

GREEN CONNECTIONS EDDY STREET

Green Connections Intro and Walk

Monday, July 29 | 2:30 - 4:30 pm

Buchanan YMCA Learning Center | 1530 Buchanan St

“Green Connections” is a two-year community based planning process led by the San Francisco Planning Department. The Project will result in a Citywide network of green streets that can be built over time—improving access to parks, open space and the waterfront. The project builds on current efforts to create sustainable corridors that enhance pedestrian and bicycle conditions, reduce stormwater runoff, improve wildlife habitat and green neighborhood streets. In the Western Addition Eddy was identified as a good candidate for a Green Connection. We are interested to hear your ideas on ways to green the street and make it safer to walk and bike along.

2:30 – 2:35 pm	Welcome
2:35 - 2:45 pm	Agenda overview & introductions
