Mercado Plaza

A NEW PLAZA AND MARKETPLACE IN THE HEART OF THE MISSION

Join the San Francisco Planning Department, Department of Public Works, MTA and Rebar Group for a community workshop on the future of Bartlett Street.

At this workshop we will give an overview of upcoming changes on Bartlett Street. The City has dedicated \$1,600,000 to pedestrian and public space improvements on Bartlett Street between 22nd and 21st street through the 2011 Road Repaving and Street Safety Bond, and is also working on short-term temporary installations to test new public space ideas for the street such as a street graphic, a new gateway and a street stage for community performances!

Join us for a short presentation and open house. We want to hear from you!!!

We invite you to discuss your ideas for a new public space on Bartlett Street at 22nd street!
