CALL FOR IDEAS: TEMPORARY PUBLIC SPACE INSTALLATIONS/PROGRAMS

We are looking for exceptional and creative temporary installations or programs that will encourage interactivity and activation in the public spaces in Lower Haight. Submissions will be accepted until Monday April 3. For a copy of the “Call for Ideas” please visit: www.sfplanning.org/lower-haight-public-realm-plan or email jessica.look@sfgov.org. Project is made possible through the City’s Groundplay program.

PROJECT GOALS

TRY NEW THINGS
Try out new ways to create public space and build community relationships.

FORGE PARTNERSHIPS
Forge creative partnerships between community groups, designers and institutions.

INCREASE ACCESS TO PUBLIC SPACE
Build opportunities for new public space or projects that activates public space in neighborhoods that need it the most.

BUILD PROJECTS THAT PEOPLE CARE ABOUT
Help projects success with stewardship and maintenance plans.

SOME IDEAS

PROJECT TYPES

PERMIT TYPES

IMPLEMENTATION

PERMITTY PES

Realizing community visions for San Francisco’s public spaces through temporary installations.

Community Open House #3

This proposal will need to receive all required City permits, most likely through San Francisco Public Works or SFMTA. Depending on the proposal, there may be additional neighborhood notification, procedures, and cost requirements required. The City is currently in the process of creating a streamline permitting system for temporary projects such as this, called Places for People permit.
