WHAT DO YOU WANT IN YOUR PARKS AND OPEN SPACES?

No big play area taking over Esprit

Childrens Play Areas

Not in Esprit Park

More natural - no need for plastic

Vote Here!

Comments

- Many school children in Dogpatch need stimulating play spaces for healthy childhoods!

This park provides a natural setting; there are designed playgrounds nearby.

2 BLKS SO. & NO. are kids playgrounds

kid play area is not so important! there are several structured kid play areas already in the neighborhood. retaining a natural environment is more important

Agree - issue may be more about non-dog owners who don't want to be around dog

*Keep at least 50% of park area as off leash dog play area

close off ~~South~~ North area as dog-free zone

Multi-Use Play Field
& Dog Play Area
Dogs Allowed Off Leash This Area Only
Leash Dogs while on Pathways
Pick-Up and Remove All Dog Waste
