	I like this block because...	I don't like this block because...
1	It's a pretty relaxing, friendly area where people can hang out. Attractive/interesting storefronts. Weather.	
2	It is safe for all modes of transport - the space provides safe space and there are small separated bike lanes	
3	It's open, sunny, with retail and cafés	Bi-directional bike lanes with no protection from traffic. Intersection of Polk/Larkin should have a box built out for pedestrian build out.
4	Orange is visibility friendly in fog - good to avoid [illegible] [illegible]	[illegible]
5	Side streets can be pleasant, have good scale	[illegible]
6		
7	Possess mixed businesses - Sacto metro.
