

# HAIGHT PUBLIC REALM PLAN ASHBURY

Since October 2012, San Francisco Planning, in collaboration with the San Francisco Municipal Transportation Agency (SFMTA), has worked with the community to develop the Haight Ashbury Public Realm Plan.

The Public Realm Plan will be unveiled at our Open House on Wednesday February 25, 2015. The central element of this plan is the conceptual design for Haight (between Masonic and Stanyan). The design for Haight Street includes public realm improvements and streetscape elements generated by this project, as well as transit improvements from the Muni Forward project.

As this is an open house format, come by any time between 6:00-7:30pm and stay for as long as you'd like. City staff will be on-hand to answer questions. We hope to see you there!
