CORRIDOR DESIGN

MANOR DRIVE TO SAN JOSE AVENUE

The City of San Francisco in coordination with the Ocean Avenue Association invites you to the third public workshop for the **OCEAN AVENUE CORRIDOR DESIGN PROJECT**

Since March 2014, the City of San Francisco has been working with the community to develop a streetscape design for Ocean Avenue between Manor Drive and Phelan Avenue. The final conceptual design will be unveiled at a workshop on July 9th.

In addition, the City has been collecting feedback on ways to improve the pedestrian experience along Ocean Avenue between Phelan Avenue and San Jose Avenue.

The workshop will begin with a brief presentation followed by an open house to review project materials.
