

The majority of the proposed zoning map amendments will make sure that all individual condominiums have the same zoning as the property on which they are located. This is an administrative change necessitated by an oversight that occurred during the adoption of the Eastern Neighborhoods Plan in 2008, and will not affect the allowed use or height of the condominiums or the buildings.

- 1 Removal of the “Innovative Industries Special Use District” from these parcels. This change was made by the Planning Commission in 2008, but due to an oversight the change was not made in the legislation.
- 2 Rezone this very small parcel (Block 3949 Lot 001A) from MUR to UMU, and from 40 feet to 68 feet, to be consistent with its surrounding properties.
- 3 Rezone this parcel (Block 3637 Lot 018) from RTO-Mission to Mission NCT.
- 4 Rezone this parcel (Block 4044 Lot 052) from M-2 to UMU, from 50-X feet in height to 45-X, 58-X, and 68-X, and add to the Life Science Special Use District.
