December 7, 2010 -- DPW Operations Yard

**DPW YARD**

- **FOOD LUNCH**
  - Eat at office or get to 24th by bike
  - No lunch!
  - Go to 24th (6pm) by bike
  - WYLAND ST.
  - "DAW A" 9:30
  - Walk to it thru the yard, dodging cars
  - Eat at office (from above)
  - Deli: I used to cross Peck/Ravens, I walk there (people had advised).
  - I gave up, I bring my lunch. Either you wait a lot or you drive.

- **Recruitment is linked to place to enter/transport; they are performing to come here then love it.**
  - 16 to the DRL

- **Most Important**
  - Traffic calming
  - Safe way to cross
  - Evans + Kansas
  - Public transit!
  - Imprint red-blue
  - Better lighting: LED
  - Street repair materials
  - Yard fence
  - Landscaping
  - Potential tag targets

- **Words**
  - Work!
  - Loud!
  - Tragic (fast!)
  - Industrial
  - Wide
  - Lack of green
  - Non-green
  - Only 5 trees on this side

- **Change**
  - Public transportation
  - Light rail is fast, so is BART
  - Traffic calming
  - People die on this street
  - Put a dedicated bike lane – safer
  - Traffic enforcement/put a speed limit
  - Now is 50 mph, there is no sign
  - Street trees

- **DANGEROUS**
  - Gray
  - Dismal
  - Dark
  - Even in the daytime

- **Evict the rod & the recycling**
