

## **LGBTQ CULTURAL HERITAGE STRATEGY COMMITTEE CONTACT INFORMATION**

As part of the LGBTQ Cultural Heritage Strategy Working Group outreach, it was determined that forming specific committees on a topic of interest would help identify concerns or goals that will contribute to the development of the LGBTQ Cultural Heritage Strategy document. In addition, the concerns and goals defined by the committees will be included in the progress report to the Board of Supervisors.

All of the committees listed below are looking for members. If any of the committees are of interest to you, please contact the representative listed regarding your participation.

Please note, these are the working names of the committees and we encourage members to modify them as needed to better reflect the group's focus and goals. If you have questions or an idea for a committee please contact [CPC.LGBTQ@sfgov.org](mailto:CPC.LGBTQ@sfgov.org).
