Please join us to discuss the future design of Broadway from Columbus Avenue to the Broadway Tunnel. This project will develop a community-based vision to improve pedestrian conditions, and develop a design plan that is safe, gracious and lively.

We want to hear your thoughts on ways to improve this important corridor. At this workshop there will be a brief presentation on existing conditions, followed by an opportunity to share ideas.

Light refreshments and Cantonese translation provided. We want to hear from you! Please join us!

MAY 4, 2011
WEDNESDAY 4:30-6:30 PM

BAYSIDE ELDERLY HOUSING
Community Room, 2nd Floor
777 Broadway (between Stockton and Powell)
