

You are invited to a meeting to hear next steps on the Visitacion Valley / Schlage Lock Project now that it has been approved.

Join the San Francisco Planning Department, the Office of Economic and Workforce Development (OEWD), the Municipal Transportation Agency (SFMTA), the Recreation and Parks Department (RPD) in collaboration with Universal Paragon Corporation (UPC) for a **community meeting** on the **Schlage Lock** site.

At this meeting we will give a summary of the approvals process, go over next steps on implementation, and review draft impact fee projections and potential uses for those fees that will benefit the community.

Note: The Board of Supervisors approved the project on July 22 and Mayor Ed Lee signed the legislation on July 24, 2014. It is effective as of August 24, 2014.
