 Interior alterations. Publicly-accessibly spaces (i.e. lobby, auditorium, or sanctuary) require Preservation Technical Specialist review. Regular maintenance or restorative work that is based upon documentation of the building's historic appearance (i.e., photographs, physical evidence, historic drawings or documents, or matching buildings). 			Work Description
2. Regular maintenance or restorative work that is based upon documentation of the building's historic appearance (i.e., photographs, physical evidence, historic drawings or documents, or matching buildings).	Initials		
	2. Regular maintenance or restorative work that is bas		prative work that is based upon documentation of the nce (i.e., photographs, physical evidence, historic

material, and exterior profiles of the historic windows must be matched.)

4. Window replacement or installation of new openings at non-visible facades.
5. Construction of deck or terrace that is not visible from any immediately adjacent public right-of-way.
6. Installation of mechanical equipment at the roof which is not visible from any immediately adjacent public right-of-way.
7. Installation of dormers that meet the requirements for exemption from public notification under <i>Zoning Administrator Bulletin: Dormer Windows, No. 96.2.</i>
8. Installation of garage opening that meets the requirements of Zoning Administrator Bulletin: Procedures and Criteria for Adding Garages to Existing Residential Structures, No. 2006.1b.
9. Horizontal addition that is not visible from the adjacent public right-of-way for 150' in each direction; does not extend vertically beyond the floor level of the top story of the structure; and does not have a footprint that is more than 50% larger than that of the original building.
10. Vertical addition that is not visible from the adjacent public right-of-way for 150' in each direction; is only a single story in height; and does not cause the removal of architectural significant roofing features such as ornate dormers, towers, or slate shingles.
Preservation Technical Specialist Review Required for work listed below:
11. Window replacement at visible facades that is not in-kind but meets the Secretary of the Interior Standards for the Treatment of Historic Properties.
12. Sign installation at Category A properties.
13. Façade alterations that do not cause the removal or alteration of any significant architectural features (i.e. storefront replacement, new openings, or new elements).
14. Raising the building.
15. Horizontal or vertical additions, including mechanical equipment, that are minimally visible from a public right-of-way and that meet the Secretary of the Interior Standards for the Treatment of Historic Properties.
16. Misc.
STEP 4: RECOMMENDATION No Further Historical Resource Review Required.
Further Historical Resource Review Required: File Environmental Exemption Application.
