PRIMARY FACADES

Adding Solar Panels

No C of A: To install solar panels.

No C of A: To install structures that support solar panels, regardless of visibility, provided that the following conditions are met: set with a low profile on the flat portion of the roof and set in from the perimeter walls of the building.

Rooftop Equipment (Not visible)

No C of A: If rooftop equipment is not visible from a public right-of-way within the district and is installed in a manner that may be easily removed in the future without disturbing any historic fabric.

Roof Replacement

No C of A: Provided that the proposed work does not change the roof materials, character, form or structure.

Window Repair & Replacement

No C of A: To repair or correct deterioration, decay, or damage to existing windows.

No C of A: To replace windows provided that the proposed windows match the historic (extant or not) windows in terms of opening size, configuration, material, and all exterior profiles and dimensions.

Skylights

No C of A: Proposed skylights (not including over second floor interior open patio), shall only occur on the flat portion of the roof, have a low profile, are mounted flush with the roof, and are set back from the perimeter walls of the building. Skylight frames shall have a powder-coated or painted finish and the glazing shall be non-reflective.

Second Floor Interior Open Patio

No C of A: Retention of second floor interior open patio is encouraged. Skylights installed over second floor open patios shall be compatible, made of clear, non-reflective glass, and not visible from the public right of way.

Repair Historic Ornament

No C of A: To repair existing historic ornament (including, but not limited to porticos, porches, cornices, plaster work, tympanum, roofline, and eaves) regardless of visibility from the public right-of-way.

Garage Door Replacement

No C of A: To replace a non-historic garage door provided that the new garage door is compatible in terms of material, pattern, and fenestration and minimizes its visual impacts on the character-defining features of the existing building and district

Seismic Work

No C of A: For seismic work that complies with Section 1005 of the Planning Code. Seismic upgrades that minimize the alteration of character-defining features of a structure are encouraged.

Ordinary Maintenance and Repair

No C of A: If the sole purpose and effect is to correct deterioration, decay, and / or damage to existing material, including repair of damage caused by fire or other disaster.

Rooftop Equipment (Visible) / Excludes Cellular Installation

Admin C of A: Provided that proposed rooftop equipment is:

(a) Installed in a manner that it may be easily removed in the future without disturbing any historic fabric; and,

(b) Is placed on the flat portion of the roof; is set back a beyond the high point of the gabled roof portion; and is set in from the perimeter walls of the building.

Security Measures

Admin C of A: For installation or replacement of metal security doors, window grilles, or security gates on primary façades provided that these measures are installed in a reversible manner that avoids obscuring or damaging exterior character-defining features of the building.

Replace Historic Ornament

Admin C of A: For the in-kind replacement of historic ornament (including, but not limited to porticos, porches, cornices, plaster work, roofline, and eaves) that has been previously removed, provided that replacement ornament is determined to be compatible with documented designs and ornament found on the subject building or within the district.

Cladding

Admin C of A: For the replacement of historic/non-historic cladding, provided that the replacement cladding is in kind or determined to be compatible with documented historic cladding (extant or not) found on the subject building or within the district.

Door Replacement

Admin C of A: Provided that the proposed door matches the historic door (extant or not) in terms of opening size, door type, glazing, material, and all exterior profiles, dimensions and detailing.

Front Stairway & Railings

Admin C of A: For the replacement of historic or non-historic stairways and/or railings with compatible stairways and/or railings provided that the proposal is based on physical or documented evidence and is found to be compatible with the character-defining features of the building and/or district.

Exploratory Work

Admin C of A: For the removal of a limited amount of non-historic material to conduct exploratory investigation regarding structural systems and/or to determine the existence of concealed historic material. This work will be limited to no more than 20% of the surface area (excluding window openings) at a primary façade.

Historic Garage Doors

Admin C of A: For replacement of historic garage doors, new door shall be compatible in terms of pattern and fenestration with the historic door to minimize its visual impacts on the character-defining features of the existing building and district.

Accessory Dwelling Unit (ADU) (Planning Revision)

Admin C of A: For the addition of an Accessory Dwelling Unit. An ADU is typically added to the ground floor of a single family home.

Door Replacement or Openings

No C of A: For door replacement on secondary façades regardless of material or visibility from the public right-of-way.

No C of A: For the alteration of existing door openings, or the insertion of new door openings, at rear façades that are not visible from public rights-of-way.

Rear Yard Decks, Stairs, Railings

No C of A: For the repair, replacement, or new construction of rear yard decks and stairways (and associated structural work) that are not visible from public rights-of-way.

Ancillary Structures

No C of A: For the removal of any non-historic rear yard ancillary structure or the construction of any structure within the rear yard that is no more than eight feet in height above grade and covers no more than 100 square feet of land regardless of visibility from public rights-of-way.

Fences

No C of A: For the construction or replacement of rear or side yard fences provided that the fence is not directly adjacent to a public right-of-way.

Rear Facades: VISIBLE*

Cladding (Community Revision)

No C of A: For replacement of cladding on rear facades visible from the public right-of-way provided cladding is compatible with documented historic cladding (extant or not) found on the building or within the District.

Window Replacement

No C of A: For window replacement on visible rear façades provided that the replacement windows are compatible in terms of material and configuration.

Enlargement of Window or Door Openings (Community Revision)

No C of A: For the modification of existing window or door openings provided that such openings are not enlarged more than 50% of the existing opening's size.

New Window or Door Openings (Community Revision)

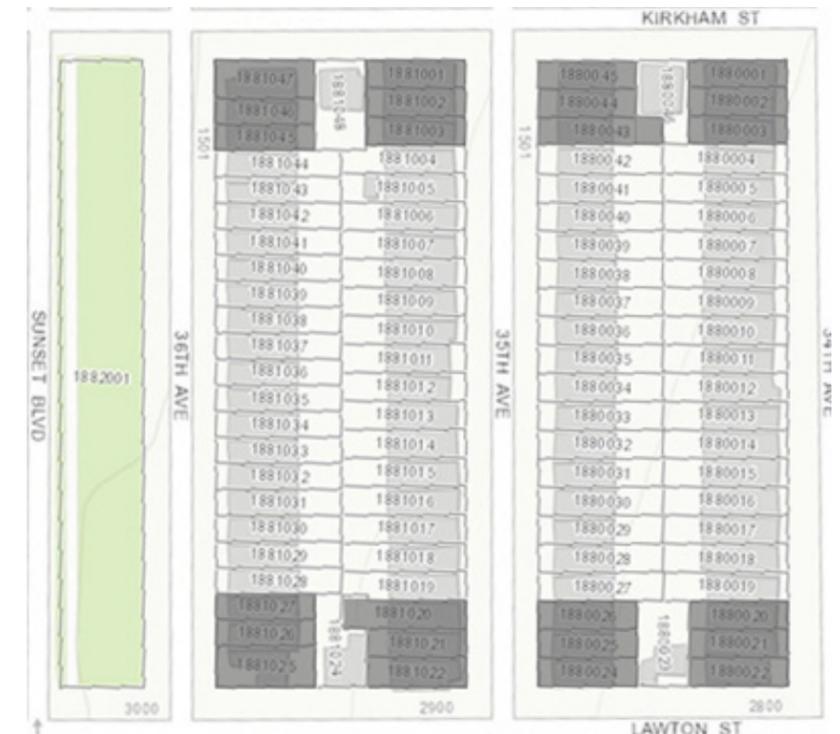

No C of A: provided new window openings are compatible in terms of the building's fenestration pattern, material and configuration

Deck, Stairs, Railings (Community Revision)

No C of A: For the replacement or new construction of rear yard decks and stairways that are visible from public rights-of-way.

Exterior Alterations / Visible Additions

C of A: For exterior alterations requiring a building permit, with the exception of identified scopes of work that qualify for "No C of A" or an "Admin C of A." Examples of alterations that require a C of A include visible horizontal or vertical additions.

Properties with visible rear facades are shaded.
