The City's Development Agreement with California Pacific Medical Center (CPMC) requires an annual review to ensure that both the City and CPMC are in compliance with their respective obligations and that the required community benefits are being delivered. The attached City Report assesses CPMC's compliance with the requirements of the Development Agreement during 2016. The Health and Planning Commissions will hold a joint hearing on CPMC's compliance on September 28, 2017. At that hearing, City staff and the project sponsor will present information on CPMC's obligations as outlined in the Development Agreement, as well as on other aspects of the CPMC hospital rebuilding project. While the City's review indicates that CPMC is generally in compliance, it should be noted that its parent company, Sutter Health, recently provided notice to the City that it intends to close the skilled nursing facility (SNF) beds currently located at St. Luke's Hospital. These SNF beds are not covered under the Development Agreement and thus not addressed in the attached report; however, the public will have an opportunity to comment on all CPMC-related matters and concerns at the Joint Hearing.

Introduction – Annual City Report

California Pacific Medical Center (CPMC) is made up of four campuses throughout San Francisco: California Campus, Pacific Campus, Davies Campus, and St. Luke's Campus. Through its operations of these medical facilities, CPMC provides substantial direct and indirect economic benefits to the City. It also provides essential health services to people of all ages from diverse ethnic, cultural, geographic, educational, and socioeconomic backgrounds. Approximately two-thirds of CPMC's patients live in San Francisco, and CPMC provides healthcare services in connection to approximately 30 percent of the hospitalizations in San Francisco. CPMC is owned by Sutter Health and is San Francisco's third largest non-public employer and fourth largest employer overall, with over 6,000 employees.

State law (SB 1953) requires that all acute-care hospitals be seismically upgraded so that they are operational after a major earthquake. Three of CPMC's four acute-care hospitals were required to be rebuilt in order to comply with this law, including the hospitals at the California, Pacific, and St. Luke's campuses. The Davies Campus was retrofitted in 2008, enabling this campus to accommodate acute-care hospital services until 2030.

To meet state law, CPMC will consolidate acute-care services from the Pacific and California campuses into a new Van Ness and Geary Campus (formerly called the Cathedral Hill Campus). The project will also provide a new, seismically safe hospital at the St. Luke's Campus in the Mission District, which will be renamed the Mission Bernal Campus. A new medical office building on the Davies Campus was approved as part of the project, although Sutter Health has not made a determination as to whether or when this building will be constructed. These construction projects will increase the number of earthquake-safe hospital beds in San Francisco, create 1,500 construction jobs, and require the expenditure of over \$2 billion in total development, and are intended to improve healthcare access for San Franciscans.

The CPMC project also provides additional Community Benefits, including the commitment to rebuild St. Luke's Hospital, a community health care program, a transportation and transit program, a workforce development program, a public improvement program, and cash payments to provide for specific services, programs, and infrastructure.

To memorialize these Community Benefits, CPMC and the City entered into a Development Agreement (DA), which was approved by the Board of Supervisors in July 2013 and became effective on August 10, 2013. The approvals for the DA (listed in full in Exhibit J of the DA) were finally granted two months later, on November 8, 2013.

Annual Review Process. The DA requires an annual review to ensure that both the City and CPMC are in compliance with their respective obligations and that Community Benefits are being delivered.¹ The annual review requires that CPMC submit an Annual Compliance

Statement to the City no later than 150 days after the end of their fiscal year (currently, the calendar year). The City is then required to post CPMC's statement and receive public comment for 30 days. At the conclusion of the public comment period, the City has 45 days to publish a report on whether CPMC is in compliance with the Development Agreement. Both the Health and Planning Commissions will then hold public hearings on CPMC's compliance with a 60-day notice to the public. After these hearings, the Planning and Health Directors will forward their findings on to an independent third party monitor. The monitor will have 30 days to review the findings and evidence of CPMC's compliance with the DA before sending a letter to the Board of Supervisors stating whether or not he or she concurs with the Directors' findings.

The timeline for review of the 2016 Annual Compliance Statement is as follows:

May 31, 2017	City receives copy of CPMC's 2016 Compliance Statement
June 1, 2017	Compliance Statement posted on Planning and Public Health Departments' websites
June 1, 2017	Planning Department sends notice to interested parties soliciting public comment
June 30, 2017	Public comment period closes
July 28, 2017	City's Annual Report Published
** F1	uture Dates Projected, Subject to Change**
On or after July 28, 2017	Planning Department sends Notice of Public Hearing to interested parties
On or after September 28, 2017	Joint Health Commission and Planning Commission Hearing
October/ November 2017	Directors' findings forwarded to third party monitor
November/ December 2017	Third party monitor issues letter to Board of Supervisors

City Report. This document is the City's fourth Annual Report on CPMC's compliance; it contains findings of compliance on each of CPMC and the City's obligations contained in the DA. Each obligation that is due under the DA is included in this report as a separate table that indicates the following:

- *Lead Department:* The department within the City that is responsible for implementing or overseeing the obligation.
- *Staff Contact:* The name and contact information for the member of City staff overseeing the implementation of the obligation.
- *Completion Date*: The date on which CPMC's obligation under the DA was completed.

completed. This section also indicates whether CPMC is "in" or "not in" compliance with the obligation.

- *Description of Obligation:* A summary of the obligation defined in the DA or related document, such as the Transportation Demand Management (TDM) program.
- *Current Status:* A description of the progress made on implementing the obligation to date.
- *Next Steps:* Upcoming steps that will be taken either by CPMC or the City in implementing the obligation.
- *Opportunities for Community Engagement:* Information on additional public meetings or opportunities for the public to engage in the implementation of the obligation.
- *Funding (If Applicable):* For obligations that require funding to the City or to the San Francisco Foundation, information regarding the amount of funding received to date, and amount of funding required under the obligation.

Additional Information. Both the Planning and Public Health Departments maintain websites dedicated to the CPMC Long Range Development Plan and Development Agreement.

- Planning Department: <u>http://cpmc.sf-planning.org</u>
- Department of Public Health: <u>http://www.sfdph.org</u>

The Planning Department's website includes a "Document Downloads" page, which includes a comprehensive library of documents relating to the project, including the Development Agreement, Environmental Impact Review, Transportation Demand Management Program, and Milestone Notices. Documents relating to the annual review are also located on the project site.

Sutter Health, the parent company of CPMC, also maintains a website with an overview of the construction program for each campus, as well as construction updates and schedules, at http://cpmc2020.org.

In conducting the required initial and annual reviews of CPMC's compliance with this Agreement, the Planning Director shall follow the process set forth in this Section 8.2. Within 150 days following the end of each fiscal year, CPMC shall provide a report to the Planning Director showing compliance. Promptly upon receipt, the Planning Director shall post the Compliance Statement on the Planning Department website and the DPH Director shall post the Healthcare Compliance Report portion thereof on the Department of Public Health's website. The Planning Department and the Public Health Department shall receive public comment for 30 days after posting of the Compliance Statement. After the 30 day comment period the Planning Director shall within 45 days thereafter, prepare a report as to whether CPMC is in compliance with this Agreement based upon all of the information received.

CURRENT STATUS:

The Planning Director received CPMC's 2016 Development Agreement Compliance Statement on May 31 2017. The Compliance Statement was posted on the Planning Department's website on June 1, 2017. Also on June 1, 2017, the Department mailed a notice to interested parties soliciting public comment on the Compliance Statement through June 30, 2017. The Department received public comments from one organization: the University of California Hastings College of the Law, on behalf of San Franciscans for Healthcare, Housing, Jobs and Justice ("SFHHJJ").

NEXT STEPS:

The City will schedule a joint hearing of the Planning Commission and Health Commission. The City will provide 60 days' notice to interested parties prior to the scheduled hearing.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

CPMC, the City, and members of the public will continue to participate in visioning meetings that also contribute feedback on CPMC's implementation of its obligations under the DA.

In order to keep the City reasonably informed of CPMC's progress in satisfying the Hospital Commitment, CPMC shall periodically report to the City on the timing and progress of the construction of the St. Luke's Campus Hospital and Cathedral Hill Campus Hospital...CPMC shall provide the City with reasonably detailed project schedules for the St. Luke's Campus Hospital and Cathedral Hill Campus Hospital before the start of construction... and shall update such project schedules on not less that a quarterly basis...

CURRENT STATUS:

CPMC has provided the Department with updates on their construction schedule, as updates occur, including with its Annual Compliance Reports. CPMC regularly updates the construction schedule for both St. Luke's and Cathedral Hill on the CPMC2020 website (http://cpmc2020.org/). CPMC has also been in frequent communication with the Planning Department about various stages of construction or construction planning at both Cathedral Hill and St. Luke's.

NEXT STEPS:

CPMC should continue to keep the Department abreast of any changes to the existing construction schedules as well as significant phases of construction.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

CPMC maintains the CPMC2020 website (http://cpmc2020.org/), which is updated at least weekly with construction bulletins and includes project updates and schedules. This website includes live webcams showing construction activity at each of the campuses under construction, allowing the public to view construction progress.

CPMC should continue the practice of notifying neighbors in advance of significant construction activities (example: CPMC provided notice in English and Spanish to neighbors of St. Luke's inviting them to a community meeting on March 19th regarding the current status of the project and upcoming construction schedule). CPMC should continue to provide updates to the Community about construction activities at both the St. Luke's Campus and the Van Ness and Geary (Cathedral Hill) Campus.

Within 30 days following the completion of each milestone listed in the Schedule and Phasing Plan, CPMC shall provide notice to the City (the "Milestone Completion Notice").

CURRENT STATUS:

One milestone was due in 2016: Completion of Exterior Work for the St. Luke's Campus Hospital. CPMC provided notice of completion of this milestone on November 1, 2016. CPMC has completed all the of milestones due to date, as described in its annual Compliance Statements and this 2016 City Report.

NEXT STEPS:

CPMC will continue to meet the milestones outlined in Exhibit C of the Development Agreement and provide notice to the Planning Department within 30 days of completing each milestone. The next milestone (completion of the replacement hospital at the St. Luke's Campus) is due in February 2018, on or before 42 months from receipt of the Increment 1 permit from OSPHD for the St. Luke's Campus Hospital; this permit was granted on August 5, 2014.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

CPMC has opportunities to engage the Community in the construction related activities that result from the Milestone Commitments. CPMC should continue to provide updates to the Community about construction activities at the St. Luke's Campus.

Community Visioning Plans were required in the Development Agreement (Exhibit I-1 through I-3) for the Long-Term Projects for the Davies, California and Pacific Campuses, as set forth below:

Davies Campus Community Advisory Group (CAG): To facilitate community input regarding planning for the Long-Term Project at the Davies Campus, CPMC is required to establish a Davies Campus Community Advisory Group within six (6) months after Approvals and any Subsequent Approvals for CPMC's Near-Term Projects have been Finally Granted.

Pacific Campus Community Advisory Group: To facilitate community input regarding planning for the Long-Term Projects at the Pacific Campus, CPMC is required to convene an initial meeting of parties who have previously expressed interest in the planning process for the Pacific Campus to discuss interest in and the composition of the Pacific Campus Community Advisory Group ("Pac CAG") within six (6) months after Approvals and any Subsequent Approvals for CPMC's Near-Term Projects have been Finally Granted. CPMC is required to promptly thereafter, appoint the Pac CAG.

California Campus Visioning Advisory Committee (VAC): The California VAC is the community advisory group that will assist CPMC with community outreach, information dissemination and public education efforts regarding the visioning process for eventual reuse of the California Campus. On the date that is the later of (i) six (6) months after Approvals and any Subsequent Approvals for CPMC's Near-Term Projects have been Finally Granted; and (ii) completion of the Phase II work described in Section 3b-Research and Stakeholder Interviews, CPMC will appoint the Cal VAC.

CURRENT STATUS:

This obligation is not yet required, as the obligation timeframe is triggered within six (6) months after the Approvals and any Subsequent Approvals for CPMC's Near-Term Projects have been Finally Granted. Several of CPMC's Near-Term Projects have not received their Approvals and/or Subsequent Approvals and thus they are not obligated to begin the Community Visioning Plans for the three Long-Term Project Campuses. However, CPMC has commenced the Visioning Plan process for the California Campus, including formation of a VAC.

NEXT STEPS:

CPMC will continue the Community Visioning Plan process for the California Campus and will begin the Community Visioning Plan process for other Campuses no later than the time that Approvals/Subsequent Approvals have been finally granted.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:	
CPMC could voluntarily begin this process sooner than required	for the remaining campuses.

CPMC shall comply with all Mitigation Measures imposed as applicable to each Project component, except for any Mitigation Measures that are expressly identified as the responsibility of a different party or entity. Without limiting the foregoing, CPMC shall be responsible for the completion of all Mitigation Measures identified as the responsibility of CPMC or the "project sponsor."

CURRENT STATUS:

CPMC has completed pre-construction Mitigation Measures related to Cultural and Paleontological Resources, Biological Resources, Geology and Soils, Hydrology and Water Quality, and Hazards and Hazardous Materials (M-CP-N2, M-CP-N3, M-CP-N4, M-BI-N1, M-GE-N6, M-HY-N2, M-HZ-N1a, and M-HZ-N1b). CPMC has made all payments due to date and is in compliance with Mitigation Measures related to mitigation fee payments (M-TR-29, M-CR-30, M-TR-31, M-TR-134, and M-TR-137). CPMC has completed or is performing mitigation activities related to project construction (M-TR-55, M-NO-N1, M-NO-N1a, M-NO-N1b, M-NO-N1c, M-NO-N5, M-AQ-N1a, M-AQ-N1b, M-AQ-N2, M-AQ-N9, and M-HY-N3). The remaining mitigation requirements are not yet due.

NEXT STEPS:

CPMC will continue to implement construction-related Mitigation Measures. Mitigation Measures related to project operation, such as stationary equipment noise, loading, and traffic control, must be implement once the new hospitals/medical office buildings are complete and in operation.

As long as this Agreement remains in full force and effect, CPMC shall make a good faith effort to ensure that at least fourteen percent (14%) of the cost of all Contracts for the Workforce Projects are awarded to Contractors or Subcontractors that qualify as certified LBE's under this Agreement. CPMC and City acknowledge and agree that CPMC's efforts to award Contracts to LBE's are voluntary, and that CPMC and its Contractors shall have the sole discretion to confirm certification of, or otherwise screen, hire or not hire LBE's.

CURRENT STATUS:

For the Van Ness and Geary Campus the project has a 14.5% utilization of Local Business Enterprise (LBE), which represents \$78,596,885 of the \$545,179,845 spent on construction to date. San Francisco-based business that are working or have worked on the project include the following: Becker Electric, Your All Day Everyday Janitorial, CMC Traffic Control, Phoenix Electric, Martin Ron Associates, Giron Construction, NTK Construction, Liquidyn, Municon, and DLD Lumber. CPMC continues to utilize other LBEs such as Merriweather and Williams, The M Line, and BergDavis Public Affairs. For the St. Luke's Campus the project has achieved 23%% utilization of LBEs, which represents \$38,813,267 of the \$127,967,783 spent on construction to date. For the Van Ness Campus Medical Office Building and Garage, Pankow has achieved 8.94% utilization of LBEs, representing \$3,180,946 of the \$35,584,421 spent on construction to date.

NEXT STEPS:

HerreroBoldt will continue to work with the CMD to increase LBE participation on both of the hospital projects. Both hospitals are more than 70% complete. HerreroBoldt will continue to help with the coordination between the CMD and the general contractors on the Van Ness Campus Medical Office Building and the Mission Bernal Campus Office Building.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

As HerreroBOLDT finds the need for contractors to perform scope they will work with CMD to identify LBE's in the RFP process and include in all RFPs the LBE goals which will be in all contracts. HerreroBOLDT will continue to purchase supplies, materials and meals from local business and work with merchant associations to identify vendors. HerreroBoldt will work with the CMD and the general contractors on the medical office buildings, as needed for identification and outreach for LBE's to bid and perform scope on the projects.

DESCRIPTION OF ONLICATIO) N-		1		

So long as this Agreement remains in full force and effect, CPMC's Contractors shall make good faith efforts in accordance with Section 9 to ensure the following hiring goals with respect to each Contract...With respect to new Entry-Level Positions for administrative and engineering internship candidates, a Contractor and its Subcontractors will work to fill a minimum of fifty percent (50%) of such new Entry-Level Positions with San Francisco resident System Referrals....OEWD, through its network of Community Based Organizations and the City's One-Stop System, shall be designated as the referral source for San Francisco residents.

CURRENT STATUS:

As of July 1, 2017, CPMC's Contractors have filled twenty-eight (28) of the fifty-one (51) new Entry Level Positions for administrative and engineering internship candidates with System Referrals. This represents 55% of new Entry Level positions being filled with San Francisco resident System Referrals, above the minimum 50% hiring goal. The System Referrals include students from San Francisco Unified School District High School Seniors and San Francisco State University civil engineering majors partnering with the MESA (mathematics engineering science achievement) program focusing on economically disadvantaged students.

Of the twenty-eight interns, six were hired on as full-time employees with a contractor on the project.

NEXT STEPS:

CPMC's Contractors will continue to engage with OEWD's CityBuild program and continue to:

• Submit CityBuild Workforce Projection Forms and coordinate meetings to review hiring goals.

 Notify CityBuild of any Entry Level Positions for administrative and engineering internships and work through the referral process.

• Consider System Referrals for positions and provide constructive feedback on all System Referrals.

• Track, monitor, and report the progress of System Referrals through the application, hiring and employment process.

CityBuild will continue to closely monitor the performance of CPMC contractors. CityBuild will also continue to engage with the San Francisco Unified School District, City College of San Francisco, and San Francisco State University to reach out to students who may be interested in internships as well as work with its network of Community Based Organizations (CBOs) and Access Points for qualified candidates.

 Notify CityBuild of any Entry Level Positions for administrative and engineering internships and work through the referral process.

With respect to new and core opportunities for union journeymen and apprentices, so long as this Agreement remains in full force and effect, CPMC's Contractors shall make good faith efforts in accordance with Section 9 to ensure the following hiring goals with respect to each Contract:...Contractor and its Subcontractors will work to achieve a minimum of thirty percent (30%) of trade hours (i.e., 30% of journeymen and apprentice trade hours combined, and not 30% in each category) to be performed by San Francisco residents. This goal will be measured based upon (1) trade hours for the overall Contract, (2) trade partners, regardless of tier, and (3) hours by craft. A Contractor's obligation to hire new union entry-level apprentice candidates set forth in Section 5(c) above shall be credited towards the Contractor's obligation to hire San Francisco residents under this Section 5(d).

CURRENT STATUS:

A sharp increase in the amount of Drywaller/Lather work, in conjunction with a shortage of available local Drywallers/Lathers, has affected the ability of CPMC's contractors to achieve the minimum 30% goal of San Francisco resident work hours. As of July 1, 2017, CPMC's Contractors have reported a total of 845,643 trade hours performed by San Francisco residents in new and core opportunities for union journeymen and apprentices out of 3,221,375 total work hours reported. This represents 26.25% of work hours performed by San Francisco residents, which is below the 30% overall hiring goal. These data are collected through an electronic certified payroll system, Elations Systems. It represents the total aggregate reported workhours for the Van Ness and Geary Hospital Campus, the St. Luke's Replacement Hospital Campus, and the Van Ness Garage and Medical Office Building project. A total of 223 resident construction workers were placed on the projects through the workforce system.

NEXT STEPS:

CityBuild will meet with the general contractor teams to address the decline in local hiring and develop corrective actions. CPMC's Contractors will continue to engage with OEWD's CityBuild program and continue to:

• Submit CityBuild Workforce Projection Forms and coordinate meetings to review hiring goals.

• Notify CityBuild of all required positions and work through the referral process.

- Consider System Referrals for positions and provide constructive feedback on all System Referrals.
- Track, monitor, and report the progress of System Referrals through the application, hiring and employment process.

CityBuild will continue to closely monitor the performance of CPMC contractors. CityBuild will also continue to leverage the CityBuild Academy and work with its network of Community Based Organizations (CBOs) and Access Points for qualified candidates.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

OEWD continues to hold regular community events in partnership with CPMC and OEWD's Neighborhood Access Points. In addition, OEWD will continue to engage Community Based Organizations for outreach and recruitment, and sharing hiring data as it becomes available.

As long as this Agreement remains in full force and effect, CPMC's hiring goals shall be to fill at least forty percent (40%) of Available Entry Level Positions with System Referrals ("Annual Hiring Target") in each consecutive 12-month period following the Effective Date (each, a "Hiring Year"). Notwithstanding the foregoing, if CPMC does not meet its Annual Hiring Target in any Hiring Year (a "Hiring Deficiency"), the number of Entry Level Positions constituting the Hiring Deficiency will roll over and be added to the Annual Hiring Target for the following Hiring Year....If a Hiring Deficiency exists at the end of the term of this Agreement, then the term will be automatically extended ("Automatic Extension") until such time as CPMC achieves the full Annual Hiring Target for each Hiring Year.

CURRENT STATUS:

For the 2016-17 Project Year (August 2016 - July 2017), CPMC made 41 hires through the workforce system. This represents 60% of total entry-level hires during the Project Year, which exceeds the 40% requirement per the Development Agreement. Additionally, CPMC does not have a hiring deficit from prior years.

The remainder of the \$3 million shall be paid to the San Francisco Foundation in accordance with Exhibit N... until the total sum is paid, and managed by the San Francisco Foundation in accordance with the Workforce Fund Agreement... The funds paid by CPMC shall be used for workforce training purposes only...

CURRENT STATUS:

Brief History: The San Francisco Foundation received \$2,000,000 of the Workforce Fund in December 2013 and spent the rest of 2014 planning, writing and issuing an RFP for funding. In March 2015, four grantees received grant awards from the San Francisco Foundation: Jewish Vocational Service, Mission Hiring Hall, Positive Resource Center, and Self Help for the Elderly, with grant awards beginning in April 2015. On August 17, 2015, the San Francisco Foundation released a duplicate RFP with a focus on Bayview and Western Addition communities, in which the Success Center and Young Community Developers were awarded funding to provide training and workforce services to prepare residents from their respective communities for employment at CPMC.

Current Status: The Workforce Committee met with grantees, followed by a committee meeting on the following dates: September 30, 2016, January 11, 2017, and March 14, 2017 to do a thorough review of performance outcomes, discuss successes and challenges with the workforce programming and strategies on how to best connect SF residents to employment at CPMC. On April 19, 2017 the Workforce Committee met via a conference call to have preliminary discussions about year-end performance (SF Foundation contracts end April 30, 2017). Through this convening it was decided that Mission Hiring Hall and Positive Resource Center would not continue as part of the portfolio due to continuous struggles with performance measures and that FACES SF would be awarded funding (initial applicants) due to their high placement rates and successful collaborative efforts with CPMC. The total amount of funding allocated to the 5 non-profit workforce partners (Jewish Vocational Service, Self-Help for the Elderly, Success Center, Young Community Developers, and FACES SF) will be a cumulative \$365,000.00. Participants also discussed how to align contract cycles with OEWD's July 1 to June 30th program year dates. Due to major staffing transitions at SF Foundation, contracts have not yet been executed, but are in progress. Contracts for the new program year will focus on lower numbers served and more qualitative services to properly prepare residents for both clinical and non-clinical employment opportunities, which are at competitive wages. OEWD's RFP 121 was released in on December 2, 2016 to provide a full array of workforce services to local residents, with a focus on sector programming, neighborhood-based workforce services, specialized population, young adult, and job readiness services. Contracts for this RFP will effectively start on July 1st and scopes of work included language on CPMC outreach and employment services to City residents for the 5 SF Foundation workforce programming partners.

NEXT STEPS:

Continue quarterly meetings with the Workforce Committee and with grantees, in Program Year 2017-2018

 Shift focus to qualitative services that lead to employment opportunities with CPMC or comparable employers with competitive wages

•The Workforce Committee will convene on July 6, 2017 to finalize funding recommendations grant cycle start date and to provide input on contractual deliverables.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The San Francisco Foundation will continue to meet regularly with grantees to ensure that training and employment services are meeting the workforce needs of San Franciscans. CPMC, in coordination with OEWD's Business Services Team will continue to schedule neighborhood based Employer Spotlights and Hiring Events citywide.

DESCRIPTION OF OBLIGATION:

CPMC shall provide financial and other services or operational support for comprehensive primary pediatric care to residents of the Bayview area through the Bayview Child Health Center...

CURRENT STATUS:

CPMC provided financial and operational support for the Bayview Child Health Center consistent with 2011-2012 levels. In November 2013, South of Market Health Center (SMHC), in collaboration with CPMC and the Sutter Pacific Medical Foundation, received funding from the federal Health Resources and Services Administration to transfer ownership of the Bayview Child Health Center to SMHC. The transfer was effective 9/1/14. The DA provides that CPMC may "sell, lease or transfer programs, services or service lines to meet evolving community needs, operational cost-effectiveness, or quality standards." CPMC provided the following support to the SMHC and the clinic as part of the Baseline Commitment in the DA: 1. Financial support through an operations grant each year for five years as the clinic becomes sustainable under the Federally Qualified Health Center model;

- 2. Leased the former BCHC Medical Director to SMHC through the end of 2015 to promote continuity of care;
- 3. Transferred all assets to SMHC at no cost;

4. Invested over \$1,000,000 in tenant improvements to bring the clinic to OSHPD 3 compliance; and,

5. Remains the clinic's specialty and hospital partner-- providing Bayview children with comprehensive services across the care continuum.

NEXT STEPS:

This obligation continues until 11/8/2023. As mentioned in the "Current Status," CPMC will provide an operations grant each year for the 5 years to ensure sustainability of the clinic, and will remain the clinic's specialty and hospital partner to ensure comprehensive services to Bayview children.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The Department of Public Health meets quarterly with the coalition San Franciscans for Healthcare, Housing, Jobs and Justice to provide updates on the status of CPMC's compliance with the Development Agreement where possible.

CPMC shall enter into the Innovation Fund Grant Agreement (the "Innovation Fund Agreement") substantially in the form attached hereto as Attachment 1 to this Exhibit F, and City shall agree to and accept same as indicated, with only such changes as are approved by the DPH Director, the City Attorney and the Innovation Fund Foundation that do not decrease CPMC's payment obligations or otherwise materially reduce the benefits provided under the Innovation Fund Agreement as determined by the DPH Director. The Innovation Fund Agreement shall include and implement the provisions applicable to the Innovation Fund Foundation as set forth in this Section 3.

CURRENT STATUS:

CPMC entered into the Innovation Fund Agreement with The San Francisco Foundation. In 2016, CPMC paid the fourth installment into the Innovation Fund (\$1.725 million), for a total of \$7.475 million since the inception of the fund.

NEXT STEPS:

The final installment from CPMC on this annual obligation is 10/7/2017.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The Department of Public Health meets quarterly with the coalition San Franciscans for Healthcare, Housing, Jobs and Justice to provide updates on the status of CPMC's compliance with the Development Agreement where possible.

The Innovation Fund Foundation shall annually distribute a portion of the principal balance of the Innovation Fund to thirdparty recipients under a grant application process approved by CPMC and the DPH Director....Prior to any disbursements or commitments for distribution of the Innovation Fund, the Innovation Fund Foundation shall consult with, obtain disbursement advice from the Committee and, if possible, obtain a consensus for distributions with the Committee, as provided in Section 3.a(iii) above, provided that final determinations shall be made by the Innovation Fund Foundation.

CURRENT STATUS:

The following is a list of grants awarded in 2016 by the Innovation Fund:

Drug Policy Alliance: to support planning and implementation of a multi-departmental prebooking diversion program that will reduce incarceration and increase access to health and mental health services for SF high risk populations and to complete a proposal for \$5.9 million in funding from the California Board of State and Community Corrections. (\$250,000 over 12 months)

Central City Hospitality House: to support and train peer health volunteers, staff, and outreach teams to enhance their ability to engage other community members, leading to a healthier neighborhood with people seeing themselves as part of the solution. (\$500,000 over 2 years)

North of Market Tenderloin Community Benefit Corporation: to improve the stability, livability and sustainability of the Tenderloin through the Tenderloin CBD Healthy Neighborhood Initiative. (\$150,000 over 24 months)

Public Health Foundation Enterprise: to reduce unnecessary use of hospital emergency room services by providing transportation to the Sobering Center. (\$35,000 over 12 months)

The Women's Community Clinic: to support the merger of Women's Community Clinic with HealthRight 360. (\$50,000 over 12 months)

NEXT STEPS:

The Innovation Fund Foundation will continue to provide grants, in accordance to the DA, to third-party recipients until depletion of funds.

CPMC shall continue its good faith efforts at the clinical integration of medical staffs at the St. Luke's Campus, with the medical staff at its Pacific Campus, California Campus and Davies Campus (and, upon Completion of the Cathedral Hill Campus Hospital and the Cathedral Hill Campus), and on quality improvement initiatives for the purpose of improving patient quality of care at all of the CPMC Campuses.

CURRENT STATUS:

In 2016, the integration of medical staff across the CPMC campuses, including St. Luke's, was completed and approved by the hospital's Board. CPMC now has a single medical staff at all four campuses. The quality improvement initiatives are also run across the four campuses. Upon completion of the Cathedral Hill Campus, the plan is for the Cathedral Hill Campus Hospital staff to also be integrated, with a single medical staff across all the campuses.

NEXT STEPS:

This obligation continues until 10/8/2023. Since there has been integration across the four campuses now, compliance review will be to ensure a single medical staff, upon completion of Cathedral Hill Campus Hospital.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The Department of Public Health meets quarterly with the coalition San Franciscans for Healthcare, Housing, Jobs and Justice to provide updates on the status of CPMC's compliance with the Development Agreement where possible.

Through existing service agreements, CPMC currently provides pediatric, obstetric, and certain tertiary services to Chinese Hospital patients. CPMC shall continue to provide such services in a manner generally consistent with existing services agreements with Chinese Hospital and its affiliates as of the Effective Date. Notwithstanding the foregoing, CPMC may adjust programs, services and service lines to meet evolving community needs and quality standards, as may be reflected in future service agreements with Chinese Hospital and its affiliates.

CURRENT STATUS:

CPMC has maintained its agreement with the Chinese Community Health Plan (CCHP) for their Commercial HMO population and added a new contract for their Covered CA population in 2014. CPMC has also maintained its longstanding Transfer Agreement and contract for high risk OB/GYN care with Chinese Hospital. CPMC and Chinese Hopsital renewed these agreements in early 2017. Overall, CPMC continues to provide services generally consistent with existing service contracts.

NEXT STEPS:

This annual obligation continues until 8/10/2023.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The Department of Public Health meets quarterly with the coalition San Franciscans for Healthcare, Housing, Jobs and Justice to provide updates on the status of CPMC's compliance with the Development Agreement where possible.

CPMC shall deliver at all Campuses culturally and linguistically appropriate services that are representative of San Francisco's diverse communities and are in accordance with the mandates, guidelines and recommendations of the National Standards on Culturally and Linguistically Appropriate Services (CLAS), as issued by the U.S. Department of Health and Human Services' Office of Minority Health in March 2001 and subsequently updated.

CURRENT STATUS:

CPMC delivers services at all campuses in accordance with the mandates, guidelines, and recommendations of the National Standards on CLAS. In 2015 CPMC conducted a CLAS Assessment and provided the assessment to DPH. CPMC continued efforts to implement assessment recommendations and improve cultural and linguistic access to services across the four campuses.

In April 2016, DPH and CPMC staff met in person to discuss the St. Luke's Diabetes Clinic. The meeting resulted in specific clarifications and recommendations related to the St. Luke's Diabetes Clinic. Agreements (bold) and progress are listed below.

Added Spanish language capacity is warranted - CPMC hired 0.8 FTE Spanish-speaking Registered Dietician and Certified Diabetes Educator.

Spanish Language Classes should be offered - CPMC anticipates Spanish language classes to begin in summer 2017. Reception staff would improve patient care and experience - CPMC does not plan to add a dedicated receptionist at the Diabetes Clinic. CPMC is monitoring patient access through a question on the bilingual patient satisfaction survey to continuously assess if there are access challenges caused by not having a receptionist.

HealthFirst Program provides connections for St. Luke's Diabetes Clinic Patients - Our Advisory Council is now within SHIDEN (Sutter Health Integrated Diabetes Education Network) as the certification is at the Sutter System level. St. Luke's Diabetes Clinic staff from the service line attend these meetings. St. Luke's Diabetes Clinic and HealthFirst continue to collaborate & ensure services are meeting the needs of the population.

NEXT STEPS:

This obligation continues until 8/10/2023. Additionally, CPMC will continue to provide updates on the St. Luke's Diabetes Clinic in the 2017 Compliance Statement.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The Department of Public Health meets quarterly with the coalition San Franciscans for Healthcare, Housing, Jobs and Justice to provide updates on the status of CPMC's compliance with the Development Agreement where possible.

MOHCD shall deposit the payment into the Affordable Housing Fund and use the funds for affordable housing. CPMC shall provide evidence of payment to DBI upon request, and MOHCD shall confirm to DBI receipt of the Residential Unit Replacement Fee.

CURRENT STATUS:

CPMC provided the first four payments to the Affordable Housing Fund. The first payment was received 9/4/2013, totaling \$2,400,000. The second payment was received on 12/7/2013, totaling \$6,700,000. The third payment was received on 11/24/14, totaling \$7,000,000. The fourth payment was received on 12/8/15, totaling \$8,825,000. The fifth payment was received on 11/30/16, totaling \$8,100,000. Combined, MOHCD has received \$33,025,000. MOHCD has continued utilizing the Affordable Housing Payment received to date toward rehabilitating public housing in conjunction with HUD's Rental Assistance Demonstration (RAD) program, including at the following sites: 1760 Bush, 2698 California, 2451 Sacramento, 40 Harbor Road, 1150 Scott, and 1068 Palou. As well, MOHCD utilized these funds for the development of 1950 Mission and 2060 Folsom multifamily housing. All of the funds are now expended except for \$8,659,049 encumbered for 1068 Palou and a portion (~\$700,000) of the encumbered funds for 1950 Mission. In FY 17-18, MOHCD will make progress to expend the remaining funds on these two and other pipeline projects with the final installment expected in late 2017.

NEXT STEPS:

CPMC will provide annual payments to the Affordable Housing Fund in late 2017, after which the Housing obligation will be fulfilled.

CPMC shall pay the total sum of Two Hundred Thousand Dollars (\$200,000) to OEWD (the "Safe Passage Grant") as described in Schedule A (Section I), in accordance with Exhibit N (Payment Schedule).

CURRENT STATUS:

The capital project has been tabled to allow the organization to focus on building organizational capacity with the \$200,000 in seed funding. OEWD engaged the Saint Francis Foundation's Tenderloin Health Improvement Project in becoming a key funder of the effort. They have more than matched the contribution and helped Safe Passage make the determination to transition their organizational infrastructure to the Tenderloin Community Benefit District (CBD).

NEXT STEPS:

Safe Passage will transition formally to be housed under the Tenderloin CBD. OEWD plans to make General Funds available to the CBD in FY16-17 in order to help continue to build both Safe Passage's and the CBD's capacity.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

Many opportunities, ongoing, given that the program is a collaboration of Community-based Organizations in the Tenderloin and relies on volunteer recruitment to ensure safety of the path.

DESCRIPTION OF OBLIGATION	N:				
•	id-Term (2-5 years) Transit Subsidy. CF he value of the monthly subsidy to be up 50% of the subsidy.	•			

CURRENT STATUS:

The Transportation Demand Management Plan specifies dates by which pieces of the plan should be in place. As described on page 9 of the TDM Plan, the transit subsidy commitment is a mid-term component to be implemented somewhere between August 10, 2015 and August 10, 2018. As of January 2017, CPMC has instituted a transit subsidy equivalent to 50% of a Muni monthly pass for any Sutter Health employees participating in Sutter Health's WageWorks commute program. Participation has been steadily increasing since January 2017 and stands at approximately 13% as of July 2017.

NEXT STEPS:

CPMC will continue marketing efforts to increase adoption of the transit subsidy, and will explore new marketing methods in partnership with SFMTA.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The TDM Plan was briefly presented to the SFMTA Citizens Advisory Council on August 7, 2014 as part of a larger outreach effort covering all the transportation commitments in the Development Agreement.

Information on TDM programs, transit schedules and maps, bicycle routes, as well as upcoming events shall be posted on boards and periodically updated in each cafeteria.

CURRENT STATUS:

CPMC has placed communication boards inside their facilities to market elements of the TDM program.

NEXT STEPS:

The SFMTA will continue to monitor implementation progress, meeting CPMC roughly quarterly to discuss details.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The TDM Plan was briefly presented to the SFMTA Citizens Advisory Council on August 7, 2014 as part of a larger outreach effort covering all the transportation commitments in the Development Agreement. CPMC could invite community participation and employee coordination regarding carpooling, rides home, bike trains, and other TDM-related items on the communication boards.

CPMC shall increase the boundaries of the program to cover major transit stops within a reasonable distance of each campus and also promote and market the Courtesy Ride Home program.

CURRENT STATUS:

CPMC is entering into a partnership with LYFT to handle the CRH Program. This partnership will also provide last mile solutions for the 633 Folsom employees when the Folsom shuttle line is eliminated due to extremely low ridership. CPMC Security is offering an limited interim service for in-need employees and patients.

NEXT STEPS:

CPMC expects to finalize the agreement with Lyft in 2017 to provide Courtesy Rides Home. The SFMTA will monitor the program effectiveness and possible changes, meeting with CPMC roughly quarterly to discuss details.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The TDM Plan was briefly presented to the SFMTA Citizens Advisory Council on August 7, 2014 as part of a larger outreach effort covering all the transportation commitments in the Development Agreement. CPMC may solicit input from employees/community regarding where they would like the program to go.

CPMC shall evaluate and then increase employee parking prices as needed to achieve the trip and parking reduction goals.

CURRENT STATUS:

CPMC has increased hourly, daily, and monthly parking rates across all campus garages. Hourly rate increase varies; daily rate increased from \$30 to \$35, and monthly rate increased from \$120 to \$180. Parking remains free on evenings and weekends. Employees continue to be offered discounted rates.

NEXT STEPS:

SFMTA and CPMC have been meeting roughly quarterly to discuss details.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The TDM Plan was briefly presented to the SFMTA Citizens Advisory Council on August 7, 2014 as part of a larger outreach effort covering all the transportation commitments in the Development Agreement.

DESCRIPTION OF OBLIGATION:

CPMC shall provide on-site signage for patients and visitors identifying the locations of bicycle parking, vehicular parking, and shuttle stops as well as full shuttle schedules with maps in the lobby of each hospital.

CURRENT STATUS:

Signage installed for vehicle parking. Signage installed at Pacific Campus shuttle stops. Shuttle maps and schedules posted in hospital lobbies.

NEXT STEPS:

Future secured bicycle parking to be installed at campuses with requisite signage. Campus under construction to be fully outfitted with shuttle maps and schedules, parking signage, bike signage, real-time transit information. This information will be integrated into a smart phone app.

OPPORTUNITIES FOR COMMUNITY ENGAGEMENT:

The TDM Plan was briefly presented to the SFMTA Citizens Advisory Council on August 7, 2014 as part of a larger outreach effort covering all the transportation commitments in the Development Agreement. CPMC could solicit community input on sign designs and present options and final designs to SFMTA Citizens Advisory Council.

DESCRIPTION OF OBLIGATION:

Completion of San Jose Avenue City Project. The failure to complete the San Jose Avenue City Project in accordance with the timing set forth in the Schedule and Phasing Plan may entitle CPMC to a period of Excusable Delay in connection with the Hospital Commitment as set forth in Section 10.6.2.

CURRENT STATUS:

Projects 1201J Cesar Chavez Street Sewer Improvement Project and 1068J Cesar Chavez Streetscape Improvements - 101 To Guerrero are complete. The pedestrian enhancements include three dozen bulb-outs that widen the sidewalk at intersections to shorten the crossing distance; widened medians where people can wait safely to cross the street if they can't make it in one traffic-signal cycle; and raised crosswalks at two intersections to increase driver awareness.

Other upgrades include new bike lanes, left-turn pockets for motorists, new and rehabilitated sewers and new paving along the entire stretch to make the ride safer and smoother for all users. Traffic lanes were reduced from three in each direction to two.

In addition, several environmentally smart design elements were incorporated. Among them: storm-water planters and pervious pavement to allow rainwater to percolate through the ground to put less burden on the sewer system; and 302 new street trees and 7,600 plants along the median and the sidewalks. In all, 38,620 sq. ft. of concrete and asphalt were converted to green space. Streetlights along the corridor also were upgraded to LED for energy efficiency.

Re: Confirmation of "Effective Date" and "Finally Granted" Date as Defined in the California Pacific Medical Center Development Agreement

Dear Mr. Rahaim:

We are submitting this letter on behalf of our client, Sutter West Bay Hospitals, doing business as California Pacific Medical Center ("CPMC"), to confirm and memorialize the "Effective Date" and the date upon which the Approvals were "Finally Granted", as those terms are defined in the Development Agreement Relating to the Construction and Reconstruction of Healthcare Facilities in Furtherance of the California Pacific Medical Center Long Range Development Plan by and between the City and County of San Francisco and Sutter West Bay Hospitals dated August 8, 2013, and recorded in the Official Records of the City and County of San Francisco on August 12, 2013, as Instrument No. 2013J728647 (the "DA").

For purposes of the DA, the parties agree that the "Effective Date", as defined in Section 2.1 of the DA, is August 10, 2013, and the date upon which the Approvals were "Finally Granted", as defined in Section 1.55 of the DA, is November 8, 2013.

Please countersign below to confirm the City's concurrence that the "Effective Date" and "Finally Granted" date are the dates stated above.

Very truly yours,

R Stellare

EXHIBIT B

Workforce Fund Grant Agreement

This Workforce Fund Grant Agreement ("Workforce Fund Agreement") is entered into between Sutter West Bay Hospitals, a California nonprofit public benefit corporation, doing business as California Pacific Medical Center ("CPMC") and San Francisco Foundation ("Grantee"), and is further agreed to and accepted by the City and County of San Francisco. Capitalized terms have the meaning set forth in paragraph 1 or as otherwise indicated in this Workforce Fund Agreement.

1. Definitions.

(a) Allowable Costs: The costs of Grantee allocable to the Workforce Fund, as set forth in paragraph 9.

(b) City: The City and County of San Francisco, California, a municipal corporation organized and existing under the laws of the State of California.

(c) Committee: The committee of fund advisers described in paragraph 5 of this Workforce Fund Agreement.

(d) Workforce Fund: The amount contributed by CPMC pursuant to paragraph 3.

(e) Workforce Fund Balance: The amount equal to the Workforce Fund adjusted to reflect (i) increases by investment earnings, and (ii) decreases by investment losses, disbursements to recipients pursuant to this Workforce Fund Agreement ("**Disbursements**"), and Allowable Costs.

(f) Development Agreement: That certain Development Agreement Relating to the Construction and Reconstruction of Health Facilities in Furtherance of the California Pacific Medical Center Long Range Development Plan By and Between the City and Sutter West Bay Hospitals dated August 8, 2013.

(g) Workforce Projects: The Workforce Projects as described in the Workforce Agreement, Exhibit E to the Development Agreement.

2. Purpose. The contributions made to Grantee pursuant to this Workforce Fund Agreement shall be used as a designated fund for workforce training purposes and such funds shall be targeted to educational institutions and non-profit organizations with an existing track record of working in the impacted communities (such as Western Addition, Tenderloin, Mission/SOMA, Outer Mission/Excelsior, Chinatown and Southeastern neighborhoods) and in providing barrier removal and job training for the employment opportunities created by the Project in accordance with the terms set forth in this Workforce Fund Agreement.

3. Workforce Fund. Subject to the conditions set forth below and provided that the Development Agreement has not previously been terminated, CPMC shall contribute to the Grantee the total amount of Three Million Dollars (\$3,000,000) in installments to be held as a

designated fund by Grantee. The Workforce Fund contributions shall be made as follows: Two Million Dollars (\$2,000,000) within thirty (30) days of the earlier of the date Approvals are Finally Granted or the date the Cathedral Hill Hospital Commences Construction, both as defined in the Development Agreement, and the remainder on the first anniversary of the first payment, in accordance with Exhibit N (Payment Schedule) to the Development Agreement. Notwithstanding the foregoing, nothing in this Workforce Fund Agreement shall be construed as a binding pledge to Grantee enforceable by Grantee.

4. Investment Instructions. The Workforce Fund and Workforce Fund Balance shall be invested with a five (5) year horizon for Disbursements as described in paragraph 6(b). Grantee shall exercise final control of the investment of the Workforce Fund Balance pursuant to Grantee's investment policy and the provisions of this paragraph 4.

5. Committee of Fund Advisors.

There shall be a committee of Workforce Fund advisors (the (a) "Committee"). The Committee shall consist of three members: (i) one representative of OEWD on behalf of the City, (ii) one representative of CPMC, and (iii) one representative of Grantee. The Committee shall have the duties specified in this Workforce Fund Agreement and shall provide advice regarding the Disbursements to be made from the Workforce Fund, including the rate, schedule and allocation of Disbursements and the terms, goals and purposes thereof, without liability of any kind or character to any person on account of such advice. Every effort will be made to reach a consensus on any such advice from the members of the Committee. If a consensus is not reached, the City and CPMC shall, through the Committee, provide a single report to Grantee conveying their views, and Grantee shall have the authority to make final Disbursement decisions after considering such report. Subject to the foregoing right of the Committee to provide advice regarding Disbursements, Grantee shall exercise final control of the Disbursement of the Workforce Fund Balance pursuant to the terms of this Workforce Fund Agreement. Except where in this Workforce Fund Agreement notice is specified to be provided by a specific party, Grantee may rely on a written instruction or notice from City or CPMC, as members of the Committee, and shall have no obligation to investigate whether any such written instruction or notice is agreed to by any other member of the Committee, or is consistent with the obligations of CPMC or the City to any party other than Grantee. All Disbursements must be approved by the Board of Trustees of the San Francisco Foundation.

(b) Each year, no later than ninety (90) days after the close of Grantee's annual accounting period, Grantee shall prepare and provide to each member of the Committee, a written accounting of the Workforce Fund Balance, principal and earnings of the Workforce Fund for the preceding year, and Workforce Fund Disbursements.

(c) Grantee shall maintain records as part of its accounting system to account for all Disbursements, costs and expenses for a period of not less than four (4) years following the date of such Disbursements, costs or other expenditures, and annually make records available to City and CPMC as provided herein and upon request. 6. Annual Disbursements.

(a) Grantee shall annually distribute a portion of the Designated Fund Balance to third-party educational institutions and non-profit recipients and others through a grant application process approved by the Committee, in an amount and for such purposes as are consistent with the purposes of the Workforce Fund as described herein.

(b) The annual grant Disbursements shall be scheduled and allocated in such manner so as to maintain sufficient Workforce Fund Balance so that Disbursements may be provided for five (5) years. The first Disbursements shall be made within one (1) year of the first contribution to the Workforce Fund, as determined by the Committee and Grantee as provided above.

(c) Grantee shall confer with the Committee and obtain Disbursement advice from CPMC and City through the Committee prior to making a Disbursement commitment in accordance with Section 5(a) above. Grantee shall impose restrictions and/or conditions on grant Disbursements as necessary to ensure accountability for use of funds and to monitor effectiveness.

(d) City and CPMC shall have no right to challenge the appropriateness or the amount of any Disbursement provided it is consistent with the procedures and purposes identified herein.

7. Initial Program Goals and Allocation. In implementation of the program purposes described in Section 2 above, the Committee shall consult with third-party subject matter experts, in workforce training delivery, as necessary, to evaluate the feasibility, cost-effectiveness, and sustainability of grant proposals. The program purposes and allocations may be adjusted as determined in accordance with Section 5 above.

8. Termination of This Workforce Fund Agreement.

(a) Termination by Grantee. If at any time Grantee (i) fails to qualify as an organization described in Internal Revenue Code Section 501(c)(3), (ii) ceases to exist, or (iii) determines, in its sole judgment, that any restriction or condition in this Workforce Fund Agreement has become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served, then Grantee shall provide notice to CPMC and City and then transfer the entire Workforce Fund Balance within forty-five (45) days to a successor nonprofit charitable trust, fund, foundation or corporation which has established its tax-exempt status under Internal Revenue Code Section 501(c)(3) and that meets with the approval of CPMC and City.

(b) Termination of Development Agreement. CPMC or City shall notify Grantee no later than ten (10) days after any termination of the Development Agreement between CPMC and City prior to the expiration of its Term. In such event, CPMC shall cease to be a member of the advising Committee, and Grantee shall continue to administer the Workforce Fund Balance in accordance with this Agreement. 9. Allowable Costs. The costs of establishing the Workforce Fund, investment expenses, management fees for professional managers and advisors (whether the Workforce Fund Balance is separately managed or co-mingled with an endowment pool containing other funds) plus 7% for overhead costs of Grantee, shall be charged against the Workforce Fund. If co-mingled, the Workforce Fund Balance shall bear not more than its proportionate share of the fees and costs.

10. Notice.

(a) Procedure. Innovation Fund Grant Agreement

This Innovation Fund Grant Agreement ("Innovation Fund Agreement") is entered into between Sutter West Bay Hospitals, a California nonprofit public benefit corporation, doing business as California Pacific Medical Center ("CPMC") and [San Francisco Foundation] ("Grantee"), and is further agreed to and accepted by the City and County of San Francisco. Capitalized terms have the meaning set forth in paragraph 1 or as otherwise indicated in this Innovation Fund Agreement.

1. <u>Definitions</u>.

(a) <u>Allowable Costs</u>: The costs of Grantee allocable to the Innovation Fund, as set forth in paragraph 9.

(b) <u>City</u>: The City and County of San Francisco, California, a municipal corporation organized and existing under the laws of the State of California.

(c) <u>Committee</u>: The committee of fund advisers described in paragraph 5 of this Innovation Fund Agreement.

(d) <u>Innovation Fund</u>: The amount contributed by CPMC pursuant to paragraph 3.

(e) <u>Innovation Fund Balance</u>: The amount equal to the Innovation Fund adjusted to reflect (i) increases by investment earnings, and (ii) decreases by investment losses, disbursements to healthcare providers pursuant to this Innovation Fund Agreement ("**Disbursements**"), and Allowable Costs.

(f) <u>Development Agreement</u>: That certain Development Agreement Relating to the Construction and Reconstruction of Health Facilities in Furtherance of the California Pacific Medical Center Long Range Development Plan By and Between the City and Sutter West Bay Hospitals dated August 8, 2013.

(g) <u>Project</u>: The CPMC project as contemplated by the CPMC Long Range Development Plan and as generally described in Exhibits B-1 to B-5 of the Development Agreement.

2. <u>Purpose</u>. The contributions made to Grantee pursuant to this Innovation Fund Agreement shall be used as a designated fund to enhance the performance and improve the sustainability of community based service providers in the City, in accordance with the terms set forth in this Innovation Fund Agreement.

3. <u>Innovation Fund</u>. Subject to the conditions set forth below and provided that the Development Agreement has not previously been terminated, CPMC shall contribute to the

PAGE 1

Grantee the total amount of Eight Million Six Hundred Thousand Dollars (\$8,600,000) in installments to be held as a designated fund by Grantee. The Innovation Fund contributions shall be made as follows: Two Million Dollars (\$2,000,000), within thirty (30) days of the Effective Date, as defined in the Development Agreement, and the remainder in accordance with Exhibit N (Payment Schedule) to the Development Agreement. Notwithstanding the foregoing, nothing in this Innovation Fund Agreement shall be construed as a binding pledge to Grantee enforceable by Grantee.

4. <u>Investment Instructions</u>. The Innovation Fund and Innovation Fund Balance shall be invested with a five (5) year horizon for Disbursements as described in paragraph 6(b). Grantee shall exercise final control of the investment of the Innovation Fund Balance pursuant to Grantee's investment policy and the provisions of this paragraph 4.

5. <u>Committee of Fund Advisors</u>.

There shall be a committee of Innovation Fund advisors (the (a) "Committee"). The Committee shall consist of three members: (i) one representative of the City, (ii) one representative of CPMC, and (iii) one representative of Grantee. The Committee shall have the duties specified in this Innovation Fund Agreement and shall provide to the Grantee advice regarding the Disbursements to be made from the Innovation Fund, including the rate, schedule and allocation of Disbursements and the terms, goals and purposes thereof, without liability of any kind or character to any person on account of such advice. Every effort will be made to reach a consensus on any such advice from the members of the Committee and Grantee. If a consensus is not reached, the City and CPMC shall, through the Committee, nevertheless provide a single report to the Grantee conveying the view of each of the Committee members, and Grantee shall have the authority to make final Disbursement decisions after considering such report. Subject to the foregoing right of the Committee to provide advice regarding Disbursements, Grantee shall exercise final control of the Disbursement of the Innovation Fund Balance pursuant to the terms of this Innovation Fund Agreement. Except where in this Innovation Fund Agreement notice is specified to be provided by a specific party, Grantee may rely on a written notice from City or CPMC, as members of the Committee, and shall have no obligation to investigate whether any such written instruction or notice is agreed to by any other member of the Committee, or is consistent with the obligations of CPMC or the City to any party other than Grantee. All Disbursements must be approved by the Board of Trustees of the San Francisco Foundation.

(b) Each year, no later than ninety (90) days after the close of Grantee's annual accounting period, Grantee shall prepare and provide to each member of the Committee, a written accounting of the Innovation Fund Balance, principal and earnings of the Innovation Fund for the preceding year, and Innovation Fund Disbursements.

(c) Grantee shall maintain records as part of its accounting system to account for all Disbursements, costs and expenses for a period of not less than four (4) years following

PAGE 2

the date of such Disbursements, costs or other expenditures, and annually make records available to City and CPMC as provided herein and upon request.

6. <u>Annual Disbursements</u>.

(a) Grantee shall annually distribute a portion of the Designated Fund Balance to third-party health care providers/recipients and others through a grant application process approved by the Committee, in an amount and for such purposes as are consistent with the purposes of the Innovation Fund as described herein.

(b) The annual grant Disbursements shall be scheduled and allocated in such manner so as to maintain sufficient Innovation Fund Balance so that Disbursements may be provided for five (5) years. The first Disbursements shall be made within one (1) year of the contribution of the Innovation Fund, as determined by the Committee and Grantee as provided above.

(c) Grantee shall confer with the Committee and obtain Disbursement advice from CPMC and City through the Committee prior to making a Disbursement commitment in accordance with Section 5(a) above. Grantee shall impose restrictions and/or conditions on grant Disbursements as necessary to ensure accountability for use of funds and to monitor effectiveness.

(d) City and CPMC shall have no right to challenge the appropriateness or the amount of any Disbursement provided it is consistent with the procedures and purposes identified herein.

7. <u>Initial Program Goals and Allocation</u>. The initial program goals and Innovation Fund allocation guidelines for Disbursements are as follows:

(a) Support and improve the capacity of community clinics to increase their participation in managed Medi-Cal programs, including, but not exclusive to, the creation of a new MSO or expansion of current MSOs, development of care management capabilities, implementation and integration of evidence-based chronic disease management and team-based care models, investment in electronic medical records, participation in the San Francisco Health Information Exchange and developing organizational partnerships between CPMC and existing community clinics, and support for provision of specialty medical services;

(b) Support community-based health, human service and behavioral health service providers, with a specific focus on Tenderloin, Mission, Western Addition, South of Market, Bayview and Chinatown neighborhoods, including providers of community-based alternatives to inpatient psychiatric care that allows patients to receive services in the most appropriate and least restrictive setting and reduce unnecessary hospitalizations.

In implementation of the program goals related to MSOs, the Committee will consult with third-party subject matter experts, in health care delivery in a managed care environment, as necessary, to evaluate the feasibility, cost-effectiveness, and sustainability of grant proposals; and

These initial program goals and allocation guidelines are subject to change as determined in accordance with Section 5 above.

8. Termination of This Innovation Fund Agreement.

(a) <u>Termination by Grantee</u>. If at any time Grantee (i) fails to qualify as an organization described in Internal Revenue Code Section 501(c)(3), (ii) ceases to exist, or (iii) determines, in its sole judgment, that any restriction or condition in this Innovation Fund Agreement has become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served, then Grantee shall provide notice to CPMC and City and then transfer the entire Innovation Fund Balance within forty-five (45) days to a successor nonprofit charitable trust, fund, foundation or corporation which has established its tax-exempt status under Internal Revenue Code Section 501(c)(3) and that meets with the approval of CPMC and City.

(b) <u>Termination of Development Agreement</u>. CPMC or City shall notify Grantee no later than ten (10) days after any termination of the Development Agreement between CPMC and City prior to the expiration of its Term. In such event, CPMC shall cease to be a member of the advising Committee, and Grantee shall continue to administer the Innovation Fund Balance in accordance with this Agreement.

9. <u>Allowable Costs</u>. The costs of establishing the Innovation Fund, investment expenses, management fees for professional managers and advisors (whether the Innovation Fund Balance is separately managed or co-mingled with an endowment pool containing other funds) plus 7% for overhead costs of Grantee, shall be charged against the Innovation Fund. If co-mingled, the Innovation Fund Balance shall bear not more than its proportionate share of the fees and costs.

10. <u>Notice</u>.

(a) <u>Procedure</u>. All formal notices to a party shall be in writing and given by delivering the same to such party in person or by sending the same by registered or certified mail, or Express Mail, return receipt requested, with postage prepaid, or by overnight courier delivery, to such party's mailing address.
