

SAN FRANCISCO PLANNING DEPARTMENT

MEMO

Disclaimer for Review of Plans

The San Francisco Planning Code requires that the plans of certain proposed projects be provided to members of the public prior to the City's approval action on the project. Accordingly, any images of plans featured on this website are provided for the primary purpose of facilitating public input prior to the City's action. The City and County of San Francisco does not own the copyright to these images. Please be aware that the unauthorized reproduction, distribution, or alteration of these images may result in a violation of Federal Copyright Law (17 U.S.C.A. Sections 101 et seq.) and that any party who seeks to reproduce or alter these images does so at his or her own risk.

Additionally, plans provided on this website are limited to site plans, elevations and/or section details (floor plans and structural details may not be included). These are DRAFT PLANS being provided for public review PRIOR to the City's approval action on the project. Final plans may differ from those that are currently available for review.

NOTICE OF PUBLIC HEARING

Hearing Date: **Wednesday, February 27, 2013**

Time: **9:30 AM**

Location: **City Hall, 1 Dr. Carlton B. Goodlett Place, Room 408**

Case Type: **Variance(Rear Yard and Noncomplying Structure)**

Hearing Body: **Zoning Administrator**

PROPERTY INFORMATION		APPLICATION INFORMATION	
Project Address:	2530 Sacramento St	Case No.:	2013.0059V
Cross Street(s):	Fillmore / Steiner Streets	Building Permit:	n/a
Block / Lot No.:	0630/012	Applicant/Agent:	Scott Mataya
Zoning District(s):	RH-2 / 40-X	Telephone:	415-987-8434
Area Plan:	n/a	E-Mail:	smataya@pacbell.net

PROJECT DESCRIPTION

The proposal is to legalize replacement of the rear yard structure at the subject property. Building Permit Application 2011.09.16.4904 allowed conversion of the previously existing rear garage structure to habitable/storage space and has been suspended because the project sponsor exceeded the scope of work and demolished the rear yard structure.

Planning Code Section 134 requires an approximately 36- foot deep rear yard based on the average of the depths of the adjacent rear building walls. Prior to its demolition, the garage structure was entirely within the required rear yard; therefore, its reconstruction requires a variance.

Planning Code Section 188 states that a noncomplying structure may not be reconstructed. Prior to its demolition, the garage structure was entirely within the rear yard and was considered to be a legal noncomplying structure; therefore, its reconstruction requires a variance.

ADDITIONAL INFORMATION

FOR MORE INFORMATION, PLEASE CONTACT PLANNING DEPARTMENT STAFF:

Planner: **Glenn Cabreros** Telephone: **415-558-6169** Mail: glenn.cabreros@sfgov.org

ARCHITECTURAL PLANS: The site plan and elevations of the proposed project are available on the Planning Department's website at: <http://sf-planning.org/ftp/files/notice/2013.0059V.pdf>

GENERAL INFORMATION ABOUT PROCEDURES

VARIANCE HEARING INFORMATION

Under Planning Code Section 306.3, you, as a property owner or resident within 300 feet of this proposed project or interested party on record with the Planning Department, are being notified of this Variance Hearing. **You are not obligated to take any action. For more information regarding the proposed work, or to express concerns about the project, please contact the Applicant/Agent or Planner listed on this notice as soon as possible.** Additionally, you may wish to discuss the project with your neighbors and neighborhood association or improvement club, as they may already be aware of the project.

Persons who are unable to attend the public hearing may submit written comments regarding this application to the Zoning Administrator, Planning Department, 1650 Mission Street, Suite 400, San Francisco, CA 94103, by 5:00pm the day prior to the hearing. These comments will be made a part of the official public record, and will be brought to the attention of the person or persons conducting the public meeting or hearing

BOARD OF APPEALS

An appeal of the approval (or denial) of a **variance application** by the Zoning Administrator may be made to the **Board of Appeals within 10 days** after the **Variance Decision Letter** is issued by the Zoning Administrator.

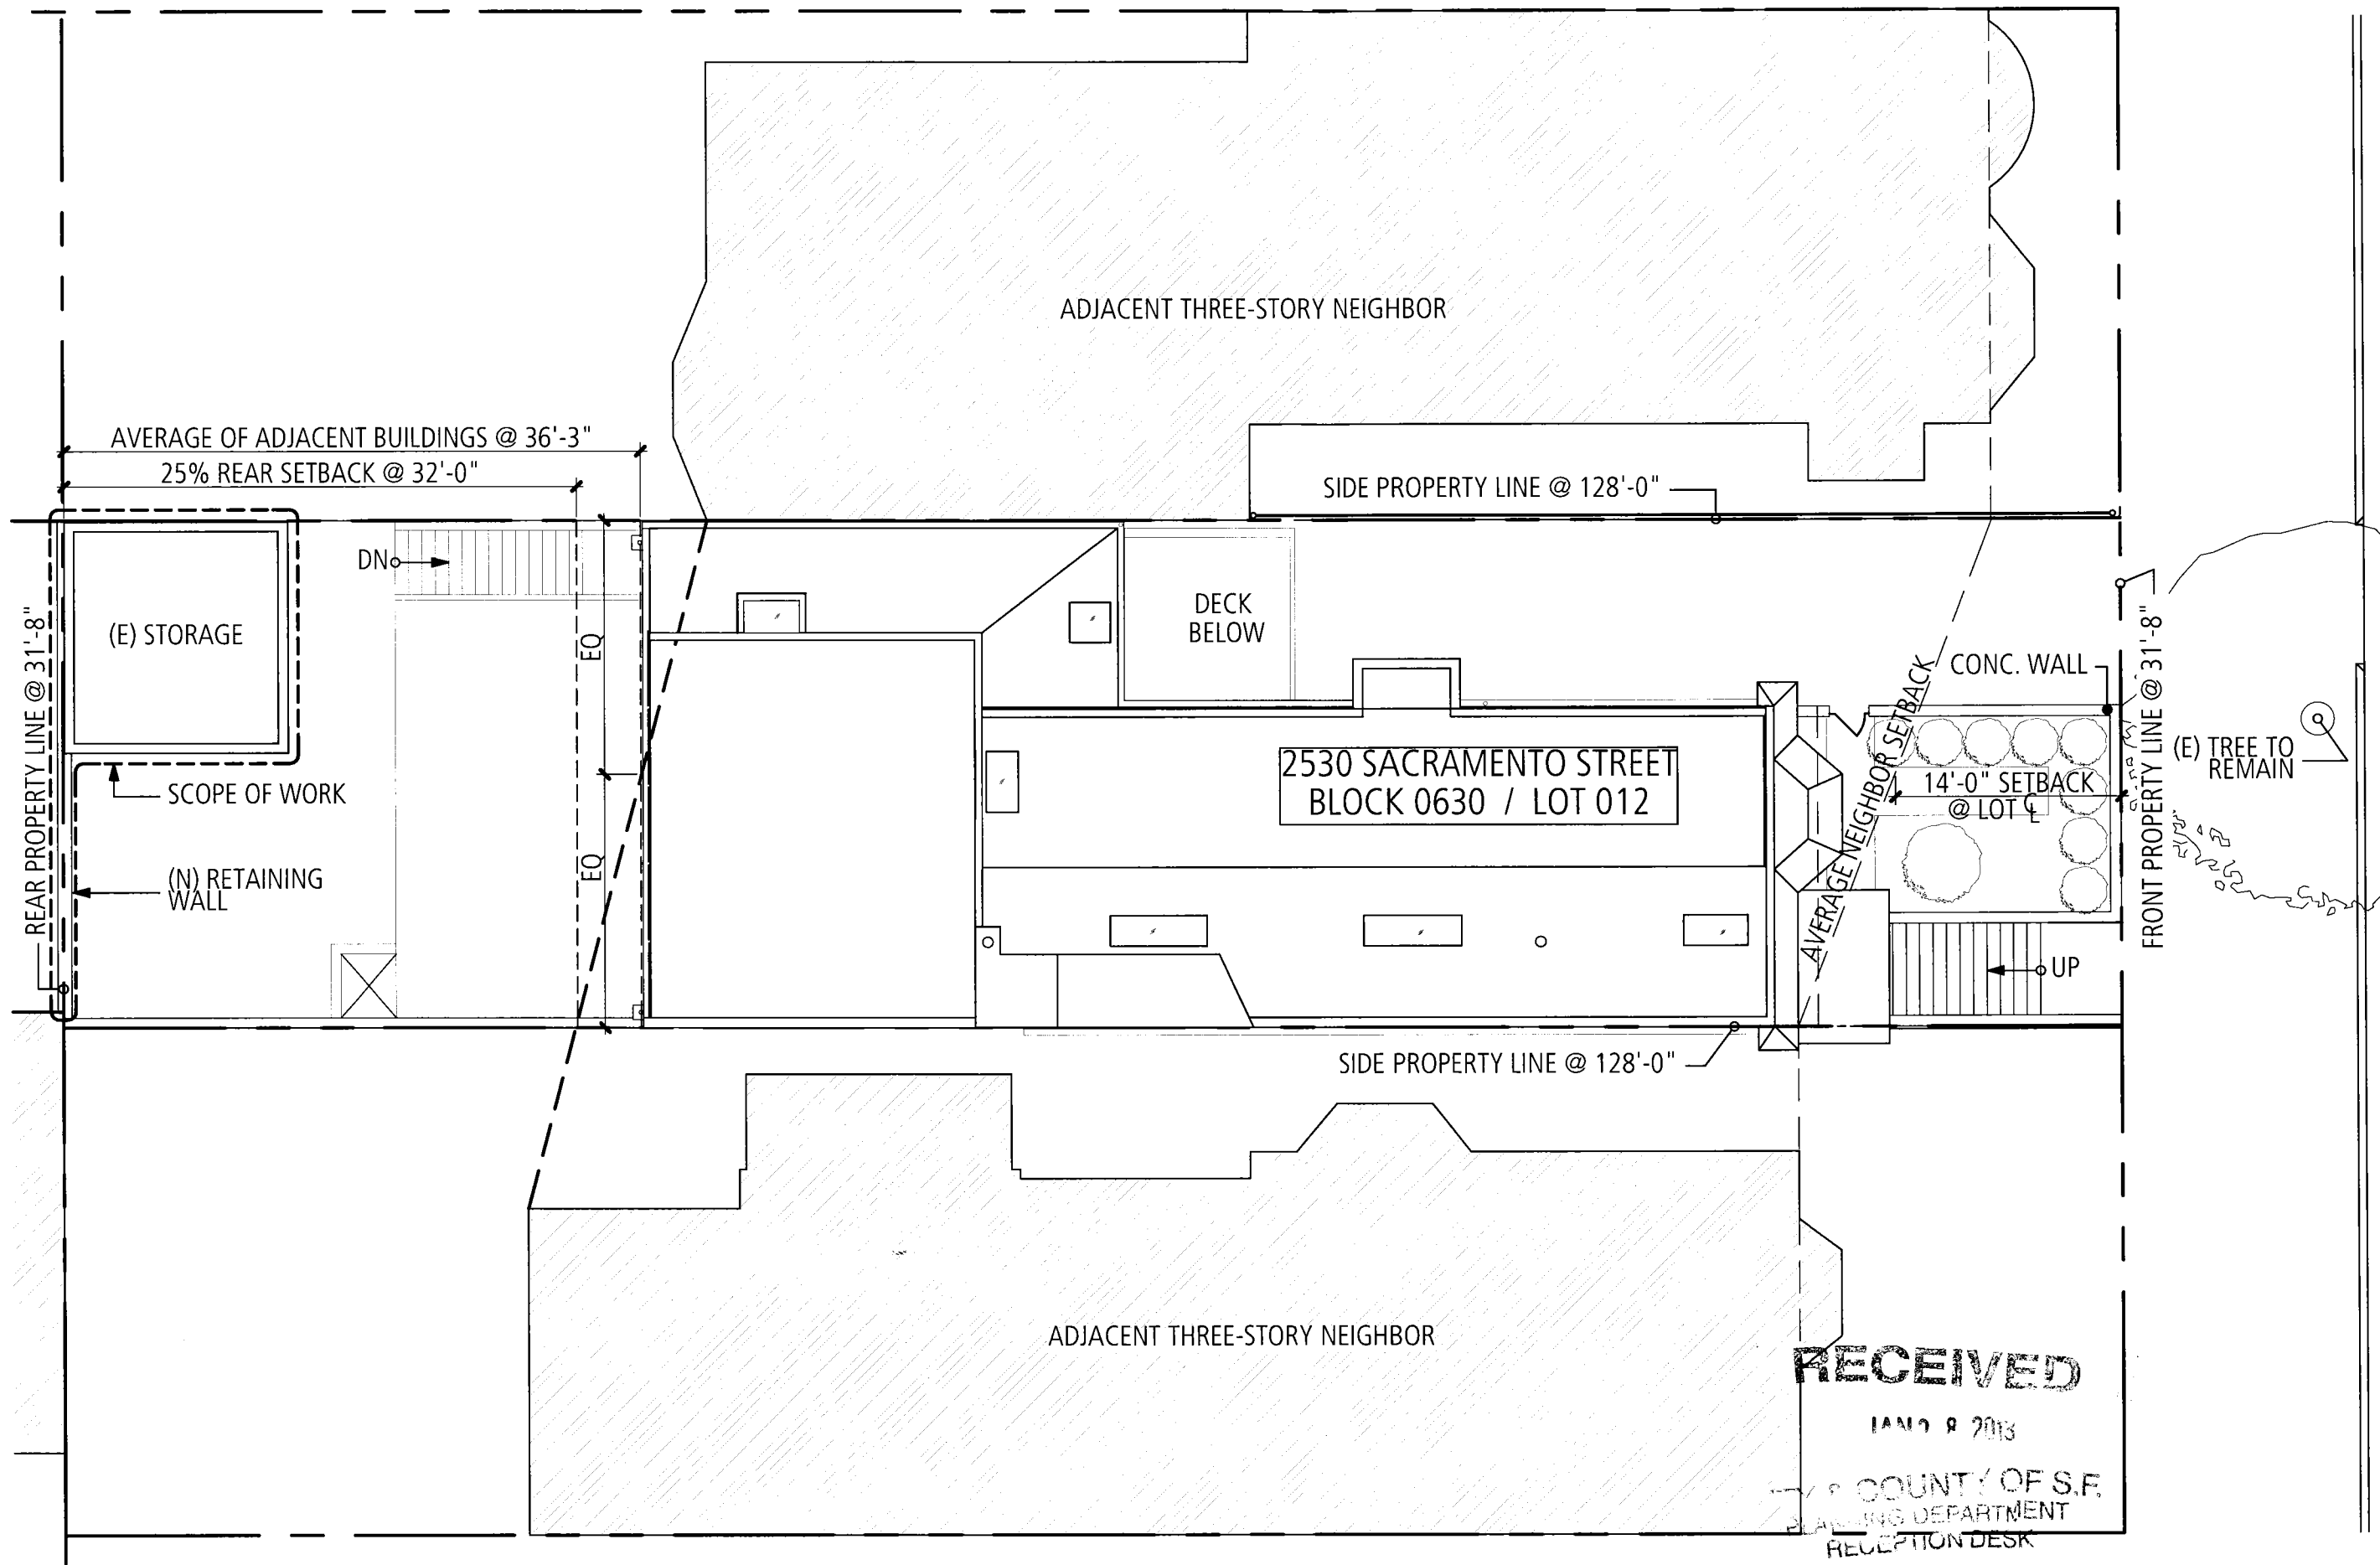

An appeal of the approval (or denial) of a **building permit application** by the Planning Department may be made to the **Board of Appeals within 15 days** after the **building permit** is issued (or denied) by the Director of the Department of Building Inspection.

Appeals must be submitted in person at the **Board's office at 1650 Mission Street, 3rd Floor, Room 304**. For further information about appeals to the Board of Appeals, including current fees, **contact the Board of Appeals at (415) 575-6880**.

ABOUT THIS NOTICE

The Planning Department is currently reviewing its processes and procedures for public notification as part of the Universal Planning Notification (UPN) Project. The format of this Public Hearing notice was developed through the UPN Project and is currently being utilized in a limited trial-run for notification of Variance Hearings.

If you have any comments or questions related to the UPN Project or the format of this notice, please visit our website at <http://upn.sfplanning.org> for more information.
