**BICYCLE SAFETY**

- Masonic Avenue is a wide street with fast traffic; conditions for pedestrians are particularly challenging.
- Masonic Avenue transitions from busy neighborhood arterial to a slower, narrower, and quiet residential street.

**TRANSIT**

- Transit service should be improved.
- Waller intersection needs to be addressed.
- Pedestrian amenities are needed at Haight intersection.

**PEDESTRIAN SAFETY**

- Masonic Avenue is a wide street with fast traffic; conditions for pedestrians are particularly challenging.
- Masonic Avenue is a wide street with fast traffic; conditions for pedestrians are particularly challenging.
