proposed Ordinance is exempt from environmental review under Section 15060(c)(2) of the CEQA Guidelines.

PUBLIC COMMENT

As of the date of this report, the Planning Department has not received any comment about the proposed amendments.

MOVED, that the HPC hereby recommends that the Board of Supervisors *approve with modifications* the proposed ordinance. Specifically, the proposed modifications are:

1. Amendments to Articles 10 and 11 that incorporate additional Charter Section 4.135 language, as detailed in Attachment G;
2. Clarification to Section 311(c) of the Code that outlines the notice process, as detailed in Attachment H;
3. Clarification and deletion to Section 309 of the Code, as detailed in Attachment H; and
4. Additional minor amendments to Code Sections 134, 201, 209, and Article 7 as detailed in Attachment H.

FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

1. The Planning Code has been amended dozens of times over the past three years. In addition to the Eastern Neighborhoods, Balboa Park, and Ocean Avenue plans being created (among others), the Board of Supervisors has regularly amended Code sections.
2. Many factors contribute to the errors that need fixing by this legislation. First, there is a delay between the effective date of a Ordinance and when the online Planning Code is updated to reflect the change.

3. In addition, amendments from the Planning Code are proposed by many sources including the Planning Department, the Board of Supervisors, the Mayor and private parties. Legislation does not march in an orderly manner through the approvals process. An Ordinance proposing Code changes can be considered by the Planning Commission in the spring and may sit at the Board for months before it is called to hearing before a Committee. In the meantime, other pieces of legislation may move ahead that were not considered in the original ordinance. The most recent Code changes not yet visible online may not be used as a basis for new Code amendments.
4. As a result, many code amendments were inadvertently removed and controls were amended or omitted. The majority of this legislation addresses these issues. (Attachment B details the Code sections that are being amended and the specific changes being made).
5. With regard to the proposed changes to Articles 10 and 11, HPC was created in the fall of 2008. Articles 10 and 11 are the Planning Code chapters that outline the designation and permit review processes for historic buildings and have not been updated and do not conform to Charter Section 4.135. The proposed revisions will simply make them consistent with Charter Section 4.135. There will not be any substantive changes to the Planning Code; the amendments will only remove references to the former Landmarks Preservation Advisory Board and where appropriate, the Planning Commission, to reflect the Charter.
6. With regard to the remainder of the proposed changes to the Planning Code the proposed changes are minor in scope - typographical errors, updating and consolidating definitions, and correcting errors that were inadvertently made by subsequent code changes and/or by the publisher. This proposal contains non-substantive changes not changes in policy.
7. Therefore, the HPC recommends *approval with modifications of the proposed Ordinance*.
8. **General Plan Compliance.** The proposed Ordinance is, on balance, consistent with the following Objectives and Policies of the General Plan:

I. COMMERCE & INDUSTRY ELEMENT

THE COMMERCE & INDUSTRY ELEMENT SETS FORTH OBJECTIVES AND POLICES THAT ADDRESS THE BROAD RANGE OF ECONOMIC ACTIVITIES, FACILITIES AND SUPPORT SYSTEMS THAT CONSTITUTE SAN FRANCISCO'S EMPLOYMENT AND SERVICE BASE. THE PLAN SERVES AS A COMPREHENSIVE GUIDE FOR BOTH THE PUBLIC AND PRIVATE SECTORS WHEN MAKING DECISIONS RELATED TO ECONOMIC GROWTH AND CHANGE.

GOALS

The objectives and policies are based on the premise that economic development activities in San Francisco must be designed to achieve three overall goals: 1) Economic Vitality - the first goal is to maintain and expand a healthy, vital and diverse economy which will provide jobs essential to personal well-being and revenues to pay for the services essential to the quality of life in the city; 2) Social Equity - the second goal is to assure that all segments of the San Francisco labor force benefit from economic growth. This will require that particular attention be given to reducing the level of unemployment, particularly among the chronically

unemployed and those excluded from full participation by race, language or lack of formal occupational training; and 3) Environmental Quality - the third goal is to maintain and enhance the environment. San Francisco's unique and attractive environment is one of the principal reasons San Francisco is a desirable place for residents to live, businesses to locate, and tourists to visit. The pursuit of employment opportunities and economic expansion must not be at the expense of the environment appreciated by all.

OBJECTIVE 1

MANAGE ECONOMIC GROWTH AND CHANGE TO ENSURE ENHANCEMENT OF THE TOTAL CITY LIVING AND WORKING ENVIRONMENT.

POLICY 1.3

Locate commercial and industrial activities according to a generalized commercial and industrial land use plan

OBJECTIVE 6

MAINTAIN AND STRENGTHEN VIABLE NEIGHBORHOOD COMMERCIAL AREAS EASILY ACCESSIBLE TO CITY RESIDENTS.

POLICY 6.1

Ensure and encourage the retention and provision of neighborhood-serving goods and services in the city's neighborhood commercial districts, while recognizing and encouraging diversity among the districts.

POLICY 6.3

Preserve and promote the mixed commercial-residential character in neighborhood commercial districts. Strike a balance between the preservation of existing affordable housing and needed expansion of commercial activity.

POLICY 6.8

Preserve historically and/or architecturally important buildings or groups of buildings in neighborhood commercial districts.

II. URBAN DESIGN ELEMENT

THE URBAN DESIGN ELEMENT CONCERNS THE PHYSICAL CHARACTER AND ORDER OF THE CITY, AND THE RELATIONSHIP BETWEEN PEOPLE AND THEIR ENVIRONMENT.

GOALS

The Urban Design Element is concerned both with development and with preservation. It is a concerted effort to recognize the positive attributes of the city, to enhance and conserve those attributes, and to improve the living environment where it is less than satisfactory. The Plan is a definition of quality, a definition based upon human needs.

OBJECTIVE 1

EMPHASIS OF THE CHARACTERISTIC PATTERN WHICH GIVES TO THE CITY AND ITS NEIGHBORHOODS AN IMAGE, A SENSE OF PURPOSE, AND A MEANS OF ORIENTATION.

POLICY 1.3

Recognize that buildings, when seen together, produce a total effect that characterizes the city and its districts.

OBJECTIVE 2

CONSERVATION OF RESOURCES WHICH PROVIDE A SENSE OF NATURE, CONTINUITY WITH THE PAST, AND FREEDOM FROM OVERCROWDING.

POLICY 2.4

Preserve notable landmarks and areas of historic, architectural or aesthetic value, and promote the preservation of other buildings and features that provide continuity with past development.

POLICY 2.5

Use care in remodeling of older buildings, in order to enhance rather than weaken the original character of such buildings.

POLICY 2.7

Recognize and protect outstanding and unique areas that contribute in an extraordinary degree to San Francisco's visual form and character.

III. DOWNTOWN ELEMENT

THE DOWNTOWN PLAN GROWS OUT OF AN AWARENESS OF THE PUBLIC CONCERN IN RECENT YEARS OVER THE DEGREE OF CHANGE OCCURRING DOWNTOWN — AND OF THE OFTEN CONFLICTING CIVIC OBJECTIVES BETWEEN FOSTERING A VITAL ECONOMY AND RETAINING THE URBAN PATTERNS AND STRUCTURES WHICH COLLECTIVELY FOR THE PHYSICAL ESSENCE OF SAN FRANCISCO.

OBJECTIVE 1

MANAGE ECONOMIC GROWTH AND CHANGE TO ENSURE ENHANCEMENT OF THE TOTAL CITY LIVING AND WORKING ENVIRONMENT.

OBJECTIVE 12

CONSERVE RESOURCES THAT PROVIDE CONTINUITY WITH SAN FRANCISCO'S PAST.

Policy 12.1

Preserve notable landmarks and areas of historic, architectural, or aesthetic value, and promote the preservation of other buildings and features that provide continuity with past development.

The goal of the proposed Ordinance is to make typographical and clerical errors to the Planning Code, as well as to update Articles 10 and 11 to make it conform to Charter Section 4.135.

9. The proposed replacement project is generally consistent with the eight General Plan priority policies set forth in Section 101.1 in that:

- A) The existing neighborhood-serving retail uses will be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses will be enhanced:

The proposed Ordinance would not significantly impact existing neighborhood-serving retail uses or opportunities for employment in or ownership of such businesses.

- B) The existing housing and neighborhood character will be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods:

The proposed Ordinance will not impact existing housing and neighborhood character.

- C) The City's supply of affordable housing will be preserved and enhanced:

The proposed Ordinance will not impact the supply of affordable housing.

- D) The commuter traffic will not impede MUNI transit service or overburden our streets or neighborhood parking:

The proposed Ordinance will not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking.

- E) A diverse economic base will be maintained by protecting our industrial and service sectors from displacement due to commercial office development. And future opportunities for resident employment and ownership in these sectors will be enhanced:

The proposed Ordinance would not adversely affect the industrial or service sectors or future opportunities for resident employment or ownership in these sectors.

- F) The City will achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.

Preparedness against injury and loss of life in an earthquake is unaffected by the proposed amendments.

- G) That landmark and historic buildings will be preserved:

The proposed Ordinance will update the Planning Code to reflect Charter Section 4.135 to incorporate the Historic Preservation Commission.

- H) Parks and open space and their access to sunlight and vistas will be protected from development:

The proposed Ordinance will not impact the City's parks and open space.

I hereby certify that the foregoing Resolution was ADOPTED by the San Francisco Planning Commission on August 4, 2010.

5 Section 5. The San Francisco Planning Code is hereby amended by amending Section
6 142, to read as follows:

7 SEC. 142. SCREENING AND GREENING OF PARKING AND VEHICLE USE AREAS

8 Off-street parking and "vehicle use areas" adjacent to the public right-of-way shall be
9 screened as provided in this Section.

10 (a) Screening of parking and vehicle use areas less than 25 linear feet adjacent to a
11 public right-of-way:

12 (1) Every off-street parking space within a building, where not enclosed by solid
13 building walls, shall be screened from view from all streets and alleys through use of garage
14 doors or by some other means.

15 (2) Along rear yard areas and other interior open spaces, all off-street parking
16 spaces, driveways and maneuvering areas within buildings shall be screened from view and
17 confined by solid building walls.

18 (3) Off-street parking spaces in parking lots shall meet the requirements of Section
19 156 and other applicable provisions of Article 1.5 of this Code. Such parking areas shall be
20 screened from view as provided in Section 156(d) of this Code.

21 (b) Vehicular use areas that are greater than 25 linear feet along the public right-of-
22 way. All lots containing vehicular use areas where such area has more than 25 linear feet
23 along any public right-of-way shall provide screening in accordance with the requirements of
24 this Section and the Ornamental Fencing Section 102.32. The following instances shall trigger
25 the screening requirements for these vehicle use areas:

1 (1) Any existing vehicular use area that is accessory to an existing principal use if
2 such use expands gross floor area equal to 20 percent or more of the gross floor area of an
3 existing building;

4 (2) Any repair rehabilitation or expansion of any existing vehicular use area, if such
5 repair, rehabilitation or expansion would increase the number of existing parking spaces by
6 either more than 20% or by more than four spaces, whichever is greater; or

7 (3) The excavation and reconstruction of an existing vehicular use are if such
8 excavation and reconstruction involves the removal of ~~50%~~ 200 square feet or more of the
9 asphalt, concrete or other surface devoted to vehicular use. This provision does not apply to
10 the resurfacing due to emergency work to underground utilities if such work is intended to
11 maintain safety or other public purpose beyond the control of the property owner.

12 (c) Perimeter Screening. All vehicular use areas that are greater than 25 linear feet
13 adjacent to the public right-of-way shall provide a screening feature around the perimeter of
14 the lot adjacent to the public right-of-way. Screening shall add to the visual diversity of the use
15 and need not be an opaque barrier. This feature shall be at least one of the following:

16 (1) Ornamental fencing or a solid wall that is 4 feet in height and a 5 foot deep
17 permeable surface with landscaping along the perimeter of the lot that is adjacent to a public
18 right-of-way and compliant with the applicable water use requirements of Administrative Code
19 Chapter 63; or

20 (2) A combination of permeable landscaping compliant with the applicable water
21 use requirements of Administrative Code Chapter 63 and ornamental fencing where the
22 permeable surface and landscaping is the equivalent area of a 5 foot deep average perimeter
23 landscaping that has been otherwise configured to result in either: (i) a public space or
24 amenity that is accessible from the public right-of-way or (ii) a natural drainage system, such
25

1 as combined swales, retention basins, detention basins or rain gardens, to reduce stormwater
2 runoff.

3 (d) The Zoning Administrator is authorized to modify the requirements of subsection
4 thereby allowing alternative landscape treatments to partially or wholly satisfy this screening
5 requirement provided that alternative landscape treatments such as landscaped berms,
6 perimeter plantings, pedestrian lighting, benches and seating areas, or additional landscaping
7 and tree plantings are provided elsewhere on the site and will be visible from the public right-
8 of-way or are provided in the public right-of-way as regulated by Section 810B of the Public
9 Works Code. The Zoning Administrator may authorize such modification only upon finding that
10 the proposed alternative landscape treatment would:

11 (1) Provide a visual effect that promotes and enhances the pedestrian experience
12 through the use of quality urban design;

13 (2) Promote the reduction of stormwater runoff and

14 (3) Use climate appropriate plant materials, as defined in Public Works Code
15 Section 802.1, that are compliant with the applicable water use requirements of Administrative
16 Code Chapter 63.

17 Section 6. The San Francisco Planning Code is hereby amended by amending Section
18 185, to read as follows:

19 SEC. 185. CONTINUANCE OF OTHER NONCONFORMING USES.

20 The purpose of this Section is to provide for the gradual elimination or conversion, after
21 a reasonable allowance of time for the amortization of investments therein, of certain classes
22 of nonconforming uses in buildings, in order to encourage and promote the orderly and
23 beneficial development of the land and buildings with conforming uses. The Section is
24 intended to apply to obsolescent buildings whose use is widely at variance with the
25 regulations of this Code, and is safeguarded against unnecessary hardship in application by

1 provision for a minimum period of continuance of 20 years, by procedures for extension and
2 exceptions, and by the requirement of repeated notice as the buildings approach an age
3 indicative of obsolescence. It is further declared that the requirement of eventual removal, or
4 conversion to conforming use of such buildings, subject to the exceptions set forth, is in the
5 public interest and is intended to promote the general welfare.

6 (a) This Section shall apply only to nonconforming uses occupying buildings in R
7 Districts, other than Residential-Commercial Combined Districts, when such uses would first
8 be permitted as a principal or conditional use in an NC, C or M District or in a Residential-
9 Commercial Combined District. It shall not apply to exempt limited commercial and industrial
10 uses meeting the requirements of Section 186, or to any nonconforming use of land or a
11 building whose continuance is more strictly limited by the provisions of Section 184.

12 (b) Every such building to which this Section applies may be continued in such use
13 for at least 20 years from the effective date of this Code (May 2, 1960), or of the amendment
14 thereto which causes it to be nonconforming, and may be continued for a longer period if it
15 has not yet reached the age hereinafter specified, computed from the date the building was
16 erected. For buildings of Type 1 or Type 2, as defined in the Building Code of the City, the
17 specified age shall be 50 years; for Type 3 buildings it shall be 40 years; and for Type 4 and
18 Type 5 buildings it shall be 30 years.

19 (c) Upon the expiration of the period specified for each such building, it shall be
20 completely removed or altered and converted to a conforming use, except as hereinafter
21 provided.

22 (d) Where special circumstances apply to any such building and use, which do not
23 apply generally to others affected hereby, extension of time may be granted under the
24 variance procedure as regulated in Section 305, but no such extension shall be for a period in
25

1 excess of one year. Successive extensions, subject to the same limitations, may be granted
2 upon new application.

3 (e) Any nonconforming use affected by this Section shall be qualified for
4 consideration by the ~~City~~ Planning Commission as a conditional use as regulated in Section
5 303, upon application filed at any time during the period of permitted continuance specified
6 above. In the event that a conditional use is authorized by the ~~City~~ Planning Commission for
7 any such use, the provisions of Sections 180 through 183 shall continue to apply to such use
8 except as specifically provided in the action of the Commission, and no enlargement,
9 intensification or extension of the nonconforming use shall be permitted by the Commission.

10 ~~(f) The Zoning Administrator shall give notice by mail of the date of expiration of the~~
11 ~~periods of permitted continuance specified herein to each owner of record within four years of the~~
12 ~~effective date of this Code, or of the date of the amendment which caused the use to become~~
13 ~~nonconforming, and shall repeat such notice at approximate intervals of four years thereafter. A final~~
14 ~~notice shall be given one year before said date of expiration in each instance. The notices shall set forth~~
15 ~~all pertinent provisions of this Section, including the declared purposes thereof. Failure to send notice~~
16 ~~by mail to any such owner where the address of such owner is not a matter of public record, or where~~
17 ~~no Permit of Occupancy for a nonconforming use covered by this Section has been issued as provided~~
18 ~~in Section 171 of this Code, shall not invalidate any proceedings under this Section.~~

19 Section 7. The San Francisco Planning Code is hereby amended by amending Section
20 186, to read as follows:

21 SEC. 186. EXEMPTION OF LIMITED COMMERCIAL AND INDUSTRIAL
22 NONCONFORMING USES.

23 The purpose of this Section is to provide for the further continuance in R Districts of
24 nonconforming uses of a limited commercial and industrial character, as herein described,
25 which are beneficial to, or can be accommodated within, the residential areas in which they

1 are located. It is hereby found and declared that, despite the general incompatibility of
2 nonconforming uses with the purposes of this Code, and with other nearby uses, these limited
3 commercial uses may be tolerated in residential areas, and tend to provide convenience
4 goods and services on a retail basis to meet the frequent and recurring needs of
5 neighborhood residents within a short distance of their homes or, within the South of Market
6 RED Districts, tend to provide jobs and continuation of small scale service and light industrial
7 activities. These uses tend to be small in scale, to serve primarily a walk-in trade, and cause a
8 minimum of interference with nearby streets and properties. Accordingly, this Section
9 recognizes the public advantages of these uses and establishes conditions for their continued
10 operation.

11 (a) The following nonconforming uses in R Districts shall be exempt from the
12 termination provisions of Section 185, provided such uses comply with all the conditions
13 specified in Subsection (b) below:

14 (1) Any nonconforming use at any story in an RH or RM District which is located
15 more than ¼ mile from the nearest Individual Area Neighborhood Commercial District or
16 Restricted Use Subdistrict described in Article 7 of this Code, and which complies with the use
17 limitations specified for the first story and below of an NC-1 District, as set forth in Sections
18 710.10 through 710.95 of this Code.

19 (2) Any nonconforming use in an RH or RM District which is located within ¼ mile
20 from any Individual Area Neighborhood Commercial District or restricted use subdistrict and
21 which complies with the most restrictive use limitations specified for the first story and below
22 of:

23 (A) NC-1 District, as set forth in Sections 710.10 through 710.95 of this Code; and
24
25

1 (B) Any Individual Area Neighborhood Commercial District within ¼ mile of the use,
2 as set forth in Sections 714.10 through 729.95 of this Code;

3 (C) Any Restricted Use Subdistrict within ¼ mile of the use, as set forth in Sections
4 781 through 781.7 of this Code.

5 (3) In the RED Districts, any nonconforming use which is a personal service use
6 falling within zoning category 816.31; home and business service use falling within zoning
7 categories 816.42 through 816.47; live/work unit falling within zoning category 816.55;
8 wholesale sales, storage or light manufacturing uses falling within zoning categories 816.64
9 through 816.67.

10 (b) The limited nonconforming uses described above shall meet the following
11 conditions:

12 (1) The building shall be maintained in a sound and attractive condition, consistent
13 with the general appearance of the neighborhood;

14 (2) Any signs on the property shall be made to comply with the requirements of
15 Article 6 of this Code applying to nonconforming uses;

16 (3) The hours during which the use is open to the public shall be limited to the
17 period between 6:00 a.m. and 10:00 p.m.;

18 (4) Public sidewalk space may be occupied in connection with the use provided that
19 it is only occupied with tables and chairs as permitted by this Municipal Code;

20 (5) Truck loading shall be limited in such a way as to avoid undue interference with
21 sidewalks, or with crosswalks, bus stops, hydrants and other public features;

22 (6) Noise, odors and other nuisance factors shall be adequately controlled; and

23 (7) All other applicable provisions of this Code shall be complied with; *and*

24 (8) Any awnings on the property shall be made to comply with the requirements of awnings
25 in Section 136.1 of this Code.

1 (c) Any use affected by this Section which does not comply with all of the conditions
 2 herein specified shall be subject to termination in accordance with Section 185 at the
 3 expiration of the period specified in that Section, but shall be qualified for consideration as a
 4 conditional use under Section 185(e). Any such use which is in compliance with such
 5 conditions at the expiration of such period but fails to comply therewith at any later date shall
 6 be subject to termination when it ceases to comply with any of such conditions.

7 (d) The provisions for nonconforming uses contained in Sections 180 through 183
 8 shall continue to apply to all uses affected by this Section 186, except that the cost limit for
 9 structural alterations contained in Section 181(b)(4) shall not be applicable thereto.

 11 Table at Section 201, to read as follows:

19 Section 9. The San Francisco Planning Code is hereby amended by amending Section
20 204.1, to read as follows:

21 SEC. 204.1. ACCESSORY USES FOR DWELLINGS IN R OR NC DISTRICTS.

22 No use shall be permitted as an accessory use to a dwelling unit in any R or NC District
23 which involves or requires any of the following:

- 24 (a) Any construction features or alterations not residential in character;
- 25

1 (b) The use of more than ¼ of the total floor area of the dwelling unit, except in the
2 case of accessory off-street parking and loading;

3 (c) The employment of any person not resident in the dwelling unit, other than a
4 domestic servant, gardener, janitor or other person concerned in the operation or
5 maintenance of the dwelling unit;

6 (d) Residential occupancy by persons other than those specified in the definition of
7 family in this Code;

8 (e) In RH-1(D), RH-1 and RH-1(S) Districts, the provision of any room for a roomer
9 or boarder with access other than from within the dwelling unit;

10 (f) Addition of a building manager's unit, unless such unit meets all the normal
11 requirements of this Code for dwelling units;

12 (g) The maintenance of a stock in trade, or the use of show windows or window
13 displays or advertising to attract customers or clients; or

14 (h) The conduct of a business office open to the public; *or*

15 (i) A Medical Cannabis Dispensary as defined in Section 209.3(k) and 217(k) of this Code.

16 Provided, however, that Subsection (h) of this Section shall not exclude the maintenance
17 within a dwelling unit of the office of a professional person who resides therein, if accessible
18 only from within the dwelling unit; and provided, further, that Subsection (g) shall not exclude
19 the display of signs permitted by Article 6 of this Code.

20 Section 10. The San Francisco Planning Code is hereby amended by amending
21 Section 204.2, to read as follows:

22 SEC. 204.2. ACCESSORY USES FOR USES OTHER THAN DWELLINGS IN R
23 DISTRICTS.

24 No use shall be permitted as an accessory use to a use other than a dwelling in any R
25 District which involves or requires any of the following:

1 No use shall be permitted as an accessory use to a use other than a dwelling in any R District
2 which involves or requires any of the following:

3 (a) The use of more than ¼ of the total floor area occupied by such use and the
4 principal or conditional use to which it is accessory, except in the case of accessory off-street
5 parking and loading;

6 (b) The use of show windows or window displays or advertising to attract customers
7 or clients, except for an identifying sign and regulated in Article 6 of this Code; or

8 (c) The conduct of any activity of a profit-making or commercial nature, except as
9 an integral part of the permitted principal or conditional use where such activity is expressly
10 permitted by Sections 209.1 through 209.9 of this Code; *or*

11 *(d) A Medical Cannabis Dispensary as defined in Section 209.3(k) and 217(k) of this Code.*

12 Section 11. The San Francisco Planning Code is hereby amended by amending
13 Section 205, to read as follows:

14 SEC. 205. TEMPORARY USES, GENERAL.

15 (a) The temporary uses listed in Sections 205.1 through 205.3, where not otherwise
16 permitted in the district, may be authorized as provided herein, up to the time limits indicated.
17 Further time for such uses may be authorized only by action upon a new application, subject
18 to all the requirements for the original application, unless otherwise indicated in Sections
19 205.1 through 205.3.

20 (b) Action upon such uses ~~shall be by the Planning Commission, subject to all the~~
21 ~~requirements for conditional uses in Sections 303 and 306 through 306.5 of this Code; except that uses~~
22 ~~listed in Section 205.1, uses listed in Section 205.2 if located in a PDR, C, or M District, and uses listed~~
23 ~~in Section 205.3 within the South of Market Mixed Use Districts and Eastern Neighborhoods Mixed~~
24 ~~Use Districts,~~ may be authorized by the Zoning Administrator without a public hearing.

1 (c) Wherever a use exists at the effective date of this Code or of an amendment
2 thereto under which such use is classified as a temporary use, or wherever a use is being
3 conducted under a temporary use authorization given prior to such a date, such use may be
4 continued for the maximum term specified therefore, calculated from said effective date or
5 date of authorization. No such use shall continue thereafter unless a temporary use
6 authorization shall have been sought and obtained under a new application. Continuance of a
7 temporary use beyond the date of expiration of the period authorized therefore, or failure to
8 remove a structure for such temporary use within 10 days thereafter, shall constitute a
9 violation of this Code.

10 (d) The time periods referenced in Sections 205.1 through 205.3 are consecutive hours or
11 consecutive calendar days; they are not the total number of hours or days that the use is in operation. Therefore,
12 a 24-hour authorization that begins at 6:00 a.m. expires at 6:00 a.m. the following day, even if the use was in
13 operation only eight hours of that period. Similarly, a 60-day authorization expires after 60 calendar days even
14 though the use may only have been open for business three days per week during that period. Hours or days of
15 unused authorization cannot be stored or credited.

16 Section 12. The San Francisco Planning Code is hereby amended by amending
17 Section 205, to read as follows:

18 SEC. 205.1. TEMPORARY USES, 60-DAY LIMIT.

19 A temporary use may be authorized for a period not to exceed 60 days for any of the following
20 uses:

21 (a) Neighborhood carnival, exhibition, celebration or festival sponsored by an
22 organized group of residents in the vicinity or, in Neighborhood Commercial, Mixed Use, PDR, C,
23 or M Districts, sponsored by property owners or businesses in the vicinity;

24 (b) Booth for charitable, patriotic or welfare purposes;

25

1 (c) Open air sale of agriculturally produced seasonal decorations, including, but not
2 necessarily limited to, Christmas trees and Halloween pumpkins.

3 Section 13. The San Francisco Planning Code is hereby amended by amending
4 Section 205, to read as follows:

5 SEC. 205.3. TEMPORARY USES, TWENTY-FOUR HOUR LIMIT.

6 Within the PDR, C, M, Neighborhood Commercial, or South of Market Mixed Use Districts
7 ~~and Eastern Neighborhoods~~ Mixed Use Districts, a temporary use may be authorized for a
8 period not to exceed 24 hours per event once a month for up to 12 events per year per
9 premises for any of the following uses:

10 (a) A performance, exhibition, dance, celebration or festival requiring a liquor
11 license, ~~dance hall keeper or live~~ entertainment police permit and/or other City permit when
12 sponsored by an organized group of residents and/or business operators in the neighborhood;
13 or

14 (b) A performance, dance or party requiring a liquor license, ~~dance, live~~
15 entertainment and/or other City permit, an art exhibit, or other similar exhibition in each case if
16 sponsored by a residential or commercial tenant or group of tenants or owner-occupants of
17 the property or structure in which the temporary use is authorized.

18 ~~Similar events or exhibitions lasting no more than 24 hours and requiring no City permit shall~~
19 ~~be permitted without authorization under this Article and without limitation as to frequency, subject to~~
20 ~~compliance with all other applicable laws.~~

21 When multiple events are proposed within the allowable annual time limit and City
22 permits are to be issued to a particular applicant and premises, only one permit need be
23 granted per annual time period.

24 Section 14. The San Francisco Planning Code is hereby amended by amending
25 Section 207.2, to read as follows:

1 SEC. 207.2. SECOND UNITS

2 (a) Second units, as defined and referred to in Government Code Section 65852.2,
3 are precluded in RH-1(D) and RH-1 zoned areas, except where second units are currently
4 permitted under Section 209.1(m) or (n) for units designed for and occupied by senior citizens
5 ~~or physically handicapped persons~~ and except as may hereafter be permitted by later
6 amendments to this Code governing second units.

7 (b) Government Code Section 65852.2 requires a City to adopt either an ordinance
8 permitting or precluding second units within single-family and multifamily zoned areas or, in
9 the alternative, to be subject to certain restrictions set forth in Government Code Section
10 65852.2(b). The provisions of this ordinance, in light of other provisions of the ~~City~~ Planning
11 Code governing second units, do not result in the total preclusion of second units within
12 single-family and multifamily zoned areas and therefore San Francisco has a legislative
13 scheme which complies with Government Code Section 65852.2(a). In the event that it is
14 determined, however, that San Francisco's legislative scheme does not comply with
15 Government Code Section 65852.2(a), the following findings are made with the intent of
16 complying with Government Code Section 65852.2(c).

17 (1) San Francisco's total land area is approximately 49 square miles and much of
18 this land is not open to development because of topography or public ownership. San
19 Francisco does not have the option open to many other cities of annexing undeveloped land
20 currently outside its borders.

21 (2) San Francisco already has higher density development than other cities in
22 California, both in terms of units per square feet of lot area and in terms of units per linear feet
23 of street frontage. The density for housing development in San Francisco ranges from 4,000
24 square feet of lot area per unit in RH-1(D) (House, One-Family Detached Dwellings) Districts
25 to 200 square feet per unit in RM-4 (Mixed Residential, High Density) Districts. Except for

1 districts which require a lot width of 33 feet and an area of 4,000 square feet, the minimum lot
2 size for housing development is 2,500 square feet in area, following the standard lot size in
3 San Francisco (25 X 100 square feet), or 1,750 square feet for lots within 125 feet of a corner.
4 This density and lot size requirement allows greater density than other jurisdictions in
5 California where the typical density and lot size is about 5,000 square feet per unit for single-
6 family dwellings and 1,500 square feet per unit for multifamily development.

7 (3) San Francisco is the most densely populated city in California. It is the fourth
8 most densely populated city in the nation following only New York City and two cities in New
9 Jersey (Jersey City and Patterson).

10 (4) The limited land area and the limited developable land area of San Francisco
11 make it difficult to provide sites to replace single-family houses lost through conversion to a
12 higher density. Once single-family homes are converted into multiple dwelling structures by
13 the addition of a second unit, single-family housing stock is eliminated from the existing supply
14 of single-family homes. The irrevocable loss of the limited supply of single-family housing
15 stock throughout the City will adversely affect the health, safety and welfare of San Francisco
16 residents.

17 (5) Single-family residences have in recent years been demolished at a faster rate
18 than any other residential structures in the City primarily because new multiple-unit residential
19 development in the City often occurs as the result of the demolition of single-family homes in
20 multiple-unit districts. Single-family homes were 37 percent of the residential units demolished
21 in 1984, and 61 percent of the residential units demolished in 1983. Single-family homes
22 represented an even larger percentage of the residential structures demolished. Single-family
23 homes were 86 percent of the residential structures demolished in 1984, and 74.4 percent of
24 the residential structures demolished in 1983.

25

1 (6) Single-family structures represent only 1/3 of all residential structures in San
2 Francisco compared to 60 percent of the residential structures in the State of California.
3 Single-family homes accounted for 18 percent of the new housing units in San Francisco in
4 1984, and 7 percent of the new units in 1983. Other jurisdictions in California had single-family
5 structures representing approximately 50 percent of their new residential building permits for
6 the same period.

7 (7) The number of families in San Francisco declined in the years from 1970 to
8 1980, as evidenced by the school enrollment for the population group under 15 years old. The
9 decline in enrollment was from 106,900 to 83,790. The zoning policy of the City and County of
10 San Francisco should encourage families to live in the City rather than encouraging them to
11 leave the City. A further decline in the number of families living in the City is detrimental to the
12 public health, safety and welfare.

13 (8) The addition of second units to single-family dwellings usually results in an
14 increase in the cost of those dwellings, and, in addition, to the cost of the remaining smaller
15 supply of single-family homes without second units. An increase in the cost of these types of
16 dwellings will discourage families from living in the City because the cost of dwellings most
17 suitable for families will be beyond the means of many who would otherwise live in the City.

18 (9) San Francisco will probably face a need for more large units in the future than it
19 did in the past, as the population ages and the new baby boom continues. Many women born
20 between 1945 and 1952 who delayed child-bearing during the 1970's are now having babies
21 at the same rate as women born after 1952.

22 (10) The addition of second units in single-family houses throughout the City will
23 irrevocably deplete its limited supply of single-family homes and discourage families from
24 living in the City by removing the type and size of dwelling units most suitable for families.
25 Many of the residential parcels in the City are less than 2,500 square feet in size or 1,750

1 square feet for corner lots and do not meet minimum lot size standards. Many of these parcels
2 were developed without required garages or with minimal garage space, and do not comply
3 with existing off-street parking requirements. The addition of second residential units in these
4 areas could only worsen existing congestion.

5 (11) Parking problems are severe in a number of areas of the City because of its
6 dense population. The addition of second units in such areas will exacerbate the parking
7 problem. Imposing off-street parking requirements on secondary units would only partially
8 alleviate that problem in that additional units cause increased traffic other than that engaged
9 in by the occupants of the units (such as persons visiting the occupants for social or business
10 purposes) as well as by the occupants of the units.

11 (12) Increased parking problems in areas of the City already burdened with traffic
12 congestion adversely affects the health, safety and welfare of the residents of such areas by
13 interfering with access to off-street parking spaces, requiring additional police services to
14 control traffic problems and unlawful parking, requiring occupants and visitors to park further
15 from their homes (thereby also exposing themselves to greater inconvenience and, in some
16 instances, threat to safety), and interfering with access by emergency vehicles during an
17 emergency (a problem which is further complicated in areas with narrow streets, winding
18 roads, and other topographical features which make access by vehicles difficult).

19 (13) A need exists in San Francisco for additional affordable housing. Allowing
20 second units in RH-1(D) and RH-1 Districts is one means of providing such housing.
21 However, to allow second units without restriction in all areas currently zoned RH-1(D) and
22 RH-1 would adversely affect the health, safety and welfare of the public by permitting the
23 conversion of an undue number of single-family houses to multi-family units; by eliminating
24 low-density residential areas in the City and thereby depriving those who desire to live in the
25 City without the stress of living in higher-density areas of their opportunity to do so; and by

1 permitting second units to be added in areas where undue traffic congestion and the attendant
2 difficulties described above, will occur.

3 (14) A further period of time is needed in order to determine those areas of the City
4 where the traffic congestion problems described above would be least likely to occur and
5 where second units may therefore be permitted without adverse impact to the public.

6 (15) There are no large districts suitable for the provision of second units, but instead
7 there are small subareas which must be reviewed on a case-by-case basis with community
8 participation in the review process. A case-by-case review is needed in order to determine
9 those areas of the City where the traffic congestion problems described above would be least
10 likely to occur and where second units may therefore be permitted without adverse impact to
11 the public. Furthermore:

12 (A) The ~~City~~ Planning Code presently permits a secondary unit in all single-family
13 homes in RH-1(S) (House, One-Family with Minor Second Unit), RH-2 (House, Two-Family)
14 and RH-3 (House, Three-Family) Districts no matter what the lot size. Second units in single-
15 family homes are permitted in all other multifamily residential districts (all RM and RC
16 Districts), depending on the size of the lot.

17 (B) The City Planning Code Section 209.1(c) permits the mapping of the RH-1(S)
18 (House, One-Family with Minor Second Unit) District. These RH-1(S) Zoning Districts provide
19 for a two-family dwelling with the second dwelling limited to 600 square feet of net floor area.
20 The second unit remains subordinate to the owner's unit and the structures retain the
21 appearance of single-family dwellings. The RH-1(S) Zoning District has been mapped in four
22 areas of the City. Additional mapping of the RH-1(S) Zoning District may be used to legalize
23 existing secondary units in single-family homes and to increase the number of secondary
24 units.

1 (C) Dwellings specifically designed for and occupied by senior citizens ~~and~~
2 ~~handicapped persons~~ are presently permitted at a density ratio or number of dwelling units not
3 exceeding twice the number of dwelling units otherwise permitted as a principal use in the
4 district by the City Planning Code (Section 209.1(m) ~~and (n)~~).

5 (16) Restricting second units in single-family homes in San Francisco's RH-1(D) and
6 RH-1 Zoning Districts may limit the housing opportunities of the region. However, over time,
7 applications for RH-1(S) zoning designation may be reviewed on a case-by-case basis by the
8 ~~City~~ Planning Commission and its staff, the Board of Supervisors and the Mayor and where
9 second units would be appropriate and would not adversely affect the public health, safety
10 and welfare of residents of the City and County of San Francisco, such rezoning applications
11 would be approved. Neither the provisions of this Section nor those of Government Code
12 Section 65852.2 preclude the City from hereafter amending this Code in order to permit
13 second units in additional situations designed to address specific housing needs and
14 circumstances unique to San Francisco.

15 (17) San Francisco has been and will continue to be a major provider of affordable
16 housing opportunities in the region.

17 (A) Currently (1986) San Francisco administers 6,766 units of public housing and
18 2,574 Section 8 certificates.

19 (B) Article 34, Section 1 of the California Constitution requires the approval of the
20 electorate as a condition to the development or acquisition of a low-rent housing project by the
21 local jurisdiction. San Francisco has met the requirement with the City's voters approving the
22 development of a maximum of 3,000 low-income housing units by a vote on Proposition Q on
23 November 2, 1976. Together with the units previously approved, approximately 4,000 low-
24 income housing units may be developed, constructed or acquired.

25

1 (C) Between 1981 and 1985, San Francisco's housing production efforts included,
2 but were not limited to the following:

3 1. San Francisco undertook a major rezoning of underutilized land which will allow
4 the development of 14,000 housing units. Another 1,700 units are underway on vacant
5 publicly owned sites in the City.

6 2. San Francisco set aside \$10,000,000 in general-fund monies for an Affordable
7 Housing Fund. \$6,100,000 of this amount is committed to create 443 housing units including
8 the renovation of 82 vacant public housing units into privately managed two- and three-
9 bedroom apartments.

10 3. San Francisco combined \$1,000,000 in federal Community Development Funds
11 with the proceeds of an \$8,000,000 bond issue to finance home improvement loans for low-
12 and moderate-income homeowners.

13 4. The Office Housing Production Program (OHPP), under which high-rise office
14 developers are required to build or contribute to housing on a formula based on the size of
15 their projects was instituted in 1981. The program has resulted in \$25,000,000 and over 3,700
16 housing units to date.

17 5. The City of San Francisco has sold \$84,000,000 in two bond issues since 1982
18 to provide 30-year, 10¾ percent mortgages to some 900 low-to middle-income first-time
19 homebuyers. In addition a \$42,000,000 bond issue was sold to finance up to 400 homes with
20 9.8 percent mortgages. In June, 1985 the City sold \$44,000,000 in mortgage revenue bonds
21 to finance the construction of 563 units of rental housing on five sites.

22 (D) Between 1980 and mid-1985 community-based nonprofit organizations which
23 receive Community Development Block Grant funding built 1,166 new housing units for low-
24 and moderate-income households. At the time of the 1985 report on their activities they had
25 200 units under construction, and 426 units planned. During this same time the organizations

1 rehabilitated 1,780 units for lower-income households, had 426 units undergoing
2 rehabilitation, and had plans to rehabilitate 1,285 units.

22 Section 18. The San Francisco Planning Code is hereby amended by amending
23 Section 243, to read as follows:

24 SEC. 243. VAN NESS SPECIAL USE DISTRICT.
25

1 (a) General. A Special Use District entitled the Van Ness Special Use District, the
2 boundaries of which are shown on Sectional Map No. 2SU of the Zoning Map, is hereby
3 established for the purposes set forth below.

4 (b) Purposes. In order to implement the objectives and policies of the Van Ness
5 Avenue Plan, a part of the Master Plan, which includes (i) creation of a mix of residential and
6 commercial uses on the boulevard, (ii) preservation and enhancement of the pedestrian
7 environment, (iii) encouragement of the retention and appropriate alteration of architecturally
8 and historically significant and contributory buildings, (iv) conservation of the existing housing
9 stock, and (v) enhancement of the visual and urban design quality of the street, the following
10 controls are imposed in the Van Ness Special Use District.

11 (c) Controls. All provisions of the City Planning Code applicable to an RC-4 District
12 shall apply except as otherwise provided in this Section.

13 (1) Basic Floor Area Ratio. The basic floor area ratio limit shall be 7.0 to 1 in the
14 130-foot height district and 4.5:1 in the 80-foot height district. These limits shall apply to
15 dwellings notwithstanding Section 124(b) of this Code, but shall not apply to floor space used
16 for nonaccessory off-street parking and driveways and maneuvering areas incidental thereto
17 provided such parking is located entirely below curb level at the centerline of the building
18 containing such parking and replaces parking spaces displaced by the building or buildings.
19 For definitions of floor area ratio and gross floor area, see Sections 102.11 and 102.9,
20 respectively. The provisions allowing a floor area premium set forth in Section 125(a) shall not
21 apply in the Van Ness Special Use District.

22 (2) Housing Density. The restrictions on density set forth in Sections 207, 207.1,
23 208, 209.1 and 209.2 of this Code shall not apply.

24 (3) Height and Bulk Restrictions. See Height and Bulk Map No. 2H. See Section
25 270 of this Code for bulk limits.

1 (4) Awnings, canopies and marquees. Awnings, canopies and marquees, as defined in
2 Sections 790.20, 790.26 and 790.58 of this Code, and further regulated by the Building Code
3 and Sections 243(c)(5), 136.2 and 607.3 of this Code, are permitted.

4 (5) Signs.

5 (A) Signs located within the Van Ness Special Use District, with the exception of the
6 Civic Center Special Sign District as described in Section 608.3 of this Code and as shown in
7 Sectional Map SSD, shall be regulated as provided in Article 6, including Section 607.3 which
8 governs signs located in the Van Ness Special Sign District.

9 (B) Signs on structures designated as landmarks under the provisions of Section
10 1004 shall be regulated as provided in Section 607.3(d).

11 (6) Rear Yards. The requirements of this Code applicable to rear yards may be
12 modified or waived by the Zoning Administrator pursuant to Section 307(g) if all of the
13 following conditions are met:

14 (A) The interior block open space formed by the rear yards of abutting properties will
15 not be adversely affected; and

16 (B) A comparable amount of usable open space is provided elsewhere on the lot or
17 within the development where it is more accessible to residents; and

18 (C) The access of light and air to abutting properties will not be significantly
19 impeded.

20 This provision shall be administered pursuant to the procedures which are applicable to
21 variances, as set forth in Sections 306.1 through 306.5 and 308.2 of this Code.

22 (7) Required Setbacks. Setbacks for buildings exceeding a height of 40 feet shall be
23 regulated as provided in Section 253.2 of this Code.

24 (8) Limitation of Nonresidential Uses.
25

1 (A) Residential Uses; Ratio Established. In newly constructed structures,
2 nonresidential uses shall only be permitted if the ratio between the amount of net additional
3 occupied floor area for residential uses, as defined in this paragraph below, to the amount of
4 occupied floor area for nonresidential uses in excess of the occupied floor area of structures
5 existing on the site at the time the project is approved is 3 to 1 or greater. In additions to
6 existing structures which exceed 20 percent of the gross floor area of the existing structure,
7 nonresidential uses shall be permitted in the addition in excess of 20 percent only if the ratio
8 between the amount of occupied floor area for residential use, as defined in this paragraph
9 below, to the area of occupied floor area for nonresidential use is 3 to 1 or greater. This
10 residential use ratio shall not apply to development sites in the Van Ness Special Use District
11 which have less than 60 feet of street frontage on Van Ness Avenue and have no street
12 frontage other than the Van Ness Avenue frontage. For purposes of this Section,
13 "nonresidential uses" shall mean those uses described in Sections 209.2(d) and (e) (hotel,
14 inn, hostel), 209.3(a) (hospital, medical center or other medical institution with in-patient care
15 facilities), 209.4 (community facilities), 209.6 (public facilities and utilities), 209.7 (vehicle
16 storage and access) and 209.8 (commercial establishments); in the Automotive Special Use
17 District nonresidential uses include automotive uses as described in Section 237; "residential
18 use" shall mean those uses described in Sections 209.1 and 209.2(a), (b) and (c) (dwelling
19 units and group housing).

20 (B) Reduction of Ratio of Residential Uses for Affordable Housing. The City
21 Planning Commission may modify the Van Ness Special Use District residential to
22 nonresidential use ratio between Golden Gate Avenue and California Street as a conditional
23 use in one of the following ways:

24 (i) In-Lieu Fee. By conditional use, the developer may elect to fulfill the obligation to
25 build housing by paying an in-lieu fee to the Affordable Housing Fund as provided in Section

313 of this Code. No more than a 50 percent reduction of the required housing for a specific project can be fulfilled by paying an in-lieu fee. Use of these funds shall provide affordable housing within 2,000 feet of the Van Ness Special Use District. The in-lieu fee shall be determined by the following formula:

(1)

(Lot Area X FAR) / 4) X 3 =	Residential SQ. FT. Requirement
(Lot Area X FAR) / 4) X 3 =	Residential SQ. FT. Requirement

(2)

Residential SQ. FT. Requirement	—	Residential SQ. FT. Developed	=	LOSS
Residential SQ. FT. Requirement	—	Residential SQ. FT. Developed	=	LOSS

(3)

$$LOSS \times \$15 = \text{In-Lieu Fee}$$

(ii) Providing Affordable Housing. By conditional use, the developer may reduce up to 50 percent of the required amount of on-site housing by maintaining a portion of that housing as permanently affordable for the life of the project. Affordable units shall be managed by a nonprofit housing agency through a duly executed agreement between the project sponsor, the nonprofit agency and the Planning Department. The mix of affordable units retained in the project shall conform to the overall dwelling unit size mix of the project. The portion of retained residential which shall be affordable will be determined by calculating the number of market rate units which could be subsidized by the amount of "in-lieu fee"

1 calculated in Paragraph (i) above. The number of square feet of affordable housing shall be
2 calculated in the following manner:

3 (1)

4 In-Lieu Fee \$30/square foot subsidy	=	Square Feet of Affordable Housing Retained in the Project
6 In-Lieu Fee \$30/square foot subsidy	=	Square Feet of Affordable Housing Retained in the Project

8 (iii) Annual Reporting, Evaluation and Adjustments to Affordability and Fee
9 Calculations. The Department shall report annually to the Planning Commission on the activity
10 and utilization of Section 243(c)(8)(B). Based on an evaluation of this report, the Planning
11 Commission may initiate a modification or deletion of Section 243(c)(8)(B).

12 The dollar amounts used in the calculation for Paragraphs (i) and (ii) of this Subsection
13 shall be subject to annual adjustments in accord with Section 313.6(1) of this Code.
14 Affordability shall be defined by rents or sale prices affordable by households with no more
15 than 80 percent of median income standards developed by HUD.

16 (iv) If the Commission finds that taking into consideration projects constructed since
17 the effective date of the Van Ness Special Use District and the housing development potential
18 remaining in the District the overall objective of adding a substantial increment of new housing
19 on Van Ness Avenue will not be significantly compromised, the Commission may by
20 conditional use modify the 3:1 housing ratio or may modify the rules regarding the timing and
21 location of linked projects if in addition to Section 303(c) standards of this Code it finds that:

22 (1) The project is to provide space for expansion of an established business from an
23 adjacent site (for this purpose two sites separated by an alley shall be deemed to be adjacent)
24 or,

1 (2) The project is to provide space for an institutional, hotel, medical, cultural or
2 social service use meeting an important public need which cannot reasonably be met
3 elsewhere in the area, and

4 (3) Housing cannot reasonably be included in the project referred to in (1) and (2)
5 above.

6 The Commission shall consider the feasibility of requiring the project to be constructed
7 in such a manner that it can support the addition of housing at some later time.

8 (C) Off-Site Provision of Required Residential Space. For the purpose of calculating
9 the 3 to 1 ratio between residential and nonresidential use, two or more projects for new
10 construction within the Van Ness Special Use District may be considered and approved
11 together as linked projects. The requirements of Paragraph (A) above may be satisfied if the
12 aggregate amount of occupied floor area for residential use in two or more linked projects is at
13 least three times greater than the aggregate amount of occupied floor area for nonresidential
14 use.

15 (i) Those building permit applicants who wish to link two or more projects for the
16 purpose of meeting the 3 to 1 residential to nonresidential ratio shall file with the Department
17 of City Planning a statement of intent identifying the applications covering the projects that are
18 to be considered and approved together;

19 (ii) When the Department of City Planning approves an application for a project
20 containing only nonresidential use and the project is linked to one or more other projects
21 pursuant to the statement of intent filed with the Department, it shall include as a condition of
22 approval a requirement prohibiting the project sponsor from commencing any work on the site
23 until the Zoning Administrator issues a written determination that such work may proceed. The
24 Zoning Administrator shall not issue such a determination until those permits authorizing the
25

1 projects containing residential use have been issued and foundations have been completed at
2 each such site;

3 (iii) If a permit for a project containing nonresidential use expires because of delays
4 in the completion of foundations for linked projects containing residential uses, new permits
5 may be approved for the nonresidential project within three years of such expiration without
6 regard to the 3 to 1 residential ratio requirement if a Temporary Certificate of Occupancy or a
7 Permit of Occupancy has been issued for each project containing residential use;

8 (iv) No building or portion of a building approved as a linked project that contains
9 residential use required to meet the 3 to 1 residential to nonresidential ratio requirement shall
10 be used for any nonresidential purposes; provided, however, that this restriction shall no
11 longer apply if 50 percent or more of the non-residential occupied floor area in the linked
12 projects has been converted to residential use, or has been demolished, or has been
13 destroyed by fire or other act of God;

14 (v) The Zoning Administrator shall impose as a condition of approval of a permit
15 authorizing the residential uses of linked projects the requirement that the owner record in the
16 land records of the property a notice of restrictions, approved as to form by the Zoning
17 Administrator, placed on the use of the property by this Section.

18 (D) Nonconforming Uses. A use which existed lawfully at the effective date of this
19 Section and which fails to conform to the use limitation of Section 243(c)(8)(A) above, shall be
20 considered a nonconforming use and subject to the provisions of Sections 180 through 188 of
21 this Code, including the provisions of Section 182 regarding change of use, except as follows:

22 (i) In calculating the cost of structural alterations pursuant to Section 181(b)(4), the
23 cost of reinforcing the building to meet the standards for seismic loads and forces of the 1975
24 Building Code shall not be included; and
25

1 (ii) Notwithstanding the provisions of Section 181(b), the structure occupied by the
2 nonconforming use may be enlarged by an amount equal to 20 percent of the gross floor area
3 of the existing structure.

4 (E) Street Frontages. Street frontages and parking setbacks shall conform to
5 Section 145.1 of this Code. Ground floor non-residential uses shall have a minimum floor-to-
6 floor height of 14 feet.

7 (F) Fast Food Uses. A large fast food restaurant as defined in Section 790.90 of this
8 Code shall be permitted only as a conditional use.

9 A small self-service restaurant, as defined in Section 790.91 of this Code, shall be permitted
10 only as a conditional use unless such restaurant is a related minor use which is either
11 necessary to the operation or enjoyment of a lawful principal use or conditional use, or is
12 appropriate, incidental and subordinate to any such use, in which case it shall be permitted as
13 an accessory use.

14 (G) Drive-Up Facilities. Drive-up facilities are not permitted. For the purposes of this
15 Section, "drive-up facilities" shall be defined as structures designed primarily for drive-to or
16 drive-through trade which provides service to patrons while in private motor vehicles.

17 (H) Demolitions. All demolitions of buildings containing residential use and all
18 conversions from residential uses to nonresidential uses above the ground floor shall be
19 permitted only if authorized as a conditional use under Section 303 of this Code, unless the
20 Director Superintendent of the Department Bureau of Building Inspection or the Chief of the
21 Bureau of Fire Prevention and Public Safety determines that the building is unsafe or
22 dangerous and that demolition is the only feasible means to secure the public safety. When
23 considering whether to grant a conditional use permit for the demolition or conversion, in lieu
24 of the criteria set forth in Planning Code Section 303, consideration shall be given to the
25 adverse impact on the public health, safety and general welfare of the loss of housing stock in

1 the district and to any unreasonable hardship to the applicant if the permit is denied. The
2 definition of residential use shall be as set forth in Section 243(c)(8)(A), but shall not include
3 any guest room in a building classified as a residential hotel subject to the Residential Hotel
4 Unit Conversion and Demolition Ordinance.

5 A conditional use permit shall not be required if the demolition permit is sought in order
6 to comply with a court order directing or permitting the owner to demolish a building because it
7 is unsafe. No person shall be permitted to construct anything on the site of a demolished
8 building subject to such an order for a period of two years unless (a) the proposal is for at
9 least the same number and size of dwelling units and guest rooms and the same amount of
10 nonresidential floor area as that which was demolished or (b) the applicant requests and is
11 granted an exemption from this requirement on the ground that the applicant has
12 demonstrated that (1) the need for demolition did not arise because of the deliberate or
13 unreasonable neglect of the maintenance of the building, or that (2) the restrictions would
14 cause undue hardship to the property owner or that (3) the restrictions would leave the
15 property without any substantial remaining market value or reasonable use.

16 (I) Parking. Pursuant to Table 151 in Article 1.5 of this Code, the residential parking
17 requirement shall be one space for each dwelling unit; provided, however, that the parking
18 requirement may be reduced to not less than one space for each four dwelling units, if the
19 Zoning Administrator determines that the reduced parking requirement is sufficient to serve
20 the reasonably anticipated auto usage by residents and visitors to the project. The procedures
21 and fee for such review shall be the same as those which are applicable to variances, as set
22 forth in Sections 306.1 through 306.5 and 308.2.

23 (J) Adult Entertainment Enterprises. The uses described in Section 221(k) of this
24 Code are not permitted.

1 (K) Formula Retail Uses. Formula Retail uses, as defined in Section 303(i) of this Code,
2 shall be permitted, subject to a Conditional Use Authorization, in parcels zoned RC-3 or RC-4 that are
3 within the Van Ness SUD.

4 (9) Reduction of Ground Level Wind Currents.

5 (A) New buildings and additions to existing buildings shall be shaped, or other wind
6 baffling measures shall be adopted, so that the development will not cause year-round ground
7 level wind currents to exceed, more than 10 percent of the time, between 7:00 a.m. and 6:00
8 p.m., the comfort level of 11 m.p.h. equivalent wind speed in areas of pedestrian use and
9 seven m.p.h. equivalent wind speed in public seating areas. When pre-existing ambient wind
10 speeds exceed the comfort levels specified above, the building shall be designed to reduce
11 the ambient wind speeds in efforts to meet the goals of this requirement.

12 (B) An exception to this requirement may be permitted but only if and to the extent
13 that the project sponsor demonstrates that the building or addition cannot be shaped or wind
14 baffling measures cannot be adopted without unduly restricting the development potential of
15 the building site in question.

16 (i) The exception may permit the building or addition to increase the time that the
17 comfort level is exceeded, but only to the extent necessary to avoid undue restriction of the
18 development potential of the site.

19 (ii) Notwithstanding the above, no exception shall be allowed and no building or
20 addition shall be permitted that causes equivalent wind speeds to reach or exceed the hazard
21 level of 26 m.p.h. for a single hour of the year.

22 (C) For the purposes of this Section, the term "equivalent wind speed" shall mean
23 an hourly wind speed adjusted to incorporate the effects of gustiness or turbulence on
24 pedestrians.

1 Section 19. The San Francisco Planning Code is hereby amended by amending
2 Section 303, to read as follows:

3 SEC. 303. CONDITIONAL USES.

4 (a) General. The City Planning Commission shall hear and make determinations
5 regarding applications for the authorization of conditional uses in the specific situations in
6 which such authorization is provided for elsewhere in this Code. The procedures for
7 conditional uses shall be as specified in this Section and in Sections 306 through 306.6,
8 except that Planned Unit Developments shall in addition be subject to Section 304, medical
9 institutions and post-secondary educational institutions shall in addition be subject to the
10 institutional master plan requirements of Section 304.5, and conditional use and Planned Unit
11 Development applications filed pursuant to Article 7, or otherwise required by this Code for
12 uses or features in Neighborhood Commercial Districts, and conditional use applications
13 within South of Market Districts, shall be subject to the provisions set forth in Sections 316
14 through 316.8 of this Code, in lieu of those provided for in Sections 306.2 and 306.3 of this
15 Code, with respect to scheduling and notice of hearings, and in addition to those provided for
16 in Sections 306.4 and 306.5 of this Code, with respect to conduct of hearings and
17 reconsideration.

18 (b) Initiation. A conditional use action may be initiated by application of the owner,
19 or authorized agent for the owner, of the property for which the conditional use is sought. For
20 a conditional use application to relocate a general advertising sign under subsection (l) below,
21 application shall be made by a general advertising sign company that has filed a Relocation
22 Agreement application and all required information with the Planning Department pursuant to
23 Section 2.21 of the San Francisco Administrative Code.

24 (c) Determination. After its hearing on the application, or upon the recommendation
25 of the Director of Planning if the application is filed pursuant to Sections 316 through 316.8 of

1 this Code and no hearing is required, the City Planning Commission shall approve the
2 application and authorize a conditional use if the facts presented are such to establish:

3 (1) That the proposed use or feature, at the size and intensity contemplated and at
4 the proposed location, will provide a development that is necessary or desirable for, and
5 compatible with, the neighborhood or the community:

6 (A) In Neighborhood Commercial Districts, if the proposed use is to be located at a
7 location in which the square footage exceeds the limitations found in Planning Code §
8 121.2(a) or 121.2(b), the following shall be considered:

9 (i) The intensity of activity in the district is not such that allowing the larger use will
10 be likely to foreclose the location of other needed neighborhood-servicing uses in the area;
11 and

12 (ii) The proposed use will serve the neighborhood, in whole or in significant part,
13 and the nature of the use requires a larger size in order to function; and

14 (iii) The building in which the use is to be located is designed in discrete elements
15 which respect the scale of development in the district; and

16 (2) That such use or feature as proposed will not be detrimental to the health,
17 safety, convenience or general welfare of persons residing or working in the vicinity, or
18 injurious to property, improvements or potential development in the vicinity, with respect to
19 aspects including but not limited to the following:

20 (A) The nature of the proposed site, including its size and shape, and the proposed
21 size, shape and arrangement of structures;

22 (B) The accessibility and traffic patterns for persons and vehicles, the type and
23 volume of such traffic, and the adequacy of proposed off-street parking and loading and of
24 proposed alternatives to off-street parking, including provisions of car-share parking spaces,
25 as defined in Section 166 of this Code.

1 (C) The safeguards afforded to prevent noxious or offensive emissions such as
2 noise, glare, dust and odor;

3 (D) Treatment given, as appropriate, to such aspects as landscaping, screening,
4 open spaces, parking and loading areas, service areas, lighting and signs; and

5 (3) That such use or feature as proposed will comply with the applicable provisions
6 of this Code and will not adversely affect the Master Plan; and

7 (4) With respect to applications filed pursuant to Article 7 of this Code, that such use
8 or feature as proposed will provide development that is in conformity with the stated purpose
9 of the applicable Neighborhood Commercial District, as set forth in zoning control category .1
10 of Sections 710 through 729 of this Code; and

11 (5) (A) With respect to applications filed pursuant to Article 7, Section 703.2(a), zoning
12 categories .46, .47, and .48, in addition to the criteria set forth above in Section 303(c)(1—4),
13 that such use or feature will:

14 (i) Not be located within 1,000 feet of another such use, if the proposed use or
15 feature is included in zoning category .47, as defined by Section 790.36 of this Code; and/or

16 (ii) Not be open between two a.m. and six a.m.; and

17 (iii) Not use electronic amplification between midnight and six a.m.; and

18 (iv) Be adequately soundproofed or insulated for noise and operated so that
19 incidental noise shall not be audible beyond the premises or in other sections of the building
20 and fixed-source equipment noise shall not exceed the decibel levels specified in the San
21 Francisco Noise Control Ordinance.

22 (B) Notwithstanding the above, the City Planning Commission may authorize a
23 conditional use which does not satisfy the criteria set forth in (5)(A)(ii) and/or (5)(A)(iii) above,
24 if facts presented are such to establish that the use will be operated in such a way as to
25

1 minimize disruption to residences in and around the district with respect to noise and crowd
2 control.

3 (C) The action of the Planning Commission approving a conditional use does not
4 take effect until the appeal period is over or while the approval is under appeal.

5 (6) With respect to applications for live/work units in RH, RM and RTO Districts filed
6 pursuant to Section 209.9(f) or 209.9(h) of this Code, that:

7 (A) Each live/work unit is within a building envelope in existence on the effective
8 date of Ordinance No. 412-88 (effective October 10, 1988) and also within a portion of the
9 building which lawfully contains at the time of application a nonconforming, nonresidential use;

10 (B) There shall be no more than one live/work unit for each 1,000 gross square feet
11 of floor area devoted to live/work units within the subject structure; and

12 (C) The project sponsor will provide any off-street parking, in addition to that
13 otherwise required by this Code, needed to satisfy the reasonably anticipated auto usage by
14 residents of and visitors to the project.

15 Such action of the City Planning Commission, in either approving or disapproving the
16 application, shall be final except upon the filing of a valid appeal to the Board of Supervisors
17 as provided in Section 308.1.

18 (d) Conditions. When considering an application for a conditional use as provided
19 herein with respect to applications for development of "dwellings" as defined in Chapter 87 of
20 the San Francisco Administrative Code, the Commission shall comply with that Chapter which
21 requires, among other things, that the Commission not base any decision regarding the
22 development of "dwellings" in which "protected class" members are likely to reside on
23 information which may be discriminatory to any member of a "protected class" (as all such
24 terms are defined in Chapter 87 of the San Francisco Administrative Code). In addition, when
25 authorizing a conditional use as provided herein, the City Planning Commission, or the Board

1 of Supervisors on appeal, shall prescribe such additional conditions, beyond those specified in
2 this Code, as are in its opinion necessary to secure the objectives of the Code. Once any
3 portion of the conditional use authorization is utilized, all such conditions pertaining to such
4 authorization shall become immediately operative. The violation of any condition so imposed
5 shall constitute a violation of this Code and may constitute grounds for revocation of the
6 conditional use authorization. Such conditions may include time limits for exercise of the
7 conditional use authorization; otherwise, any exercise of such authorization must commence
8 within a reasonable time.

9 (e) Modification of Conditions. Authorization of a change in any condition previously
10 imposed in the authorization of a conditional use shall be subject to the same procedures as a
11 new conditional use. Such procedures shall also apply to applications for modification or
12 waiver of conditions set forth in prior stipulations and covenants relative thereto continued in
13 effect by the provisions of Section 174 of this Code.

14 (f) Conditional Use Abatement. The Planning Commission may consider the
15 possible revocation of a conditional use or the possible modification of or placement of
16 additional conditions on a conditional use when the Planning Commission determines, based
17 upon substantial evidence, that the applicant for the conditional use had submitted false or
18 misleading information in the application process that could have reasonably had a substantial
19 effect upon the decision of the Commission or the conditional use is not in compliance with a
20 condition of approval, is in violation of law if the violation is within the subject matter
21 jurisdiction of the Planning Commission or operates in such a manner as to create hazardous,
22 noxious or offensive conditions enumerated in Section 202(c) if the violation is within the
23 subject matter jurisdiction of the Planning Commission and these circumstances have not
24 been abated through administrative action of the Director, the Zoning Administrator or other
25 City authority. Such consideration shall be the subject of a public hearing before the Planning

1 Commission but no fee shall be required of the applicant or the subject conditional use
2 operator.

3 (1) The Director of Planning or the Planning Commission may seek a public hearing
4 on conditional use abatement when the Director or Commission has substantial evidence
5 submitted within one year of the effective date of the Conditional Use authorization that the
6 applicant for the conditional use had submitted false or misleading information in the
7 application process that could have reasonably had a substantial effect upon the decision of
8 the Commission or substantial evidence of a violation of conditions of approval, a violation of
9 law, or operation which creates hazardous, noxious or offensive conditions enumerated in
10 Section 202(c).

11 (2) The notice for the public hearing on a conditional use abatement shall be subject
12 to the notification procedure as described in Sections 306.3 and 306.8 except that notice to
13 the property owner and the operator of the subject establishment or use shall be mailed by
14 regular and certified mail.

15 (3) In considering a conditional use revocation, the Commission shall consider
16 whether and how the false or misleading information submitted by the applicant could have
17 reasonably had a substantial effect upon the decision of the Commission, or the Board of
18 Supervisors on appeal, to authorize the conditional use, substantial evidence of how any
19 required condition has been violated or not implemented or how the conditional use is in
20 violation of the law if the violation is within the subject matter jurisdiction of the Planning
21 Commission or operates in such a manner as to create hazardous, noxious or offensive
22 conditions enumerated in Section 202(c) if the violation is within the subject matter jurisdiction
23 of the Planning Commission. As an alternative to revocation, the Commission may consider
24 how the use can be required to meet the law or the conditions of approval, how the
25 hazardous, noxious or offensive conditions can be abated, or how the criteria of Section

1 303(c) can be met by modifying existing conditions or by adding new conditions which could
2 remedy a violation.

3 (4) Appeals. A decision by the Planning Commission to revoke a conditional use, to
4 modify conditions or to place additional conditions on a conditional use or a decision by the
5 Planning Commission refusing to revoke or amend a conditional use, may be appealed to the
6 Board of Supervisors within 30 days after the date of action by the Planning Commission
7 pursuant to the provisions of Section 308.1(b) The Board of Supervisors may disapprove the
8 action of the Planning Commission in an abatement matter by the same vote necessary to
9 overturn the Commission's approval or denial of a conditional use. The Planning
10 Commission's action on a conditional use abatement issue shall take effect when the appeal
11 period is over or, upon appeal, when there is final action on the appeal.

12 (5) Reconsideration. The decision by the Planning Commission with regards to a
13 conditional use abatement issue or by the Board of Supervisors on appeal shall be final and
14 not subject to reconsideration within a period of one year from the effective date of final action
15 upon the earlier abatement proceeding, unless the Director of Planning determines that:

16 (A) There is substantial new evidence of a new conditional use abatement issue that
17 is significantly different than the issue previously considered by the Planning Commission; or

18 (B) There is substantial new evidence about the same conditional use abatement
19 issue considered in the earlier abatement proceeding, this new evidence was not or could not
20 be reasonably available at the time of the earlier abatement proceeding, and that new
21 evidence indicates that the Commission's decision in the earlier proceeding ha not been
22 implemented within a reasonable time or raises significant new issues not previously
23 considered by the Planning Commission. The decision of the Director of Planning regarding
24 the sufficiency and adequacy of evidence to allow the reconsideration of a conditional use
25

1 abatement issue within a period of one year from the effective date of final action on the
2 earlier abatement proceeding shall be final.

3 (g) Hotels and Motels.

4 (1) With respect to applications for development of tourist hotels and motels, the
5 Planning Commission shall consider, in addition to the criteria set forth in Subsections (c) and
6 (d) above:

7 (A) The impact of the employees of the hotel or motel on the demand in the City for
8 housing, public transit, childcare, and other social services. To the extent relevant, the
9 Commission shall also consider the seasonal and part-time nature of employment in the hotel
10 or motel;

11 (B) The measures that will be taken by the project sponsor to employ residents of
12 San Francisco in order to minimize increased demand for regional transportation; and

13 (C) The market demand for a hotel or motel of the type proposed.

14 (2) Notwithstanding the provisions of Sub-sections (f)(1) above, the Planning
15 Commission shall not consider the impact of the employees of a proposed hotel or motel
16 project on the demand in the City for housing where:

17 (A) The proposed project would be located on property under the jurisdiction of the
18 San Francisco Port Commission; and

19 (B) The sponsor of the proposed project has been granted exclusive rights to
20 propose the project by the San Francisco Port Commission prior to June 1, 1991.

21 (3) Notwithstanding the provisions of Subsection (f)(1) above, with respect to the
22 conversion of residential units to tourist hotel or motel use pursuant to an application filed on
23 or before June 1, 1990 under the provisions of Chapter 41 of the San Francisco
24 Administrative Code, the Planning Commission shall not consider the criteria contained in
25 Subsection (f)(1) above; provided, however, that the Planning Commission shall consider the

1 criteria contained in Subsection (f)(1)(B) at a separate public hearing if the applicant applies
2 for a permit for new construction or alteration where the cost of such construction or alteration
3 exceeds \$100,000. Furthermore, no change in classification from principal permitted use to
4 conditional use in Section 216(b)(i) of this Code shall apply to hotels or motels that have filed
5 applications on or before June 1, 1990 to convert residential units to tourist units pursuant to
6 Chapter 41 of the San Francisco Administrative Code.

7 (h) Internet Services Exchange.

8 (1) With respect to application for development of Internet Services Exchange as
9 defined in Section 209.6(c), the Planning Commission shall, in addition to the criteria set forth
10 in Subsection (c) above, find that:

11 (A) The intensity of the use at this location and in the surrounding neighborhood is
12 not such that allowing the use will likely foreclose the location of other needed neighborhood-
13 serving uses in the area;

14 (B) The building in which the use is located is designed in discrete elements, which
15 respect the scale of development in adjacent blocks, particularly any existing residential uses;

16 (C) Rooftop equipment on the building in which the use is located is screened
17 appropriately.

18 (D) The back-up power system for the proposed use will comply with all applicable
19 federal state, regional and local air pollution controls.

20 (E) Fixed-source equipment noise does not exceed the decibel levels specified in
21 the San Francisco Noise Control Ordinance.

22 (F) The building is designed to minimize energy consumption, such as through the
23 use of energy-efficient technology, including without limitation, heating, ventilating and air
24 conditioning systems, lighting controls, natural ventilation and recapturing waste heat, and as
25 such commercially available technology evolves;

1 (G) The project sponsor has examined the feasibility of supplying and, to the extent
2 feasible, will supply all or a portion of the building's power needs through on-site power
3 generation, such as through the use of fuel cells or co-generation;

4 (H) The project sponsor shall have submitted design capacity and projected power
5 use of the building as part of the conditional use application; and

6 (2) As a condition of approval, and so long as the use remains an Internet Services
7 Exchange, the project sponsor shall submit to the Planning Department on an annual basis
8 power use statements for the previous twelve-month period as provided by all suppliers of
9 utilities and shall submit a written annual report to the Department of Environment and the
10 Planning Department which shall state: (a) the annual energy consumption and fuel
11 consumption of all tenants and occupants of the Internet Services Exchange; (b) the number
12 of all diesel generators located at the site and the hours of usage, including usage for testing
13 purposes; (c) evidence that diesel generators at the site are in compliance with all applicable
14 local, regional, state and federal permits, regulations and laws; and (d) such other information
15 as the Planning Commission may require.

16 (3) The Planning Department shall have the following responsibilities regarding
17 Internet Services Exchanges:

18 (A) Upon the effective date of the requirement of a conditional use permit for an
19 Internet Services Exchange, the Planning Department shall notify property owners of all
20 existing Internet Services Exchanges that the use has been reclassified as a conditional use;

21 (B) Upon the effective date of the requirement of a conditional use permit for an
22 Internet Services Exchange, the Planning Department shall submit to the Board of
23 Supervisors and to the Director of the Department of Building Inspection a written report
24 covering all existing Internet Services Exchanges and those Internet Services Exchanges
25 seeking to obtain a conditional use permit, which report shall state the address, assessor's

1 block and lot, zoning classification, square footage of the Internet Services Exchange
2 constructed or to be constructed, a list of permits previously issued by the Planning and/or
3 Building Inspection Departments concerning the Internet Services Exchange, the date of
4 issuance of such permits, and the status of any outstanding requests for permits from the
5 Planning and/or Building Inspection Departments concerning Internet Services Exchange; and

6 (C) Within three years from the effective date of the requirement of a conditional use
7 permit for an Internet Services Exchange, the Planning Department, in consultation with the
8 Department of Environment, shall submit to the Board of Supervisors a written report, which
9 report shall contain the Planning Commission's evaluation of the effectiveness of the
10 conditions imposed on Internet Services Exchanges, and whether it recommends additional or
11 modified conditions to reduce energy and fuel consumption, limit air pollutant emissions, and
12 enhance the compatibility of industrial uses, such as Internet Services Exchanges, located
13 near or in residential or commercial districts.

14 (i) Formula Retail Uses.

15 (1) Formula Retail Use. A formula retail use is hereby defined as a type of retail sales
16 activity or retail sales establishment which has eleven or more other retail sales establishments located
17 in the United States. In addition to the eleven establishments, the business maintains two or more of
18 the following features: a standardized array of merchandise, a standardized facade, a standardized
19 decor and color scheme, a uniform apparel, standardized signage, a trademark or a servicemark.

20 (a) Standardized array of merchandise shall be defined as 50% or more of in-stock
21 merchandise from a single distributor bearing uniform markings.

22 (b) Trademark shall be defined as a word, phrase, symbol or design, or a combination of
23 words, phrases, symbols or designs that identifies and distinguishes the source of the goods from one
24 party from those of others.

1 (c) Servicemark shall be defined as word, phrase, symbol or design, or a combination of
2 words, phrases, symbols or designs that identifies and distinguishes the source of a service from one
3 party from those of others.

4 (d) Decor shall be defined as the style of interior furnishings, which may include but is not
5 limited to, style of furniture, wall coverings or permanent fixtures.

6 (e) Color Scheme shall be defined as selection of colors used throughout, such as on the
7 furnishings, permanent fixtures, and wall coverings, or as used on the facade.

8 (f) Facade shall be defined as the face or front of a building, including awnings, looking
9 onto a street or an open space.

10 (g) Uniform Apparel shall be defined as standardized items of clothing including but not
11 limited to standardized aprons, pants, shirts, smocks or dresses, hat, and pins (other than name tags) as
12 well as standardized colors of clothing.

13 (h) Signage shall be defined as business sign pursuant to Section 602.3 of the Planning
14 Code.

15 (2) "Retail sales activity or retail sales establishment" shall include the following uses, as
16 defined in Article 7 and Article 8 of this Code: "bar," "drive-up facility," "eating and drinking use,"
17 "liquor store," "restaurant, large fast-food," "restaurant, small self-service," "restaurant, full-service,"
18 "sales and service, other retail," "sales and service, retail," "movie theatre," "video store," "amusement
19 and game arcade," "take-out food," and "specialty food, self-service."

20 (3) With regard to a conditional use authorization application for a formula retail use, the
21 Planning Commission shall consider, in addition to the criteria set forth in Subsection (c) above:

22 (a) The existing concentrations of formula retail uses within the district.

23 (b) The availability of other similar retail uses within the district.

24 (c) The compatibility of the proposed formula retail use with the existing architectural and
25 aesthetic character of the district.

1 (d) The existing retail vacancy rates within the district.

2 (e) The existing mix of Citywide-serving retail uses and neighborhood-serving retail uses
3 within the district.

4 (4) A Conditional Use Authorization shall be required for a formula retail use in the
5 following zoning districts unless explicitly exempted:

6 (a) All Neighborhood Commercial Districts in Article 7;

7 (b) All Mixed Use-General Districts in Article 8;

8 (c) All Urban Mixed Use Districts in Article 8;

9 (d) RC-3 and RC-4 zoned parcels along Van Ness Avenue;

10 (e) Japantown Special Use District as defined in Section 249.31;

11 (f) Chinatown Community Business District as defined in Section 810;

12 (g) Chinatown Residential/Neighborhood Commercial District as defined in 812;

13 (h) Western SoMa Planning Area Special Use District as defined in 802.5.

14 (5) Formula Retail Uses are not permitted in the following zoning districts:

15 (a) Hayes-Gough Neighborhood Commercial Transit District;

16 (b) North Beach Neighborhood Commercial District;

17 (c) Chinatown Visitor Retail District.

18 (6) Neighborhood Commercial Notification and Design Review. Any building permit
19 application for a "formula retail use" as defined in this section and located within a Neighborhood
20 Commercial District in Article 7 shall be subject to the Neighborhood Commercial Notification and
21 Design Review Procedures of Section 312 of this Code.

22 (7) A change from one formula retail use to another requires a new Conditional Use
23 Authorization, whether or not a Conditional Use Authorization would otherwise be required by the
24 particular change in use in question. This Conditional Use Authorization requirement also applies in
25 changes from one Formula Retail operator to another within the same use category.

1 A new Conditional Use authorization shall not apply to a change in a formula use retailer that meets
2 the following criteria:

3 (a) the formula use operation remains the same in terms of its size, function and general
4 merchandise offering as determined by the Zoning Administrator, and

5 (b) the change in the formula retail use operator is the result of multiple existing operations
6 being purchased by another formula retail operator.

7 The new operator shall comply with all conditions of approval previously imposed on the
8 existing operator, including but not limited to signage programs and hours of operation; and shall
9 conduct the operation generally in the same manner and offer essentially the same services and/or type
10 of merchandise; or seek and be granted a new Conditional Use authorization.

11 (8) Determination of Formula Retail Use. In those areas in which "formula retail uses" are
12 prohibited, any building permit application determined by the City to be for a "formula retail use" that
13 does not identify the use as a "formula retail use" is incomplete and cannot be processed until the
14 omission is corrected. Any building permit approved that is determined by the City to have been, at the
15 time of application, for a "formula retail use" that did not identify the use as a "formula retail use" is
16 subject to revocation at any time. If the City determines that a building permit application or building
17 permit subject to this Section of the Code is for a "formula retail use," the building permit applicant or
18 holder bears the burden of proving to the City that the proposed or existing use is not a "formula retail
19 use."

20 (1) With respect to an application for a formula retail use as defined in Section 703.3, whenever
21 a conditional use permit is required per Section 703.3(f), the Planning Commission shall consider, in
22 addition to the criteria set forth in Subsection (c) above:

23 (A) The existing concentrations of formula retail uses within the Neighborhood Commercial
24 District.

1 ~~(B) — The availability of other similar retail uses within the Neighborhood Commercial~~
2 ~~District.~~

3 ~~(C) — The compatibility of the proposed formula retail use with the existing architectural and~~
4 ~~aesthetic character of the Neighborhood Commercial District.~~

5 ~~(D) — The existing retail vacancy rates within the Neighborhood Commercial District.~~

6 ~~(E) — The existing mix of Citywide-serving retail uses and neighborhood-serving retail uses~~
7 ~~within the Neighborhood Commercial District.~~

8 (j) Large-Scale Retail Uses. With respect to applications for the establishment of
9 large-scale retail uses under Section 121.6, in addition to the criteria set forth in Subsections
10 (c) and (d) above, the Commission shall consider the following:

11 (A) The extent to which the retail use's parking is planned in a manner that creates
12 or maintains active street frontage patterns;

13 (B) The extent to which the retail use is a component of a mixed-use project or is
14 designed in a manner that encourages mixed-use building opportunities;

15 (C) This shift in traffic patterns that may result from drawing traffic to the location of
16 the proposed use; and

17 (D) The impact that the employees at the proposed use will have on the demand in
18 the City for housing, public transit, childcare, and other social services.

19 (k) Movie Theater Uses.

20 (1) With respect to a change in use or demolition of a movie theater use as set forth
21 in Sections 221.1, 703.2(b)(1)(B)(ii), 803.2(b)(2)(B)(iii) or 803.3(b)(1)(B)(ii), in addition to the
22 criteria set forth in Subsections (c) and (d) above, the Commission shall make the following
23 findings:

24 (A) Preservation of a movie theater use is no longer economically viable and cannot
25 effect a reasonable economic return to the property owner;

1 (i) For purposes of defining "reasonable economic return," the Planning
2 Commission shall be guided by the criteria for "fair return on investment" as set forth in
3 Section 228.4(a).

4 (B) diversity and vitality of the surrounding Neighborhood Commercial District; and

5 (C) The resulting project will preserve the architectural integrity of important historic
6 features of the movie theater use affected.

7 (l) Relocation of Existing General Advertising Signs pursuant to a General
8 Advertising Sign Company Relocation Agreement.

9 (1) Before the Planning Commission may consider an application for a conditional
10 use to relocate an existing lawfully permitted general advertising sign as authorized by
11 Section 611 of this Code, the applicant sign company must have:

12 (A) Obtained a current Relocation Agreement approved by the Board of Supervisors
13 under Section 2.21 of the San Francisco Administrative Code that covers the sign or signs
14 proposed to be relocated; and

15 (B) Submitted to the Department a current sign inventory, site map, and the other
16 information required under Section 604.2 of this Code; and

17 (C) Obtained the written consent to the relocation of the sign from the owner of the
18 property upon which the existing sign structure is erected.

19 (D) Obtained a permit to demolish the sign structure at the existing location.

20 (2) The Department, in its discretion, may review in a single conditional use
21 application all signs proposed for relocation by a general advertising company or may require
22 that one or more of the signs proposed for relocation be considered in a separate application
23 or applications. Prior to the Commission's public hearing on the application, the Department
24 shall have verified the completeness and accuracy of the general advertising sign company's
25 sign inventory.

1 (3) Only one sign may be erected in a new location, which shall be the same square
2 footage or less than the existing sign proposed to be relocated. In no event may the square
3 footage of several existing signs be aggregated in order to erect a new sign with greater
4 square footage.

5 (4) In addition to applicable criteria set forth in subsection (c) above, the Planning
6 Commission shall consider the size and visibility of the signs proposed to be located as well
7 as the following factors in determining whether to approve or disapprove a proposed
8 relocation:

9 (A) The factors set forth in this subsection (A) shall weigh in favor of the
10 Commission's approval of the proposed relocation site:

11 (i) The sign or signs proposed for relocation are lawfully existing but are not in
12 conformity with the sign regulations that existed prior to the adoption of Proposition G on
13 March 5, 2002.

14 (ii) The sign or signs proposed for relocation are on a City list, if any, of priorities for
15 sign removal or signs preferred for relocation.

16 (iii) The sign or signs proposed for relocation are within, adjacent to, or visible from
17 property under the jurisdiction of the San Francisco Port Commission, the San Francisco
18 Unified School District, or the San Francisco Recreation and Park Commission.

19 (iv) The sign or signs proposed for relocation are within, adjacent to, or visible from
20 an Historic District or conservation district designated in Article 10 or Article 11 of the Planning
21 Code.

22 (v) The sign or signs proposed for relocation are within, adjacent to, or visible from
23 a zoning district where general advertising signs are prohibited.

24 (vi) The sign or signs proposed for relocation are within, adjacent to, or visible from
25 a designated view corridor.

1 (B) The factors set forth in this Subsection (B) shall weigh against the Commission's
2 approval of the proposed relocation:

3 (i) The sign or signs proposed for relocation are or will be obstructed, partially
4 obstructed, or removed from public view by another structure or by landscaping.

5 (ii) The proposed relocation site is adjacent to or visible from property under the
6 jurisdiction of the San Francisco Port Commission, the San Francisco Unified School District,
7 or the San Francisco Recreation and Park Commission.

8 (iii) The proposed relocation site is adjacent to or visible from an Historic District or
9 conservation district designated in Article 10 or Article 11 of the Planning Code.

10 (iv) The proposed relocation site is within, adjacent to, or visible from a zoning
11 district where general advertising signs are prohibited.

12 (v) The proposed relocation site is within, adjacent to, or visible from a designated
13 view corridor.

14 (vi) There is significant neighborhood opposition to the proposed relocation site.

15 (5) In no event may the Commission approve a relocation where:

16 (A) The sign or signs proposed for relocation have been erected, placed, replaced,
17 reconstructed, or relocated on the property, or intensified in illumination or other aspect, or
18 expanded in area or in any dimension in violation of Article 6 of this Code or without a permit
19 having been duly issued therefor; or

20 (B) The proposed relocation site is not a lawful location under Planning Code
21 Section 611(c)(2); or

22 (C) The sign in its new location would exceed the size, height or dimensions, or
23 increase the illumination or other intensity of the sign at its former location; or

24 (D) The sign in its new location would not comply with the Code requirements for
25 that location as set forth in Article 6 of this Code; or

1 (E) The sign has been removed from its former location; or

2 (F) The owner of the property upon which the existing sign structure is erected has
3 not consented in writing to the relocation of the sign.

4 (6) The Planning Commission may adopt additional criteria for relocation of general
5 advertising signs that do not conflict with this Section 303(I) or Section 611 of this Code.

6 (m) General Grocery Store Uses.

7 (1) With respect to a change in use or demolition of general grocery store use as
8 set forth in Sections 218.2, 703.2(b)(1)(B)(iii), 803.2(b)(1)(B)(iv) or 803.3 (b)(1)(B)(iii) which
9 use exceeds 5,000 gross square feet, in addition to the criteria set forth in Subsections (c) and
10 (d) above, the Commission shall make the following findings:

11 (A) Preservation of a general grocery store use is no longer economically viable and
12 cannot effect a reasonable economic return to the property owner. The Commission may
13 disregard the above finding if it finds that the change in use or replacement structure in the
14 case of demolition will contain a general grocery store that is of a sufficient size to serve the
15 shopping needs of nearby residents and offers comparable services to the former general
16 grocery store.

17 (i) For purposes of defining "reasonable economic return," the Planning
18 Commission shall be guided by the criteria for "fair return on investment" as set forth in
19 Section 228.4(a).

20 (B) The change in use or demolition of the general grocery store use will not
21 undermine the economic diversity and vitality of the surrounding neighborhood.

22 (n) Tobacco Paraphernalia Establishments.

23 (1) With respect to a Tobacco Paraphernalia Establishment, as set forth in Section
24 227(v) of this Code, in addition to the criteria set forth in Subsections (c) and (d) above, the
25 Commission shall make the following findings:

1 (A) The concentration of such establishments in the particular zoning district for
2 which they are proposed does not appear to contribute directly to peace, health, safety, and
3 general welfare problems, including drug use, drug sales, drug trafficking, other crimes
4 associated with drug use, loitering, and littering, as well as traffic circulation, parking, and
5 noise problems on the district's public streets and lots;

6 (B) The concentration of such establishments in the particular zoning district for
7 which they are proposed does not appear to adversely impact the health, safety, and welfare
8 of residents of nearby areas, including fear for the safety of children, elderly and disabled
9 residents, and visitors to San Francisco; and

10 (C) The proposed establishment is compatible with the existing character of the
11 particular district for which it is proposed.

12 (o) Massage Establishments.

13 (1) With respect to Massage Establishments, as defined in Sections 218.1, 790.60,
14 and 890.60 of this Code, in addition to the criteria set forth in Subsection (c) above, the
15 Commission shall make the following findings:

16 (A) Whether the applicant has obtained, and maintains in good standing, a permit
17 for a Massage Establishment from the Department of Public Health pursuant to Section 1908
18 of the San Francisco Health Code;

19 (B) Whether the use's facade is transparent and open to the public. Permanent
20 transparency and openness are preferable. Elements that lend openness and transparency to
21 a facade include: i) active street frontage of at least 25' in length where 75% of that length is
22 devoted to entrances to commercially used space or windows at the pedestrian eye-level; ii)
23 windows that use clear, untinted glass, except for decorative or architectural accent; iii) any
24 decorative railings or decorative grille work, other than wire mesh, which is placed in front of
25

1 or behind such windows, should be at least 75 percent open to perpendicular view and no
2 more than six feet in height above grade;

3 (C) Whether the use includes pedestrian-oriented lighting. Well lit establishments
4 where lighting is installed and maintained along all public rights-of-way adjacent to the
5 building with the massage use during the post-sunset hours of the massage use are
6 encouraged;

7 (D) Whether the use is reasonably oriented to facilitate public access. Barriers that
8 make entrance to the use more difficult than to an average service-provider in the area are to
9 be strongly discouraged. These include (but are not limited to) foyers equipped with double
10 doors that can be opened only from the inside and security cameras.

11 Section 20. The San Francisco Planning Code is hereby amended by amending
12 Section 309, to read as follows:

8 the application subject to those conditions, and if the applicant refuses to so agree, the
9 Commission may disapprove the application.

10 (j) Change of Conditions. Authorization of a change in any condition previously
11 imposed pursuant to this Section shall require an application for a change in conditions, which
12 application shall be subject to the procedures set forth in this Section.

13 Section 21. The San Francisco Planning Code is hereby amended by amending
14 Section 311, to read as follows:

15 SEC. 311. RESIDENTIAL PERMIT REVIEW PROCEDURES FOR RH, RM, AND RTO
16 DISTRICTS.

17 (a) Purpose. The purpose of this Section is to establish procedures for reviewing
18 building permit applications for lots in R Districts in order to determine compatibility of the
19 proposal with the neighborhood and for providing notice to property owners and residents
20 neighboring the site of the proposed project and to interested neighborhood organizations, so
21 that concerns about a project may be identified and resolved during the review of the permit.

22 (b) Applicability. Except as indicated herein, all building permit applications for
23 demolition and/or new construction, and/or alteration of residential buildings in RH, RM, and
24 RTO Districts shall be subject to the notification and review procedures required by this
25

1 Section. Subsection 311(e) regarding demolition permits and approval of replacement
2 structures shall apply to all R Districts.

3 (1) For the purposes of this Section, an alteration in RH and RM Districts shall be
4 defined as any change in use or change in the number of dwelling units of a residential
5 building, removal of more than 75 percent of a residential building's existing interior wall
6 framing or the removal of more than 75 percent of the area of the existing framing, or an
7 increase to the exterior dimensions of a residential building except those features listed in
8 Section 136(c)(1) through 136(c)(24) and 136(c)(26).

9 (2) For the purposes of this Section, an alteration in RTO Districts shall be defined
10 as a change of use described in Section 312(c) or a change in the number of dwelling units of
11 a building, removal of more than 75 percent of a building's existing interior wall framing or the
12 removal of more than 75 percent of the area of the existing framing, or an increase to the
13 exterior dimensions of a building except those features listed in Section 136(c)(1) through
14 136(c)(24) and 136(c)(26).

15 (c) Building Permit Application Review for Compliance and Notification. Upon
16 acceptance of any application subject to this Section, the Planning Department shall review
17 the proposed project for compliance with the Planning Code and any applicable design
18 guidelines approved by the Planning Commission. Applications determined not to be in
19 compliance with the standards of Articles 1.2, 1.5, 2 and 2.5 of the Planning Code, Residential
20 Design Guidelines, including design guidelines for specific areas adopted by the Planning
21 Commission, or with any applicable conditions of previous approvals regarding the project,
22 shall be held until either the application is determined to be in compliance, is disapproved or a
23 recommendation for cancellation is sent to the Department of Building Inspection.

24 (1) Residential Design Guidelines. The construction of new residential buildings and
25 alteration of existing residential buildings in R Districts shall be consistent with the design

1 policies and guidelines of the General Plan and with the "Residential Design Guidelines" as
2 adopted and periodically amended for specific areas or conditions by the City Planning
3 Commission. The design for new buildings with residential uses in RTO Districts shall also be
4 consistent with the design standards and guidelines of the "Ground Floor Residential Units
5 Design Guidelines" as adopted and periodically amended by the Planning Commission. The
6 Planning Director may require modifications to the exterior of a proposed new residential
7 building or proposed alteration of an existing residential building in order to bring it into
8 conformity with the "Residential Design Guidelines" and with the General Plan. These
9 modifications may include, but are not limited to, changes in siting, building envelope, scale
10 texture and detailing, openings, and landscaping.

11 (2) Notification. Upon determination that an application is in compliance with the
12 development standards of the Planning Code, the Planning Department shall cause a notice
13 to be posted on the site pursuant to rules established by the Zoning Administrator and shall
14 cause a written notice describing the proposed project to be sent in the manner described
15 below. This notice shall be in addition to any notices required by the Building Code and shall
16 have a format and content determined by the Zoning Administrator. It shall include a
17 description of the proposal compared to any existing improvements on the site with
18 dimensions of the basic features, elevations and site plan of the proposed project including
19 the position of any adjacent buildings, exterior dimensions and finishes, and a graphic
20 reference scale. The notice shall describe the project review process and shall set forth the
21 mailing date of the notice and the expiration date of the notification period.

22 Written notice shall be mailed to the notification group which shall include the project sponsor,
23 *tenants of the subject property*, relevant neighborhood organizations as described in
24 Subparagraph 311(c)(2)(C) below, all individuals having made a written request for notification
25

2 the extent practical, occupants, of properties in the notification area.

3 (A) The notification area shall be all properties within 150 feet of the subject lot in
4 the same Assessor's Block and on the block face across from the subject lot. When the
5 subject lot is a corner lot, the notification area shall further include all property on both block
6 faces across from the subject lot, and the corner property diagonally across the street.

7 (B) The latest City-wide Assessor's roll for names and addresses of owners shall be
8 used for said notice.

9 (C) The Planning Department shall maintain a list, available for public review, of
10 neighborhood organizations which have indicated an interest in specific properties or areas.
11 The organizations having indicated an interest in the subject lot or its area shall be included in
12 the notification group for the proposed project.

13 (3) Notification Period. All building permit applications shall be held for a period of
14 30 calendar days from the date of the mailed notice to allow review by residents and owners
15 of neighboring properties and by neighborhood groups.

16 (4) Elimination of Duplicate Notice. The notice provisions of this Section may be
17 waived by the Zoning Administrator for building permit applications for projects that have
18 been, or before approval will be, the subject of a duly noticed public hearing before the
19 Planning Commission or Zoning Administrator, provided that the nature of work for which the
20 building permit application is required is both substantially included in the hearing notice and
21 is the subject of the hearing.

22 (5) Notification Package. The notification package for a project subject to notice
23 under this Section 311 shall include:
24
25

1 (A) A description of the proposal compared to any existing improvements on the site
2 with dimensions of the basic features, elevations and site plan of the proposed project
3 including exterior dimensions and finishes, and a graphic reference scale.

4 (B) Information stating whether the proposed project includes horizontal, vertical, or
5 both horizontal and vertical additions.

7 including the position and height of any adjacent building and location of windows facing the
8 subject property.

9 (D) 11 by 17 drawings at a measurable scale with all dimensions legible that shows
10 (i) both existing and proposed floor plans, (ii) specific dimensional changes to the building,
11 including parapets, penthouses, and other proposed building extensions and (iii) the location
12 and amount of removal of exterior walls.

13 (E) Floor plans where there is a new building, building expansion, or change in the
14 floor plans of an existing building.

15 (F) The name and telephone number of the project planner at the Planning
16 Department assigned to review the application.

17 (G) A description of the project review process, information on how to obtain
18 additional information about the project, and information about the recipient's rights to request
19 additional information, to request discretionary review by the Planning Commission, and to
20 appeal to other boards or commissions.

21 (d) Requests for Planning Commission Review. A request for the Planning
22 Commission to exercise its discretionary review powers over a specific building permit
23 application shall be considered by the Planning Commission if received by the Planning
24 Department no later than 5:00 p.m. of the last day of the notification period as described
25 under Subsection (c)(3) above, subject to guidelines adopted by the Planning Commission.

1 The project sponsor of a building permit application may request discretionary review by the
2 Planning Commission to resolve conflicts between the Director of Planning and the project
3 sponsor concerning requested modifications to comply with the Residential Design
4 Guidelines.

5 (1) Scheduling of Hearing. The Zoning Administrator shall set a time for hearing
6 requests for discretionary review by the Planning Commission within a reasonable period.

7 (2) Notice. Mailed notice of the discretionary review hearing by the Planning
8 Commission shall be given not less than 10 days prior to the date of the hearing to the
9 notification group as described in Paragraph 311(c)(2) above. Posted notice of the hearing
10 shall be made as provided under Planning Code Section 306.8.

11 (e) Demolition of Dwellings, Approval of Replacement Structure Required. Unless
12 the building is determined to pose a serious and imminent hazard as defined in the Building
13 Code an application authorizing demolition in any R District of an historic or architecturally
14 important building or of a dwelling shall not be approved and issued until the City has granted
15 final approval of a building permit for construction of the replacement building. A building
16 permit is finally approved if the Board of Appeals has taken final action for approval on an
17 appeal of the issuance or denial of the permit or if the permit has been issued and the time for
18 filing an appeal with the Board has lapsed with no appeal filed.

19 (1) The demolition of any building whether or not historically and architecturally
20 important may be approved administratively where the Director of the Department of Building
21 Inspection or the Chief of the Bureau of Fire Prevention and Public Safety determines, after
22 consultation with the Zoning Administrator, that an imminent safety hazard exists, and the
23 Director of the Department of Building Inspection determines that demolition or extensive
24 alteration of the structure is the only feasible means to secure the public safety.

1 (f) Wireless Telecommunications Services Facility as Accessory Use, Notification
2 and Review Required. Building permit applications for new construction of a wireless
3 telecommunications services facility as an accessory use under Article 2 of the Planning Code
4 in RH and RM Districts shall be subject to the notification and review procedures required by
5 this Section.

6 Section 22. The San Francisco Planning Code is hereby amended by amending
7 Section 312, to read as follows:

8 (a) Purpose. The purpose of this Section is to establish procedures for reviewing
9 building permit applications for lots in NC and Eastern Neighborhoods Mixed Use Districts in
10 order to determine compatibility of the proposal with the neighborhood and for providing notice
11 to property owners, occupants and residents neighboring the site of the proposed project and
12 to interested neighborhood organizations, so that concerns about a project may be identified
13 and resolved during the review of the permit.

14 (b) Applicability. Except as indicated herein, all building permit applications for
15 demolition, new construction, changes in use to a formula retail use as defined in Section
16 703.3 of this Code or alterations which expand the exterior dimensions of a building shall be
17 subject to the notification and review procedures required by Subsection 312(d). Subsection
18 312(f) regarding demolition permits and approval of replacement structures shall apply to all
19 NC and Eastern Neighborhoods Mixed Use Districts. For the purposes of this Section,
20 addition to a building of the features listed in Section 136(c)(1) through 136(c)(24) and
21 136(c)(26) shall not be subject to notification under this Section.

22 (c) Changes of Use. In NC Districts, all building permit applications for a change of
23 use to a bar, as defined in Section 790.22, a liquor store, as defined in Section 790.55, a
24 walkup facility, as defined in Section 790.140, other large institutions, as defined in Section
25 790.50, other small institutions, as defined in Section 790.51, a full-service restaurant, as

1 defined in Section 790.92, a large fast food restaurant, as defined in Section 790.90, a small

5 790.36 and 790.38, or a fringe financial service use, as defined in Section 790.111, shall be
6 subject to the provisions of Subsection 312(d). In all Eastern Neighborhoods Mixed Use
7 Districts all building permit applications for a change of use from any one land use category to
8 another land use category shall be subject to the provisions of Subsection 312(d). In addition,
9 any accessory massage use in the Ocean Avenue Neighborhood Commercial Transit District
10 shall be subject to the provisions of Subsection 312(d).

11 For the purposes of this Subsection, "land use category" shall mean those categories
12 used to organize the individual land uses which appear in the use tables in Article 8,
13 immediately preceding a group of individual land uses, and include the following: residential
14 use, institutional use, retail sales and service use, assembly, recreation and entertainment
15 use, office use, motor vehicle services use, industrial home and business service use, or other
16 use.

17 (d) Building Permit Application Review for Compliance and Notification. Upon
18 acceptance of any application subject to this Section, the Planning Department shall review
19 the proposed project for compliance with the Planning Code and any applicable design
20 guidelines approved by the Planning Commission. Applications determined not to be in
21 compliance with the standards of Articles 1.2, 1.5, 2 and 2.5 of the Planning Code, including
22 design guidelines for specific areas adopted by the Planning Commission, or with any
23 applicable conditions of previous approvals regarding the project, shall be held until either the
24 application is determined to be in compliance, is disapproved or a recommendation for
25 cancellation is sent to the Department of Building Inspection.

1 (1) Neighborhood Commercial Design Guidelines. The construction of new
2 buildings and alteration of existing buildings in NC Districts shall be consistent with the design
3 policies and guidelines of the General Plan as adopted and periodically amended for specific
4 areas or conditions by the Planning Commission. The Director of Planning may require
5 modifications to the exterior of a proposed new building or proposed alteration of an existing
6 building in order to bring it into conformity with the General Plan. These modifications may
7 include, but are not limited to, changes in siting, building envelope, scale texture and detailing,
8 openings, and landscaping.

9 (2) Notification. Upon determination that an application is in compliance with the
10 development standards of the Planning Code, the Planning Department shall cause a notice
11 to be posted on the site pursuant to rules established by the Zoning Administrator and shall
12 cause a written notice describing the proposed project to be sent in the manner described
13 below. This notice shall be in addition to any notices required by the Building Code and shall
14 have a format and content determined by the Zoning Administrator. It shall include a
15 description of the proposal compared to any existing improvements on the site with
16 dimensions of the basic features, elevations and site plan of the proposed project including
17 the position of any adjacent buildings, exterior dimensions and finishes, a graphic reference
18 scale, existing and proposed uses and commercial or institutional business name, if known.
19 The notice shall describe the project review process and shall set forth the mailing date of the
20 notice and the expiration date of the notification period.
21 Written notice shall be mailed to the notification group which shall include the project sponsor,
22 tenants of the subject property, relevant neighborhood organizations as described in
23 Subparagraph 312(d)(2)(C) below, all individuals having made a written request for
24 notification for a specific parcel or parcels pursuant to Planning Code Section 351 and all
25 owners and, to the extent practical, occupants, of properties in the notification area.

1 (A) The notification area shall be all properties within 150 feet of the subject lot in
2 the same Assessor's Block and on the block face across from the subject lot. When the
3 subject lot is a corner lot, the notification area shall further include all property on both block
4 faces across from the subject lot, and the corner property diagonally across the street.

5 (B) The latest City-wide Assessor's roll for names and addresses of owners shall be
6 used for said notice.

7 (C) The Planning Department shall maintain a list, updated every six months with
8 current contact information, available for public review, and kept at the Planning Department's
9 Planning Information Counter, and reception desk, as well as the Department of Building
10 Inspection's Building Permit Counter, of neighborhood organizations which have indicated an
11 interest in specific properties or areas. The organizations having indicated an interest in the
12 subject lot or its area shall be included in the notification group for the proposed project.

13 Notice to these groups shall be verified by a declaration of mailing signed under penalty of
14 perjury. In the event that such an organization is not included in the notification group for a
15 proposed project as required under this subsection, the proposed project must be re-noticed.

16 (3) Notification Period. All building permit applications shall be held for a period of
17 30 calendar days from the date of the mailed notice to allow review by residents, occupants,
18 owners of neighboring properties and by neighborhood groups.

19 (4) Elimination of Duplicate Notice. The notice provisions of this Section may be
20 waived by the Zoning Administrator for building permit applications for projects that have
21 been, or before approval will be, the subject of a duly noticed public hearing before the
22 Planning Commission or Zoning Administrator, provided that the nature of work for which the
23 building permit application is required is both substantially included in the hearing notice and
24 is the subject of the hearing.

25

1 (e) Requests for Planning Commission Review. A request for the Planning
2 Commission to exercise its discretionary review powers over a specific building permit
3 application shall be considered by the Planning Commission if received by the Planning
4 Department no later than 5:00 p.m. of the last day of the notification period as described
5 under Subsection (d)(3) above, subject to guidelines adopted by the Planning Commission.
6 The project sponsor of a building permit application may request discretionary review by the
7 Planning Commission to resolve conflicts between the Director of Planning and the project
8 sponsor concerning requested modifications to comply with relevant design guidelines of the
9 General Plan.

10 (1) Scheduling of Hearing. The Zoning Administrator shall set a time for hearing
11 requests for discretionary review by the Planning Commission within a reasonable period.

12 (2) Notice. Mailed notice of the discretionary review hearing by the Planning
13 Commission shall be given not less than 10 days prior to the date of the hearing to the
14 notification group as described in Paragraph 312(d)(2) above. Posted notice of the hearing
15 shall be made as provided under Planning Code Section 306.8.

16 (f) Demolition of Dwellings, Approval of Replacement Structure Required. Unless
17 the building is determined to pose a serious and imminent hazard as defined in the Building
18 Code an application authorizing demolition in any NC or Eastern Neighborhoods Mixed Use
19 District of an historic or architecturally important building or of a dwelling shall not be approved
20 and issued until the City has granted final approval of a building permit for construction of the
21 replacement building. A building permit is finally approved if the Board of Appeals has taken
22 final action for approval on an appeal of the issuance or denial of the permit or if the permit
23 has been issued and the time for filing an appeal with the Board has lapsed with no appeal
24 filed.

1 (1) The demolition of any building whether or not historically and architecturally
2 important may be approved administratively where the Director of the Department of Building
3 Inspection or the Chief of the Bureau of Fire Prevention and Public Safety determines, after
4 consultation with the Zoning Administrator, that an imminent safety hazard exists, and the
5 Director of the Department of Building Inspection determines that demolition or extensive
6 alteration of the structure is the only feasible means to secure the public safety.

7 (g) Wireless Telecommunications Services Facility as Accessory Use, Notification
8 and Review Required. Building permit applications for new construction of a wireless
9 telecommunications services facility as an accessory use under Article 7 or 8 of the Planning
10 Code in all NC or Eastern Neighborhoods Mixed Use Districts shall be subject to the
11 notification and review procedures required by this Section.

12 Section 23. The San Francisco Planning Code is hereby amended by amending
13 Section 317, to read as follows:

14 SEC. 317. Loss of Dwelling Units through Merger, Conversion, and Demolition.

15 (a) Findings. San Francisco faces a continuing shortage of affordable housing.
16 There is a high ratio of rental to ownership tenure among the City's residents. The General
17 Plan recognizes that existing housing is the greatest stock of rental and financially accessible
18 residential units, and is a resource in need of protection. Therefore, a public hearing will be
19 held prior to approval of any permit that would remove existing housing, with certain
20 exceptions, as described below. The Planning Commission shall develop a Code
21 Implementation Document setting forth procedures and regulations for the implementation of
22 this Section 317 as provided further below. The Zoning Administrator shall modify economic
23 criteria related to property values and construction costs in the Implementation Document as
24 warranted by changing economic conditions to meet the intent of this Section.
25

1 (b) Definitions. For the purposes of this Section 317, the terms below shall be
2 defined as follows:

3 (1) "Conversion of Residential Unit" shall mean the removal of cooking facilities in a
4 Residential Unit or the change of occupancy (as defined and regulated by the Building Code),
5 or the change of use (as defined and regulated by the Planning Code), of any Residential Unit
6 to a non-residential use.

7 (2) "Demolition of Residential Buildings" shall mean any of the following:

8 (A) Any work on a Residential Building for which the Department of Building
9 Inspection determines that an application for a demolition permit is required, or

10 (B) A major alteration of a Residential Building that proposes the Removal of more
11 than 50% of the sum of the Front Facade and Rear Facade and also proposes the Removal of
12 more than 65% of the sum of all exterior walls, measured in lineal feet at the foundation level,
13 or

14 (C) A major alteration of a Residential Building that proposes the Removal of more
15 than 50% of the Vertical Envelope Elements and more than 50% of the Horizontal Elements of
16 the existing building, as measured in square feet of actual surface area.

17 (D) The Planning Commission may reduce the above numerical elements of the
18 criteria in Subsections (b)(2)(B) and (b)(2)(C), by up to 20% of their values should it deem that
19 adjustment is necessary to implement the intent of this Section 317, to conserve existing
20 sound housing and preserve affordable housing.

21 (3) "Facade" shall mean an entire exterior wall assembly, including but not limited to
22 all finishes and siding, fenestration, doors, recesses, openings, bays, parapets, sheathing and
23 framing.

24 (4) "Front Facade" shall mean the portion of the Facade fronting a right-of-way, or
25 the portion of the Facade most closely complying with that definition, as in the case of a flag

1 lot. Where a lot has more than one frontage on rights-of-way. all such frontages shall be
2 considered Front Facades except where a facade meets the definition of "Rear Facade."

3 (5) "Horizontal Elements" shall mean all roof areas and all floor plates, except floor
4 plates at or below grade.

5 (6) "Mandatory Discretionary Review" shall mean a hearing before the Planning
6 Commission that is required by this Section 317 at which the Commission will determine
7 whether to approve, modify or disapprove a permit application.

8 (7) "Merger" shall mean the combining of two or more legal Residential Units,
9 resulting in a decrease in the number of Residential Units within a building, or the
10 enlargement of one or more existing units while substantially reducing the size of others by
11 more than 25% of their original floor area, even if the number of units is not reduced. The
12 Planning Commission may reduce the numerical element of this criterion by up to 20% of its
13 value should it deem that adjustment is necessary to implement the intent of this Section 317,
14 to conserve existing housing and preserve affordable housing.

15 (8) "Rear Facade" shall mean that portion of the Facade facing the part of a lot that
16 most closely complies with the applicable Planning Code rear yard requirements.

17 (9) "Removal" shall mean, with reference to a wall, roof or floor structure, its
18 dismantling, its relocation or its alteration of the exterior function by construction of a new
19 building element exterior to it. Where a portion of an exterior wall is removed, any remaining
20 wall with a height less than the Building Code requirement for legal head room shall be
21 considered demolished. Where exterior elements of a building are removed and replaced for
22 repair or maintenance, in like materials, with no increase in the extent of the element or
23 volume of the building, such replacement shall not be considered Removal for the purposes of
24 this Section. The foregoing does not supersede any requirements for or restrictions on
25 noncomplying structures and their reconstruction as governed by Article 1.7 of this Code.

1 (10) "Removal" shall mean, with reference to a Residential Unit, its Conversion,
2 Demolition, or Merger.

3 (11) "Residential Building" shall be mean any structure containing one or more
4 Residential Units as a principal use, regardless of any other uses present in the building.

5 (12) "Residential Unit" shall mean a legal conforming or non-conforming dwelling unit
6 as defined in Planning Code Section 102.7, or a legal non-conforming Live/Work Unit as
7 defined in Planning Code Section 102.13.

8 (13) "Vertical Envelope Elements" shall mean all exterior walls that provide weather
9 and thermal barriers between the interior and exterior of the building, or that provide structural
10 support to other elements of the building envelope.

11 (c) Applicability. Where an application for a permit that would result in the loss of
12 one or more Residential Units is required to obtain Conditional Use authorization by other
13 sections of this Code, the application for a replacement building or alteration permit shall also
14 be subject to Conditional Use requirements. Any application for a permit that would result in
15 the loss or Removal of three or more Residential Units, notwithstanding any other sections of
16 this Code, shall require a Conditional Use authorization for the Removal and replacement of
17 the units. Approval of any other application that would result in the loss or Removal of up to
18 two Residential Units is prohibited unless the Planning Commission approves such permit
19 application and the replacement structure permit application at a Mandatory Discretionary
20 Review hearing, with certain exceptions specified below.

21 (d) Loss of Residential Units Through Demolitions.

22 (1) No permit to Demolish a Residential Building in any zoning district shall be
23 issued until a building permit for the replacement structure is finally approved, unless the
24 building is determined to pose a serious and imminent hazard as defined in the Building Code.
25 A building permit is finally approved if the Board of Appeals has taken final action for approval

1 on an appeal of the issuance or denial of the permit or if the permit has been issued and the
2 time for filing an appeal with the Board of Appeal has lapsed with no appeal filed.

3 (2) If Conditional Use authorization is required for approval of the permit to
4 Demolish a Residential Building by other sections of this Code, the Commission shall consider
5 the replacement structure as part of its decision on the Conditional Use application. If
6 Conditional Use authorization is required for the replacement structure by other sections of
7 this Code, the Commission shall consider the demolition as part of its decision on the
8 Conditional Use application. In either case, Mandatory Discretionary Review is not required,
9 although the Commission shall apply appropriate criteria adopted under this Section 317 in
10 addition to the criteria in Section 303 of the Planning Code in its consideration of Conditional
11 Use authorization. If neither permit application is subject to Conditional Use authorization,
12 then separate Mandatory Discretion Review cases shall be heard to consider the permit
13 applications for the demolition and the replacement structure.

14 (3) For those applications to Demolish a Residential Building in districts that require
15 Mandatory Discretionary Review, administrative review criteria shall ensure that only
16 applications to demolish Single-Family Residential Buildings that are demonstrably not
17 affordable or financially accessible housing, or Residential Buildings of two units or fewer that
18 are found to be unsound housing, are exempt from Mandatory Discretionary Review hearings.
19 Specific numerical criteria for such analyses shall be adopted by the Planning Commission in
20 the Code Implementation Document, in accordance with this Section 317, and shall be
21 adjusted periodically by the Zoning Administrator based on established economic real estate
22 and construction indicators.

23 (A) The Planning Commission shall determine a level of affordability or financial
24 accessibility, such that Single-Family Residential Buildings on sites in RH-1 Districts that are
25 demonstrably not affordable or financially accessible, that is, housing that has a value greater

1 than at least 80% of the combined land and structure values of single-family homes in San
2 Francisco as determined by a credible appraisal, made within six months of the application to
3 demolish, are not subject to a Mandatory Discretionary Review hearing. The demolition and
4 replacement building applications shall undergo notification as required by other sections of
5 this Code. The Planning Commission, in the Code Implementation Document, may increase
6 the numerical criterion in this subsection by up to 10% of its value should it deem that
7 adjustment is necessary to implement the intent of this Section 317, to conserve existing
8 housing and preserve affordable housing.

9 (B) The Planning Commission, in the Code Implementation Document, shall adopt
10 criteria and procedures for determining the soundness of a structure proposed for demolition,
11 where "soundness" is an economic measure of the feasibility of upgrading a residence that is
12 deficient with respect to habitability and Housing Code requirements, due to its original
13 construction. The "soundness factor" for a structure shall be the ratio of a construction
14 upgrade cost (i.e., an estimate of the cost to repair specific habitability deficiencies) to the
15 replacement cost (i.e., an estimate of the current cost of building a structure the same size as
16 the existing building proposed for demolition), expressed as a percent. A building is unsound if
17 its soundness factor exceeds 50%. A Residential Building that is unsound may be approved
18 for demolition.

19 (C) The Planning Commission shall consider the following additional criteria in the
20 review of applications to demolish Residential Buildings:

- 21 (i) whether the property is free of a history of serious, continuing Code violations;
22 (ii) whether the housing has been maintained in a decent, safe, and sanitary
23 condition;
24 (iii) whether the property is an "historical resource" under CEQA;
25

1 (iv) whether the removal of the resource will have a substantial adverse impact
2 under CEQA;

3 (v) whether the project converts rental housing to other forms of tenure or
4 occupancy;

5 (vi) whether the project removes rental units subject to the Rent Stabilization and
6 Arbitration Ordinance;

7 (vii) whether the project conserves existing housing to preserve cultural and
8 economic neighborhood diversity;

9 (viii) whether the project conserves neighborhood character to preserve
10 neighborhood cultural and economic diversity;

11 (ix) whether the project protects the relative affordability of existing housing;

12 (x) whether the project increases the number of permanently affordable units as
13 governed by Section 315;

14 (xi) whether the project locates in-fill housing on appropriate sites in established
15 neighborhoods;

16 (xii) whether the project creates Quality, new family housing;

17 (xiii) whether the project creates new supportive housing;

18 (xiv) whether the project promotes construction of well-designed housing to enhance
19 existing neighborhood character;

20 (xv) whether the project increases the number of on-site dwelling units;

21 (xvi) whether the project increases the number of on-site bedrooms.

22 (4) Nothing in this Section is intended to permit the Demolition of Residential
23 Buildings in those areas of the City where other sections of this Code prohibit such demolition
24 or replacement structure.
25

1 (5) Nothing in this Section is intended to exempt buildings or sites where demolition
2 is proposed from undergoing review with respect to Articles 10 and 11 of the Code, where the
3 requirements of those articles apply. Notwithstanding the definition of "Demolition of
4 Residential Buildings" in this section and as further described in the Code Implementation
5 Document with regard to the loss of Residential Units, the criteria of Section 1005 shall apply
6 to projects subject to review under the requirements of Article 10 with regard to the structure
7 itself.

8 (e) Loss of Residential Units Through Merger.

9 (1) The Merger of Residential Units not otherwise subject to Conditional Use
10 authorization by this Code, shall be prohibited, unless the Planning Commission approves the
11 building permit application at a Mandatory Discretionary Review hearing, applying criteria in
12 subsection (2) below, or the project qualifies for administrative approval and the Planning
13 Department approves the project administratively in accordance with subsections (3) ~~and~~ or
14 (4) below.

15 (2) The Planning Commission shall consider these criteria in the review of
16 applications to merge Residential Units:

17 (i) whether removal of the unit(s) would eliminate only owner occupied housing,
18 and if so, for how long the unit(s) proposed to be removed have been owner occupied;

19 (ii) whether removal of the unit(s) and the merger with another is intended for owner
20 occupancy;

21 (iii) whether removal of the unit(s) will bring the building closer into conformance
22 with the prevailing density in its immediate area and in the same zoning district;

23 (iv) whether removal of the unit(s) will bring the building closer into conformance
24 with prescribed zoning;

25

1 (v) whether removal of the unit(s) is necessary to correct design or functional
2 deficiencies that cannot be corrected through interior alterations.

3 (3) Administrative review criteria shall ensure that only those Residential Units
4 proposed for Merger that are demonstrably not affordable or financially accessible housing
5 are exempt from Mandatory Discretionary Review hearings. Applications for which the least
6 expensive unit proposed for merger has a value greater than at least 80% of the combined
7 land and structure values of single-family homes in San Francisco, as determined by a
8 credible appraisal, made within six months of the application to merge, are not subject to a
9 Mandatory Discretionary Review hearing. The Planning Commission, in the Code
10 Implementation Document, may increase the numerical criterion in this subsection by up to
11 10% of its value should it deem that adjustment is necessary to implement the intent of this
12 Section 317, to conserve existing housing and preserve affordable housing.

13 (4) Projects that meet a supermajority of the merger criteria, in subsection (d)(2)
14 above, may be approved administratively by the Planning Department, consistent with this
15 Section 317.

16 (f) Loss of Residential Units Through Conversion.

17 (1) Conversion of Residential Units not otherwise subject to Conditional Use
18 authorization by this Code, shall be prohibited, unless the Planning Commission approves the
19 building permit application at a Mandatory Discretionary Review hearing.

20 (2) The Planning Commission shall consider these criteria in the review of
21 applications for Conversion of Residential Units;

22 (i) whether conversion of the unit(s) would eliminate only owner occupied housing,
23 and if so, for how long the unit(s) proposed to be removed were owner occupied;

24 (ii) whether conversion of the unit(s) would provide desirable new non-residential
25 use(s) appropriate for the neighborhood and adjoining district(s);

1 (iii) whether conversion of the unit(s) will bring the building closer into
2 conformance with the prevailing character of its immediate area and in the same zoning
3 district;

4 (iv) whether conversion of the unit(s) will be detrimental to the City's housing stock;

5 (v) whether conversion of the unit(s) is necessary to eliminate design, functional, or
6 habitability deficiencies that cannot otherwise be corrected.

7 (g) This Section 317 Shall Not Apply to Property:

8 (1) Owned by the United States or any of its agencies;

9 (2) Owned by the State of California or any of its agencies, with the exception of
10 such property not used exclusively for a governmental purpose;

11 (3) Under the jurisdiction of the Port of San Francisco or the San Francisco
12 Redevelopment Agency where the application of this ordinance is prohibited by State or local
13 law; or

14 (4) Where demolition of the building or Removal of a Residential Unit is necessary
15 to comply with a court order or City order that directs the owner to demolish the building or
16 remove the unit, due to conditions that present an imminent threat to life safety.

17 Section 24. The San Francisco Planning Code is hereby amended by amending
18 Section 602.25, to read as follows:

19 SEC. 602.25. HISTORIC MOVIE THEATER PROJECTING SIGN.

20 A projecting business sign attached to a Qualified Movie Theater, as defined in Section
21 188(e)(1), when such sign was originally constructed in association with the Qualified Movie
22 Theater or similar historic use. Such signs are typically characterized by (i) perpendicularity to
23 the primary facade of the building, (ii) fixed display of the name of the establishment, often in
24 large lettering descending vertically throughout the length of the sign; (iii) a narrow width that
25 extends for a majority of the vertical distance of a building's facade, typically terminating at or

1 slightly above the roofline, and (iv) an overall scale and nature such that the sign comprises a
2 significant and character defining architectural feature of the building to which it is attached.
3 Elimination or change of any lettering or other inscription from a movie theater projecting sign,
4 such as that which may occur with a change of ownership, change of use, or closure does not
5 preclude classification of the sign under this Section. For specific controls on the preservation,
6 rehabilitation, or restoration of these signs, refer to Section 188(e) of this Code.

7 Section 25. The San Francisco Planning Code is hereby amended by amending
8 Section 602.26, to read as follows:

9 SEC. 602.26. HISTORIC MOVIE THEATER MARQUEE.

10 A marquee, as defined in Section 790.58, attached to a Qualified Movie Theater, as defined in
11 Section 188(e)(1), when such marquee was originally constructed in association with a movie
12 theater or similar historic use. Elimination or change of any lettering or other inscription from a
13 movie theater marquee, such as that which may occur with a change of ownership, change of
14 use or closure, does not preclude classification of the marquee under this Section. For
15 specific controls on the preservation, rehabilitation, or restoration of these signs, refer to Section
16 188(e) of this Code.

17 Section 26. The San Francisco Planning Code is hereby amended by amending
18 Section 607.1, to read as follows:

19 SEC. 607.1. NEIGHBORHOOD COMMERCIAL DISTRICTS.

20 Signs located in Neighborhood Commercial Districts shall be regulated as provided herein,
21 except for those signs which are exempted by Section 603 of this Code. In the event of
22 conflict between the provisions of Section 607.1 and other provisions of Article 6, the
23 provisions of Section 607.1 shall prevail in Neighborhood Commercial Districts, provided that
24 with respect to properties also located in the Upper Market Special Sign District, the
25 provisions of Section 608.10 of this Code shall prevail.

1 (a) Purposes and Findings. In addition to the purposes stated in Sections 101 and
2 601 of this Code, the following purposes apply to Neighborhood Commercial Districts. These
3 purposes constitute findings that form a basis for regulations and provide guidance for their
4 application.

5 (1) As Neighborhood Commercial Districts change, they need to maintain their
6 attractiveness to customers and potential new businesses alike. Physical amenities and a
7 pleasant appearance will profit both existing and new enterprises.

8 (2) The character of signs and other features projecting from buildings is an
9 important part of the visual appeal of a street and the general quality and economic stability of
10 the area. Opportunities exist to relate these signs and projections more effectively to street
11 design and building design. These regulations establish a framework that will contribute
12 toward a coherent appearance of Neighborhood Commercial Districts.

13 (3) Neighborhood Commercial Districts are typically mixed use areas with
14 commercial units on the ground or lower stories and residential uses on upper stories.
15 Although signs and other advertising devices are essential to a vital commercial district, they
16 should not be allowed to interfere with or diminish the livability of residential units within a
17 Neighborhood Commercial District or in adjacent residential districts.

18 (4) The scale of most Neighborhood Commercial Districts as characterized by
19 building height, bulk, and appearance, and the width of streets and sidewalks differs from that
20 of other commercial and industrial districts. Sign sizes should relate and be compatible with
21 the surrounding district scale.

22 (b) Signs or Sign Features Not Permitted in NC Districts. Roof signs as defined in
23 Section 602.16 of this Code, wind signs as defined in Section 602.22 of this Code, and signs
24 on canopies, as defined in Section 136.1(b) of this Code, are not permitted in NC Districts. No
25 sign shall have or consist of any moving, rotating, or otherwise physically animated part, or

lights that give the appearance of animation by flashing, blinking, or fluctuating, except as permitted by Section 607.1(i) of this Code. In addition, all signs or sign features not otherwise specifically regulated in this Section 607.1 shall be prohibited.

(c) Identifying Signs. Identifying signs, as defined in Section 602.10, shall be permitted in all Neighborhood Commercial Districts subject to the limits set forth below.

(1) One sign per lot shall be permitted and such sign shall not exceed 20 square feet in area. The sign may be a freestanding sign, if the building is recessed from the street property line, or may be a wall sign or a projecting sign. The existence of a freestanding identifying sign shall preclude the erection of a freestanding business sign on the same lot. A wall or projecting sign shall be mounted on the first-story level; a freestanding sign shall not exceed 15 feet in height. Such sign may be nonilluminated, indirectly illuminated, or directly illuminated.

(2) One sign identifying a shopping center or shopping mall shall be permitted subject to the conditions in Paragraph (1), but shall not exceed 30 square feet in area. Any sign identifying a permitted use listed in zoning categories .40 through .70 in Section 703.2(a) in an NC District shall be considered a business sign and subject to Section 607.1(f) of this Code. Such signs may be nonilluminated, indirectly illuminated, or directly illuminated during the hours of operation of the businesses in the shopping center or shopping mall.

(d) Nameplates. One nameplate, as defined in Section 602.12 of this Code, not exceeding an area of two square feet, shall be permitted for each noncommercial use in NC Districts.

(e) General Advertising Signs. General advertising signs, as defined in Section 602.7, shall be permitted in Neighborhood Commercial Districts, except in the Inner Sunset Neighborhood Commercial District where they are not permitted, as provided for below. In NC Districts where such signs are permitted, general advertising signs may be either a wall sign

1 or freestanding, provided that the surface of any freestanding sign shall be parallel to and
2 within three feet of an adjacent building wall. In either case, the building wall shall form a
3 complete backdrop for the sign, as the sign is viewed from all points from a street or alley from
4 which it is legible. No general advertising sign shall be permitted to cover part or all of any
5 windows. Any extension of the copy beyond the rectangular perimeter of the sign shall be
6 included in the calculation of the sign, as defined in Section 602.1(a) of this Code.

7 (1) NC-2, NCT-2, and NC-S Districts. No more than one general advertising sign
8 shall be permitted per lot or in NC-S Districts, per district. Such sign shall not exceed 72
9 square feet in area nor exceed 12 feet in height. Such sign may be either nonilluminated or
10 indirectly illuminated.

11 (2) NC-3, NCT-3, and Broadway Districts. No more than one general advertising
12 sign not exceeding 300 square feet or two general advertising signs of 72 square feet each
13 shall be permitted per lot. The height of any such sign shall not exceed 24 feet, or the height
14 of the wall to which it is attached, or the height of the lowest of any residential windowsills on
15 the wall to which it is attached, whichever is lower, if a wall sign, or the adjacent wall or the top
16 of the adjacent wall if a freestanding sign, whichever is lower.

17 (A) NC-3 and NCT-3 Districts. Signs may be either nonilluminated or indirectly
18 illuminated.

19 (f) Business Signs. Business signs, as defined in Section 602.3 shall be permitted
20 in all Neighborhood Commercial Districts subject to the limits set forth below.

21 (1) NC-1 and NCT-1 Districts.

22 (A) Window Signs. The total area of all window signs, as defined in Section
23 602.1(b), shall not exceed 1/3 the area of the window on or in which the signs are located.
24 Such signs may be nonilluminated, indirectly illuminated, or directly illuminated.
25

1 (B) Wall Signs. The area of all wall signs shall not exceed one square foot per
2 square foot of street frontage occupied by the business measured along the wall to which the
3 signs are attached, or 50 square feet for each street frontage, whichever is less. The height of
4 any wall sign shall not exceed 15 feet or the height of the wall to which it is attached. Such
5 signs may be nonilluminated or indirectly illuminated; or during business hours, may be
6 directly illuminated.

7 (C) Projecting Signs. The number of projecting signs shall not exceed one per
8 business. The area of such sign, as defined in Section 602.1(a), shall not exceed 24 square
9 feet. The height of such sign shall not exceed 15 feet or the height of the wall to which it is
10 attached. No part of the sign shall project more than 75 percent of the horizontal distance from
11 the street property line to the curblineline, or six feet six inches, whichever is less. The sign may
12 be nonilluminated or indirectly illuminated, or during business hours, may be directly
13 illuminated.

14 (D) Signs on Awnings. Sign copy may be located on permitted awnings in lieu of
15 wall signs and projecting signs. The area of such sign copy as defined in Section 602.1(c)
16 shall not exceed 20 square feet. Such sign copy may be nonilluminated or indirectly
17 illuminated.

18 (2) NC-2, NCT-2, NC-S, Broadway, Castro Street, Inner Clement Street, Outer
19 Clement Street, Upper Fillmore Street, Inner Sunset, Haight Street, Hayes-Gough, Upper

22 Portal Avenue Neighborhood Commercial Districts.

23 (A) Window Signs. The total area of all window signs, as defined in Section
24 602.1(b), shall not exceed 1/3 the area of the window on or in which the signs are located.
25 Such signs may be nonilluminated, indirectly illuminated, or directly illuminated.

1 (B) Wall Signs. The area of all wall signs shall not exceed two square feet per foot
2 of street frontage occupied by the use measured along the wall to which the signs are
3 attached, or 100 square feet for each street frontage, whichever is less. The height of any wall
4 sign shall not exceed 24 feet, or the height of the wall to which it is attached, or the height of
5 the lowest of any residential windowsill on the wall to which the sign is attached, whichever is
6 lower. Such signs may be nonilluminated, indirectly, or directly illuminated.

7 (C) Projecting Signs. The number of projecting signs shall not exceed one per
8 business. The area of such sign, as defined in Section 602.1(a), shall not exceed 24 square
9 feet. The height of such sign shall not exceed 24 feet, or the height of the wall to which it is
10 attached, or the height of the lowest of any residential windowsill on the wall to which the sign
11 is attached, whichever is lower. No part of the sign shall project more than 75 percent of the
12 horizontal distance from the street property line to the curblin, or six feet six inches,
13 whichever is less. Such signs may be nonilluminated or indirectly illuminated; or during
14 business hours, may be directly illuminated.

15 (D) Signs on Awnings and Marquees. Sign copy may be located on permitted
16 awnings or marquees in lieu of projecting signs. The area of such sign copy as defined in
17 Section 602.1(c) shall not exceed 30 square feet. Such sign copy may be nonilluminated or
18 indirectly illuminated; except that sign copy on marquees for movie theaters or places of
19 entertainment may be directly illuminated during business hours.

20 (E) Freestanding Signs and Sign Towers. With the exception of automotive gas and
21 service stations, which are regulated under Paragraph 607.1(f)(4), one freestanding sign or
22 sign tower per lot shall be permitted in lieu of a projecting sign, if the building or buildings are
23 recessed from the street property line. The existence of a freestanding business sign shall
24 preclude the erection of a freestanding identifying sign on the same lot. The area of such
25 freestanding sign or sign tower, as defined in Section 602.1(a), shall not exceed 20 square

1 feet nor shall the height of the sign exceed 24 feet. No part of the sign shall project more than
2 75 percent of the horizontal distance from the street property line to the curblineline, or six feet,
3 whichever is less. Such signs may be nonilluminated or indirectly illuminated; or during
4 business hours, may be directly illuminated.

5 (3) Mission Street NCT. NC-3, and NCT-3 Neighborhood Commercial Districts.

6 (A) Window Signs. The total area of all window signs, as defined in Section
7 602.1(b), shall not exceed 1/3 the area of the window on or in which the signs are located.
8 Such signs may be nonilluminated, indirectly illuminated, or directly illuminated.

9 (B) Wall Signs. The area of all wall signs shall not exceed three square feet per foot
10 of street frontage occupied by the use measured along the wall to which the signs are
11 attached, or 150 square feet for each street frontage, whichever is less. The height of any wall
12 sign shall not exceed 24 feet, or the height of the wall to which it is attached, or the height of
13 the lowest of any residential windowsill on the wall to which the sign is attached, whichever is
14 lower. Such signs may be nonilluminated, indirectly, or directly illuminated.

15 (C) Projecting Signs. The number of projecting signs shall not exceed one per
16 business. The area of such sign, as defined in Section 602.1(a), shall not exceed 32 square

23 permanent and temporary signs as covered in Subparagraph (B) below shall not be included
24 in the calculation of the areas specified in this Subparagraph.

1 (B) Other permanent and temporary business signs, not to exceed 30 square feet in
2 area for each such sign or a total of 180 square feet for all such signs on the premises. No
3 such sign shall extend above the roofline if attached to a building, or in any case project
4 beyond any street property line or building setback line.

5 (g) Temporary Signs. One temporary nonilluminated or indirectly illuminated sale or
6 lease sign or nonilluminated sign of persons and firms connected with work on buildings under
7 actual construction or alteration, giving their names and information pertinent to the project

9 regulations of Subsection 607.1(f) for business signs in the respective NC District in which the
10 sign is to be located. All temporary signs shall be promptly removed upon completion of the
11 activity to which they pertain.

11 inconsistent with this Code and under such conditions as may be imposed by such authorities.

12 (2) Maintenance. Every sign pertaining to an active establishment shall be
13 adequately maintained in its appearance. When the activity for which the business sign has
14 been posted has ceased operation for more than 90 days within the Chinatown Mixed Use
15 Districts, all signs pertaining to that business activity shall be removed after that time.

16 (3) Temporary Signs. The provisions of Section 607.1(g) of this Code shall apply.

3 A use is the specific purpose for which a property or building is used, occupied,
4 maintained, or leased. Whether or not a use is permitted in a specific district is set forth or
5 summarized and cross-referenced in Sections 710.1 through 730.95 of this Code for each
6 district class.

7 (a) Use Categories. The uses, functions, or activities, which are permitted in each
8 Neighborhood Commercial District class include those listed below by zoning control category

21 include those uses set forth or summarized and cross-referenced in the zoning control
22 categories as listed in Paragraph (a) in Sections 710.1 through 729.95 of this Code for each
23 district class.

24 (1) Permitted Uses. All permitted uses shall be conducted within an enclosed
25 building in Neighborhood Commercial Districts, unless otherwise specifically allowed in this

Code. Exceptions from this requirement are: uses which, when located outside of a building, qualify as an outdoor activity area, as defined in Section 790.70 of this Code; accessory off-street parking and loading and other uses listed below which function primarily as open-air uses, or which may be appropriate if located on an open lot, outside a building, or within a partially enclosed building, subject to other limitations of this Article 7 and other sections of this Code.

If there are two or more uses in a structure and none is classified below under Section 703.2(b)(1)(C) of this Code as accessory, then each of these uses will be considered separately as independent principal, conditional or temporary uses.

(A) Principal Uses. Principal uses are permitted as of right in a Neighborhood Commercial District, when so indicated in Sections 710.1 through 729.95 of this Code for each district class.

(B) Conditional Uses. Conditional uses are permitted in a Neighborhood Commercial District when authorized by the Planning Commission; whether a use is conditional in a given district is indicated in Sections 710.10 through 729.95. Conditional uses

1 are subject to the provisions set forth in Sections 178, 179, 303, and 316 through 316.8 of this
2 Code.

3 (i) An establishment which sells beer or wine with motor vehicle fuel is a conditional
4 use, and shall be governed by Section 229.

5 (ii) Notwithstanding any other provision of this Article, a change in use or demolition
6 of a movie theater use, as set forth in Section 790.64, shall require conditional use
7 authorization. This Subsection shall not authorize a change in use if the new use or uses are
8 otherwise prohibited.

9 (iii) Notwithstanding any other provision of this Article, a change in use or demolition
10 of a general grocery store use, as defined in Section 790.102(a), which use exceeds 5,000
11 gross square feet shall require conditional use authorization. This Subsection shall not
12 authorize a change in use if the new use or uses are otherwise prohibited.

13 (C) Accessory Uses. Except as prohibited in Section 728 and subject to the
14 limitations set forth below and in Sections 204.1 (Accessory Uses for Dwelling Units in R and
15 NC Districts), 204.4 (Dwelling Units Accessory to Other Uses), and 204.5 (Parking and
16 Loading as Accessory Uses) of this Code, a related minor use which is either necessary to the
17 operation or enjoyment of a lawful principal use or conditional use, or is appropriate, incidental
18 and subordinate to any such use, shall be permitted as an accessory use when located on the
19 same lot. Any use which does not qualify as an accessory use shall be classified as a
20 principal or conditional use, unless it qualifies as a temporary use under Sections 205 through
21 205.2 of this Code.

22 No use will be considered accessory to a permitted principal or conditional use which
23 involves or requires any of the following:

24 (i) The use of more than 1/3 of the total floor area occupied by such use and the
25 principal or conditional use to which it is accessory, except in the case of accessory off-street

1 parking and loading;

2 (ii) Any bar, restaurant, other entertainment, or any retail establishment which
3 serves liquor for consumption on-site;

4 (iii) Any take-out food use, as defined in Section 790.122, except for a take-out food
5 use which occupies ~~100~~ 1/3 of the total floor area or up to 500 s/f whichever is more restrictive ~~or~~
6 less in a general grocery or specialty grocery store, ;- This take-out food use includes the area
7 devoted to food preparation and service and excludes storage and waiting areas;

8 (iv) Any take-out food use, as defined in Section 790.122, except for a take-out food
9 use operating as a minor and incidental use within a full-service restaurant;

10 premises of an establishment which does not also use or provide for primarily retail
11 sale of such foods, goods or commodities at the same location where such wholesaling,
12 manufacturing or processing takes place.

13 (vi) Any retail liquor sales, as defined in Section 790.55, except for beer, wine,
14 and/or liquor sales for the consumption off the premises with a State of California Alcoholic
15 Beverage Control ("ABC") Board License type (off-sale beer and wine) or type 21 (off-sale
16 general) which occupy less than 15% of the gross square footage of the establishment
17 (including all areas devoted to the display and sale of alcoholic beverages) in a general
18 grocery store, specialty grocery store, or self-service specialty food use.

19 (vii) Medical Cannabis Dispensaries as defined in 790.141.

20 The foregoing rules shall not prohibit take-out food activity which operates in
21 conjunction with a fast-food restaurant or a self-service restaurant. A fast-food restaurant or a
22 self-service restaurant, by definition, includes take-out food as an accessory and necessary
23 part of its operation.

24 (D) Temporary Uses. Temporary uses are permitted uses, subject to the provisions
25 set forth in Section 205 of this Code.

1 (2) Not Permitted Uses.

2 (A) Uses which are not specifically listed in this Article are not permitted unless they
3 qualify as a nonconforming use pursuant to Sections 180 through 186.1 of this Code or are
4 determined by the Zoning Administrator to be permitted uses in accordance with Section
5 307(a) of this Code.

6 (B) No use, even though listed as a permitted use, shall be permitted in a
7 Neighborhood Commercial District which, by reason of its nature or manner of operation,
8 creates conditions that are hazardous, noxious, or offensive through the emission of odor,
9 fumes, smoke, cinders, dust, gas, vibration, glare, refuse, water-carried waste, or excessive
10 noise.

11 (C) The establishment of a use that sells alcoholic beverages, other than beer and
12 wine, concurrent with motor vehicle fuel is prohibited, and shall be governed by Section 229.
13 Except in the SoMa NCT, where these uses are permitted accessory uses.

14 Section 31. The San Francisco Planning Code is hereby amended by amending
15 Section 710.1, to read as follows:

16 SEC. 710.1. NC-1 — NEIGHBORHOOD COMMERCIAL CLUSTER DISTRICT

17 NC-1 Districts are intended to serve as local neighborhood shopping districts, providing
18 convenience retail goods and services for the immediately surrounding neighborhoods
19 primarily during daytime hours.

20 These NC-1 Districts are characterized by their location in residential neighborhoods,
21 often in outlying areas of the City. The commercial intensity of these districts varies. Many of
22 these districts have the lowest intensity of commercial development in the City, generally
23 consisting of small clusters with three or more commercial establishments, commonly grouped
24 around a corner; and in some cases short linear commercial strips with low-scale,
25 interspersed mixed-use (residential-commercial) development.

1 Building controls for the NC-1 District promote low-intensity development which is
 2 compatible with the existing scale and character of these neighborhood areas. Commercial
 3 development is limited to one story. Rear yard requirements at all levels preserve existing
 4 backyard space.

5 NC-1 commercial use provisions encourage the full range of neighborhood-serving
 6 convenience retail sales and services at the first story provided that the use size generally is
 7 limited to 3,000 square feet. However, commercial uses and features which could impact
 8 residential livability are prohibited, such as auto uses, financial services, general advertising
 9 signs, drive-up facilities, hotels, and late-night activity; eating and drinking establishments are
 10 restricted, depending upon the intensity of such uses in nearby commercial districts.

11 Housing development in new buildings is encouraged above the ground story in most
 12 districts. Existing residential units are protected by prohibitions of conversions above the
 13 ground story and limitations on demolitions.

Section 32. The San Francisco Planning Code is hereby amended by amending Section 711.1, to read as follows:

SEC 711.1. NC-2 — SMALL-SCALE NEIGHBORHOOD COMMERCIAL DISTRICT.

The NC-2 District is intended to serve as the City's Small-Scale Neighborhood Commercial District. These districts are linear shopping streets which provide convenience goods and services to the surrounding neighborhoods as well as limited comparison shopping goods for a wider market. The range of comparison goods and services offered is varied and often includes specialty retail stores, restaurants, and neighborhood-serving offices. NC-2 Districts are commonly located along both collector and arterial streets which have transit routes.

1 These districts range in size from two or three blocks to many blocks, although the
 2 commercial development in longer districts may be interspersed with housing or other land
 3 uses. Buildings typically range in height from two to four stories with occasional one-story
 4 commercial buildings.

5 The small-scale district controls provide for mixed-use buildings which approximate or
 6 slightly exceed the standard development pattern. Rear yard requirements above the ground
 7 story and at residential levels preserve open space corridors of interior blocks. Most new
 8 commercial development is permitted at the ground and second stories. Neighborhood-
 9 serving businesses are strongly encouraged. Eating and drinking and entertainment uses,
 10 however, are confined to the ground story. The second story may be used by some retail
 11 stores, personal services, and medical, business and professional offices. Parking and hotels
 12 are monitored at all stories. Limits on late-night activity, drive-up facilities, and other
 13 automobile uses protect the livability within and around the district, and promote continuous
 14 retail frontage.

15 Housing development in new buildings is encouraged above the ground story. Existing
 16 residential units are protected by limitations on demolition and upper-story conversions.

Section 33. The San Francisco Planning Code is hereby amended by amending Section 712.1, to read as follows:

SEC. 712.1. NC-3 — MODERATE-SCALE NEIGHBORHOOD COMMERCIAL DISTRICT.

NC-3 Districts are intended in most cases to offer a wide variety of comparison and specialty goods and services to a population greater than the immediate neighborhood, additionally providing convenience goods and services to the surrounding neighborhoods.

1 NC-3 Districts are linear districts located along heavily trafficked thoroughfares which also
2 serve as major transit routes.

3 NC-3 Districts include some of the longest linear commercial streets in the City, some
4 of which have continuous retail development for many blocks. Large-scale lots and buildings
5 and wide streets distinguish the districts from smaller-scaled commercial streets, although the
6 districts may include small as well as moderately scaled lots. Buildings typically range in
7 height from two to four stories with occasional taller structures.

8 NC-3 building standards permit moderately large commercial uses and buildings. Rear
9 yards are protected at residential levels.

10 A diversified commercial environment is encouraged for the NC-3 District, and a wide
11 variety of uses are permitted with special emphasis on neighborhood-serving businesses.
12 Eating and drinking, entertainment, financial service and certain auto uses generally are
13 permitted with certain limitations at the first and second stories. Other retail businesses,
14 personal services and offices are permitted at all stories of new buildings. Limited storage and
15 administrative service activities are permitted with some restrictions.

16 Housing development in new buildings is encouraged above the second story. Existing
17 residential units are protected by limitations on demolitions and upper-story conversions.

Section 34. The San Francisco Planning Code is hereby amended by amending Section 714.1, to read as follows:

SEC. 714.1 – BROADWAY NEIGHBORHOOD COMMERCIAL DISTRICT.

The Broadway Neighborhood Commercial District, located in the northeast quadrant of San Francisco, extends along Broadway from west of Columbus Avenue to Osgood Place. It is part of a larger commercial area which includes North Beach to the north, Chinatown to the

1 south and west, and Jackson Square to the southeast. Broadway's fame and popularity as a
 2 Citywide and regional entertainment district is derived from a concentration of nightclubs,
 3 music halls, adult theaters, bars, and restaurants between Grant Avenue and Montgomery
 4 Street. These places attract locals and visitors alike, mainly in the evening and late-night
 5 hours. In addition to the entertainment and some retail businesses, Broadway contains many
 6 upper-story residential hotels. Due to its proximity to downtown, there is strong pressure to
 7 develop upper-story offices.

8 The Broadway District controls are designed to encourage development that is
 9 compatible with the existing moderate building scale and mixed-use character, and maintain
 10 the district's balance of entertainment uses, restaurants, and small-scale retail stores. New
 11 buildings exceeding 40 feet in height will be carefully reviewed and rear yards at residential
 12 levels are protected. Most commercial uses in new buildings are permitted at the first two
 13 stories. Neighborhood-serving businesses are strongly encouraged. In order to protect the
 14 livability of the area, limitations apply to new fast-food restaurants and adult entertainment
 15 uses at the first and second stories, as well as late-night activity. Financial services are
 16 allowed on the ground story subject to certain limitations. Nonretail offices are prohibited in
 17 order to prevent encroachment of the adjoining downtown office uses. Due to the high traffic
 18 volume on Broadway, most automobile and drive-up uses are prohibited in order to prevent
 19 further traffic congestion. Parking garages are permitted if their ingress and egress do not
 20 disrupt the traffic flow on Broadway.

21 Housing development in new buildings is encouraged above the second story. Existing
 22 housing is protected by limitations on demolitions and upper-story conversions.

Section 36. The San Francisco Planning Code is hereby amended by amending Section 716.1, to read as follows:

1 SEC. 716.1. - INNER CLEMENT STREET NEIGHBORHOOD COMMERCIAL
2 DISTRICT.

3 The Inner Clement Street Commercial District is located on Clement Street between
4 Arguello Boulevard and Funston Avenue in the eastern portion of the Richmond District of
5 northwest San Francisco. The district provides a wide selection of convenience goods and
6 services for the residents of the Inner Richmond neighborhood. Inner Clement Street has one
7 of the greatest concentrations of restaurants of any commercial street in San Francisco,
8 drawing customers from throughout the City and region. There are also a significant number
9 of professional, realty, and business offices as well as financial institutions. The pleasant
10 pedestrian character of the district is derived directly from the intensely active retail frontage
11 on Clement Street.

12 The Inner Clement Street District controls are designed to promote development that is
13 consistent with its existing land use patterns and to maintain a harmony of uses that supports
14 the district's vitality. The building standards allow small-scale buildings and uses, protecting
15 rear yards above the ground story and at residential levels. In new development, most
16 commercial uses are permitted at the first two stories, although certain limitations apply to
17 uses at the second story. Special controls are necessary to preserve the equilibrium of
18 neighborhood-serving convenience and comparison shopping businesses and protect
19 adjacent residential livability. These controls prohibit additional financial service and limit
20 additional eating and drinking establishments, late-night commercial uses and ground-story
21 entertainment uses. In order to maintain the street's active retail frontage, controls also
22 prohibit most new automobile and drive-up uses.

23 Housing development is encouraged in new buildings above the ground story. Existing
24 residential units are protected by prohibitions on upper-story conversions and limitations on
25 demolitions.

Section 37. The San Francisco Planning Code is hereby amended by amending Section 717.1, to read as follows:

SEC. 717.1. - OUTER CLEMENT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Outer Clement Street Neighborhood Commercial District is located on Clement Street between 19th Avenue and 27th Avenue in the western portion of the Richmond District. The shopping area contains small-scale convenience businesses, as well as many restaurants and a movie theater. The district's restaurants serve a neighborhood and Citywide clientele during the evening hours, while convenience shopping uses cater for the most part to daytime neighborhood shoppers. Outer Clement Street contains many mixed-use buildings with some fully commercial and fully residential buildings interspersed between them.

The Outer Clement Street District controls are designed to promote development that is in keeping with the district's existing small-scale, mixed-use character. The building standards monitor large-scale development and protect rear yards at all levels. Future commercial growth is directed to the ground story in order to promote more continuous and active retail frontage. Additional eating and drinking establishments are prohibited, while ground-story

entertainment and financial service uses are monitored in order to limit the problems of traffic, congestion, noise and late-night activity associated with such uses and to protect existing neighborhood-serving businesses. Other controls restricting late-night activity, hotels, automobile uses, and drive-up facilities are designed to preserve the low-intensity character of the district.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by prohibitions of upper-story conversions and limitations on demolitions.

Section 38. The San Francisco Planning Code is hereby amended by amending Section 718.1, to read as follows:

SEC. 718.1. - UPPER FILLMORE STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Upper Fillmore Street Neighborhood Commercial District is situated in the south-central portion of Pacific Heights. It runs north-south along Fillmore Street from Jackson to Bush and extends west one block along California and Pine Streets. This medium-scaled, multi-purpose commercial district provides convenience goods to its immediate neighborhood as well as comparison shopping goods and services on a specialized basis to a wider trade

1 area. Commercial businesses are active during both day and evening and include a number
 2 of bars, restaurants, specialty groceries, and specialty clothing stores.

3 The Upper Fillmore District controls are designed to protect the existing building scale
 4 and promote new mixed-use development which is in character with adjacent buildings.
 5 Building standards regulate large lot and use development and protect rear yards above the
 6 ground story and at residential levels. Most commercial uses are permitted at the first two
 7 stories of new buildings. Special controls are designed to preserve the existing equilibrium of
 8 neighborhood-serving convenience and specialty commercial uses. In order to maintain
 9 convenience stores and protect adjacent livability, additional eating and drinking
 10 establishments are prohibited and ground-story entertainment and financial service uses are
 11 limited. In order to promote continuous retail frontage, drive-up and most automobile uses are
 12 prohibited.

13 Housing development in new buildings is encouraged above the second story. Existing
 14 residential units are protected by limitations on demolitions and upper-story conversions.

1 Section 39. The San Francisco Planning Code is hereby amended by amending
2 Section 719.1, to read as follows:

3 SEC. 719.1 – HAIGHT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

4 Northwest of the City's geographical center, the Haight Street Neighborhood
5 Commercial District is located in the Haight-Ashbury neighborhood, extending along Haight
6 Street between Stanyan and Central Avenue, including a portion of Stanyan Street between
7 Haight and Beulah. The shopping area provides convenience goods and services to local
8 Haight-Ashbury residents, as well as comparison shopping goods and services to a larger
9 market area. The commercial district is also frequented by users of Golden Gate Park on
10 weekends and by City residents for its eating, drinking, and entertainment places. Numerous
11 housing units establish the district's mixed residential-commercial character.

12 The Haight Street District controls are designed to protect the existing building scale
13 and promote new mixed-use development which is in character with adjacent buildings. The
14 building standards regulate large-lot and use development and protect rear yards above the
15 ground story and at residential levels. To promote the prevailing mixed-use character, most
16 commercial uses are directed primarily to the ground story with some upper-story restrictions
17 in new buildings. In order to maintain the balanced mix and variety of neighborhood-serving
18 commercial uses and regulate the more intensive commercial uses which can generate
19 congestion and nuisance problems, special controls prohibit additional drinking uses, limit
20 additional eating establishments, restrict expansion and intensification of existing eating and
21 drinking establishments, and limit entertainment and tourist hotels. Prohibitions of most
22 automobile and drive-up uses protect the district's continuous retail frontage.

23 Housing development in new buildings is encouraged above the ground story. Existing
24 residential units are protected by prohibition of upper-story conversions and limitations on
25 demolitions.

Section 40. The San Francisco Planning Code is hereby amended by amending Section 720.1, to read as follows:

SEC. 720.1. NC-1 — NEIGHBORHOOD COMMERCIAL CLUSTER DISTRICT.

The Hayes-Gough Neighborhood Commercial Transit District is located within walking distance of the Civic Center, lying west of Franklin Street and east of Laguna Street, with its southern edge generally at Lily Street, with an extension south along both sides of Octavia Boulevard to Market Street. This mixed-use commercial district contains a limited range of retail commercial activity, which primarily caters to the immediate need of the neighborhood. The few comparison goods that it does provide attract clientele from a wider area outside its neighborhood, mostly the Performing Arts and Civic Center workers and visitors. There are a number of restaurants and art galleries, but other types of retail activity are limited.

1 The Hayes-Gough District controls are designed to allow for growth and expansion that
 2 is compatible with the existing building and use scales. Building standards protect the
 3 moderate building and use size and require rear yards at residential levels. To maintain the
 4 mixed-use character of the district, most commercial uses are permitted at the first and
 5 second stories and housing is strongly encouraged at the third story and above. In order to
 6 encourage lively pedestrian-oriented commercial activity, but restrict certain sensitive and
 7 problematic uses, eating and drinking, and entertainment uses are directed to the ground
 8 story. Retail sales activity, especially neighborhood-serving businesses, is further promoted
 9 by restricting new ground-story medical, business and professional offices. To protect
 10 continuous frontage, drive-up and most automobile uses are prohibited, above-ground parking
 11 is required to be setback or below ground, and active, pedestrian-oriented ground floor uses
 12 are required on Hayes Street and portions of Octavia Boulevard.

13 Housing development in new buildings is encouraged above the second story, and is
 14 controlled not by lot area but by physical envelope controls. Existing residential units are
 15 protected by limitations on demolitions, mergers, subdivisions, and upper-story conversions.
 16 Given the area's central location and accessibility to the downtown and to the City's transit
 17 network, accessory parking for residential uses is not required. The code controls for this
 18 district are supported and augmented by design guidelines and policies in the Market and
 19 Octavia Area Plan of the General Plan.

<u>720.68</u>	<u>§ 249.35</u>	<i>Fringe financial services are P subject to the restrictions set forth in Section 249.35, including, but not limited to, the proximity restrictions set forth in Subsection 249.35(c)(3).</i>

Section 41. The San Francisco Planning Code is hereby amended by amending Section 721.1, to read as follows:

SEC. 721.1. - UPPER MARKET STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Upper Market Street Neighborhood Commercial District, on Market Street from Church to Castro, and on side streets off Market, is situated at the border of the Eureka Valley, Buena Vista, and Duboce Triangle neighborhoods. Upper Market Street is a multi-purpose commercial district that provides limited convenience goods to adjacent neighborhoods, but also serves as a shopping street for a broader trade area. A large number of offices are located on Market Street within easy transit access to downtown. The width of Market Street and its use as a major arterial diminish the perception of the Upper Market Street District as a single commercial district. The street appears as a collection of dispersed centers of commercial activity, concentrated at the intersections of Market Street with secondary streets.

1 The Upper Market Street district controls are designed to promote moderate-scale
 2 development which contributes to the definition of Market Street's design and character. They are also
 3 intended to preserve the existing mix of commercial uses and maintain the livability of the district and
 4 its surrounding residential areas. Large-lot and use development is reviewed for consistency with
 5 existing development patterns. Rear yards are protected at residential levels. To promote mixed-use
 6 buildings, most commercial uses are permitted with some limitations above the second story. In order
 7 to maintain continuous retail frontage and preserve a balanced mix of commercial uses, ground-story
 8 neighborhood-serving uses are encouraged, and eating and drinking, entertainment, and financial
 9 service uses are limited. Continuous frontage is promoted by prohibitions of most automobile and
 10 drive-up uses.

11 Housing development in new buildings is encouraged above the second story. Existing upper-
 12 story residential units are protected by limitations on demolitions and upper-story conversions.

Section 42. The San Francisco Planning Code is hereby amended by amending Section 722.1, to read as follows:

SEC. 722.1. NORTH BEACH NEIGHBORHOOD COMMERCIAL DISTRICT.

The North Beach Neighborhood Commercial District is a nonlinear district centered on Columbus Avenue, located in the valley between Telegraph Hill and Russian Hill north of Broadway. North Beach functions as a neighborhood-serving marketplace, citywide specialty shopping, and dining district, and a tourist attraction, as well as an apartment and residential hotel zone. Traditionally, the district has provided most convenience goods and services for residents of North Beach and portions of Telegraph and Russian Hills. North Beach's eating, drinking, and entertainment establishments remain open into the evening to serve a much wider trade area and attract many tourists. The balance between neighborhood-serving convenience stores and Citywide specialty businesses has shifted, as convenience stores have been replaced by restaurants and bars. The proliferation of financial services, limited financial services, and business and professional services has also upset the district's balance of uses. The relocation of business and professional offices from downtown to North Beach threatens the loss of upper-story residential units.

1 The North Beach District controls are designed to ensure the livability and
2 attractiveness of North Beach. Building standards limit new development to a small to
3 moderate scale. Rear yards are protected above the ground story and at residential levels.
4 Most new commercial development is permitted at the first two stories. Small-scale,
5 neighborhood-serving businesses are strongly encouraged and formula retail uses are
6 prohibited. Use sizes are controlled to limit future consolidation of spaces and to encourage
7 conversion back to the traditional small-scale commercial spaces. Special controls are
8 necessary because an over-concentration of food and beverage service establishments limits
9 neighborhood-serving retail sales and personal services in an area that needs them to thrive
10 as a neighborhood. In order to maintain neighborhood-serving retail sales and personal
11 services and to protect residential livability, additional eating and drinking establishments are
12 prohibited in spaces that have been occupied by neighborhood-serving retail sales and
13 personal services. Special controls limit additional ground-story entertainment uses and
14 prohibit new walk-up automated bank teller machines (ATMs). Financial services, limited
15 financial services, and ground-story business and professional office uses are prohibited from
16 locating in the portion of the district south of Greenwich Street, while new financial services
17 locating in the portion of the district north of Greenwich Street are limited. Restrictions on
18 automobile and drive-up uses are intended to promote continuous retail frontage and maintain
19 residential livability.

20 In keeping with the district's existing mixed-use character, housing development in new
21 buildings is encouraged above the second story. Existing residential units are protected by
22 prohibitions of upper-story conversions and limitations on demolitions.

Section 43. The San Francisco Planning Code is hereby amended by amending Section 724.1, to read as follows:

SEC. 724.1. SACRAMENTO STREET NEIGHBORHOOD COMMERCIAL DISTRICT. Located in the Presidio Heights neighborhood in north-central San Francisco, the Sacramento Street Neighborhood Commercial District functions as a small-scale linear shopping area. It extends along Sacramento Street between Lyon and Spruce. Interspersed among residential

1 buildings and garages, the district's daytime-oriented retail stores provide a limited array of
2 convenience goods to the immediate neighborhood. Sacramento Street also has many
3 elegant clothing, accessory, and antique stores and services, such as hair salons, which
4 attract customers from a wider trade area. Its numerous medical and business offices draw
5 clients from throughout the City. Evening activity in the district is limited to one movie theater,
6 a few restaurants, and some stores near Presidio Avenue.

7 The Sacramento Street District controls are designed to promote adequate growth
8 opportunities for development that is compatible with the surrounding low-density residential
9 neighborhood. The building standards monitor large-scale development and protect rear yards
10 at the grade level and above. Most new commercial development is permitted at the first
11 story; general retail uses are permitted at the second story only if such use would not involve
12 conversion of any existing housing units. Special controls are designed to protect existing
13 neighborhood-serving ground-story retail uses. New medical service offices are prohibited at
14 all stories. Personal and business services are restricted at the ground story and prohibited on
15 upper stories. Limits on new ground-story eating and drinking uses, as well as new
16 entertainment and financial service uses, are intended to minimize the environmental impacts
17 generated by the growth of such uses. The daytime orientation of the district is encouraged by
18 prohibiting bars and restricting late-night commercial activity. New hotels and parking facilities
19 are limited in scale and operation to minimize disruption to the neighborhood. Most new
20 automobile and drive-up uses are prohibited to promote continuous retail frontage.

21 Housing development in new buildings is encouraged above the second story. Existing
22 residential units are protected by limitations on demolitions and prohibitions of upper-story
23 conversions.

13 Sec. 44. The San Francisco Planning Code is hereby amended by amending Section
14 725.1, to read as follows:

15 SEC. 725.1. UNION STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

16 The Union Street Commercial District is located in northern San Francisco between the
17 Marina and Pacific Heights neighborhoods. The district lies along Union Street between Van
18 Ness Avenue and Steiner, including an arm extending north on Fillmore Street to Lombard.
19 The shopping area provides limited convenience goods for the residents of sections of the
20 Cow Hollow, Golden Gate Valley, and Pacific Heights neighborhoods immediately
21 surrounding the street. Important aspects of Union Street's business activity are eating and
22 drinking establishments and specialty shops whose clientele comes from a wide trade area.
23 There are also a significant number of professional, realty, and business offices. Many
24 restaurants and bars as well as the district's two movie theaters are open into the evening
25

1 hours, and on weekends the street's clothing, antique stores and galleries do a vigorous
 2 business.

3 The Union Street District controls are designed to provide sufficient growth
 4 opportunities for commercial development that is in keeping with the existing scale and
 5 character, promote continuous retail frontage, and protect adjacent residential livability. Small-
 6 scale buildings and neighborhood-serving uses are promoted, and rear yards above the
 7 ground story and at all residential levels are protected. Most commercial development is
 8 permitted at the first two stories of new buildings, while retail service uses are monitored at
 9 the third story and above. Controls are necessary to preserve the remaining convenience
 10 businesses and to reduce the cumulative impacts which the growth of certain uses have on
 11 neighborhood residents. Such controls prohibit additional drinking establishments and limit
 12 additional eating establishments, entertainment, and financial service uses. Most automobile
 13 and drive-up uses are prohibited in order to maintain continuous retail frontage and minimize
 14 further traffic congestion.

15 Housing development in new buildings is encouraged above the second story. Existing
 16 residential units are protected by limitations on demolitions and upper-story conversions.

Sec. 45. The San Francisco Planning Code is hereby amended by amending Section 726.1, to read as follows:

SEC. 726.1. VALENCIA STREET NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

The Valencia Street Commercial Transit District is located near the center of San Francisco in the Mission District. It lies along Valencia Street between 14th and Cesar Chavez (Army) Street, and includes a portion of 16th Street extending west toward Dolores Street. The commercial area provides a limited selection of convenience goods for the residents of sections of the Mission and Dolores Heights. Valencia Street also serves a wider trade area with its retail and wholesale home furnishings and appliance outlets. The commercial district also has several automobile-related businesses. Eating and drinking establishments contribute to the street's mixed-use character and activity in the evening hours. A number of upper-story professional and business offices are located in the district, some in converted residential units.

1 The Valencia Street District has a pattern of large lots and businesses, as well as a
 2 sizable number of upper-story residential units. Controls are designed to permit moderate-
 3 scale buildings and uses, protecting rear yards above the ground story and at residential
 4 levels. New neighborhood-serving commercial development is encouraged mainly at the
 5 ground story. While offices and general retail sales uses may locate at the second story of
 6 new buildings under certain circumstances, most commercial uses are prohibited above the
 7 second story. In order to protect the balance and variety of retail uses and the livability of
 8 adjacent uses and areas, most eating and drinking and entertainment uses at the ground
 9 story are limited. Continuous retail frontage is promoted by prohibiting drive-up facilities, some
 10 automobile uses, and new nonretail commercial uses. Parking is not required, and any new
 11 parking is required to be set back or below ground. Active, pedestrian-oriented ground floor
 12 uses are required.

13 Housing development in new buildings is encouraged above the ground story. Housing
 14 density is not controlled by the size of the lot but by requirements to supply a high percentage
 15 of larger units and by physical envelope controls. Existing residential units are protected by
 16 prohibitions on upper-story conversions and limitations on demolitions, mergers, and
 17 subdivisions. Given the area's central location and accessibility to the City's transit network,
 18 accessory parking for residential uses is not required.

5 Sec. 46. The San Francisco Planning Code is hereby amended by amending Section
6 727.1, to read as follows:

7 SEC. 727.1. 24th STREET- MISSION NEIGHBORHOOD COMMERCIAL TRANSIT
8 DISTRICT.

9 The 24th Street — Mission Neighborhood Commercial Transit District is situated in the
10 Inner Mission District on 24th Street between Bartlett Street and San Bruno Avenue. This
11 mixed-use district provides convenience goods to its immediate neighborhood as well as
12 comparison shopping goods and services to a wider trade area. The street has a great
13 number of Latin American restaurants, grocery stores, and bakeries as well as other gift and
14 secondhand stores. Most commercial businesses are open during the day while the district's
15 bars and restaurants are also active in the evening. Dwelling units are frequently located
16 above the ground-story commercial uses.

17 The 24th Street — Mission Neighborhood Commercial Transit District controls are
18 designed to provide potential for new development consistent with the existing scale and
19 character. Small-scale buildings and neighborhood-serving uses are encouraged, and rear
20 yard corridors above the ground story and at residential levels are protected. Most commercial
21 uses are encouraged at the ground story, while service uses are permitted with some
22 limitations at the second story. Special controls are necessary to preserve the unique mix of
23 convenience and specialty commercial uses. In order to maintain convenience stores and
24 protect adjacent livability, new bars and fast-food restaurants are prohibited, and limitations
25 apply to the development and operation of ground-story full-service restaurants, take-out food

1 and entertainment uses. Continuous retail frontage is maintained and encouraged by
 2 prohibiting most automobile and drive-up uses, banning curb cuts, and requiring active,
 3 pedestrian-oriented ground floor uses. Parking is not required, and any new parking required
 4 to be set back or below ground.

5 Housing development in new buildings is encouraged above the ground story. Housing
 6 density is not controlled by the size of the lot but by requirements to supply a high percentage
 7 of larger units and by physical envelope controls. Existing housing units are protected by
 8 prohibitions on upper-story conversions and limitations on demolitions, mergers, and
 9 subdivisions. Given the area's central location and accessibility to the City's transit network,
 10 accessory parking for residential uses is not required.

3 Sec. 47. The San Francisco Planning Code is hereby amended by amending Section
4 730.1 to read as follows:

5 SEC. 729.1. - WEST PORTAL AVENUE NEIGHBORHOOD COMMERCIAL
6 DISTRICT.

7 Located in the southwestern part of the City, the West Portal Avenue Neighborhood
8 Commercial District stretches for three long blocks along West Portal Avenue from Ulloa
9 Street to 15th Avenue and extends one block east along Ulloa Street from the Twin Peaks
10 Tunnel entrance to Claremont Boulevard. West Portal Avenue provides a selection of goods
11 and services for customers coming mainly from the surrounding west of Twin Peaks and
12 Sunset single-family residential neighborhoods. The lively, small-scale retail frontage is
13 interrupted at several locations by large-scale financial institutions which take up a large
14 amount of commercial ground-story frontage. More than half of the number of medical,
15 professional and business offices are located at the ground level. Except for one three-movie
16 theater complex, West Portal offers no entertainment uses and its restaurants are mainly
17 family-oriented.

18 The West Portal Avenue District controls are designed to preserve the existing family-
19 oriented, village character of West Portal Avenue. The building standards limit building heights
20 to 26 feet and two stories and maintain the existing pattern of rear yards at the ground level
21 and above. The height, bulk and design of new development, especially on large lots, should
22 respect the small-scale character of the district and its surrounding residential neighborhoods.
23 Lot mergers creating large lots are discouraged. Individual nonresidential uses require
24 conditional use permits above 2,500 square feet and are restricted to 4,000 square feet as an
25 absolute limit to conform with the existing small use sizes in the district.

1 Special controls on commercial uses are designed to protect the existing mix of
 2 ground-story retail uses and prevent further intensification and congestion in the district. No
 3 new financial services are permitted. Because the district and surrounding neighborhoods are
 4 well served by the existing number of eating and drinking establishments, new bars,
 5 restaurants and take-out food generally are discouraged: any proposed new establishment
 6 should be carefully reviewed to ensure that it is neighborhood-serving and family-oriented,
 7 and will not involve high-volume take-out food or generate traffic, parking, or litter problems.
 8 Large fast-food restaurants and small self-service restaurants are prohibited. Medical,
 9 business or professional services are permitted at the first two stories, but additional ground-
 10 story locations are to be closely monitored to ensure that the current balance between retail
 11 and office uses is maintained. Existing service stations are encouraged to continue operating,
 12 but changes in their size, operation, or location are subject to review. Other automotive uses
 13 are prohibited. The neighborhood-oriented, retail character of the district is further protected
 14 by prohibiting hotels and nonretail uses. The daytime orientation of the district is maintained
 15 by prohibitions of entertainment uses and late-night commercial operating hours.

16 Housing development is limited. Existing residential units are protected by limitations
 17 on demolition and prohibition of upper-story conversions; new construction is to be carefully
 18 reviewed to ensure appropriate scale, design and compatibility with adjacent development.

Sec. 48. The San Francisco Planning Code is hereby amended by amending Section 730.1, to read as follows:

SEC. 730.1. INNER SUNSET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Inner Sunset Neighborhood Commercial District is located in the Inner Sunset neighborhood, consisting of the NC-2 district bounded by Lincoln Way on the north, Fifth Avenue on the east, Kirkham Street on the south, and Nineteenth Avenue on the west. The shopping area provides convenience goods and services to local Inner Sunset residents, as well as comparison shopping goods and services to a larger market area. The commercial district is also frequented by users of Golden Gate Park on weekends and by City residents for its eating, drinking, and entertainment places. Numerous housing units establish the district's mixed residential-commercial character.

The Inner Sunset District controls are designed to protect the existing building scale and promote new mixed-use development which is in character with adjacent buildings. The

1 building standards regulate large-lot and use development and protect rear yards above the
 2 ground story and at residential levels. To promote the prevailing mixed use character, most
 3 commercial uses are directed primarily to the ground story with some upper-story restrictions
 4 in new buildings. In order to maintain the balanced mix and variety of neighborhood-serving
 5 commercial uses and regulate the more intensive commercial uses which can generate
 6 congestion and nuisance problems, special controls prohibit additional eating and drinking
 7 uses, restrict expansion and intensification of existing eating and drinking establishments, and
 8 limit entertainment and tourist hotels. Prohibitions of most automobile and drive-up uses
 9 protect the district's continuous retail frontage.

10 Housing development in new buildings is encouraged above the ground story. Existing
 11 residential units are protected by prohibition of upper-story conversions and limitations on
 12 demolitions.

NEIGHBORHOOD COMMERCIAL DISTRICT

Article 7 Code Section	Other Code Section	Zoning Controls
<u>§ 730.68</u>	<u>§ 249.35</u>	<i>Fringe financial services are P subject to the restrictions set forth in Section 249.35, including, but not limited to, the proximity restrictions set forth in Subsection 249.35(c)(3).</i>

Sec. 49 The San Francisco Planning Code is hereby amended by amending Section 731.1, to read as follows:

SEC. 731.1. NCT-3 MODERATE-SCALE NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

NCT-3 Districts are transit-oriented moderate- to high-density mixed-use neighborhoods of varying scale concentrated near transit services. The NCT-3 Districts are mixed use districts that support neighborhood-serving commercial uses on lower floors and housing above. These districts are well-served by public transit and aim to maximize residential and commercial opportunities on or near major transit services. The district's form can be either linear along transit-priority corridors, concentric around transit stations, or broader areas where transit services criss-cross the neighborhood. Housing density is limited not by lot area, but by the regulations on the built envelope of buildings, including height, bulk, setbacks, and lot coverage, and standards for residential uses, including open space and exposure, and urban design guidelines. Residential parking is not required and generally

1 limited. Commercial establishments are discouraged or prohibited from building accessory off-
2 street parking in order to preserve the pedestrian-oriented character of the district and prevent
3 attracting auto traffic. There are prohibitions on access (i.e. driveways, garage entries) to off-
4 street parking and loading on critical stretches of NC and transit streets to preserve and
5 enhance the pedestrian-oriented character and transit function.

6 NCT-3 Districts are intended in most cases to offer a wide variety of comparison and
7 specialty goods and services to a population greater than the immediate neighborhood,
8 additionally providing convenience goods and services to the surrounding neighborhoods.
9 NCT-3 Districts include some of the longest linear commercial streets in the City, some of
10 which have continuous retail development for many blocks. Large-scale lots and buildings and
11 wide streets distinguish the districts from smaller-scaled commercial streets, although the
12 districts may include small as well as moderately scaled lots. Buildings may range in height,
13 with height limits varying from four to eight stories.

14 NCT-3 building standards permit moderately large commercial uses and buildings.
15 Rear yards are protected at residential levels.

16 A diversified commercial environment is encouraged for the NCT-3 District, and a wide
17 variety of uses are permitted with special emphasis on neighborhood-serving businesses.
18 Eating and drinking, entertainment, and financial service uses generally are permitted with
19 certain limitations at the first and second stories. Auto-oriented uses are somewhat restricted.
20 Other retail businesses, personal services and offices are permitted at all stories of new
21 buildings. Limited storage and administrative service activities are permitted with some
22 restrictions.

23 Housing development in new buildings is encouraged above the second story. Existing
24 residential units are protected by limitations on demolitions and upper-story conversions.

Sec. 50. The San Francisco Planning Code is hereby amended by amending Section 732.1, to read as follows:

SEC. 732.1. - PACIFIC AVENUE NEIGHBORHOOD COMMERCIAL DISTRICT.

1 The Pacific Avenue Neighborhood Commercial District, on Pacific Avenue from just
 2 east of Polk Street to all four corners of Pacific Avenue and Jones Street, is situated on the
 3 north slope of the Nob Hill neighborhood and south of the Broadway Tunnel. Pacific Avenue is
 4 a multi-purpose, small-scale mixed-use neighborhood shopping district on a narrow street that
 5 provides limited convenience goods to the adjacent neighborhoods.

6 The Pacific Avenue Neighborhood Commercial District controls are designed to
 7 promote a small, neighborhood serving mixed-use commercial street that preserves the
 8 surrounding neighborhood residential character. These controls are intended to preserve
 9 livability in a largely low-rise development residential neighborhood, enhance solar access on
 10 a narrow street right-of-way and protect residential rear yard patterns at the ground floor.

Sec. 51. The San Francisco Planning Code is hereby amended by amending Section 733.1, to read as follows:

SEC. 733.1. - UPPER MARKET STREET NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

The Upper Market Street Neighborhood Commercial Transit District is located on Market Street from Church to Noe Streets, and on side streets off Market. Upper Market Street is a multi-purpose commercial district that provides limited convenience goods to adjacent neighborhoods, but also serves as a shopping street for a broader trade area. A large number of offices are located on Market Street within easy transit access to downtown. The width of Market Street and its use as a major arterial diminish the perception of the Upper Market Street Transit District as a single commercial district. The street appears as a collection of dispersed centers of commercial activity, concentrated at the intersections of Market Street with secondary streets.

This district is well served by transit and is anchored by the Market Street subway (with stations Church Street and Castro Street) and the F-Market historic streetcar line. All light-rail lines in the City traverse the district, including the F, J, K, L, M, and N, and additional key

1 cross-town transit service crosses Market Street at Fillmore and Castro Streets. Additionally,
2 Market Street is a primary bicycle corridor. Housing density is limited not by lot area, but by
3 the regulations on the built envelope of buildings, including height, bulk, setbacks, and lot
4 coverage, and standards for residential uses, including open space and exposure, and urban
5 design guidelines. Residential parking is not required and generally limited. Commercial
6 establishments are discouraged or prohibited from building accessory off-street parking in
7 order to preserve the pedestrian-oriented character of the district and prevent attracting auto
8 traffic. There are prohibitions on access (i.e. driveways, garage entries) to off-street parking
9 and loading on Market and Church Streets to preserve and enhance the pedestrian-oriented
10 character and transit function.

11 The Upper Market Street district controls are designed to promote moderate-scale
12 development which contributes to the definition of Market Street's design and character. They
13 are also intended to preserve the existing mix of commercial uses and maintain the livability of
14 the district and its surrounding residential areas. Large-lot and use development is reviewed
15 for consistency with existing development patterns. Rear yards are protected at all levels. To
16 promote mixed-use buildings, most commercial uses are permitted with some limitations
17 above the second story. In order to maintain continuous retail frontage and preserve a
18 balanced mix of commercial uses, ground-story neighborhood-serving uses are encouraged,
19 and eating and drinking, entertainment, and financial service uses are limited. Ground floor-
20 commercial space is required along Market and Church Streets. Most automobile and drive-
21 up uses are prohibited or conditional.

22 Housing development in new buildings is encouraged above the second story. Existing
23 upper-story residential units are protected by limitations on demolitions and upper-story
24 conversions.

10 Sec. 52. The San Francisco Planning Code is hereby amended by amending Section
11 733A.1, to read as follows:

12 SEC. 733A.1. NCT-1 NEIGHBORHOOD COMMERCIAL TRANSIT CLUSTER
13 DISTRICT.

14 NC-1 Districts are intended to serve as local neighborhood shopping districts, providing
15 convenience retail goods and services for the immediately surrounding neighborhoods
16 primarily during daytime hours. NCT-1 Districts are located near major transit services. They
17 are small mixed-use clusters, generally surrounded by residential districts, with small-scale
18 neighborhood-serving commercial uses on lower floors and housing above. Housing density is
19 limited not by lot area, but by the regulations on the built envelope of buildings, including
20 height, bulk, setbacks, and lot coverage, and standards for residential uses, including open
21 space and exposure, and urban design guidelines. There are prohibitions on access (i.e.
22 driveways, garage entries) to off-street parking and loading on critical stretches of commercial
23 and transit street frontages to preserve and enhance the pedestrian-oriented character and
24 transit function. Residential parking is not required and generally limited. Commercial
25 establishments are discouraged from building excessive accessory off-street parking in order

1 to preserve the pedestrian-oriented character of the district and prevent attracting auto traffic.

2 NCT-1 Districts are generally characterized by their location in residential
3 neighborhoods. The commercial intensity of these districts varies. Many of these districts have
4 the lowest intensity of commercial development in the City, generally consisting of small
5 clusters with three or more commercial establishments, commonly grouped around a corner;
6 and in some cases short linear commercial strips with low-scale, interspersed mixed-use
7 (residential-commercial) development. Building controls for the NCT-1 District promote low-
8 intensity development which is compatible with the existing scale and character of these
9 neighborhood areas. Commercial development is limited to one story. Rear yard requirements
10 at all levels preserve existing backyard space.

11 NCT-1 commercial use provisions encourage the full range of neighborhood-serving
12 convenience retail sales and services at the first story provided that the use size generally is
13 limited to 3,000 square feet. However, commercial uses and features which could impact
14 residential livability are prohibited, such as auto uses, financial services, general advertising
15 signs, drive-up facilities, hotels, and late-night activity; eating and drinking establishments are
16 restricted, depending upon the intensity of such uses in nearby commercial districts.

17 Existing residential units are protected by prohibitions of conversions above the ground
18 story and limitations on demolitions.

Sec. 53. The San Francisco Planning Code is hereby amended by amending Section 734.1, to read as follows:

SEC. 734.1. NC-2 – SMALL SCALE NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

NCT-2 Districts are transit-oriented mixed-use neighborhoods with small scale commercial uses near transit services. The NCT-2 Districts are mixed use districts that

1 support neighborhood-serving commercial uses on lower floors and housing above. These
2 Districts are well-served by public transit and aim to maximize residential and commercial
3 opportunities on or near major transit services. The District's form is generally linear along
4 transit-priority corridors, though may be concentric around transit stations or in broader areas
5 where multiple transit services criss-cross the neighborhood. Housing density is limited not by
6 lot area, but by the regulations on the built envelope of buildings, including height, bulk,
7 setbacks, and lot coverage, and standards for residential uses, including open space and
8 exposure, and urban design guidelines. There are prohibitions on access (e.g., driveways,
9 garage entries) to off-street parking and loading on critical stretches of commercial and transit
10 street frontages to preserve and enhance the pedestrian-oriented character and transit
11 function. Residential parking is not required and generally limited. Commercial establishments
12 are discouraged from building excessive accessory off-street parking in order to preserve the
13 pedestrian-oriented character of the district and prevent attracting auto traffic.

14 NCT-2 Districts are intended to provide convenience goods and services to the
15 surrounding neighborhoods as well as limited comparison shopping goods for a wider market.
16 The range of comparison goods and services offered is varied and often includes specialty
17 retail stores, restaurants, and neighborhood-serving offices. The small-scale district controls
18 provide for mixed-use buildings, which approximate or slightly exceed the standard
19 development pattern. Rear yard requirements above the ground story and at residential levels
20 preserve open space corridors of interior blocks.

21 Most new commercial development is permitted at the ground and second stories.
22 Neighborhood-serving businesses are strongly encouraged. Eating and drinking and
23 entertainment uses, however, are confined to the ground story. The second story may be
24 used by some retail stores, personal services, and medical, business and professional offices.
25 Parking and hotels are monitored at all stories. Limits on late-night activity, drive-up facilities,

1 and other automobile uses protect the livability within and around the district, and promote
 2 continuous retail frontage.

3 Housing development in new buildings is encouraged above the ground story. Existing
 4 residential units are protected by limitations on demolition and upper-story conversions.

1 Sec. 54. The San Francisco Planning Code is hereby amended by amending Section
2 735.1, to read as follows:

3 SEC. 735.1. SOMA NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

4 The SoMa Neighborhood Commercial Transit District (SoMa NCT) is located along the
5 6th Street and Folsom Street corridors in the South of Market. The commercial area provides
6 a limited selection of convenience goods for the residents of the South of Market. Eating and
7 drinking establishments contribute to the street's mixed-use character and activity in the
8 evening hours. A number of upper-story professional and business offices are located in the
9 district, some in converted residential units.

10 The SoMa NCT has a pattern of ground floor commercial and upper story residential
11 units. Controls are designed to permit moderate-scale buildings and uses, protecting rear
12 yards above the ground story and at residential levels. Active, neighborhood-serving
13 commercial development is required at the ground story, curb cuts are prohibited and ground
14 floor transparency and fenestration adds to the activation of the ground story. While offices
15 and general retail sales uses may locate on the second story or above of new buildings, most
16 commercial uses are prohibited above the second story. In order to protect the balance and
17 variety of retail use, bars and liquor stores are allowed with a conditional use. Continuous
18 retail frontage is promoted by prohibiting drive-up facilities, some automobile uses, and new
19 non-retail commercial uses. Above-ground parking is required to be setback or below ground.
20 Active, pedestrian-oriented ground floor uses are required.

21 Housing development in new buildings is encouraged above the ground story. Housing
22 density is not controlled by the size of the lot or by density controls, but by bedroom counts.
23 Given the area's central location and accessibility to the City's transit network, parking for
24 residential and commercial uses is not required.

14 Sec. 55. The San Francisco Planning Code is hereby amended by amending Section
15 736.1, to read as follows:

16 SEC. 736.1. MISSION STREET NEIGHBORHOOD COMMERCIAL TRANSIT
17 DISTRICT.

18 The Mission Street Commercial Transit District is located near the center of San
19 Francisco in the Mission District. It lies along Mission Street between 15th and Cesar Chavez
20 (Army) Street, and includes adjacent portions of 17th Street, 21st Street, 22nd Street, and
21 Cesar Chavez Street. The commercial area of this District provides a selection of goods
22 serving the day-to-day needs of the residents of the Mission District. Additionally, this District
23 serves a wider trade area with its specialized retail outlets. Eating and drinking establishments
24 contribute to the street's mixed-use character and activity in the evening hours.

1 The District is extremely well-served by transit, including regional-serving BART
 2 stations at 16th Street and 24th Street, major buses running along Mission Street, and both
 3 cross-town and local-serving buses intersecting Mission along the length of this district. Given
 4 the area's central location and accessibility to the City's transit network, accessory parking for
 5 residential uses is not required. Any new parking is required to be set back or be below
 6 ground.

7 This District has a mixed pattern of larger and smaller lots and businesses, as well as a
 8 sizable number of upper-story residential units. Controls are designed to permit moderate-
 9 scale buildings and uses, protecting rear yards above the ground story and at residential
 10 levels. New neighborhood-serving commercial development is encouraged mainly at the
 11 ground story. While offices and general retail sales uses may locate at the second story of
 12 new buildings under certain circumstances, most commercial uses are prohibited above the
 13 second story. Continuous retail frontage is promoted by requiring ground floor commercial
 14 uses in new developments and prohibiting curb cuts. Housing development in new buildings is
 15 encouraged above the ground story. Housing density is not controlled by the size of the lot but
 16 by requirements to supply a high percentage of larger units and by physical envelope controls.
 17 Existing residential units are protected by prohibitions on upper-story conversions and
 18 limitations on demolitions, mergers, and subdivisions.

Sec. 56. The San Francisco Planning Code is hereby amended by amending Section 737.1, to read as follows:

SEC. 737.1. OCEAN AVENUE NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

The Ocean Avenue Neighborhood Commercial Transit District is located on Ocean Avenue from Phelan to Manor Avenues. Ocean Avenue is a multi-purpose transit-oriented small-scale commercial district that is modeled on the NCT-2 District. Ocean Avenue was developed as a streetcar-oriented commercial district in the 1920s and continues to serve this function, with the K-line streetcar on Ocean Avenue. Numerous other bus lines serve the area, especially the eastern end, where the Phelan Loop serves as a major bus terminus. The eastern end of the district is anchored by the main City College campus at Phelan and direct linkages to the Balboa Park BART/MUNI rail station a couple blocks to the east, which serves as the southernmost San Francisco station for BART and the terminus of the J, K, and M

1 streetcar lines. Because of the immediate proximity of the BART/MUNI station the district has
2 quick and easy transit access to downtown.

3 The Ocean Avenue NCT District is mixed use, transitioning from a predominantly one-
4 and two-story retail district to include neighborhood-serving commercial uses on lower floors
5 and housing above. Housing density is limited not by lot area, but by the regulations on the
6 built envelope of buildings, including height, bulk, setbacks, and lot coverage, and standards
7 for residential uses, including open space and exposure, and urban design guidelines. Access
8 (i.e. driveways, garage entries) to off-street parking and loading is generally prohibited on
9 Ocean Avenue to preserve and enhance the pedestrian-oriented character and transit
10 function of the street. Residential and commercial parking are not required.

11 The Ocean Avenue NCT District is intended to provide convenience goods and
12 services to the surrounding neighborhoods as well as limited comparison shopping goods for
13 a wider market. The range of comparison goods and services offered is varied and often
14 includes specialty retail stores, restaurants, and neighborhood-serving offices. Buildings may
15 range in height, with height limits generally allowing up to four or five stories. Lots are
16 generally small to medium in size and lot consolidation is prohibited to preserve the fine grain
17 character of the district, unless the consolidation creates a corner parcel that enables off-
18 street parking to be accessed from a side street.

19 Rear yard requirements above the ground story and at residential levels preserve open
20 space corridors of interior blocks.

21 Commercial uses are required at the ground level and permitted at the second story.
22 Large Fast Food uses are not permitted.

23 Housing development in new buildings is encouraged above the ground story. Existing
24 residential units are protected by limitations on demolition and upper-story conversions.

Sec. 57. The San Francisco Planning Code is hereby amended by adding Section 780.4, to read as follows:

SEC. 780.4. MISSION-HARRISON SPECIAL USE DISTRICT.

In order to preserve the potential mix and variety of goods and services provided to the Excelsior, yet provide the possibility for reasonable commercial expansion and intensification which would not disrupt the residential character of the surrounding neighborhoods, there shall be a Mission-Harrington Special Use District, located at 4550 Mission Street, at the intersection with Harrington Street, at Assessor's Block 3148, Lot 1, as designated on the Special Use District Map SU11 of the Zoning Map of the City and County of San Francisco.

(a) Purpose and Findings. In addition to the purposes stated in Section 701 of this Code, the following purposes and findings form a basis for special regulations and provide guidance for their application in the Mission-Harrington Special Use District.

(1) The Mission-Harrington Special Use District is in the north-eastern part of the block bounded by Mission Street, Harrington Street, Norton Street and Alemany Boulevard, in the Excelsior. It is currently developed with a single-story commercial building, and has historically been used as a retail business. The rest of the lots on the same block, on Mission Street, are devoted to commercial uses, with some properties having residential uses above retail. Behind the commercial properties, there is a municipal parking lot; the remaining properties on the block are single family homes.

(2) The lot where the District is located has been underutilized for more than a decade. The Community has partnered with the City on numerous occasions to develop the site, without success.

1 (3) The District is located on a major transit-corridor and in a vibrant economic corridor. It is
2 further in close proximity to both a 50-X and a 65-X Zone Height and Bulk Zone, in an appropriate location
3 for high-density in-fill mixed-use development.

4 (b) Controls. All of the controls for the NC-3 District, as set forth in Section 712.1 and Table 712 of
5 this Code, shall apply to the Mission-Harrington Special Use District. except as provided below:

6 Zoning Category No. Controls

7 .10 Height: 56 feet (56-X)

8 §207.4 One unit allowed for every 400 sf of lot area

9 .22 No off-street parking required

10 .12 No rear setback required

11 Sec. 58. The San Francisco Planning Code is hereby amended by amending Section
12 781.8 to read as follows:

13 SEC. 781.8 For controls for the Mission Alcoholic Beverage Special Use District see Section
14 249.60.

15 SEC. 249.60. MISSION ALCOHOLIC BEVERAGE SPECIAL USE DISTRICT.

16 There is an unusually large number of establishments dispensing alcoholic beverages,
17 including beer and wine, for both on-site and off-site consumption in this area. The existence
18 of this many alcoholic beverage establishments appears to contribute directly to numerous
19 peace, health, safety and general welfare problems in the area, including loitering, littering,
20 drug trafficking, prostitution, public drunkenness, defacement and damaging of structures,
21 pedestrian obstructions, as well as traffic circulation, parking and noise problems on public
22 streets and neighborhood lots. The existence of such problems creates serious impacts on
23 the health, safety and welfare of residents of nearby single- and multiple-family areas,
24 including fear for the safety of children, elderly residents and of visitors to the area. The
25 problems also contribute to the deterioration of the neighborhood and concomitant

1 devaluation of property and destruction of community values and quality of life. The number of
2 establishments selling alcoholic beverages and the associated problems discourage more
3 desirable and needed commercial uses in the area. In order to preserve the residential
4 character and the neighborhood-serving commercial uses of the area, there shall be a Mission
5 Alcoholic Beverage Special Use Subdistrict to prohibit new establishments, or expansion of
6 existing establishments, selling alcoholic beverages for the property in the area generally
7 bounded by Guerrero Street, San Jose Avenue, Randall Street, Mission Street, Cesar Chavez
8 Street, Potrero Avenue and Fourteenth Street as designated on Sectional Map Numbers 7SU
9 and 8SU.

10 The following restrictions shall apply within such district:

11 (a) Prohibition of New Establishments Selling Alcoholic Beverages. No new
12 establishment where alcoholic beverages are sold, served or given away for on-site or off-site
13 consumption, shall be established in this special use district as set forth below:

14 (1) No new bar, as defined in Planning Code Section 790.22, shall be permitted in
15 this special use district;

16 (2) No new off-sale liquor establishment shall be permitted in the special use
17 district. An "off-sale liquor establishment" shall mean any establishment that is defined in
18 Section 790.55 of this Code.

19 (b) Prohibition of Expansion of Existing Establishments Selling Alcoholic Beverages.
20 Any establishment selling alcoholic beverages lawfully existing prior to the effective date of
21 this resolution and licensed by the State of California for the retail sale of alcoholic beverages
22 for on-site and off-site consumption, so long as otherwise lawful, may continue in existence,
23 provided such establishment remains in use, as follows:
24
25

1 (1) In the event that any such establishment ceases to operate or discontinues
2 operation for 30 days or longer as set forth in State law, such use shall be deemed
3 abandoned;

4 (2) No establishment selling alcoholic beverages may substantially change the
5 mode or character of operation of the establishment, nor may it expand the square footage
6 devoted exclusively to the sale of alcoholic beverages, significantly increase the percentage of
7 alcoholic beverage sales as a portion of total sales, or change its type of retail liquor license
8 within a license classification.

9 (c) Exception for Bona Fide Restaurant. A bona fide restaurant shall be permitted to
10 serve alcoholic beverages in this special use district. A "bona fide restaurant" shall mean a
11 place which is regularly used and kept open for the service of meals to guests for
12 compensation and which has (1) suitable kitchen facilities for the cooking of an assortment of
13 foods which may be required for meals, (2) a primary use of sit-down service to patrons, (3)
14 adequate seating arrangements for sit-down patrons provided on the premises, (4) take-out
15 service that is only incidental to the primary sit-down use, (5) alcoholic beverages which are
16 sold or dispensed for consumption on the premises only when served at tables or sit-down
17 counters by employees of the restaurant, and (6) a minimum of 51 percent of the restaurant's
18 gross receipts shall be from the sale of meals. A "bona fide restaurant" does not include any
19 billiard or pool hall, bowling alley, or adult entertainment business as defined in Planning Code
20 Section 790.36.

21 (d) Exception for Non-Profit Theaters. A non-profit theater shall be permitted to
22 serve alcoholic beverages in this special use district. A "non-profit theater" shall mean a
23 building or part of a building intended to be used for the specific purposes of presenting any
24 act, play, revue, pantomime, scene, song, dance act, or song and dance act, conducted or
25 participated in by one or more persons, whether or not such person or persons are

1 compensated for such performance, and which is exempted from payment of income tax
2 under Section 23701d of the California Revenue and Taxation Code and Section 501(c)(3) of
3 the Internal Revenue Code of the United States. A "non-profit theater" does not include any
4 dance hall as defined in Section 1060 of the San Francisco Police Code, billiard parlor, pool
5 hall, bowling alley, or adult entertainment business as defined in Planning Code Section
6 790.36.

7 (e) Fringe Financial Services. In addition to all other applicable controls set forth in
8 this Code, properties in the Mission Alcoholic Beverage Special Use Subdistrict are within the
9 Fringe Financial Service Restricted Use District established by Section 249.35 and are subject
10 to the controls and exemptions set forth in Section 249.35.

11 Sec. 59. The San Francisco Planning Code is hereby amended by amending Section
12 781.10, to read as follows:

13 SEC. 781.10 *For controls for the 17th and Rhode Island Grocery Store Special Use District*
14 *see Section 249.61.*

15 SEC. 249.61. 17TH AND RHODE ISLAND STREET GROCERY STORE SPECIAL USE
16 SUBDISTRICT.

17 In order to facilitate the development of a neighborhood grocery store at 17th and
18 Rhode Island Street in the Potrero Hill neighborhood, in an area that does not have a
19 proliferation of off-sale Type 20 or Type 21 liquor establishments and previously was zoned
20 M-1 (which permitted liquor stores as a principal permitted use), there shall be a 17th and
21 Rhode Island Street Grocery Store Special Use Subdistrict, applicable to the NC-3 zoned
22 block bounded by 17th Street, Rhode Island Street, Mariposa Street and Kansas Street
23 (Assessor's Block 3978, Lot 1). The following provisions shall apply within the Special Use
24 Subdistrict:
25

1 (a) One off-sale Type 20 and Type 21 liquor store, as defined by Section 790.55 of
2 this Code, is permitted as a conditional use on the first or second story, provided that it is
3 operated as an integral element of a grocery store of not less than 30,000 gross square feet.

4 (b) Nighttime Entertainment, as defined by 102.17 of this Code, shall not be
5 permitted.

6 Sec. 60. The San Francisco Planning Code is hereby amended by amending Section
7 782, to read as follows:

8 SEC. 782. For controls for the Third Street Alcohol Restricted Use District see Section
9 249.62.

10 SEC. 249.62 THIRD STREET ALCOHOL RESTRICTED USE DISTRICT
11 ESTABLISHED.

12 There is an unusually large number of establishments dispensing alcoholic beverages,
13 including beer and wine, for both on-site and off-site consumption in the Bayview area. The
14 existence of this many alcoholic beverage establishments appears to contribute directly to
15 numerous peace, health, safety and general welfare problems in the area, including loitering,
16 littering, drug trafficking, prostitution, public drunkenness, defacement and damaging of
17 structures, pedestrian obstructions, as well as traffic circulation, parking and noise problems
18 on public streets and neighborhood lots. The existence of such problems creates serious
19 impacts on the health, safety and welfare of residents of nearby single- and multiple-family
20 areas, including fear for the safety of children, elderly residents and of visitors to the area. The
21 problems also contribute to the deterioration of the neighborhood and concomitant
22 devaluation of property and destruction of community values and quality of life. The number of
23 establishments selling alcoholic beverages and the associated problems discourage more
24 desirable and needed commercial uses in the area.
25

1 (a) In order to preserve the residential character and the neighborhood-serving
2 commercial uses of the area, the Third Street Alcohol Restricted Use District (Third Street
3 Alcohol RUD) is hereby established for the property in the area generally bounded by Islais
4 Creek to the North, Quint Street, Phelps Street, Tampa Street, Bridgeview Drive, Newhall
5 Street, Venus Street and Egbert Avenue to the West, US Highway 101 to the South, and

22 subsequent legislation prohibiting that type of Liquor Establishment, so long as otherwise
23 lawful, may continue to operate only under the following conditions, as provided by California
24 Business and Professions Code Section 23790:

1 (1) except as provided by Subsection (B) below, the premises shall retain the same

13 alcoholic beverages, including beer and wine, for off-site consumption in the Neighborhood
14 Commercial Cluster Districts located generally along Haight Street at Scott Street and
15 generally along Haight Street at Pierce Street and in the Small-Scale Neighborhood
16 Commercial District located generally along Haight Street at and between Steiner and
17 Webster Streets. The existence of this many off-sale alcoholic beverage establishments
18 appears to contribute directly to numerous peace, health, safety, and general welfare
19 problems in the area, including loitering, littering, public drunkenness, defacement and

21 noise problems on public streets and neighborhood lots. The existence of such problems
22 creates serious impacts on the health, safety, and welfare of residents of nearby single- and
23 multiple-family areas, including fear for the safety of children, elderly residents and visitors to
24 the area. The problems also contribute to the deterioration of the neighborhood and
25 concomitant devaluation of property and destruction of community values and quality of life.

1 The number of establishments selling alcoholic beverages for off-site consumption and the
2 associated problems discourage more desirable and needed commercial uses in the area.

3 (b) establishment of the Lower Haight Street Alcohol Restricted Use District. In order
4 to preserve the residential character and the neighborhood-serving commercial uses of the
5 area, the Lower Haight Street Alcohol Restricted Use District (Lower Haight Street Alcohol

17 incorporated herein by reference. The Lower Haight Street Alcohol RUD is designated on
18 Sectional Map Number 7SU of the Zoning Map of the City and County of San Francisco.

19 (1) No new off-sale liquor establishments shall be permitted in the Lower Haight
20 Street Alcohol RUD.

21 (2) The prohibition on off-sale liquor establishments shall not be interpreted to
22 prohibit the following:

23 (A) Temporary uses, as described in Planning Code Section 205.1 or 205.3; or
24
25

1 (B) Establishment of an off-sale liquor establishment if an application for such liquor
2 establishment is on file with the California Department of Alcoholic Beverage Control prior to
3 the effective date of this ordinance establishing the Lower Haight Street Alcohol RUD.

4 (3) Continuation of Existing Prohibited Liquor Establishments. In the Lower Haight
5 Street Alcohol RUD, any prohibited liquor establishment may continue in accordance with
6 Planning Code section 180 through 186.2, subject to the following provisions:

7 (A) A prohibited liquor establishment lawfully existing and selling alcoholic
8 beverages as licensed by the State of California prior to the effective date of this legislation, or
9 subsequent legislation prohibiting that type of liquor establishment, so long as otherwise
10 lawful, may continue to operate only under the following conditions, as provided by California
11 Business and Professions Code Section 23790:

13 type of retail liquor license within a license classification; and

14 (ii) Except as provided in subsection (B) below, the liquor establishment shall be
15 operated continuously, without substantial changes in mode or character of operation.

16 (B) A break in continuous operation shall not be interpreted to include the following,
17 provided that, except as indicated below, the location of the establishment does not change,
18 the square footage used for the sale of alcoholic beverages does not increase, and the type of
19 California Department of Alcoholic Beverage Control Liquor License ("ABC License") does not
20 change:

21 (i) A change in ownership of a prohibited liquor establishment or an owner-to-
22 owner transfer of an ABC License;

2 other than total or partial destruction or damage due to fire, riot, insurrection, toxic accident, or
3 act of God for not more than thirty (30) days for repair, renovation, or remodeling; or

4 (iv) Relocation of an existing prohibited liquor establishment in the Lower Haight
5 Street Alcohol RUD to another location within the same Lower Haight Street Alcohol RUD with
6 conditional use authorization from the Planning Commission, provided that the original
7 premises shall not be occupied by a prohibited liquor establishment, unless by another
8 prohibited liquor establishment that is also relocating from within the Lower Haight Street
9 Alcohol RUD.

21 Sec. 62. The San Francisco Planning Code is hereby amended by amending Section
22 790.22, to read as follows:

23 SEC. 790.22. BAR.

2 61) and drinking establishments serving liquor (with ABC licenses 47 or 49) in conjunction
3 with other uses which admit minors, such as restaurants, movie theaters, and other
4 entertainment. If a bar use also includes a full-service restaurant, as defined by 790.92, or a small
5 self-service restaurant as defined by 790.91, then these uses are considered to be separate and distinct,
6 even though they may occupy the same retail space.

19 ~~whether to exercise its discretionary review powers over the building permit application for a medical~~
20 ~~cannabis dispensary. The scheduling and the mailed notice for this hearing shall be processed in~~
21 ~~accordance with Section 312(e) of this Code;~~

22 (i) — ~~[Expired.]~~

23 (j) — ~~any permit issued for a medical cannabis dispensary shall contain the following~~
24 ~~statement in boldface type: "Issuance of this permit by the City and County of San Francisco is not~~
25 ~~intended to and does not authorize the violation of State or Federal la — w."~~

1 Section 65. The San Francisco Planning Code is hereby amended by amending
2 Section 803.2, to read as follows:

3 SEC. 803.2. USES PERMITTED IN CHINATOWN MIXED USE DISTRICTS.

4 A use is the specific purpose for which a property or building is used, occupied,
5 maintained, or leased. Whether or not a use is permitted in a specific Chinatown Mixed Use
6 District is set forth, summarized or cross-referenced in Sections 810.1 through 812.96 of this
7 Code for each district class.

8 (a) Use Categories. The uses, functions, or activities, which are permitted in each
9 Chinatown Mixed Use Districts class include those listed in Table 803.2 below by zoning
10 control category and numbered and cross-referenced to the Code Section containing the
11 definition.

12 (b) Use Limitations. Uses in Chinatown Mixed Use Districts are either permitted,
13 conditional, accessory, temporary, or are not permitted.

14 (1) Permitted Uses. All permitted uses in Chinatown Mixed Use Districts shall be
15 conducted within an enclosed building, unless otherwise specifically allowed in this Code.
16 Exceptions from this requirement are: accessory off-street parking and loading; uses which,
17 when located outside of a building, qualify as an outdoor activity area, as defined in Section
18 890.71 of this Code; and uses which by their nature are to be conducted in an open lot or
19 outside a building, as described in Sections 890 through 890.140 of this Code.

20 If there are two or more uses in a structure and none is classified under Section
21 803.2(b)(1)(C) of this Code as accessory, then each of these uses will be considered
22 separately as an independent permitted, conditional, temporary or not permitted use.

23 (A) Principal Uses. Principal uses are permitted as of right in a Chinatown Mixed
24 Use District, when so indicated in Sections 810.1 through 812.96 of this Code for each district
25 class.

1 (B) Conditional Uses. Conditional uses are permitted in a Chinatown Mixed Use
2 District when authorized by the Planning Commission; whether a use is conditional in a given
3 district is indicated in Sections 810 through 812. Conditional uses are subject to the provisions
4 set forth in Section 303 of this Code. In the case of formula retail uses, the provisions of Planning
5 Code Section 303(i) shall apply.

6 (i) An establishment which sells beer and wine with motor vehicle fuel is a
7 conditional use, and shall be governed by Section 229.

8 (ii) Any use or feature which lawfully existed and was permitted as a principal or
9 conditional use on the effective date of these controls which is not otherwise nonconforming
10 or noncomplying as defined in Section 180 of this Code, and which use or feature is not
11 permitted under this Article is deemed to be a permitted conditional use subject to the
12 provisions of this Code.

13 (iii) Notwithstanding any other provision of this Article, a change in use or demolition
14 of a movie theater use, as set forth in Section 890.64, shall require conditional use
15 authorization. This Subsection shall not authorize a change in use if the new use or uses are
16 otherwise prohibited.

17 (iv) Notwithstanding any other provision of this Article, a change in use or demolition
18 of a general grocery store use, as set forth in Section 890.102(a) and as further defined in
19 Section 790.102(a), which use exceeds 5,000 gross square feet shall require conditional use
20 authorization. This Subsection shall not authorize a change in use if the new use or uses are
21 otherwise prohibited.

22 (v) Installing a garage in an existing residential building of four or more units
23 requires a mandatory discretionary review hearing by the Planning Commission; Section 311
24 notice is required for a building of less than four units. In approving installation of the garage,
25 The Planning Commission shall find that: (1) the proposed garage opening/addition of off-

1 street parking will not cause the "removal" or "conversion of residential unit," as those terms
2 are defined in Section 317 of this Code; (2) the proposed garage opening/addition of off-street
3 parking will not substantially decrease the livability of a dwelling unit without increasing the
4 floor area in a commensurate amount; (3) the building has not had two or more "no-fault"
5 evictions, as defined in Section 37.9(a)(7)-(13) of the San Francisco Administrative Code, with
6 each eviction associated with a separate unit(s) within the past ten years, and (4) the
7 proposed garage/addition of off-street parking installation is consistent with the Priority
8 Policies of Section 101.1 of this Code.

9 Prior to the Planning Commission hearing, or prior to issuance of notification
10 under Section 311(c)(2) of this Code, the Planning Department shall require a signed affidavit
11 by the project sponsor attesting to (1), (2), and (3) above, which the Department shall
12 independently verify. The Department shall also have made a determination that the project
13 complies with (4) above and will determine whether the proposed garage opening will require
14 a minor sidewalk encroachment permit or a street tree removal permit.

15 (C) Accessory Uses. Subject to the limitations set forth below and in Sections 204.1
16 (Accessory Uses for Dwelling Units in R Districts) and 204.5 (Parking and Loading as
17 Accessory Uses) of this Code, a related minor use which is either necessary to the operation
18 or enjoyment of a lawful principal use or conditional use or is appropriate, incidental and
19 subordinate to any such use, shall be permitted in Chinatown Mixed Use Districts as an
20 accessory use when located on the same lot. Any use not qualified as an accessory use shall
21 only be allowed as a principal or conditional use, unless it qualifies as a temporary use under
22 Sections 205 through 205.2 of this Code.

23 No use in a Chinatown Mixed Use District will be considered accessory to a principal use
24 which involves or requires any of the following:
25

1 (i) The use of more than 1/3 of the total floor area occupied by both the accessory
2 use and the principal use to which it is accessory, combined, except in the case of accessory
3 off-street parking;

4 (ii) Any bar, restaurant, other entertainment, or any retail establishment which
5 serves liquor for consumption on-site;

6 (iii) Any take-out food use, except for a take-out food use which occupies 100
7 square feet or less (including the area devoted to food preparation and service and excluding
8 storage and waiting areas) in a retail grocery or specialty food store;

9 (iv) The wholesaling, manufacturing or processing of foods, goods, or commodities
10 on the premises of an establishment which does not also provide for primarily retail sale of
11 such foods, goods or commodities at the same location where such wholesaling,
12 manufacturing or processing takes place.

13 (v) Medical Cannabis Dispensaries as defined in 890.133.

14 The above shall not prohibit take-out food activity which operates in conjunction with a
15 fast-food restaurant. A fast-food restaurant, by definition, includes take-out food as an
16 accessory and necessary part of its operation.

17 (D) Temporary Uses. Uses not otherwise permitted are permitted in Chinatown
18 Mixed Use Districts to the extent authorized by Sections 205, 205.1 or 205.2 of this Code.

19 (2) Not Permitted Uses.

20 (A) Uses which are not listed in this Article are not permitted in a Chinatown Mixed
21 Use District unless determined by the Zoning Administrator to be permitted uses in
22 accordance with Section 307(a) of this Code.

23 (B) No use, even though listed as a permitted use or otherwise allowed, shall be
24 permitted in a Chinatown Mixed Use District which, by reason of its nature or manner of
25 operation, creates conditions that are hazardous, noxious, or offensive through the emission

1 of odor, fumes, smoke, cinders, dust, gas, vibration, glare, refuse, water-carried waste, or
2 excessive noise.

3 (C) The establishment of a use that sells alcoholic beverages, other than beer and
4 wine, concurrent with motor vehicle fuel is prohibited, and shall be governed by Section 229.

5 (D) No off-street parking garage installations or new curb cuts are permitted on the
6 alleyways of the Chinatown Mixed Use Districts.

7 Section 66. The San Francisco Planning Code is hereby amended by amending
8 Section 803.3, to read as follows:

9 SEC. 803.3. USES PERMITTED IN EASTERN NEIGHBORHOODS MIXED USE
10 DISTRICTS AND SOUTH OF MARKET USE MIXED USE DISTRICTS.

11 (a) Use Categories. A use is the specified purpose for which a property or building
12 is used, occupied, maintained, or leased. Whether or not a use is permitted in a specific
13 Eastern Neighborhood Mixed Use District and South of Market Mixed Use District is generally
14 set forth, summarized or cross-referenced in Sections 813.3 through 818 and 840 through 843
15 of this Code for each district class.

16 (b) Use Limitations. Uses in Eastern Neighborhood Mixed Use Districts and South
17 of Market Mixed Use Districts are either permitted, conditional, accessory, temporary or are
18 not permitted.

19 (1) Permitted Uses. If there are two or more uses in a structure, any use not
20 classified below under Section 803.3(b)(1)(C) of this Code as accessory will be considered
21 separately as an independent permitted, conditional, temporary or not permitted use.

22 (A) Principal Uses. Principal uses are permitted as of right in an Eastern
23 Neighborhood Mixed Use District and South of Market Mixed Use District, when so indicated
24 in Sections 813 through 818 and 840 through 843 of this Code for the district. Additional
25

1 requirements and conditions may be placed on particular uses as provided pursuant to
2 Section 803.5 through 803.9 and other applicable provisions of this Code.

3 (B) Conditional Uses. Conditional uses are permitted in an Eastern Neighborhood
4 Mixed Use District and South of Market Mixed Use District, when authorized by the Planning
5 Commission; whether a use is conditional in a given district is generally indicated in Sections
6 813 through 818 and 840 through 843 of this Code. Conditional uses are subject to the
7 applicable provisions set forth in Sections 178, 179, 263.11, 303, 316.8, and 803.5 through
8 803.9 of this Code.

9 (i) An establishment which sells beer or wine with motor vehicle fuel is a conditional
10 use, and shall be governed by Section 229.

11 (ii) Notwithstanding any other provision of this Article, a change in use or demolition
12 of a movie theater use, as set forth in Section 890.64, shall require conditional use
13 authorization. This Section shall not authorize a change in use if the new use or uses are
14 otherwise prohibited.

15 (iii) Notwithstanding any other provision of this Article, a change in use or demolition
16 of a general grocery store use, as set forth in Section 890.102(a) and as further defined in
17 Section 790.102(a), shall require conditional use authorization. This Subsection shall not
18 authorize a change in use if the new use or uses are otherwise prohibited.

19 (C) Accessory Uses. Subject to the limitations set forth below and in Sections 204.1
20 (Accessory Uses for Dwelling Units in R and NC Districts), 204.2 (Accessory Uses for Uses
21 Other Than Dwellings in R Districts); 204.4 (Dwelling Units Accessory to Other Uses), and
22 204.5 (Parking and Loading as Accessory Uses) of this Code, an accessory use is a related
23 minor use which is either necessary to the operation or enjoyment of a lawful principal use or
24 conditional use, or is appropriate, incidental and subordinate to any such use, and shall be
25 permitted as an accessory use in an Eastern Neighborhoods Mixed Use District and South of

1 Market Mixed Use District. In order to accommodate a principal use which is carried out by
2 one business in multiple locations within the same general area, such accessory use need not
3 be located in the same structure or lot as its principal use provided that (1) the accessory use
4 is located within 1,000 feet of the principal use; and (2) the multiple locations existed on April
5 6, 1990 (the effective date of this amendment). Accessory uses to non-office uses (as defined
6 in Section 890.70) may occupy space which is non-contiguous or on a different story as the
7 principal use so long as the accessory use is located in the same building as the principal use
8 and complies with all other restrictions applicable to such accessory uses. Any use which
9 does not qualify as an accessory use shall be classified as a principal use.

10 No use will be considered accessory to a principal use which involves or requires any of the
11 following:

12 (i) The use of more than one-third of the total occupied floor area which is occupied
13 by both the accessory use and principal use to which it is accessory, combined, except in the
14 case of accessory off-street parking or loading which shall be subject to the provisions of
15 Sections 151, 156 and 157 of this Code;

16 (ii) A hotel, motel, inn, hostel, nighttime entertainment, adult entertainment,
17 massage establishment, large fast food restaurant, or movie theater use in a RED, SPD,
18 RSD, SLR, SLI, SSO, DTR, MUG, MUR, MUO, or UMU District;

19 (iii) Any take-out food use, except for a take-out food use which occupies 100
20 square feet or less (including the area devoted to food preparation and service and excluding
21 storage and waiting areas) in a restaurant, bar, catering establishment, bakery, retail grocery
22 or specialty food store.

23 (iv) Any sign not conforming to the limitations of Section 607.2(f)(3).

24 (v) Medical Cannabis Dispensaries as defined in 890.133.

1 (D) Temporary Uses. Temporary uses not otherwise permitted are permitted in
2 Eastern Neighborhoods Mixed Use Districts and South of Market Mixed Use Districts to the
3 extent authorized by Sections 205 through 205.3 of this Code.

4 Section 67. The San Francisco Planning Code is hereby amended by amending
5 Section 803.6 to read as follows:

6 SEC. 803.6. FORMULA RETAIL USES IN THE CHINATOWN MIXED USE DISTRICTS
7 AND IN THE WESTERN SOMA PLANNING AREA SPECIAL USE DISTRICT.

8 (a) Findings.

9 (1) San Francisco is a city of diverse and distinct neighborhoods identified in large
10 part by the character of their commercial areas.

11 (2) San Francisco needs to protect its vibrant small business sector and create a
12 supportive environment for new small business innovations. One of the eight Priority Policies
13 of the City's General Plan resolves that "existing neighborhood-serving retail uses be
14 preserved and enhanced and future opportunities for resident employment in and ownership
15 of such businesses enhanced."

16 (3) Retail uses are the land uses most critical to the success of the City's
17 commercial districts.

18 (4) Formula retail businesses are increasing in number in San Francisco, as they
19 are in cities and towns across the country.

20 (5) Money earned by independent businesses is more likely to circulate within the
21 local neighborhood and City economy than the money earned by formula retail businesses
22 which often have corporate offices and vendors located outside of San Francisco.

23 (6) Formula retail businesses can have a competitive advantage over independent
24 operators because they are typically better capitalized and can absorb larger startup costs,
25

1 pay more for lease space, and commit to longer lease contracts. This can put pressure on
2 existing businesses and potentially price out new startup independent businesses.

3 (7) San Francisco is one of a very few major urban centers in the state in which
4 housing, shops, work places, schools, parks and civic facilities intimately co-exist to create
5 strong identifiable neighborhoods. The neighborhood streets invite walking and bicycling and
6 the City's mix of architecture contributes to a strong sense of neighborhood community within
7 the larger City community.

8 (8) Notwithstanding the marketability of a retailer's goods or services or the visual
9 attractiveness of the storefront, the standardized architecture, color schemes, decor and
10 signage of many formula retail businesses can detract from the distinctive character of certain
11 neighborhood commercial and mixed use districts.

12 (9) The increase of formula retail businesses in the City's neighborhood commercial
13 and mixed use areas, if not monitored and regulated, will hamper the City's goal of a diverse
14 retail base with distinct neighborhood retailing personalities comprised of a mix of businesses.
15 Specifically, the unregulated and unmonitored establishment of additional formula retail uses
16 may unduly limit or eliminate business establishment opportunities for smaller or medium-
17 sized businesses, many of which tend to be non-traditional or unique, and unduly skew the
18 mix of businesses towards national retailers in lieu of local or regional retailers, thereby
19 decreasing the diversity of merchandise available to residents and visitors and the diversity of
20 purveyors of merchandise.

21 (b) Formula Retail Uses.

22 (1) Formula Retail Uses Permitted as a Conditional Use. Formula retail uses are
23 permitted in the Western SoMa Planning Area Special Use District, the Chinatown Community
24 Business District and the Chinatown Residential Neighborhood Commercial District only as a
25

1 conditional use. When considering an application for a conditional use permit under this Section, the
2 Planning Commission shall consider the criteria defined in Section 303(i) of this Code.

3 (2) Formula Retail Uses Prohibited. The establishment of new formula retail uses in the
4 Chinatown Mixed Use Districts, as defined in the Planning Code, Sections 810.1 (Chinatown
5 Community Business District), 811.1 (Chinatown Visitor Retail District) and 812.1 (Chinatown
6 Residential Neighborhood Commercial District) is prohibited.

7 (c) Formula Retail Use Defined. Formula retail use is hereby defined as a type of
8 retail sales activity or retail sales establishment which, along with eleven or more other retail
9 sales establishments located in the United States, maintains two or more of the following
10 features: a standardized array of merchandise, a standardized façade, a standardized décor
11 and color scheme, a uniform apparel, standardized signage, a trademark or a servicemark.

12 (1) Standardized array of merchandise shall be defined as 50% or more of in-stock
13 merchandise from a single distributor bearing uniform markings.

14 (2) Trademark shall be defined as a word, phrase, symbol or design, or a
15 combination of words, phrases, symbols or designs that identifies and distinguishes the
16 source of the goods from one party from those of others.

17 (3) Servicemark shall be defined as word, phrase, symbol or design, or a
18 combination of words, phrases, symbols or designs that identifies and distinguishes the
19 source of a service from one party from those of others.

20 (4) Décor shall be defined as the style of interior finishings, which may include but is
21 not limited to, style of furniture, wallcoverings or permanent fixtures.

22 (5) Color Scheme shall be defined as selection of colors used throughout, such as
23 on the furnishings, permanent fixtures, and wallcoverings, or as used on the façade.

24 (6) Façade shall be defined as the face or front of a building, including awnings,
25 looking onto a street or an open space.

1 (7) Uniform Apparel shall be defined as standardized items of clothing including but
2 not limited to standardized aprons, pants, shirts, smocks or dresses, hat, and pins (other than
3 name tags) as well as standardized colors of clothing.

4 (8) Signage shall be defined as business sign pursuant to Section 602.3 of the
5 Planning Code.

6 (9) "Retail sales activity or retail sales establishment" shall include the following
7 uses, as defined in Article 8 of this code: "bar," "drive-up facility," "eating and drinking use,"
8 "restaurant, large fast-food," "restaurant, small fast-food," "restaurant, full-service," "sales and
9 services, other retail," "sales and services, nonretail," "movie theater," "amusement game
10 arcade," and "take-out food."

11 (d) Determination of Formula Retail Use. If the City determines that a building
12 permit application or building permit subject to this section of the Code is for a "formula retail
13 use," the building permit applicant or holder bears the burden of proving to the City that the
14 proposed or existing use is not a "formula retail use."

15 (e) Permit Application Processing. After the effective date of this ordinance, any
16 building permit application determine by the City to be for a "formula retail use" that does not
17 identify the use as a "formula retail use" is incomplete and cannot be processed until the
18 omission is corrected.

19 Section 68. The San Francisco Planning Code is hereby amended by amending
20 Section 890.133 to read as follows:

21 SEC. 890.133. MEDICAL CANNABIS DISPENSARY

22 Medical cannabis dispensary("MCD") as defined by Section 3301(f) of the San (k)
23 Francisco Health Code.

24 ~~provided that:~~ (a) Requirements. MCDs must meet all of the following requirements:
25

1 (1) the parcel containing the MCD cannot be located within 1,000 feet from a parcel
2 containing:

3 (a) a public or private elementary or secondary school; and

4 (b) a community facility and/or a recreation center as defined in 209.4(a) that primarily
5 serves persons under 18 years of age;

6 (2) the MCD is not located on the same parcel as a facility providing substance abuse
7 services that is licensed or certified by the State of California or funded by the Department of Public
8 Health;

9 (3) no alcohol is sold or distributed on the premises for on or off-site consumption;

10 (4) if medical cannabis is smoked on the premises the dispensary shall provide adequate
11 ventilation within the structure such that the doors and windows are not left open for such purposes,
12 resulting in odor emission from the premises;

13 (5) in addition to these requirements, an MCD must meet all of the requirements in Article
14 33 of the San Francisco Health Code.

15 (b) Application and Referral Process. The Department of Public Health is the lead agency
16 for regulating MCDs. Final City permits are issued by the Department of Public Health. No
17 dispensary may open without final authorization from the Department of Public Health. The Planning
18 Department will review an application for a Medical Cannabis Dispensary only upon receipt of (1) a
19 valid referral from the Department of Public Health pursuant to Health Code Section 3304 and 3305,
20 (2) supplemental application materials, if any, designated by the Planning Department, and (3) a
21 building permit application.

22 (c) Notice. Once the Department has determined that the application is complete, a 30-day
23 notice of application shall be mailed to owners and occupants within a 300 foot radius of the subject

22 (e) *Conditional Uses. In the case of any proposal for which the City Planning Code requires*
23 *a conditional use authorization in addition to a Certificate of Appropriateness, the Department may*
24 *combine the required applications, notices and hearings for administrative convenience and in the*
25 *interests of the applicant and the public, to the extent deemed feasible and desirable by the Department.*

1 Multiple Planning Approvals. For projects that require multiple planning approvals, the HPC must
2 review and act on any Certificate of Appropriateness before any other planning approval action. For
3 projects that (1) require a conditional use authorization or permit review under Section 309, et. seq. of
4 the Code, and (2) do not concern an individually landmarked property, the Planning Commission may
5 modify any decision on a Certificate of Appropriateness by a two-thirds vote, provided that the
6 Planning Commission shall apply all applicable historic resources provisions of the Code. For
7 properties located on vacant lots, the Planning Commission may modify any decision on a Certificate
8 of Appropriateness by a two-thirds vote, provided that the Planning Commission shall apply all
9 applicable historic resources provisions of the Planning Code.

21 announced at the scheduled hearing.

22 (d) Decision. The decision of the ~~Planning Commission~~HPC shall be rendered within
23 30 days from the date of conclusion of the hearing; failure of the ~~Commission~~ HPC to act within
24 the prescribed time shall be deemed to constitute disapproval of the application. The decision
25 of the ~~Planning Commission~~HPC, in either approving or disapproving the application pursuant to

1 Section 1006.6, shall be final except upon the filing of a valid appeal to the Board of Appeals or
2 Board of Supervisors as provided in Section 1006.8. The decision of the Planning
3 CommissionHPC; in suspending action on an application pursuant to Section 1006.6; shall be

22 was disapproved, shall be resubmitted to or reconsidered by the Planning-CommissionHPC
23 within a period of one year from the effective date of final action upon the earlier application.

24 SEC. 1006.6. NATURE OF ~~PLANNING COMMISSION~~ THE HPC'S DECISION.
25

1 The decision of the ~~Planning Commission~~HPC after its public hearing shall be in
2 accordance with the following provisions:

3 (a) If the application for a Certificate of Appropriateness proposes construction or
4 alteration of a structure or any work involving a sign, awning, marquee, canopy, mural or other
5 appendage, or exterior changes in a historic district visible from a public street or other public
6 place, the ~~Planning Commission~~HPC shall approve or disapprove the application in whole or in
7 part.

8 (b) If the application proposes removal or demolition of a structure on a designated
9 landmark site, the ~~Planning Commission~~HPC may disapprove or approve the application, or
10 may suspend action on it for a period not to exceed 180 days; provided that the Board of
11 Supervisors by resolution may, for good cause shown, extend the suspension for an
12 additional period not to exceed 180 days, if the said Board acts not more than 90 days and
13 not less than 30 days prior to the expiration of the original 180-day period.

14 (c) If the application proposes removal or demolition of a structure in a designated
15 historic district, other than on a designated landmark site, the ~~Planning Commission~~HPC may
16 disapprove or approve the application, or may suspend action on it for a period not to exceed
17 90 days, subject to extension by the Board of Supervisors as provided in the preceding
18 subsection; provided, however, that the designating ordinance for the historic district may
19 authorize the suspension of action for an alternate period which shall in no event exceed 90
20 days, without extension, and in such event the provision of the designating ordinance shall
21 govern.

22 (d) In the event action on an application to remove or demolish a structure is
23 suspended as provided in this Section, the ~~Planning Commission~~HPC, ~~with the advice and~~
24 ~~assistance of the Advisory Board~~, may take such steps as it determines are necessary to
25 preserve the structure concerned, in accordance with the purposes of this Article 10. Such

1 steps may include, but shall not be limited to, consultations with civic groups, public agencies,
2 and interested citizens, recommendations for acquisition of property by public or private
3 bodies or agencies, and exploration of the possibility of moving one or more structures or
4 other features.

5 SEC. 1006.7. STANDARDS FOR REVIEW OF APPLICATIONS.

6 The ~~Planning Commission, HPC and~~ the Department, ~~and the Advisory Board~~ shall be
7 guided by the standards in this Section in their review of applications for Certificates of
8 Appropriateness for proposed work on a landmark site or in a historic district. In appraising the
9 effects and relationships mentioned herein, the ~~Planning Commission, HPC and~~ the Department
10 ~~and the Advisory Board~~ shall in all cases consider the factors of architectural style, design,
11 arrangement, texture, materials, color, and any other pertinent factors.

12 (a) The proposed work shall be appropriate for and consistent with the effectuation
13 of the purposes of this Article 10.

14 (b) For applications pertaining to landmark sites, the proposed work shall preserve,
15 enhance or restore, and shall not damage or destroy, the exterior architectural features of the
16 landmark and, where specified in the designating ordinance pursuant to Section 1004(c), its
17 major interior architectural features. The proposed work shall not adversely affect the special
18 character or special historical, architectural or aesthetic interest or value of the landmark and
19 its site, as viewed both in themselves and in their setting, nor of the historic district in
20 applicable cases.

21 (c) For applications pertaining to property in historic districts, other than on a
22 designated landmark site, any new construction, addition or exterior change shall be
23 compatible with the character of the historic district as described in the designating ordinance;
24 and, in any exterior change, reasonable efforts shall be made to preserve, enhance or restore,
25 and not to damage or destroy, the exterior architectural features of the subject property which

1 are compatible with the character of the historic district. Notwithstanding the foregoing, for any
2 exterior change where the subject property is not already compatible with the character of the
3 historic district, reasonable efforts shall be made to produce compatibility, and in no event
4 shall there be a greater deviation from compatibility. Where the required compatibility exists,
5 the application for a Certificate of Appropriateness shall be approved.

6 (d) For applications pertaining to all property in historic districts, the proposed work
7 shall also conform to such further standards as may be embodied in the ordinance
8 designating the historic district.

9 (e) For applications pertaining to the addition of murals on a landmark or
10 contributory structure in a historic district, ~~the Advisory Board and the Planning Commission~~ IIPC
11 shall consider only the placement, size and location of the mural, to determine whether the
12 mural covers or obscures significant architectural features of the landmark or contributory
13 structure. For purposes of review under this Article 10, the City shall not consider the content
14 or artistic merit of the mural.

15 SEC. 1006.8. APPEALS ~~FROM PLANNING COMMISSION DECISION OF A~~
16 CERTIFICATE OF APPROPRIATENESS.

17 (a) Right of Appeal. The HPC's or the Planning Commission's decision on a Certificate of
18 Appropriateness shall be final unless appealed to the Board of Appeals, which may modify the decision
19 by a 4/5 vote; provided however, that if the project requires Board of Supervisors approval or is
20 appealed to the Board of Supervisors as a conditional use authorization, the decision shall not be
21 appealed to the Board of Appeals but rather to the Board of Supervisors, which may modify the
22 decision by a majority vote. The action of the Planning Commission in approving or disapproving in
23 whole or in part an application for a Certificate of Appropriateness shall be subject to appeal to the
24 Board of Supervisors in accordance with this Section. An action ~~of the Commission~~ on a Certificate of
25 Appropriateness so appealed ~~from~~ shall not become effective unless and until approved by the

1 Board of Appeals or Board of Supervisors in accordance with this Section. Nothing in this
2 Section shall be construed to authorize the appeal of any decision under Section 1006.6 of
3 this Article 10 to suspend action on an application.

4 (b) Notice of Appeal. Any appeal under this Section shall be taken by filing written
5 notice of appeal with the Board of Appeals or Board of Supervisors, whichever entity is
6 appropriate under the requirements of subsection 1006.8(a), within 30 days after the date of action
7 by the Planning CommissionHPC. In the case of a historic district, the notice of appeal shall be
8 subscribed by the owners of at least 20 percent of the property affected by the proposed
9 Certificate of Appropriateness; for the purposes of this calculation, the property affected shall
10 be deemed to be all property within the historic district. In the case of a landmark not in a
11 historic district, the notice of appeal shall be subscribed by the property owner, or by any
12 governmental body or agency, or by an organization with a recognized interest in historical
13 preservation.

14 (c) Hearing. Upon the filing of such written notice of appeal so subscribed, the
15 Board of Appeals or the Board of Supervisors or the Clerk thereof shall set a time and place for
16 hearing such appeal, which shall be not less than 10 nor more than 30 days after such filing.
17 The Board of Appeals or the Board of Supervisors must decide such appeal within 30 days of
18 the time set for the hearing thereon; provided that, if the full membership of the Board is not
19 present on the last day on which said appeal is set or continued for hearing within said period,
20 the Board may postpone said hearing and decision thereon until, but not later than, the full
21 membership of the Board is present; provided, further, that the latest date to which said
22 hearing and decision may be so postponed shall be not more than 90 days from the date of
23 filing of the appeal. Failure of the Board of Appeals or the Board of Supervisors to act within
24 such time limit shall be deemed to constitute approval by the Board of the actiondecision of the
25 Planning CommissionHPC.

1 (d) ~~Decision. In acting upon any such appeal, the Board of Supervisors may disapprove the~~
2 ~~action of the Planning Commission only by a vote of not less than of all members of the Board.~~

3 (e) —Decisions Affecting City Hall. The provisions of this Subsection shall govern
4 decisions by the ~~City Planning Commission~~HPC on a Certificate of Appropriateness for
5 alteration work to be done at City Hall, in lieu of any other provision set forth above. Upon the
6 approval or disapproval by the ~~City Planning Commission~~HPC of a Certificate of
7 Appropriateness for alteration of City Hall, the Secretary of the ~~City Planning Commission~~HPC
8 shall transmit to the Clerk of the Board of Supervisors written notification of the
9 ~~Commission~~HPC's decision. The Clerk shall set a time and place for hearing on the decision,
10 which shall be not less than 10 nor more than 30 days after receipt of such notification. The
11 Board of Supervisors may either approve, disapprove, or modify the ~~Commission's~~ HPC's
12 decision by majority vote. The Board of Supervisors must take this action within 30 days of the
13 time set for the hearing thereon, provided that, if the full membership of the Board is not
14 present on the last day on which said hearing is set or continued within said period, the Board
15 may postpone said hearing and decision thereon until, but not later than, the full membership
16 of the Board is present; provided further, that the latest date to which said hearing and
17 decision may be so postponed shall be not more than 90 days from the date of the receipt of
18 written notification. Failure of the Board of Supervisors to act within such time limit shall be
19 deemed to constitute approval by the Board of the action of the ~~City Planning Commission~~HPC.

20 SEC. 1007. UNSAFE OR DANGEROUS CONDITIONS.

21 None of the provisions of this Article 10 shall be construed to prevent any measures of
22 construction, alteration, or demolition necessary to correct the unsafe or dangerous condition
23 of any structure, other feature, or part thereof, where such condition has been declared
24 unsafe or dangerous by the ~~Director~~ Superintendent of the ~~Bureau~~ Department of Building
25 Inspection or the Chief of the Bureau of Fire Prevention and Public Safety, and where the

1 proposed measures have been declared necessary, by such official, to correct the said
2 condition; provided, however, that only such work as is absolutely necessary to correct the
3 unsafe or dangerous condition may be performed pursuant to this Section. In the event any
4 structure or other feature shall be damaged by fire, or other calamity, or by Act of God or by
5 the public enemy, to such an extent that in the opinion of the aforesaid officials it cannot
6 reasonably be repaired and restored, it may be removed in conformity with normal permit
7 procedures and applicable laws.

8 SEC. 1008. COMPLIANCE WITH MAINTENANCE REQUIREMENTS.

9 The owner, lessee or other person in actual charge of a landmark, or of a structure in
10 an historic district, shall comply with all applicable codes, laws and regulations governing the
11 maintenance of the property. It is the intent of this Section to preserve from deliberate or
12 inadvertent neglect the exterior portions of such landmark or structure, the interior portions
13 thereof when subject to control as specified in the designating ordinance, and all interior
14 portions thereof whose maintenance is necessary to prevent deterioration and decay of any
15 exterior portion.

16 SEC. 1009. ADVICE AND GUIDANCE TO PROPERTY OWNERS.

17 The ~~Advisory Board~~HPC may, upon request of the property owner, render advice and
18 guidance with respect to any proposed work for which a Certificate of Appropriateness is not
19 required, on a designated landmark site or in a designated historic district. In rendering such
20 advice and guidance, the ~~Advisory Board~~HPC shall be guided by the purposes and standards
21 in this Article 10. This Section shall not be construed to impose any regulations or controls
22 upon any property.

23 SEC. 1010. PROPERTY OWNED BY PUBLIC AGENCIES.

24 (a) The Department shall take appropriate steps to notify all public agencies which
25 own or may acquire property in the City, about the existence and character of designated

1 landmarks and historic districts; if possible, the Department shall cause a current record of
2 such landmarks and districts to be maintained in each such public agency. In the case of any
3 publicly owned property on a landmark site or in a historic district which is not subject to the
4 permit review procedures of the City, the agency owning the said property shall seek the
5 advice of the ~~Planning Commission~~HPC prior to approval or authorization of any construction,
6 alteration or demolition thereon; and the ~~Planning Commission, with the aid of the Advisory Board~~
7 ~~and~~HPC, in consultation with the Art Commission in appropriate cases, shall render a report to
8 the owner as expeditiously as possible, based on the purposes and standards in this Article
9 10. If ~~Planning Commission~~HPC review of a public project involving construction, alteration or
10 demolition on a landmark site or in a historic district is required under any other law, or under
11 the Charter, the ~~Planning Commission~~HPC shall render the report referred to in this Section to
12 such public agency without specific request therefore.

13 (b) All officers, boards, commissions and departments of the City shall cooperate
14 with the ~~Advisory Board and the Planning Commission~~HPC in carrying out the spirit and intent of
15 this Article 10.

16 (c) Nothing in this Article 10 shall be construed to imposed any regulations or
17 controls upon designated landmarks owned or controlled by the Golden Gate Bridge Highway
18 and Transportation District.

19 SEC. 1011. RECOGNITION OF STRUCTURES OF MERIT.

20 (a) The ~~Advisory Board may recommend, and the Planning Commission~~HPC may
21 approve; a list of structures of historical, architectural or aesthetic merit which have not been
22 designated as landmarks and are not situated in designated historic districts. ~~The said~~This list
23 may be added to from time to time. The purpose of this list shall be to recognize and
24 encourage the protection, enhancement, perpetuation and use of such structures. The
25 ~~Advisory Board and the Planning Commission~~HPC shall maintain a record of historic structures in

1 the City which have been officially designated by agencies of the State or federal government,
2 and shall cause such structures to be added to the aforesaid list.

3 (b) Nothing in this Article 10 shall be construed to impose any regulations or
4 controls upon such structures of merit included on the said list and neither designated as
5 landmarks nor situated in historic districts.

6 (c) The ~~Planning Commission, with the advice of the Advisory Board,~~HPC may authorize
7 such steps as it deems desirable to recognize the merit of, and to encourage the protection,
8 enhancement, perpetuation and use of any such listed structure, or of any designated
9 landmark or any structure in a designated historic district, including but not limited to the
10 issuance of a certificate of recognition and the authorization of a plaque to be affixed to the
11 exterior of the structure; and the ~~Planning Commission~~HPC shall cooperate with appropriate
12 State and federal agencies in such efforts.

13 (d) The ~~Planning Commission, with the advice of the Advisory Board,~~HPC may make
14 recommendations to the Board of Supervisors and to any other body or agency responsible,
15 to encourage giving names pertaining to San Francisco history to streets, squares, walks,
16 plazas and other public places.

17 SEC. 1013. ENFORCEMENT AND PENALTIES.

18 Enforcement and Penalties shall be as provided in Sections 176 and 176.1 of this
19 Code.

20 SEC. 1014. APPLICABILITY.

21 (a) No application for a permit to construct, alter or demolish any structure or other
22 feature on a landmark site or in a historic district, filed subsequent to the day that an
23 application has been filed or a resolution adopted to initiate designation of the said landmark
24 site or historic district, shall be approved by the Department while proceedings are pending on
25 such designation; provided however, that after 180 days have elapsed from the date of

1 initiation of said designation, if final action on such designation has not been completed, the
2 permit application may be approved.

3 (b) The provisions of this Article 10 shall be inapplicable to the construction,
4 alteration or demolition of any structure or other feature on a landmark site or in a historic
5 district, where a permit for the performance of such work was issued prior to the effective date
6 of the designation of the said landmark site or historic district, and where such permit has not
7 expired or been cancelled or revoked, provided that construction is started and diligently
8 prosecuted to completion in accordance with the Building Code.

9 SEC. 1015. - SEVERABILITY.

10 If any Section, Subsection, Subdivision, Paragraph, sentence, clause or phrase of this
11 Article 10 or any part thereof, is for any reason held to be unconstitutional or invalid, such
12 decision shall not affect the validity of the remaining portions of this Article 10 or any part
13 thereof. The Board of Supervisors hereby declares that it would have passed each Section,
14 Subsection, Subdivision, Paragraph, sentence, clause or phrase thereof, irrespective of the
15 fact that any one or more Sections, Subsections, Subdivisions, Paragraphs, sentences,
16 clauses or phrases be declared unconstitutional.

17 Section 70. The San Francisco Planning Code is hereby amended by amending Article
18 11, to read as follows:

19 SEC. 1101. FINDINGS AND PURPOSES.

20 (a) It is hereby found that a substantial number of the buildings in the C-3 District
21 have a special architectural, historical, and aesthetic value. These buildings contribute
22 substantially to San Francisco's reputation throughout the United States as a City of
23 outstanding beauty and physical harmony. A substantial number of these special buildings
24 have been and continue to be unnecessarily destroyed or impaired, despite the feasibility of
25

1 preserving and continuing their use, and without adequate consideration for the irreplaceable
2 loss to the people of the City of their aesthetic, cultural, historic and economic value.

3 (b) It is further found that distinct and definable subareas within the C-3 District
4 possess concentrations of buildings that together create a unique historic, architectural, and
5 aesthetic character which contributes to the beauty and attractiveness of the City. The quality
6 of these geographic areas has been and continues to be degraded by the unnecessary
7 demolition of buildings of substantial architectural and aesthetic merit, by their replacement
8 with buildings which conflict with the character and scale of the area, and by alteration of
9 buildings in a manner which conflicts with the character and scale of the area.

10 (c) It is therefore declared that the protection, enhancement, and perpetuation of
11 buildings and definable subareas of special architectural, historical, and aesthetic interest is
12 necessary to promote the health, safety, prosperity and welfare of the people of the City.
13 Accordingly, the purposes of this Article are:

14 (1) The protection, enhancement, and perpetuation of structures and subareas of
15 special architectural, historical, and aesthetic character which contribute to the urban
16 environment;

17 (2) The maintenance and improvement of a healthy economy for the City by
18 enhancing both property values and the City's attractiveness as a place to do business;

19 (3) The protection and improvement of the City's attractiveness to tourists and other
20 visitors, and the stimulus to business provided thereby;

21 (4) The enrichment of the educational, cultural, aesthetic and spiritual life of the
22 inhabitants of the City by fostering knowledge of the heritage of the City's past and retaining
23 the quality of the City's urban environment.

24 (d) It is further found that the use of Transferable Development Rights as provided
25 herein is necessary to promote the urban planning and design goals of the Master Plan by (1)

1 maintaining appropriate overall development capacities in each zoning district within the C-3
2 area, as defined by applicable floor area, height, bulk and other parameters; (2) encouraging
3 and directing development into the Special Development District in order to maintain a
4 compact downtown financial district; and (3) facilitating the retention of Significant Buildings,
5 and encouraging the retention of Contributory Buildings, and the compatible replacement or
6 alteration of Unrated buildings in Conservation Districts, as defined herein.

7 SEC. 1102. STANDARDS FOR DESIGNATION OF BUILDINGS.

8 The buildings in the C-3 Districts are divided into five categories according to the
9 Building Rating methodology as set forth and explained in the Preservation of the Past section
10 of the Downtown Plan, a component of the Master Plan. Those categories are as follows:

11 (a) Significant Buildings - Category I. Buildings which:

12 (1) Are at least 40 years old; and

13 (2) Are judged to be Buildings of Individual Importance; and

14 (3) Are rated Excellent in Architectural Design or are rated Very Good in both

15 Architectural Design and Relationship to the Environment.

16 (b) Significant Buildings - Category II. Buildings:

17 (1) Which meet the standards in Section 1102(a) above; and

18 (2) To which, because of their depth and relationship to other structures, it is
19 feasible to add different and higher replacement structures or additions to height at the rear of
20 the structure, even if visible when viewing the principal facades, without affecting their
21 architectural quality or relationship to the environment and without affecting the appearance of
22 the retained portions as separate structures when viewing the principal facades. The
23 designation of Category II Buildings shall identify for each building the portion of the building
24 beyond which such additions may be permitted.

25 (c) Contributory Buildings - Category III. Buildings which:

1 (1) Are located outside a designated Conservation District; and
2 (2) Are at least 40 years old; and
3 (3) Are judged to be Buildings of Individual Importance; and
4 (4) Are rated either Very Good in Architectural Design or Excellent or Very Good in
5 Relationship to the Environment.

6 (d) Contributory Buildings - Category IV. Buildings which:
7 (1) Are located in a designated Conservation District; and
8 (2) Are at least 40 years old; and
9 (3) Are judged to be Buildings of Individual Importance, and are rated either Very
10 Good in Architectural Design or Excellent or Very Good in Relationship to the Environment.
11 (4) Are judged to be Buildings of Contextual Importance and are rated Very Good in
12 Architectural Design and/or Excellent or Very Good in Relationship to the Environment.

13 (e) Unrated Buildings - Category V. Buildings which are not designated as Significant or
14 Contributory.

15 SEC. 1102.1. DESIGNATION OF BUILDINGS.

16 The buildings in the C-3 District are classified as follows:

17 (a) Significant Buildings - Category I. The buildings listed in Appendix A to this
18 Article 11 are hereby designated as Significant Buildings - Category I.

19 (b) Significant Buildings - Category II. The buildings listed in Appendix B to this
20 Article 11 are hereby designated as Significant Buildings - Category II.

25

1 (e) Unrated Buildings - Category V. All buildings in the C-3 District not otherwise
2 designated in this Section are hereby designated as Unrated - Category V.

3 SEC. 1103. STANDARDS FOR DESIGNATION OF CONSERVATION DISTRICTS.

8 qualities justifying additional controls in order to protect and promote those qualities.

9 SEC. 1103.1. CONSERVATION DISTRICT DESIGNATIONS.

10 The following Conservation Districts are hereby designated for the reasons indicated in
11 the appropriate Appendix:

12 (a) The Kearny-Market-Mason-Sutter Conservation District is hereby designated as

24 SEC. 1104. INTENTIONALLY LEFT BLANK.—NOTICE OF DESIGNATION.

1 (a) ~~The Zoning Administrator shall notify by mail the owners of every building designated~~
2 ~~by this ordinance as a Significant or Contributory Building and every building within a conservation~~
3 ~~district as established by this ordinance.~~

4 (b) ~~With respect to buildings designated Significant or Contributory by this ordinance,~~
5 ~~notice shall also be given by posting each such building in a conspicuous place as well as by~~
6 ~~publication pursuant to the provisions of California Government Code Section 6064. The notice shall~~
7 ~~state that the owner of every building so designated has the right to request a change of designation~~
8 ~~and the time permitted for making such a request.~~

9 (c) ~~The Zoning Administrator shall cause a copy of this ordinance, or notice thereof, to be~~
10 ~~recorded in the office of the County Recorder for properties designated as Significant or Contributory,~~
11 ~~and for properties designated within a conservation district, by this ordinance.~~

12 SEC. 1105. INTENTIONALLY LEFT BLANK ~~RECONSIDERATION OF DESIGNATION.~~

13 (a) ~~Request for Reconsideration. Within 45 days of the effective date of this ordinance, a~~
14 ~~request for reconsideration and change of a designation may be filed by any affected property owner,~~
15 ~~by any organization or group which has historic preservation stated as one of its goals in its bylaws or~~
16 ~~articles of incorporation, or the application of at least 50 registered voters of the City, based on the~~
17 ~~grounds that under the standards contained in Section 1102 the designation set forth in this ordinance~~
18 ~~is incorrect. Such a request shall be filed with the Department of City Planning on forms provided for~~
19 ~~that purpose. The Department of City Planning shall not accept or act upon any application filed after~~
20 ~~45 days have passed. Once a request for reconsideration has been made as to any building, no~~
21 ~~additional requests shall be accepted as to that building; however, another applicant may seek a~~
22 ~~change of designation different from that sought in the original reconsideration request. Any property~~
23 ~~owner who contends that the designation applicable to its property deprives the owner of a~~
24 ~~constitutionally protected property right, or that, by reason of such application, the property owner is~~
25 ~~entitled to compensation, shall assert such argument in connection with and in aid of the application~~

1 ~~filed under this Section and provide all evidence in the property owner's possession in support of such~~
2 ~~contention.~~

3 ~~(b) — Referral to the Landmarks Preservation Advisory Board; Review by the Department of~~
4 ~~City Planning. Upon determination by the Zoning Administrator that an application is complete, the~~
5 ~~Zoning Administrator shall promptly refer the matter to the Landmarks Preservation Advisory Board~~
6 ~~for review and recommendation, and the Department of City Planning shall undertake a study of the~~
7 ~~reconsideration request and prepare a report and recommendation. The Landmarks board shall~~
8 ~~recommend approval, disapproval, or approval with modifications of the application within 30 days of~~
9 ~~receiving it; provided, however, that if more than 30 applications are received within any 15-day~~
10 ~~period at the Department of City Planning, the Zoning Administrator may extend the time for Advisory~~
11 ~~Board action with respect to those applications for an additional period of time not to exceed 45 days,~~
12 ~~and if more than 50 applications are received within such time, for an additional period of time deemed~~
13 ~~necessary to allow sufficient time for Board review. If the Landmarks Board fails to respond within the~~
14 ~~allowed time the City Planning Commission shall proceed without a recommendation from the~~
15 ~~Landmarks Board.~~

16 ~~(e) — Submittal to the Planning Commission. Upon completion of the study by the Department~~
17 ~~of City Planning and recommendation by the Landmarks Advisory Board, the matter shall be scheduled~~
18 ~~for public hearing before the Planning Commission; provided, however, that in no event shall it be~~
19 ~~scheduled later than 30 days after the Advisory Board has made its recommendation unless the~~
20 ~~applicant consents to an extension of this time limit. Notice of the hearing shall be given by mail to the~~
21 ~~applicant and to any other persons requesting notice.~~

22 ~~(d) — City Planning Commission Decision. The Planning Commission may approve,~~
23 ~~disapprove, or approve with modifications the reconsideration application. The building shall be~~
24 ~~deemed to be designated according to the decision of the Planning Commission and the provisions of~~
25

1 ~~this Article 11 applicable to that designation shall apply to the building notwithstanding another~~
2 ~~designation of the building in Appendices A, B, C or D to this Article.~~

3 SEC. 1106. CHANGE OF DESIGNATION: DESIGNATION OF ADDITIONAL
4 BUILDINGS.

5 Buildings may be designated or their designation may be changed through amendment
6 of Appendices A, B, C and D of this Article. Such designation or change of designation shall
7 be governed by the following provisions in lieu of the provisions of Section 302:

8 (a) Initiation. The designation or change of designation of a building may be initiated
9 by motion of the Board of Supervisors, by resolution of the ~~Planning Commission or the~~
10 ~~Landmarks Preservation Advisory Board HPC~~, by the verified application of the owner or
11 authorized agent of the affected property, by the application of any organization or group
12 which has historic preservation stated as one of its goals in its bylaws or articles of
13 incorporation, or by the application of at least 50 registered voters of the City. Except in the
14 case of initiation by governmental bodies, any such application shall be filed with the Planning
15 ~~Department of City Planning~~ upon forms prescribed by the Department of City Planning, and
16 shall be accompanied by all data required by the Department.

17 (b) Notice; Referral to the ~~Landmarks Preservation Advisory Board HPC~~; Review by the
18 Planning Department of City Planning. Upon determination by the ~~Zoning Administrator Planning~~
19 ~~Department~~ that a verified application is complete and contains all necessary information or
20 upon receipt of the motion or resolution of one of the governmental bodies set forth in
21 Subsection (a) above, the ~~Zoning Administrator Planning Department~~ shall (1) send notice of the
22 proposed designation or change of designation by mail to the owner of the affected property,
23 unless the application is that of the owner, and (2) promptly refer the matter to the ~~Landmarks~~
24 ~~Preservation Advisory Board HPC~~ for review and the submittal of a recommendation. The
25

1 ~~Planning~~ Department ~~of City Planning~~ shall also undertake a study of the proposed designation
2 or change of designation.

3 (c) Action by the ~~Planning Commission HPC~~. ~~Upon completion of the review of the~~
4 ~~proposed designation or change of designation by the Department of City Planning and the submittal of~~
5 ~~the report by the Landmarks Board, the matter~~ The application shall be placed on the agenda of
6 the ~~Planning Commission HPC~~ for public hearing. The ~~Planning Commission HPC~~ shall determine
7 the appropriate designation or change in designation of the building. If the ~~Planning~~
8 ~~Commission HPC~~ approves or modifies the designation or change of designation in whole or in
9 part, it shall transmit the proposal, together with a copy of the resolution of approval, to the
10 Clerk of the Board of Supervisors.

11 (d) Review by the Planning Commission. The HPC shall refer recommendations regarding
12 Conservation District designations to the Planning Commission, which shall have 45 days to review
13 and comment on the proposed designation, which comments, if any, shall be forwarded to the Board of
14 Supervisors together with the HPC's recommendation. Notice of the hearing shall be given by mail to
15 the applicant and to any other persons requesting notice.

16 (e) Designation by Board of Supervisors. The Board of Supervisors, or a committee
17 thereof, shall hold a public hearing on any proposal so transmitted to it. The Board of
18 Supervisors may approve, modify and approve, or disapprove the designation or change of
19 designation by a majority vote of all its members.

20 (f) ~~(f)~~ Appeal to Board of Supervisors. If the ~~Planning Commission HPC~~ disapproves the
21 proposed designation or change of designation, such action shall be final except upon the
22 filing of a notice of appeal to the Board of Supervisors within 30 days by the applicant or any
23 of the persons, organizations or groups listed in Section 1106(a); provided, however, that if
24 the proposal was initiated by the Board of Supervisors, the Clerk of the said Board shall be
25 notified immediately of the disapproval without the necessity for an appeal.

1 ~~(f)~~ (g) Hearing and Decision. The Board of Supervisors, or a committee thereof, shall
2 hold a public hearing on any such proposal appealed to it or initiated by it. The Board of
3 Supervisors may uphold the *Planning Commission HPC*, overrule the *Planning Commission HPC*
4 and approve, or modify and approve, the designation or change of designation by a majority
5 vote of all its members.

6 ~~(g)~~ (h) Notice of Proceedings. Notice of the hearing scheduled before the *Planning*
7 *Commission HPC* and Board of Supervisors, and of the availability of applicable reports, shall
8 be given by mail to the initiators of the designation or change of designation, to the owners of
9 any affected building, to appellants, and to any other interested person or organization
10 requesting notice.

11 ~~(h)~~ (i) Grounds for Designation or Change of Designation. The designation of a
12 building may be changed if (1) changes in the area in the vicinity of a building located outside
13 a Conservation District warrant a change in the rating of the building with respect to its
14 relationship to the environment and therefore place it in a different category, pursuant to
15 Section 1102; or (2) changes in Conservation District boundaries make a building of
16 Contextual Importance fall outside a Conservation District and therefore no longer eligible for
17 designation as a Contributory building, or, conversely, make a building of Contextual
18 Importance fall within a Conservation District and therefore eligible for designation as a
19 Contributory Building; or (3) changes in the physical features of the building due to
20 circumstances beyond the control of the owner, or otherwise permitted by this Article, warrant
21 placing the building in a different category pursuant to the standards set forth in Section 1102;
22 or (4) restoration of the building to its original quality and character warrants placing the
23 building in a different category pursuant to the standards set forth in Section 1102; or (5) by
24 the passage of time, the building has become at least 40 years old, making it eligible to be
25 considered for designation as a Significant or Contributory building, pursuant to Section 1102;

1 or (6) the discovery of new factual information (for example, information about the history of
2 the building) makes the building eligible for rating as a Building of Individual or Contextual
3 Importance and, therefore, eligible to be designated as a Significant or Contributory Building.

4 SEC. 1107. PROCEDURES FOR DESIGNATION OF ADDITIONAL
5 CONSERVATION DISTRICTS OR BOUNDARY CHANGE OF CONSERVATION DISTRICTS.

6 A Conservation District may be designated or its boundary changed through
7 amendment of Section 1103.1 of this Article 11. Such designation or boundary change shall
8 be governed by the following provisions in lieu of the provisions of Section 302.

9 (a) Initiation of Designation or Boundary Change. The designation of an area of the
10 C-3 District as a Conservation District or the change of District boundaries may be initiated by
11 motion of the Board of Supervisors, by resolution of the ~~Planning Commissioner the Landmarks~~
12 ~~Preservation Advisory Board HPC~~, upon the verified application of the owners or other
13 authorized agents of greater than 25 percent of the structures in the area proposed for
14 designation (or, as to an alteration, 25 percent of the structures of the proposed new district
15 unless it would be an area smaller than the existing district, in which case it shall be 25
16 percent of the structures of the existing district), upon the verified application of any
17 organization or group which has historic preservation stated as one of its goals in its bylaws or
18 articles of incorporation, or upon the verified application of at least 150 registered voters of the
19 City. Except in case of an initiation by governmental bodies, any such application shall be filed
20 with the ~~Planning Department of City Planning~~ upon forms prescribed by the ~~Department of City~~
21 ~~Planning~~, and shall be accompanied by all data required by said Department.

22 (b) Notice; ~~Referral to the Landmarks Preservation Advisory Board~~; Review by the
23 ~~Planning Department of City Planning~~. Notice, ~~referral to the Landmarks Board~~ and review by the
24 ~~Planning Department of City Planning~~ shall be as provided in Section 1106(b) of this Article.

1 (c) Submittal to the ~~Planning Commission~~ HPC. Submittal to and action by the
2 ~~Planning Commission~~ HPC shall be as set forth in Section 1106(c) of this Article.

3 (d) Review by the Planning Commission. Submittal to and action by the Planning
4 Commission shall be as set forth in Section 1106(d) of this Article.

5 (e) Designation by Board of Supervisors. The Board of Supervisors, or a committee
6 thereof, shall hold a public hearing on any proposal so transmitted to it. The Board of
7 Supervisors may approve, modify and approve, or disapprove the designation or boundary
8 change by a majority vote of all its members.

9 ~~(e)~~ (f) Appeal to Board of Supervisors. If the ~~Planning Commission~~ HPC disapproves the
10 proposed designation or boundary change, such action shall be final except upon the filing of
11 a notice of appeal to the Board of Supervisors within 30 days by the applicant or any of the
12 persons, organizations, or groups listed in Section 1107(a); provided, however, that if the
13 proposal was initiated by the Board of Supervisors, the Clerk of the said board shall be
14 notified immediately of the disapproval without the necessity for an appeal.

15 ~~(f)~~ (g) Hearing and Decision. The Board of Supervisors, or a committee thereof, shall
16 hold a public hearing on any such proposal appealed to it or initiated by it. The Board of
17 Supervisors may uphold the ~~Planning Commission~~ HPC, overrule the ~~Planning Commission~~ HPC
18 and approve, or modify and approve, the designation or boundary change by a majority vote
19 of all its members.

20 ~~(g)~~ (h) Notice of Proceedings. Notice of the hearing scheduled before the ~~Planning~~
21 ~~Commission~~ HPC shall be given by mail to the initiators of the designation or alteration, the
22 owners of all lots within 300 feet of the proposed new district or of that portion of the district
23 being altered, as well as to interested individuals or organizations who request such notice.

24 ~~(h)~~ (i) Standards Applicable to Designation or Boundary Change. The standards
25 governing the designation and change of District boundaries are those set forth in Section

1 1103. Areas may be removed from Conservation Districts if the character of the area has
2 changed such that the area no longer qualifies under the standards set forth in Section 1103.

3 SEC. 1108. NOTICE OF DESIGNATION.

4 When a building has been designated Significant or Contributory or its designation is
5 changed pursuant to Section 1106, or when a new Conservation District is established or the
6 boundary of a Conservation District changed pursuant to Section 1107, the *Zoning*
7 ~~Administrator~~ Planning Department shall notify each affected property owner by mail and shall
8 cause a copy of the ordinance, or notice thereof, to be recorded in the office of the County
9 Recorder.

10 SEC. 1109. PRESERVATION LOTS: ELIGIBILITY FOR TRANSFER OF
11 DEVELOPMENT RIGHTS.

12 For the purpose of transfer of development rights (TDR) as provided in Section 128 of
13 this Code, lots on which are located Significant or Contributory Buildings, or Category V
14 Buildings in those certain Conservation Districts and portions thereof as indicated in Section 8
15 of the Appendix relating to that District are eligible preservation lots as provided in this
16 Section:

17 (a) Significant Buildings. Lots on which are located buildings designated as
18 Significant Buildings - Category I or Category II - are eligible to transfer the difference
19 between the allowable gross floor area permitted on the lot by Section 124 of this Code and
20 the gross floor area of the development on the lot, if all the requirements for transfer set forth
21 in Section 128 are met. Lots on which are located Significant Buildings which have been
22 altered in conformance with the provisions of this Article retain eligibility for the transfer of
23 TDR.

24 (b) Contributory Buildings. Lots on which are located buildings designated as
25 Contributory Buildings - Category III or Category IV - are eligible to transfer the difference

1 between the allowable gross floor area permitted on the lot by Section 124 of the Code and
2 the gross floor area of the development on the lot, if all the requirements for transfer set forth
3 in Section 128 are met. Alteration or demolition of such a building in violation of Section 1110
4 or Section 1112, or alterations made without a permit issued pursuant to Sections 1111
5 through 1111.6, eliminates eligibility for the transfer of TDR; provided, however, that such
6 eligibility may nonetheless be retained or acquired again if, pursuant to Section 1114(b), the
7 property owner demonstrates as to any alteration that it was not major, or if the property
8 owner restores the demolished or altered building. Once any TDR have been transferred from
9 a Contributory Building, the building is subject to the same restrictions on demolition and
10 alteration as a Significant Building. These restrictions may not be removed by the transfer of
11 TDR back to the building.

12 (c) Category V Buildings in Conservation Districts. Where explicitly permitted in
13 Section 8 of the Appendix establishing a Conservation District, lots located in such a District
14 on which are located Category V Buildings (designated as neither Significant nor Contributory)
15 are eligible to transfer the difference between the allowable gross floor area permitted on the
16 lot under Section 124 of the Code and the gross floor area of the development on the lot, if all
17 the requirements for transfer set forth in Section 128 are met; provided, however, that a lot is
18 eligible as a Preservation Lot pursuant to this Section only if (1) the exterior of the building is
19 substantially altered so as to make it compatible with the scale and character of the Significant
20 and Contributory Buildings in the district, including those features described in Sections 6 and
21 7 of the Appendix to Article 11 describing the relevant district, and has thus been determined
22 a Compatible Rehabilitation, and the building meets or has been reinforced to meet the
23 standards for seismic loads and forces of the 1975 Building Code or (2) the building on the lot
24 is new, having replaced a Category V Building, and has received approval as a Compatible
25

1 Replacement Building, pursuant to Section 1113. The procedures governing these
2 determinations are set forth in Section 309.

3 SEC. 1110. ALTERATION OF SIGNIFICANT OR CONTRIBUTORY BUILDINGS OR
4 BUILDINGS IN CONSERVATION DISTRICTS.

5 With respect to a designated Significant or Contributory Building or any Category V
6 Building in a Conservation District, no person shall carry out or cause to be carried out any
7 alteration to the exterior of a building for which a permit is required pursuant to the Building
8 Code unless the permit is approved pursuant to the provisions of Sections 1111 through
9 1111.6 of this Article; provided, however, that this approval is not required with respect to the
10 owner of a Contributory Building of Category III who has not transferred any TDR and who
11 elects to proceed with a major alteration without reference to Sections 1111 through 1111.6.
12 Election to proceed without a permit pursuant to this Section may be made at the time that the
13 ~~Zoning Administrator~~ Planning Department determines that the proposed alteration is major
14 pursuant to Section 1111.1. If no election is made at the time of the ~~Zoning Administrator~~
15 Department's determination that an alteration is major, the applicant may make such election
16 at any time thereafter. Review under Sections 1111 through 1111.6 shall cease after such
17 election has been made and the permit shall be processed without regard to the requirements
18 of that Section. Election shall be made in writing on a form provided by the ~~Zoning~~
19 ~~Administrator~~ Planning Department. Where an owner elects not to proceed pursuant to Sections
20 1111 through 1111.6, the proposed alteration for which the application is filed shall be
21 deemed not to meet the requirements of Section 1111.6, and if the alteration permit is issued
22 and work commenced thereunder, the Zoning Administrator shall not issue a Statement of
23 Eligibility for the lot on which the building is located.

24 SEC. 1111. APPLICATIONS FOR PERMITS TO ALTER.
25

1 The *Zoning Administrator HPC* may define categories of alterations which are deemed to
2 be minor alterations and individual permits falling within those categories shall be reviewed
3 and acted upon without referral to the *Zoning Administrator HPC* for review pursuant to
4 Sections 1111 through 1111.6. All other applications for permits to undertake any alteration of
5 a building designated Significant or Contributory or a building in any Conservation District
6 shall be referred to the *Zoning Administrator Planning Department* by the Central Permit Bureau
7 within five days of receipt. An applicant for a major alteration permit for a Category V Building
8 in any of the Conservation Districts which provides for such eligibility may request on the
9 application a determination that if the proposed alteration is completed as approved, the
10 building will be deemed a Compatible Rehabilitation under Section 1109(c) so that the lot on
11 which the building is located becomes eligible as a Preservation Lot for the transfer of TDR.

12 SEC. 1111.1. DETERMINATION OF MAJOR ALTERATION.

13 Within 10 days after referral by the Central Permit Bureau, the *Zoning Administrator*
14 *Planning Department* shall determine in writing if the proposed alteration is a Major Alteration or
15 a Minor Alteration.

16 (a) An alteration is considered Major if any of the following apply:

17 (1) The alteration will substantially change, obscure or destroy exterior character-
18 defining spaces, materials, features or finishes; or

19 (2) The alteration would affect all or any substantial part of a building's structural
20 elements, exterior walls or exterior ornamentation; or

21 (3) The alteration occurs by virtue of construction which results in a substantial
22 addition of height above the height of the building.

23 (b) An alteration is considered minor if:

24 (1) The criteria set forth in Subsection (a) do not apply; or

25

1 (2) It is an alteration of the ground-floor display areas within the architectural frame
2 (piers and lintels) of the building to meet the needs of first-floor commercial uses; or

3 (3) The sole purpose and effect of the alteration is to comply with the UMB Seismic
4 Retrofit Ordinances and the *Zoning Administrator Planning Department* determines that the
5 proposed work complies with the UMB Retrofit Architectural Design Guidelines, which
6 guidelines shall be adopted by the *Planning Commission HPC*.

7 (c) The *Zoning Administrator Planning Department* shall mail to the applicant and any
8 individuals or organizations who so request the written determination as to the category of the
9 proposed alteration. Decisions of the *Zoning Administrator Planning Department* may be
10 appealed to the *Board of Permit Appeals HPC* within 10 days of the written determination *in the*
11 *manner provided in Section 308.2. The HPC may also review the determination of the Planning*
12 *Department by its own motion.*

13 (d) Permits determined to be for minor alterations shall be returned, with that
14 determination noted, to the Central Permit Bureau for further processing; provided, however,
15 that the *Zoning Administrator Planning Department* may take any action with respect to the
16 application otherwise authorized.

17 SEC. 1111.2. ~~INTENTIONALLY LEFT BLANK - REFERRAL OF APPLICATIONS FOR~~
18 ~~MAJOR ALTERATIONS TO LANDMARKS PRESERVATION ADVISORY BOARD: REVIEW BY THE~~
19 ~~DEPARTMENT OF CITY PLANNING.~~

20 (a) ~~Upon determination that the proposed alteration is a major alteration, the Director of~~
21 ~~Planning shall refer applications for permits to alter Significant and Contributory Buildings to the~~
22 ~~Landmarks Preservation Advisory Board for its report and recommendation, which shall be rendered~~
23 ~~within 30 days. Said time limit for the Board to render its report may be extended by the Department of~~
24 ~~City Planning for an additional 30 days to render its report in the case of complex alterations, multiple~~
25 ~~hearings, or upon request of the applicant. If the Board fails to submit a report and recommendation~~

1 ~~within the time allowed, the matter may be considered without reference to such report and~~
2 ~~recommendation.~~

3 ~~(b) — Simultaneously with the proceedings before the Landmarks Board, the application shall~~
4 ~~be reviewed by the Department of City Planning.~~

5 ~~(c) — Applications for permits to alter any Category V building in a Conservation District~~
6 ~~which alteration is determined to be major shall be governed by the standards of Section 1111.6(e) and~~
7 ~~the procedures set forth in Section 309.~~

8 SEC. 1111.3.RECOMMENDATION BY THE DIRECTOR OF PLANNING.

9 ~~Upon a determination that a proposed alteration is a major alteration After considering any~~
10 ~~report and recommendation submitted by the Landmarks Preservation Advisory Board, the Director of~~
11 ~~Planning shall make a determination on the application and shall submit a written~~
12 ~~recommendation containing findings to the Planning Commission HPC. The recommendation~~
13 ~~may be to approve, to approve with conditions, or disapprove the application for alteration,~~
14 ~~and, where applicable, the application for a determination that the building is a Compatible~~
15 ~~Rehabilitation. The Commission HPC, the applicant and any other person who so requests~~
16 ~~shall be supplied with a copy of reports and recommendations of the Landmarks Preservation~~
17 ~~Advisory Board and the findings and recommendations of the Director of Planning.~~

18 SEC. 1111.4.CONSIDERATION AND DECISION BY THE CITY PLANNING
19 COMMISSION HPC.

20 (a) The recommendation of the Director of Planning shall be placed on the consent
21 calendar of the City Planning Commission HPC; provided, however, that upon the request of the
22 applicant or of any person prior to the City Planning Commission HPC meeting or by a member
23 of the Commission at the meeting, the matter may be removed from the consent calendar and
24 calendared for a public hearing before the Planning Commission HPC at a later meeting, which
25 shall be the next regular meeting of the Commission unless the applicant otherwise consents.

1 (b) Notice of the time, place and purpose of the hearing before the *City Planning*
2 *Commission HPC* shall begin given as follows:

3 (1) By mail to the applicant;

4 (2) When the application is for alteration of a building located in a Conservation
5 District, by mail not less than 10 days prior to the date of the hearing to the owners of all real
6 property within 300 feet of property that is the subject of the application.

7 SEC. 1111.5. DECISION BY THE *CITY PLANNING COMMISSION HPC*.

8 The *Planning Commission HPC* may approve, disapprove or approve with conditions an
9 application for an alteration permit and, where applicable, for a determination that the building
10 is a Compatible Rehabilitation, and shall make findings in support of its decision. If the
11 *Planning Commission HPC* approves the recommendation of the Director of Planning, it may
12 adopt or modify the findings of the Director of Planning as appropriate. Where the *Planning*
13 *Commission HPC* disapproves the recommendations of the Director of Planning, it shall make
14 findings supporting its decision. If the Commission disapproves the application for a permit to
15 alter, it shall recommend disapproval to the Central Permit Bureau which shall deny the
16 application. The *Planning Commission HPC*'s determination that a building qualifies or fails to
17 qualify as a Compatible Rehabilitation is a final administrative decision. Any decision of the
18 *Planning Commission HPC* rendered pursuant to this Section shall be rendered within 30 days
19 from the date of conclusion of the hearing.

20 SEC. 1111.5A. APPEAL OF A PERMIT TO ALTER

21 (a) Right of Appeal. The HPC's or the Planning Commission's decision on a Permit to
22 Alter shall be final unless appealed to the Board of Appeals, which may modify the decision by a 4/5
23 vote; provided however, that if the project requires Board of Supervisors approval or is appealed to the
24 Board of Supervisors as a conditional use authorization, the decision shall not be appealed to the
25 Board of Appeals but rather to the Board of Supervisors, which may modify the decision by a majority

1 vote. Any appeal must be made within 30 days after the date of the final action by the HPC. An action
2 on a Permit to Alter so appealed from shall not become effective unless and until approved by the
3 Board of Appeals or the Board of Supervisors in accordance with this Section.

4 SEC. 1111.6. STANDARDS AND REQUIREMENTS FOR REVIEW OF
5 APPLICATIONS FOR ALTERATIONS.

6 The Board of Permit Appeals, the Board of Supervisors, the City Planning Commission
7 HPC, and the Director of Planning, ~~and the Landmarks Board~~ shall be governed by the following
8 standards in the review of applications for major alteration permits.

9 (a) The proposed alteration shall be consistent with and appropriate for the
10 effectuation of the purposes of this Article 11.

11 (b) For Significant Buildings - Categories I and II, and for Contributory Buildings -
12 Categories III and IV, proposed alterations of structural elements and exterior features shall
13 be consistent with the architectural character of the building, and shall comply with the
14 following specific requirements:

15 (1) The distinguishing original qualities or character of the building may not be
16 damaged or destroyed. Any distinctive architectural feature which affects the overall
17 appearance of the building shall not be removed or altered unless it is the only feasible means
18 to protect the public safety.

19 (2) The integrity of distinctive stylistic features or examples of skilled craftsmanship
20 that characterize a building shall be preserved.

21 (3) Distinctive architectural features which are to be retained pursuant to Paragraph

23 the event replacement is necessary, the new material shall match the material being replaced
24 in composition, design, color, texture and other visual qualities. Repair or replacement of
25 missing architectural features shall be based on accurate duplication of features,

1 substantiated by historic, physical or pictorial evidence, if available, rather than on conjectural
2 designs or the availability of different architectural elements from other buildings or structures.
3 Replacement of nonvisible structural elements need not match or duplicate the material being
4 replaced.

5 (4) Contemporary design of alterations is permitted, provided that such alterations
6 do not destroy significant exterior architectural material and that such design is compatible
7 with the size, scale, color, material and character of the building and its surroundings.

8 (5) The degree to which distinctive features need be retained may be less when the
9 alteration is to exterior elements not constituting a part of a principal facade or when it is an
10 alteration of the ground-floor frontage in order to adapt the space for ground-floor uses.

11 (6) In the case of Significant Buildings - Category I, any additions to height of the
12 building (including addition of mechanical equipment) shall be limited to one story above the
13 height of the existing roof, shall be compatible with the scale and character of the building,
14 and shall in no event cover more than 75 percent of the roof area.

15 (7) In the case of Significant Buildings - Category II, a new structure or addition,
16 including one of greater height than the existing building, may be permitted on that portion of
17 the lot not restricted in Appendix B even if such structure or addition will be visible when
18 viewing the principal facades at ground level, provided that the structure or addition does not
19 affect the appearance of the retained portion as a separate structure when so viewing the
20 principal facades and is compatible in form and design with the retained portion. Alteration of
21 the retained portion of the building is permitted as provided in Paragraphs (1) through (6) of
22 this Subsection (b).

23 (c) Within Conservation Districts, all major exterior alterations, of Category V
24 Buildings, shall be compatible in scale and design with the District as set forth in Sections 6
25 and 7 of the Appendix which describes the District.

1 SEC. 1111.7.PERMITS FOR SIGNS.

2 (a) Installation of a new general advertising sign is prohibited in any Historic District
3 or Conservation District or on any historic property regulated by this Article 11.

4 (b) Wherever a permit for a sign is required pursuant to Article 6 of this Code, an
5 application for such permit shall be governed by the provisions of this Section in addition to
6 those of Article 6.

7 (c) Apart from and in addition to any grounds for approval or disapproval of the
8 application under Article 6, an application involving a permit for a business sign, or general
9 advertising sign, identifying sign, or nameplate to be located on a Significant or Contributory
10 Building or any building in a Conservation District may be disapproved, or approved subject to
11 conditions if the proposed location, materials, means of illumination or method or replacement
12 of attachment would adversely affect the special architectural, historical or aesthetic
13 significance of the building or the Conservation District. No application shall be denied on the
14 basis of the content of the sign.

15 (d) The Director of Planning shall make the determination required pursuant to
16 Subsection (b). Any permit applicant may appeal the determination of the Director of Planning
17 to the ~~City Planning Commission~~ HPC by filing a notice of appeal with the Secretary of the
18 Commission within 10 days of the determination. The ~~City Planning Commission~~ HPC shall hear

16 proposed design or by virtue of the relation of the replacement structure or structures to their
17 setting. Notwithstanding the preceding sentence, the ~~Zoning Administrator~~ Planning Department
18 shall approve any such demolition permit application if the standards of Section 1112.7 for

9 The Board of Permit Appeals, ~~the Board of Supervisors,~~ the ~~City Planning Commission~~

11 Section in their review of applications for a permit to demolish any Significant or Contributory
12 Building from which TDR have been transferred.

13 No demolition permit may be approved unless: (1) it is determined that under the
14 designation, taking into account the value of Transferable Development Rights and costs of
15 rehabilitation to meet the requirements of the Building Code or other City, State or federal
16 laws, the property retains no substantial remaining market value or reasonable use; or (2) the
17 ~~Director Superintendent~~ of the ~~Bureau~~ Department of Building Inspection or the Chief of the
18 Bureau of Fire Prevention and Public Safety determines, after consultation, to the extent
19 feasible, with the Planning Department ~~of City Planning~~, that an imminent safety hazard exists

1 SEC. 1113. NEW AND REPLACEMENT CONSTRUCTION IN CONSERVATION
2 DISTRICTS.

3 No person shall construct or cause to be constructed any new or replacement structure
4 or add to any existing structure in a Conservation District unless it is found that such
5 construction is compatible in scale and design with the District as set forth in Sections 6 and 7
6 of the Appendix which describes the District. Applications for a building or site permit to
7 construct or add to a structure in any Conservation District shall be reviewed pursuant to the
8 procedures set forth in Section 309 and shall only be approved pursuant to Section 309 if they
9 meet the standards set forth herein, if a building or site permit application for construction of a
10 building is approved pursuant to this Section and if the building is constructed in accordance
11 with such approval, and if the buildings located in a Conservation District for which, pursuant
12 to Section 8 of the Appendix establishing that district, such a transfer is permitted, the building
13 shall be deemed a Compatible Replacement Building, and the lot on which such building is
14 located shall be eligible as a Preservation Lot for the transfer of TDR.

15 SEC. 1114. UNLAWFUL ALTERATION OR DEMOLITION.

16 (a) In addition to any other penalties provided in Section 1119 or elsewhere,
17 alteration or demolition of a Significant or Contributory Building or any building within a
18 Conservation District in violation of the provisions of this Article shall eliminate the eligibility of
19 the building's lot as a Preservation Lot, and such lot, if it is the site of an unlawfully
20 demolished Significant Building, or Contributory Building from which TDR have been
21 transferred, may not be developed in excess of the floor area ratio of the demolished building
22 for a period of 20 years from the unlawful demolition. No department shall approve or issue a
23 permit that would authorize construction of a structure contrary to the provisions of this
24 Section.

25

1 (b) A property owner may be relieved of the penalties provided in Subsection (a) if:
2 (1) as to an unlawful alteration or demolition, the owner can demonstrate to the *Zoning*
3 *Administrator-Planning Department* that the violation did not constitute a major alteration as
4 defined in Section 1111.1; or (2) as to an unlawful alteration, the owner restores the original
5 distinguishing qualities and character of the building destroyed or altered, including exterior
6 character-defining spaces, materials, features, finishes, exterior walls and exterior
7 ornamentation. A property owner who wishes to effect a restoration pursuant to Subsection
8 (b)(2) shall, in connection with the filing of a building or site permit application, seek approval
9 of the proposed restoration by reference to the provisions of this Section. If the application is
10 approved and it is determined that the proposed work will effect adequate restoration, the *City*
11 *Planning Commission-HPC* shall so find. Upon such approval, and the completion of such work,
12 the lot shall again become an eligible Preservation Lot and the limitation on floor area ratio set
13 forth in Subsection (a) shall not thereafter apply. The *City Planning Commission HPC* may not
14 approve the restoration unless it first finds that the restoration can be done with a substantial
15 degree of success. The determination under this Subsection (b)(2) is a final administrative
16 decision.

17 SEC. 1115. CONFORMITY WITH OTHER CITY PERMIT PROCESSES.

18 Except where explicitly so stated, nothing in this Article shall be construed as relieving
19 any person from other applicable permit requirements. The following requirements are
20 intended to insure conformity between existing City permit processes and the provisions of
21 this Article:

22 (a) Upon the designation of a building as a Significant or Contributory Building, or
23 upon the designation of the Conservation District, the *Zoning-Administrator Planning Department*
24 shall inform the Central Permit Bureau of said designation or, in the case of a Conservation
25 District, of the boundaries of said District and a complete list of all the buildings within said

6 forward such application to the Planning Department of City Planning, except as provided in
7 Section 1111. If the ~~Zoning Administrator~~ Planning Department determines that the application is
8 subject to provisions of this Article, processing shall proceed under the provisions of this
9 Article. The Central Permit Bureau shall not issue any permit for construction, alteration,
10 removal or demolition of any structure, or for any work involving a Significant or Contributory
11 Building or a building within a Conservation District unless either the ~~Zoning Administrator~~
12 Planning Department has determined that such application is exempt from the provisions of this
13 Article, or processing under this Article is complete and necessary approvals under this Article
14 have been obtained. The issuance of any permit by a City department or agency that is
15 inconsistent with any provision of this Article may be revoked by the Director Superintendent of
16 the ~~Bureau~~ Department of Building Inspection pursuant to Section ~~303(e)~~ 106A.4.5 of the ~~San~~
17 ~~Francisco~~ Building Code.

18 (c) No abatement proceedings or enforcement proceedings shall be undertaken by
19 any department of the City for a Significant or Contributory building or a building within a

25 Chief of the Bureau of Fire Prevention and Public Safety determines that a condition on or

1 within a Significant or Contributory Building is unsafe or dangerous and determines further
2 that repair or other work rather than demolition will not threaten the public safety, said official
3 shall, after consulting with the Planning Department of City Planning, to the extent feasible,
4 determine the measures of repair or other work necessary to correct the condition in a manner
5 which, insofar as it does not conflict with State or local requirements, is consistent with the
6 purposes and standards set forth in this Article.

303(i) Formula Retail Uses.

(1) Formula Retail Use. A formula retail use is hereby defined as a type of retail sales activity or retail sales establishment which has eleven or more other retail sales establishments located in the United States. In addition to the eleven establishments, the business maintains two or more of the following features: a standardized array of merchandise, a standardized facade, a standardized decor and color scheme, a uniform apparel, standardized signage, a trademark or a servicemark.

(a) Standardized array of merchandise shall be defined as 50% or more of in-stock merchandise from a single distributor bearing uniform markings.

(b) Trademark shall be defined as a word, phrase, symbol or design, or a combination of words, phrases, symbols or designs that identifies and distinguishes the source of the goods from one party from those of others.

(c) Servicemark shall be defined as word, phrase, symbol or design, or a combination of words, phrases, symbols or designs that identifies and distinguishes the source of a service from one party from those of others.

(d) Decor shall be defined as the style of interior finishings, which may include but is not limited to, style of furniture, wallcoverings or permanent fixtures.

(e) Color Scheme shall be defined as selection of colors used throughout, such as on the furnishings, permanent fixtures, and wallcoverings, or as used on the facade.

(f) Facade shall be defined as the face or front of a building, including awnings, looking onto a street or an open space.

(g) Uniform Apparel shall be defined as standardized items of clothing including but not limited to standardized aprons, pants, shirts, smocks or dresses, hat, and pins (other than name tags) as well as standardized colors of clothing.

(h) Signage shall be defined as business sign pursuant to Section 602.3 of the Planning Code.

(2) "Retail sales activity or retail sales establishment" shall include the following uses, as defined in Article 7 and Article 8 of this Code: "bar," "drive-up facility," "eating and drinking use," "liquor store," "restaurant, large fast-food," "restaurant, small self-service," "restaurant, full-service," "sales and service, other retail," "sales and service, retail," "movie theatre," "video store," "amusement and game arcade," "take-out food," and "specialty food, self-service."

- (B) The availability of other similar retail uses within the district.

- (C) The compatibility of the proposed formula retail use with the existing architectural and aesthetic character of the district.
- (D) The existing retail vacancy rates within the district.
- (E) The existing mix of Citywide-serving retail uses and neighborhood-serving retail uses within the district.

Any building permit application for a "formula retail use" as defined in this section and located within a Neighborhood Commercial District in Article 7 shall be subject to the Neighborhood Commercial Notification and Design Review Procedures of Section 312 of this Code.

(7) A change from one formula retail use to another requires a new Conditional Use Authorization, whether or not a Conditional Use Authorization would otherwise be required by the particular change in use in question. This Conditional Use Authorization requirement also applies in changes from one Formula Retail operator to another within the same use category.

A new Conditional Use authorization shall not apply to a change in a formula use retailer that meets the following criteria:

- (a) the formula use operation remains the same in terms of its size, function and general merchandise offering as determined by the Zoning Administrator, and
- (b) the change in the formula retail use operator is the result of multiple existing operations being purchased by another formula retail operator.

The new operator shall comply with all conditions of approval previously imposed on the existing operator, including but not limited to signage programs and hours of operation; and shall conduct the operation generally in the same manner and offer essentially the same services and/or type of merchandise; or seek and be granted a new Conditional Use authorization.

(8) Determination of Formula Retail Use. In those areas in which "formula retail uses" are prohibited, any building permit application determined by the City to be for a "formula retail use" that does not identify the use as a "formula retail use" is incomplete and cannot be processed until the omission is corrected. Any building permit approved that is determined by the City to have been, at the time of application, for a "formula

retail use" that did not identify the use as a "formula retail use" is subject to revocation at any time. If the City determines that a building permit application or building permit subject to this Section of the Code is for a "formula retail use," the building permit applicant or holder bears the burden of proving to the City that the proposed or existing use is not a "formula retail use."

Note: Additions are single-underline italics Times New Roman.

SEC. 4.105. PLANNING COMMISSION.

GENERAL. The Planning Commission shall consist of seven members nominated and appointed pursuant to this section. Four of the members shall be nominated by the Mayor, and three of the members shall be nominated by the President of the Board of Supervisors. Charter Section 4.101 shall apply to these appointments, with particular emphasis on the geographic diversity of City neighborhoods. Vacancies shall be filled by the appointing officer.

Each nomination of the Mayor and the President of the Board of Supervisors is subject to approval by the Board of Supervisors, and shall be the subject of a public hearing and vote within 60 days. If the Board fails to act on the nomination within 60 days of the date the nomination is transmitted to the Clerk of the Board of Supervisors, the nominee shall be deemed approved. The appointment shall become effective on the date the Board adopts a motion approving the nomination or after 60 days of the date the nomination is transmitted to the Clerk of the Board of Supervisors.

Members may be removed by the appointing officer only pursuant to Section 15.105.

In order to stagger the terms, three members shall initially serve two-year terms, and four members shall initially service four-year terms. The initial two and four-year terms of office shall be instituted as follows:

1. The respective terms of office of members of the Planning Commission who hold office on the first day of July, 2002, shall expire at 12 o'clock noon on that date, and the four members appointed by the Mayor and the three members appointed by the President of the Board of Supervisors shall succeed to said offices at that time.

2. The Clerk of the Board of Supervisors shall determine by lot which two of the four Mayoral appointees shall serve an initial two-year term, and which one of the three appointees of the President of the Board of Supervisors shall serve an initial two-year term. The remaining appointees shall serve four-year terms. All subsequent terms shall be four years.

The Commission shall provide the Mayor with at least three qualified candidates for Director of Planning, selected on the basis of administrative and technical qualifications, with special regard for experience, training and knowledge in the field of City planning.

The Commission may contract with consultants for such services as it may require subject to the fiscal provisions of this Charter.

GENERAL PLAN. The Commission shall periodically recommend to the Board of Supervisors for approval or rejection proposed amendments to the General Plan. If the Board of Supervisors fails to act within 90 days of receipt, the proposed General Plan or amendments shall be deemed approved. The General Plan which will initially consist of the Master Plan in effect immediately prior to the effective date of this Charter shall consist of goals, policies and programs for the future physical development of the City and County that take into consideration social, economic and environmental factors. In developing their recommendations, the Commission shall consult with commissions and elected officials, and shall hold public hearings as part of a comprehensive planning process. The Planning Department, in consultation with other departments and the City Administrator, shall periodically prepare special area, neighborhood and other plans designed to carry out the General Plan, and periodically prepare implementation programs and schedules which link the General Plan to the allocation of local, state and federal resources. The Planning Department may make such other reports and recommendations to the Mayor, Board of Supervisors and other offices and governmental units as it may deem necessary to secure understanding and a systematic effectuation of the General Plan.

In preparing any plans, the Planning Department may include plans for systems and areas within the Bay Region which have a planning relationship with the City and County.

REFERRAL OF CERTAIN MATTERS. The following matters shall, prior to passage by the Board of Supervisors, be submitted for written report by the Planning Department regarding conformity with the General Plan:

1. Proposed ordinances and resolutions concerning the acquisition or vacation of property by, or a change in the use or title of property owned by, the City and County;
2. Subdivisions of land within the City and County;
3. Projects for the construction or improvement of public buildings or structures within the City and County;
4. Project plans for public housing, or publicly assisted private housing in the City and County;
5. Redevelopment project plans within the City and County; and
6. Such other matters as may be prescribed by ordinance.

The Commission shall disapprove any proposed action referred to it upon a finding that such action does not conform to the General Plan. Such a finding may be reversed by a vote of two-thirds of the Board of Supervisors.

All such reports and recommendations shall be issued in a manner and within a time period to be determined by ordinance.

PERMITS AND LICENSES. All permits and licenses dependent on, or affected by, the City Planning Code administered by the Planning Department shall be approved by the Commission prior to issuance. The Commission may delegate this approval function to the Planning Department. Notwithstanding the foregoing, certificates of appropriateness for work to designated landmarks and historic districts and applications for alterations to significant or contributory buildings or properties in designated conservation districts that have been approved, disapproved, or modified by the Historic Preservation Commission shall not require approval by the Commission prior to issuance.

ENFORCEMENT. The Planning Department shall administer and enforce the City Planning Code.

ZONING AMENDMENTS. The Commission may propose for consideration by the Board of Supervisors ordinances regulating or controlling the height, area, bulk, set-back,

location, use or related aspects of any building, structure or land. An ordinance proposed by the Board of Supervisors concerning zoning shall be reviewed by the Commission. Applications for the reclassification of property may be made by interested parties and must be reviewed by the Commission. Notwithstanding the foregoing, designation of a landmark, a significant or contributory building, an historic district, or a conservation district shall be reviewed by the Commission only as provided in Section 4.135.

Notwithstanding the Commission's disapproval of a proposal from the Board of Supervisors or the application of interested parties, the Board of Supervisors may adopt the proposed ordinance; however, in the case of any proposal made by the application of interested parties, any such adoption shall be by a vote of not less than two-thirds of the Board of Supervisors.

No application of interested parties proposing the same or substantially the same ordinance as that disapproved by the Commission or by the Board of Supervisors shall be resubmitted to or reconsidered by the Commission within a period of one year from the effective date of final action upon the earlier application.

ZONING ADMINISTRATOR. The director of planning shall appoint a Zoning Administrator from a list of qualified applicants provided pursuant to the Civil Service provisions of the Charter. The Zoning Administrator shall be responsible for the determination of all zoning variances. The administrator shall have the power to grant only those variances that are consistent with the general purpose and the intent of the zoning ordinance, and in accordance with the general and specific rules of the zoning ordinance, subject to such conditions and safeguards as the Zoning Administrator may impose. The power to grant variances shall be applied only when the plain and literal interpretation and enforcement of the zoning ordinance would result in practical difficulties, unnecessary hardships or where the results would be inconsistent with the general purpose of the zoning ordinance. Decisions of the Zoning Administrator regarding zoning variances may be appealed to the Board of Appeals.

Before any such variance may be granted, there shall appear, and the Zoning Administrator shall specify in his or her findings, the facts in each case which shall establish:

(a) That there are exceptional or extraordinary circumstances or conditions applying to the property involved or to the intended use of the property that do not apply generally to the property or class of uses in the same district or zone;

(b) That owing to such exceptional or extraordinary circumstances the literal enforcement of the zoning ordinance would result in practical difficulty or unnecessary hardship not created by or attributable to the applicant or the owner of the property;

(c) That such variance is necessary for the preservation and enjoyment of a substantial property right of the applicant, possessed by other property in the same zone and vicinity;

(d) That the granting of the variance will not be materially detrimental to the public welfare or injurious to the property or improvements in such zone or district in which the property is located; and

(e) That the granting of such variance will be in harmony with the general purpose and intent of the zoning ordinance and will not adversely affect the general plan.

The determination of the Zoning Administrator shall be final except that appeals therefrom may be taken, as hereinafter provided, to the Board of Appeals, exclusively and notwithstanding any other provisions of this Charter, by any person aggrieved or by any office, agency, or department of the City and County. An appeal from a determination of the Zoning Administrator shall be filed with the Board of Appeals within ten days from the date of such determination. Upon making a ruling or determination upon any matter under his or her jurisdiction, the Zoning Administrator shall thereupon furnish a copy thereof to the applicant and to the Director of Planning. No variance granted by the Zoning Administrator shall become effective until ten days thereafter. An appeal shall stay all proceedings in furtherance of the action appealed from.

CONDITIONAL USE. The Commission shall have the power to hear and decide conditional use applications. An appeal may be taken to the Board of Supervisors from a decision of the Commission to grant or deny a conditional use application. The Board of Supervisors may disapprove the decision of the Commission by a vote of not less than two-thirds of the members of the Board.

SEC. 4.135. HISTORIC PRESERVATION COMMISSION.

There is hereby created a Historic Preservation Commission, which shall advise the City on historic preservation matters, participate in processes that involve historic or cultural resources, and take such other actions concerning historic preservation as may be prescribed by ordinance. The Historic Preservation Commission shall consist of seven members nominated by the Mayor and subject to approval by a majority of the Board of Supervisors.

Within 60 days of the expiration of a term or other vacancy the Mayor shall nominate a qualified person to fill the vacant seat for the term, or the remainder of the term, subject to approval by a majority of the Board of Supervisors who shall hold a public hearing and vote on the nomination within 60 days of the Mayor's transmittal of the nomination to the Clerk of the Board of Supervisors. If the Mayor fails to make such nomination within 60 days, the nomination may be made by the President of the Board of Supervisors, subject to the approval of a majority of the Board of Supervisors. The appointment shall become effective on the date the Board of Supervisors adopts a motion approving the nomination or after 60 days from the date the Mayor transmits the nomination to the Clerk of the Board of Supervisors if the Board of Supervisors fails to act.

The Historic Preservation Commission's or Planning Commission's decision on a permit to alter shall be final unless appealed to the Board of Appeals, which may modify the decision by

a 4/5 vote; provided, however, that if the project requires Board of Supervisors approval or is appealed to the Board of Supervisors as a conditional use, the decision shall not be appealable to the Board of Appeals, but rather to the Board of Supervisors, which may modify the decision by a majority vote.
