## Disclaimer for Review of Plans

The San Francisco Planning Code requires that the plans of certain proposed projects be provided to members of the public prior to the City's approval action on the project. Accordingly, any images of plans featured on this website are provided for the primary purpose of facilitating public input prior to the City's action. The City and County of San Francisco does not own the copyright to these images. Please be aware that the unauthorized reproduction, distribution, or alteration of these images may result in a violation of Federal Copyright Law (17 U.S.C.A. Sections 101 et seq.) and that any party who seeks to reproduce or alter these images does so at his or her own risk.

Additionally, plans provided on this website are limited to site plans, elevations and/or section details (floor plans and structural details may not be included). These are DRAFT PLANS being provided for public review PRIOR to the City's approval action on the project. Final plans may differ from those that are currently available for review.

### PROJECT DESCRIPTION

The proposal is to enlarge the approximately 7-foot deep by 6-foot wide third floor deck at the rear of the four-story, two-unit building. The proposed project would expand the third floor deck by approximately 4 feet in depth and 3 feet in width to align with the second floor deck below. The existing stairs that connect the second and third floor decks would be reconfigured.

**SECTION 134 OF THE PLANNING CODE** requires a minimum rear yard depth of approximately 33 feet for the subject property. The proposed expanded third floor deck would extend approximately 7 feet into the required rear yard.
