

These notes are intended to supplement the maps and diagrams that were hand-drawn at the public workshop. Download those maps and diagrams at: [sf-Planning.org/CentralWaterfrontPRP](http://sf-Planning.org/CentralWaterfrontPRP)

Topic	Notes/Questions
<i>Landscape and Vegetation ('Softscape')</i>	<ul style="list-style-type: none"> <li>• Create a 'Natural' landscape</li> <li>• Appreciation of nature, ecology, biodiversity</li> <li>• Explore native plantings and wetland feeling</li> <li>• Possible stormwater planting / landscape needed to receive and manage runoff from Port property to the south</li> </ul>
<i>Shoreline</i>	<ul style="list-style-type: none"> <li>• Create a softer transition from shoreline to water</li> <li>• Consider mudflat, intertidal wetland, bird areas</li> <li>• Reshape / reconfigure slope of riprap to allow for habitat enhancement, taking into account sea level rise and wave action</li> <li>• Possibly remove riprap where feasible due to minimal wave action near western-most inlet</li> <li>• Interest in Kayak Landing. Possible locations include just south of DHL building on northern shoreline where water depth is sufficient for float up; or near the future 25<sup>th</sup> street access point to the Park.</li> </ul>
<i>People and Programming</i>	<ul style="list-style-type: none"> <li>• Create a place for seniors and children</li> <li>• Okay to put community gardening facilities at another site / restrictions with regional State Lands regulations</li> <li>• Create passive recreation uses</li> <li>• Limited picnicking.</li> <li>• Arrange facilities to discourage large gatherings</li> <li>• Create feeling of personal safety</li> </ul>
<i>Stewardship and Maintenance</i>	<ul style="list-style-type: none"> <li>• Remove debris and unsightly materials such as tires</li> </ul>
<i>'Hardscape' Areas</i>	<ul style="list-style-type: none"> <li>• Avoid big plazas</li> <li>• Create more intimate spaces</li> <li>• Create ADA-accessible promontory at far eastern end with seating, to maximize bayside views</li> <li>• Create ADA-accessible path(s) for access</li> <li>• Create promontory</li> </ul>
<i>Other Facilities</i>	<ul style="list-style-type: none"> <li>• Interest in a restroom, but only if maintained and cleaned regularly</li> <li>• Bathroom could be a small pavilion or water overlooks</li> <li>• Mixed reaction to BBQ and firepits. Possibly locate these at southern end.</li> </ul>
<i>Access</i>	<ul style="list-style-type: none"> <li>• Discuss park design in concert with 24<sup>th</sup> street improvements</li> <li>• Interest in expanding park landscape vocabulary onto 24<sup>th</sup> and 25<sup>th</sup> Streets</li> <li>• Interest in negotiating closure of private driveways on southern curbline at far east end of 24th Street</li> </ul>
