## Public Workshop #4: Esprit Park

Join San Francisco Planning and the Recreation and Parks Department

for the next public workshop focusing on Esprit Park. At this workshop, the City and Fletcher Studio team will present a series of different scenarios for circulation, uses, and other aspects of the Park based on [past workshops, focus groups \(we will post notes from those soon\)](#), and surveys at and about the Park. We'll ask you, through a series of structured exercises, which components you prefer. Your feedback will help assign City funding to Esprit Park and form the basis for a future detail design effort by Recreation and Parks. Food will be provided.

7:00 - Doors Open

7:15 - Brief Presentation and Orientation

7:30 - 9:00 - Public Polling on Scenario Components

The interagency team will be on hand to provide updates on Indiana Street Bikeway and the Residential Parking District as well.

Refreshments will be provided!

Wednesday, February 8th 2017

7:00 - 9:00 pm | Potrero Hill Rec Center

## New Lighting at Tunnel Top Park!

Have you visited [Tunnel Top Park](#) lately? The solar night time lighting, funded by the Planning Department through the [Pavement to Parks collaboration with California College of the Arts](#), was installed just before winter solstice. Tunnel Top Park steering committee is also organizing some upcoming workdays, so [sign up on their website](#) for updates!

## New Lighting Planned for 22nd

## Street and 23rd Street Bridges

Public Works is set to implement the [pedestrian lighting program at the 22nd and 23rd Street bridges](#). Funding for design, materials, and installation comes from Planning and the Eastern Neighborhood CAC via impact fees. PUC will be providing power to the lighting, which will be maintained by Public Works. Many thanks to [DNA](#), [Fletcher Studio](#), and [Groundworks Office](#) for their early work to push for lighting at these two critical pedestrian crossings. Stay tuned for updates about schedule!
